**ItsAHazardLife** 01-Mar-19 06:02 AM

Good just a week of craziness

how you been?

**Saika** 01-Mar-19 06:03 AM

Tired and good, getting over the infection sucks but hopefully almost over

**ItsAHazardLife** 01-Mar-19 06:04 AM

I know how that goes. Only time heals all

**Saika** 01-Mar-19 06:04 AM

would you like to be left alone? didn't mean to interrupt anything

**ItsAHazardLife** 01-Mar-19 06:05 AM

nah you are fine.

not interrupting anything at all.

**Saika** 01-Mar-19 06:05 AM

I had some questions to ask if thats ok

**ItsAHazardLife** 01-Mar-19 06:05 AM

maybe depends on the questions lol

**Saika** 01-Mar-19 06:06 AM

lmao

**ItsAHazardLife** 01-Mar-19 06:06 AM

**Saika** 01-Mar-19 06:07 AM

was wondering if I could buy a set up like you did for kaida for my stream, I'm very bad at making it look good so I wanted someone with amazing talent and I love the work you did for her

**ItsAHazardLife** 01-Mar-19 06:08 AM

yea what do you have in mind for what you want?

**Saika** 01-Mar-19 06:08 AM

was thinking of a moon phoenix as my theme

**ItsAHazardLife** 01-Mar-19 06:12 AM

that sounds cool. I see like a dark purple as the background color.

I will come up with 5 logos and then we will go from there to create all the other elements.

**Saika** 01-Mar-19 06:14 AM

had the idea from watching dragon prince

also I wanted to semi match Vantash (edited)

with his fire phoenix

that sounds amazing

**ItsAHazardLife** 01-Mar-19 06:16 AM

Do you just want the logo to say Saika or Saika Saisune?

**Saika** 01-Mar-19 06:18 AM

oh hmm never seem my logo in full name before so idk

**ItsAHazardLife** 01-Mar-19 06:22 AM

100% complete. I have an idea for the overlays and the elements.

**Saika** 11-Mar-19 11:22 AM

is the left side under the wing supposed to be grey too?

**ItsAHazardLife** 11-Mar-19 11:23 AM

yes I can change it yellow as well if you'd prefer

**Saika** 11-Mar-19 11:26 AM

thought it was black for a shadow?

**ItsAHazardLife** 11-Mar-19 11:27 AM

It kind of is

I could even fill that little bit of grey black as well.

That is without the Saika

**Saika** 11-Mar-19 11:31 AM

ah ok ♥

**ItsAHazardLife** 11-Mar-19 11:36 AM

yea so you let me know. I want it how you want it

I love it with the saika in it  
with the side black

**ItsAHazardLife** 11-Mar-19 11:38 AM

sounds good. I have this one too for use with the other elements of your stream layout

**Saika** 11-Mar-19 11:48 AM

element is panels?

**ItsAHazardLife** 11-Mar-19 11:59 AM

yea the panels and if you want like the overlays and different stream parts like stream starting, be right back, and stream ending, etc

**Saika** 11-Mar-19 12:00 PM

ah ok, with panels maybe without moon and more detail on tail with claws

**ItsAHazardLife** 11-Mar-19 12:02 PM

Let me show you what I had in mind and if you don't love it, I'll get the added details

**Saika** 11-Mar-19 12:13 PM

I trust you ♥

**ItsAHazardLife** 11-Mar-19 12:14 PM

**Saika** 21-Apr-19 02:36 PM

I can't sadly look at it, I'm not allowed on the PC  
Been trying to find a place to live due to being homeless on tuesday. I'm so sorry Hazard  
Happy Easter Buddy 

**ItsAHazardLife** 21-Apr-19 02:53 PM

Just be safe for me and stream so I can watch

**ItsAHazardLife** 21-Apr-19 04:20 PM

**ItsAHazardLife** 21-Apr-19 04:40 PM

wish I was with my mom and brother, but my brother doesn't want me around his kid for a reason I didn't do. So I spent the day with my aunt, uncle and cousin.

**Saika** 21-Apr-19 05:11 PM

So sorry if you need to talk I'm here spending it semi alone

**ItsAHazardLife** 21-Apr-19 05:13 PM

Im doing alright it's just annoying at this point and when I say something to him, he just never responds and im just seeing where I'm end up if something was to ever happen to my mom and I am still single. I would have no one except my community on twitch and my moms side of the family.

**Saika** 21-Apr-19 05:20 PM

ItsAHazardLife 25-Apr-19 12:30 PM

btw just know im always thinking about you. I wish I had a room you could sleep in.

Saika 25-Apr-19 03:10 PM

I appreciate that a lot Hazard. This has been way to hard to deal with

ItsAHazardLife 25-Apr-19 03:16 PM

Believe me i completely understand and i hate seeing you have to go through this

Saika 25-Apr-19 03:28 PM

Second time in my life and it is breaking me

ItsAHazardLife 25-Apr-19 03:30 PM

How long do you have to stay out there in WA?

Saika 25-Apr-19 05:12 PM

Till the 3rd

ItsAHazardLife 25-Apr-19 05:12 PM

then where you going?

Saika 25-Apr-19 05:13 PM

To my step dads till we find a place in cali

ItsAHazardLife 25-Apr-19 05:13 PM

ohhhh at least it's not much longer

If you're ever scared just hit me up. I'm here for you

ItsAHazardLife 02-May-19 04:09 PM

Smh i dont know how to handle whats going on. This morning on my stream i had another streamer accuse me of viewbotting. I 100% would never do this.

99% of my views are direct to my channel.

Saika 02-May-19 04:15 PM

Wait why

I know you would never, that person just sounds jealous

You streaming now?

ItsAHazardLife 02-May-19 04:26 PM

Not right now. At a school thing

Because i was averaging 50-60 people all stream.

And now they posted their accusations on twitter.

Saika 02-May-19 05:45 PM

The fuck, do they know you get hosted and is very popular with a lot of other streamers?

It's not botting when you have support from people that care for you and you are a sweet person and a great streamer (edited)

I want to tell them off for you

**ItsAHazardLife** 02-May-19 05:50 PM

Ive been in their channel a few times so they know of me. I post in their self promo page on discord and supposedly "mutual" people me and the guy know messaged him. Instead of directly messaging me and talking to me.

The guy literally could have talked to me in dm's went the immature route and asked me if my chat. I am involved in multiple communities accross twitch and discord.

So if i had to guess he knows of me but doesnt actually know me.

**Saika** 02-May-19 05:57 PM

This guy sounds so weird

**ItsAHazardLife** 02-May-19 06:04 PM

Yea he's like i 100% know your viewbotting yet i present facts and he doesnt give a shit.

Im just tired of the accusations in my life and now he is slandering my name on Twitter.

I blocked him and reported him for harassment. So hopefully twitter does something to remove them

**Saika** 02-May-19 06:12 PM

That's a good start and I hope they ban him and remove that stuff but don't let the ass get to you. We all know you work hard and help so many people with there streams and support everyone

Know you are fucking amazing Hazard

**ItsAHazardLife** 02-May-19 06:20 PM

I know what i put worth and all of what i do but it sucks i have someone slandering my name for no reason.

**Saika** 02-May-19 06:21 PM

I want to kick his ass because I dislike him hurting you and ruining your good name

**ItsAHazardLife** 02-May-19 06:27 PM

Its crazy. I hate people like him. I did nothing and i am getting crucified like i am. Even friends in chat are like we all know these people and he didnt care.

I ended up being trolled by him and a few others for like an hour in a half.

**Saika** 02-May-19 06:39 PM

Anything I can do, if he comes in your stream again let me know

**ItsAHazardLife** 02-May-19 06:53 PM

Sounds good. I think im going to put in a filter to not allow anything with view, viewbotting, view botting, etc in my chat. Even maybe report and reported

**ItsAHazardLife** 17-Jun-19 01:36 PM

I am working on listings for items and I swear I am never buying purses again lol

Saika 17-Jun-19 01:38 PM

ItsAHazardLife 17-Jun-19 01:49 PM

38dollars each

ItsAHazardLife 18-Feb-20 04:13 PM

Saika 18-Feb-20 04:13 PM

so next would be about me  
she is the cheapest i found, the girl that does my emotes is 50

**ItsAHazardLife** 18-Feb-20 04:14 PM

cheapest I found, where I got mine was fiverr at \$15 or 3 for \$35  
another girl I found is shyfoxx on twitter and she is really good at \$30 each  
idk how much VampKiwi is, but she is talented

**Saika** 18-Feb-20 04:16 PM

it was risky to find someone that can match my emote perfectly  
this girl did amazing

**ItsAHazardLife** 18-Feb-20 04:17 PM

yea she is amazing  
are you planning to eventually match everything across the board even overlays?

**Saika** 18-Feb-20 04:17 PM

**ItsAHazardLife** 25-Feb-20 05:40 PM

**Saika** 25-Feb-20 05:41 PM

I feel useless in seas and I havnt been preforming well at all

**ItsAHazardLife** 25-Feb-20 05:42 PM

You arent useless and it's not about how you perform. It's about you and your personality

**Saika** 25-Feb-20 05:42 PM

As for streaming, I feel like I dont give good content like others

Just feel like better if I'm just a mod then stream

I'm more useful

My mood lately has been down

**ItsAHazardLife** 25-Feb-20 05:44 PM

I enjoy your content minus the killing of crewmates, dabbing and uu rr. You like doing those things to troll them. Otherwise the content is there.

Yea i know its been down, but dont just give up. Thats not the Saika i know

**Saika** 25-Feb-20 05:50 PM

I dont want to feel like this but keeps popping in my head

**ItsAHazardLife** 25-Feb-20 05:51 PM

Sorry for having a difference in opinion about how to handle this server, but honestly this is the stuff we hate and called coop out for it. Then in the end they were cowards. It's just funny to me tbh that people "love" this. I don't find cowards play entertaining.

**Saika** 28-Mar-20 10:11 PM

It's ok we knew he was running

We just badly wanted to prove we can sink him

How are you today?

**ItsAHazardLife** 28-Mar-20 10:14 PM

Rag was just reminding me about your Saika Butt emote. I know that is what he would like as an emote, but just think about it this way. It doesn't really match you. I could see if you talk about butts all the time, but you don't. It doesn't match anything about you or your stream. Just think about it.

If I was to come up with something it would be something about your channel. Like per say a Phrase or phrasing or words emotes because you literally dont pay attention to what youre saying often.

You know why..... We've had the discussion.

allowing you to keep having people call you mom or momma, will carry on and on. More people will join in and it will continue. Even Maladath agrees.

He is talking about unmodding himself if all of this continues

the term momma.... is literally NOT a good term for random internet people to use no matter the age of them.

we love you to death and we don't want it to effect your or your future doing WHAT YOU LOVE.

ps I even know Spar has talked to you about it.

🤝 you tons and thats why I do this. I know you have the kindest heart and will allow literally anything. This is to protect you

Maladath1980Today at 2:59 AM

Yeah i know, and thats a genuinely bad idea

**Saika** 13-Jun-20 03:01 AM

i understand but its something they love to do

**ItsAHazardLife** 13-Jun-20 03:01 AM

yes but you need to draw the line somewhere

even if they love it. Letting rando's call you mom/momma is a bad idea

**Saika** 13-Jun-20 03:05 AM

but i dont want them to ruin there fun

**ItsAHazardLife** 13-Jun-20 03:05 AM

it's not about them having fun. It's about protecting yourself

Saika 13-Jun-20 03:06 AM

i will talk to spar after stream but for now for the sake of the stream let it happen and i will find away with spar and dm ppl about it ok

ItsAHazardLife 13-Jun-20 03:07 AM

ok you know it will be for your best interest for you to not allow it now and in the long run. It could go so bad

Saika 13-Jun-20 03:08 AM

gotcha

ItsAHazardLife 13-Jun-20 03:08 AM

you know I love you and want to keep you safe and protect your future.

ItsAHazardLife 13-Jun-20 03:32 AM

With me trying to prevent this from happening. Im being called a bad mod, etc. I left chat after this started happening 🤔

I didnt want to start more stuff

ItsAHazardLife 13-Jun-20 08:05 AM

Love you, i am going to let other mods make decisions in your channel for awhile and go from there. Removing myself from things for a bit.

Saika 13-Jun-20 11:08 PM

I love you more, please don't remove yourself from my life. You are extremely important to me and I know you mean well but I have thick skin. I'm so sorry I never meant to hurt you, you mean everything to me

ItsAHazardLife 14-Jun-20 03:28 AM

I wasn't removing you from my life or your life. I wanted to remove myself from the situation cause I dont want to see people call you mom. It's weird. In this case it's not about having thick skin. You allowing something like random people calling you mom or mamma it's going to eventually grow into a bigger problem. Potentially even lose people that watch you because they are calling you mom. You need to think about you and your brand before your viewers feelings. Which is why I also told you my thoughts on the butt emote. Imagine if your channel randomly blew up like Mason's and you had 100+ people calling you mom.

You didn't hurt me, I still love you to pieces and you still mean a lot to me. I just wanted to step away from it.

Saika 14-Jun-20 11:00 PM

I need to dm Zoey and bam about it

ItsAHazardLife 14-Jun-20 11:05 PM

At the end of the day I care about you and I care about the life/career you make out of Twitch. You are amazing as a content creator. You deserve the success just as much as Spar does. You both are amazing. Don't let something like this become a bigger problem of later that you might not be able to handle or contain.

I know Spar told me he would go nuclear if it ever got to bad or out of hand, but things shouldn't have to go that far.

You are loved 1000000% by me.

You know I hate being in your chat whenever Zempel is in there right? He honestly is no good for you and you definitely shouldnt be friends with him. Nothing good someone with an attitude like his let alone his "z-squad" ego. Plus he has a VIP by the name of Super Edgy Princess, someone that is connected to Waspy who we've banned in your discord and GA recently. That is not good. I wish he was not connected to you or the community and some his actions recently should have been ban-able.

Love you, I just don't want to see you get mixed up in the shit he is stirring up. I know it's going to be no good.

I was going to save this talk until we sailed solo together but I'm growing tired of him quickly and hate that I feel like I dont want to be in your chat cause of him.

**ItsAHazardLife** 29-Aug-20 11:46 PM

I know I heard its going to the emporium  
its dumb

So essentially I'll be around briefly on Wednesday but right now I'm just steering clear of ZachN Cheese for awhile. I don't want to go into details, but it's bad enough that I unmodded myself from his channel for the time being.

things got way out of hand is his chat the other night and he didn't try to stop it nor none of his mods. It essentially came back and effected me. At least a few people should have been timed out and a couple should have been banned, but Zach choose to keep them around. So I chose to distance myself for the time being.

Yea it was bad enough he made an announcement post saying things went way to far and ended up taking the day off from streaming

**ItsAHazardLife** 02-Nov-20 08:31 PM

-----  
The reason why I'm not going into to like fine details is cause I don't want to cause further issues from how it effected me. I know you of anybody could put 2 and 2 together but wont know exactly what happened. 🧡

**Saika** 02-Nov-20 09:49 PM

I won't lie I feel bad for getting distracted the one server. I usually never get distracted while sailing. Sadly someone made a comment directly to Meagan as she was leaving saying "oh no meagan is in here ? this chat is full of sin" which was in reference to what happened over the weekend. I deleted the messages and had to whisper the person who said it as well as let Meagan know. I know Spar wasn't happy I deleted them but he doesn't know what happened like you do.

Love you Nicole 🧡

**ItsAHazardLife** 22-Nov-20 12:07 AM

with SoT I know you struggle big time and so do I. It's like a love/hate relationship. We love it, but so many things have worn us over time. No lie when you're solo and chilling you probably enjoy the seas a lot better. Ever since the FotD came around it's been mostly spice. That spice also causes some stress especially when the people you are sailing with don't listen or don't make call outs. The call outs I am quickly learning to do more even if I am annoyed by a bug or hit reg.

After last night, I'm just going to take a little break from yours and Spar's stream. All I felt like was that Spar was calling me a liar, telling me I

don't know anything and taking shots at me for my twitter posts. So I'll be around one day again, but idk when.

**Saika** 11-Dec-20 06:10 AM

Hazard im sorry it got this far but same time cant let a conversation impacted your friendship. We 3 will have different opinions about rare. Im not trying to call you a liar or take shots but I will be honest about one thing for me I never been one for social media and people posting outlashing on other people even companies.

So if you want to take a break from me thats all you but I wouldn't do that to you over something like this thats not even our business. Also remember Spar is trying to grow and get seas partner and to him that conversation could hurt his chances

**Saika** 11-Dec-20 07:47 PM

The fact your truly going to do this to me and putting me back into my depression and making me feel like I fucked up again. You are a big part of my life and trust Hazard, you are one of the few that can truly destroy me.

I'm extremely sorry over all if I hurt you tho, never my intention.

**ItsAHazardLife** 11-Dec-20 07:50 PM

Honestly you have not hurt me, you have not said anything that would effect me. It was 1000% Brandon and even what he sent me in dm's was just as bad as the other night on your stream. You have not fucked up.

Trust me I'm proud of Brandon for hitting SoT partner, but at the same time I have my own feelings about how no existing partner would speak the truth about the state of the game and they are also excited for each update. It's something that I noticed.

**Saika** 11-Dec-20 07:52 PM

I never want to lose you

**ItsAHazardLife** 11-Dec-20 07:53 PM

You won't lose me I'll be back and always a text or call away 🤝

I closed out pretty much all my tabbed sot people and even quit hopping for a bit. Told Mitch if/when he wants to do the SoTshot to just send me a dm.

**Saika** 11-Dec-20 07:54 PM

I hope so because I need you in my life as my positive part

**ItsAHazardLife** 11-Dec-20 07:55 PM

I'm always here for you 🤝

**Saika** 11-Dec-20 09:04 PM

I know you and Brandon isn't seeing eye to eye but you both are very close friends and I hope you will be there for him on his memorable moment tonight. I don't want this to get in between you both.

**ItsAHazardLife** 11-Dec-20 09:05 PM

He's already told me he got it and I've told him congrats about it.

**ItsAHazardLife** 13-Dec-20 05:36 PM

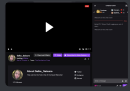

Oi Saika, I had no intentions on hurting you or our friendship with my decision to go away for a few days. I honestly just felt so degraded by how Spar was talking to me the one night. I felt like he called me a liar and I felt like he was saying that I knew nothing about business. So to me it wasn't about the conversation but how spar was treating me. I sent him a message on discord and it literally was the same degrading talk. Going away from you, our friends was not an easy choice. The worst part is with my few days off and away from the game I contemplated uninstalling and never looking back. I just don't see Rare having the best intentions for the community or actually caring about the community to listen to them. I haven't made a choice if I'll uninstall or not yet  
I'm sorry Saika, I love you and enjoy having you apart of my life and my family.

All i can really say is if you didnt want to hurt me you wouldnt of wanted two people in your life that hurt me severely. This is going to hurt me as much as it is going to for you, but i cant handle either of them around and having to worry if they are around or their names being said. Not worth the stress or anxiety. So i have to do it for my health. Im sorry Saika (edited)

this song helps me feel better, maybe will help a bit for you. I miss you

**ItsAHazardLife** 02-Feb-21 08:47 PM

I miss you too and thats why I'm trying to get this talk done. Cause at the end of the day I'm struggling to understand things. I got bits and pieces of what she told you/spar, but there is pieces missing that I know she wouldn't tell you. I get yall don't want to lose friends, but I felt like my voice wasn't heard or believed with what happened. I also feel like whatever she told you two was believed and was the factor in why you two leaned the way you did.

Just know I'm doing decent, working crazy hard on my business so I can make things happen in the next couple of years.

**Saika** 02-Feb-21 09:06 PM

I didn't lean in any direction, I just didn't like how you went about it with asking for her DMs and posting on social media when it can be solved between the people involved. I feel for you both so deeply and hearing her cry hurt me. I don't know what happened that day and I tried my hardest to keep you both together but in of the day it was your guys decision. Megan is our friend and you are my family, I wont choose sides or abandon either one of you, I been through this situation so many times that it hurts and every time the people I love pick anger or stubbornness over whats important. Having to be right isn't worth the cost at the in of the day and my friends took months/a year to realize it later before they talked to me bcuz of it and I don't want that for us. I know your hurting and instead of drowning in the past, I would like to make you feel better and help move on. If its playing other games or watching stupid movies but not keep reliving the hurt. I'm down for the talk in voice at some point

**ItsAHazardLife** 02-Feb-21 09:13 PM

The day we broke up I literally told her I still was uncomfortable with her being around and interacting with Zach and Clay, more-so Clay than anything. She didn't like that and the only compromise she wanted was to be around them. We both kept saying we didn't want regrets or remorse for it but there was no middle ground to come to.

I posted on social media what I did because she put something out there that basically said it was my fault for the break up and all she wanted was her own happiness. I don't regret making the post on twitter cause I haven't lied about anything I've been saying. What I'm saying she said truly did happen and I can believe whole heartedly that she wouldn't want to tell you what she said to Megan cause it really was bad.

and so you know I asked for the dm's between her and Clay for the simple fact that she told Megan she was talking to Clay in messages. After everything I saw her say in Zach's chat and in dm's to Megan. My mind was wtf is she saying to Clay in dm's.

It's super hard to be around yours and Spars stream cause literally she is there constantly and I will not be around her. I don't trust her and I grew up disliking liars a lot. Something she has been doing to you and spar.

In all honesty I'm not hurting because of Meagan I truly dislike her cause she cheated and cause she is lying to you and spar, I had a month to be ok with a potential break up cause she wanted to break up after the night in Zach's chat after we took a break. I'm truly more hurting because my family is basically fallen apart because of her. It kills me knowing you want to be her friend even with what I've told you she said that night.

**Saika** 02-Feb-21 09:24 PM

neither one of you should post stuff like that but i'm old fashion, if my mom ever seen me do that i would get my ass kicked

**ItsAHazardLife** 02-Feb-21 09:26 PM

I'd rather post my feelings and tell people what happened. I've always said I'm an open book. I won't ever hide anything especially if someone wronged me.

**Saika** 02-Feb-21 09:28 PM

I told you I will not believe a 3rd party like the other Megan, I will only listen to you or our megans side. I'm sorry that other woman isnt a good person in my eyes

**ItsAHazardLife** 02-Feb-21 09:29 PM

and in my eyes Meagan is just as bad

**Saika** 02-Feb-21 09:29 PM

I understand that but doing that only brings more unnecessary hurt/drama that is very wrong in my eyes  
I get that and I will not take that away from you

**ItsAHazardLife** 02-Feb-21 09:31 PM

I wish I had the screenshot of the "wing woman" conversation Meagan was having with Megan. It was far from it and I even questioned Meagan telling me it was cause why she was saying was nothing a wing woman would say to get their friend to talk more to a guy

**Saika** 02-Feb-21 09:38 PM

I'm sorry I'm killing you that is something I never wanted but this situation is so fragile and its come down to he said she said with no proof on either side. Now at this point is just moving on from it or it will eat away whats left. I told you before tho, for me to stop talking to someone they have to do it for a very long time on purpose and sadly this situation I dont know what side is wright. This is a situation where sadly you both didn't work well together and I look at cheating in a different way due to almost every man I been with has. if she Dmed naked pic or something thats a different story

**ItsAHazardLife** 02-Feb-21 09:39 PM

The only proof left is locked behind a mod wall in Zach's channel.

**Saika** 02-Feb-21 09:40 PM

or had virtual sex then thats cheating not a stupid comment that was said between girlfriends

**ItsAHazardLife** 02-Feb-21 09:40 PM

To me if a girl says she is talking to another guy and she is becoming horny and wet over it..... that to me is cheating. Those aren't really stupid comments in my opinion. nor was the comment where she said she wanted Clay's sperm to make a kid as cute as his. Those comments cross the lines and would make any guy question their girlfriends interest.

**Saika** 02-Feb-21 09:42 PM

that is also not cheating tho that is joking with a friend under a conversation  
its not meant to be true

**ItsAHazardLife** 02-Feb-21 09:43 PM

it's called emotional cheating Saika

**Saika** 02-Feb-21 09:43 PM

im sorry I cant fight with you on this

**ItsAHazardLife** 02-Feb-21 09:43 PM

I don't believe those were jokes

**Saika** 02-Feb-21 09:43 PM

this is not why I messaged you

**ItsAHazardLife** 02-Feb-21 09:43 PM

I know it's not Saika  
when I saw those comments it tore me apart and made me feel like I wasn't good enough.

**Saika** 02-Feb-21 09:44 PM

I been suffering from bad depression bcuz of this situation and another thing thats been happening , I already dont stream and lost my chance at sot partner over drama  
i came very close to deleting everyone out my life and ghosting

**ItsAHazardLife** 02-Feb-21 09:45 PM

I heard about the other situation and he is a piece of shit tbh

**Saika** 02-Feb-21 09:45 PM

so I love you and miss you is all im going to say now, just please take care of yourself and do stuff that makes you happy over all  
all I want is my old adam back before all this crap 

**ItsAHazardLife** 02-Feb-21 09:47 PM

The Adam is gone unfortunately.  
I'm honestly just drowning myself in a lot of work. Nothing more, nothing less. Haven't touched a game in a long time.

**Saika** 02-Feb-21 09:49 PM

**ItsAHazardLife** 02-Feb-21 09:50 PM

At the end of the day, I get we don't see eye to eye on what cheating is nor do we agree on what she said being jokes or not. All I know is I  
even talked to a couple friends that I've been friends with for 5-10 years and they even say it's fucked up.  
I can't be the same Adam anymore, cause I feel like I can't even be around without being forced to see her in chat or hearing her name.

**ItsAHazardLife** 03-Feb-21 08:12 PM

To answer your question from last night. If you ever want to chill and watch a movie in discord. I'd be down to do so.

**Saika** 04-Feb-21 01:07 AM

I would love that!

**ItsAHazardLife** 04-Feb-21 01:07 AM

How are you doing today?

**Saika** 04-Feb-21 01:12 AM

not good, thought i was getting somewhere with buku and i woke up to find out his is streaming with Rob so oh well

**ItsAHazardLife** 04-Feb-21 01:13 AM

We all know Buku chases the numbers. Everyone is a pawn for him and he will use them to get what he wants at the end of the day.

**Saika** 04-Feb-21 01:14 AM

I cant let it get me down so im playing music

**ItsAHazardLife** 04-Feb-21 01:15 AM

Rob is piece of shit, buku supports him even though you've talked to him about it probably multiple times.

I know it's far from what Rob did, but why do you think I got so upset with you and Spar? Cause at the end of the day you're supporting Meagan, Zach and Clay. Seeing yall do that hurts me when I know we are a family. All 3 of them did me wrong, jokes or not what was said went too far and hurt me, made me feel like I wasn't good enough.

No lie, I'm just working with Tokyo Drift on in the background.

**Fireflight- Unbreakable [Lyrics]**

I simply made a lyric video for this song for fun! I do not claim that this song is mine. It is owned by Flicker Records and they receive monetization for this lyric video. Thank you for watching!

I have this song

**ItsAHazardLife** 04-Feb-21 01:31 AM

Has a good meaning behind it

**Saika** 04-Feb-21 01:31 AM

no one should ever make you feel like your not good enough, no one can take anything from you

trust me i understand your pain, I have to live with rob being around for my friends. I have to put what matters first and hopefully some time in the future it will not bother me but atm it will

**ItsAHazardLife** 04-Feb-21 01:33 AM

yea well after I saw what Meagan said then how she tried to explain herself. It made me feel like I wasn't good enough for her and made me feel like she wanted someone else.

**Saika** 04-Feb-21 01:34 AM

but i will not fault my friends, they dont deserve it. I should be the one and one only to hold this burden/pain

**ItsAHazardLife** 04-Feb-21 01:35 AM

Yea but at the same time friends should also understand the pain especially if it was in the form of cheating or abuse.

**Saika** 04-Feb-21 01:35 AM

I have lost so much in my life and I cant handle more lose over someone as pathetic as rob, he will not break me

I will show him im strong and follow my goals he will not take that from me like Jay or my dad did

**ItsAHazardLife** 04-Feb-21 01:40 AM

People come and go, Dogette once asked me would you rather like you, spar, or her be neutral in a sense to be friends with both sides or not be. I told her I would rather you 3 not be friends with either of us even if it meant giving up people I love.  
Following goals is all you can do at the end of the day. I know I'm finally back chasing mine after be lost for the past 3 years.

**Saika** 04-Feb-21 01:44 AM

I learn this from my mom, no one in life should ever tell you how to live or be who you are (friends, family or partners) everyone makes there on decisions where good or bad. I have no right to but that hurt on anyone, it not fair. It causes rifts and resentment  
i must try and get rdy, love you loads. I really miss talking to you and hope we watch movies ever soon

**ItsAHazardLife** 04-Feb-21 01:47 AM

Get ready I'll be around for a bit. Trying to work on a bunch of stuff.

I know at the end of the day you can't control who people are friends with, but I also see it from a different perspective cause I raised by codes. I'm loyal to the core, if my friends or family have issues with people I do my best to not interact with them or give them the time of day. These codes made me who I am today. It's why I have a "I won't tolerate BS" mindset.

**Saika** 04-Feb-21 07:41 AM

I love that tho about you  
Its just hard as a streamer networking with others

**ItsAHazardLife** 04-Feb-21 07:56 AM

Yes but you don't have to network with everyone. Everyone can't be your friend. Just like you will see the fake ones over time. (edited)

**ItsAHazardLife** 04-Feb-21 08:04 AM

I think i even did a good job with not saying anything about yall being with zach on Saturday. I honestly hate it, cause I've sadly seen that he is a sleazy person. All he wanted done was to sweep that night under a rug and wanted me to a well, but I'm not that type of person. I cant stand when people do that.

**ItsAHazardLife** 04-Feb-21 08:51 AM

READ THIS PART ONLY FOR NOW then the rest later

Please don't be mad at me, I have to unmod myself for awhile. I can't stand seeing messages from Meagan, nor her talking her traveling to Missouri to see her new BF. I hope you understand.

**Saika** 04-Feb-21 08:55 AM

who is her bf? what?

**ItsAHazardLife** 04-Feb-21 08:56 AM

it sounds like Bruno

Bruno is from MO, said she woke up in MO. "She went there to see her bf (heart/love face)" (edited)

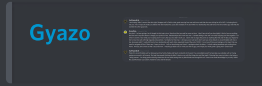

**ItsAHazardLife** 04-Feb-21 09:38 AM

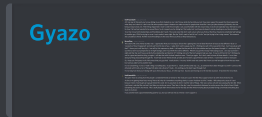

yeeeeeeeeeeeeeeep

<https://gyazo.com/02be4c12998ef23aa27063b1c976e63b>

**ItsAHazardLife** 04-Feb-21 10:36 AM

Literally bruno is someone i looked up to. Even called him a friend.

All i do is keep losing people cause of this.

**ItsAHazardLife** 04-Feb-21 11:36 AM

I feel like cause of this break up things aren't going to be the same. I've lost friends, almost lost you. Spar doesn't seem to give care anymore. How much do I have to lose for what she did?

**ItsAHazardLife** 04-Feb-21 02:43 PM

I'm done with Spar..... I want nothing to do with him. Saying I'm delusional and shit. Fed up.

**ItsAHazardLife** 04-Feb-21 02:57 PM

"I dont want you to hurt" but just how Spar talks to me is horrible. Having to see Meagan in chat is horrible. I literally blocked Bruno.... someone who i thought was my friend. Why did i message him? Cause i didnt want it to be true that a person i considered a friend would date my cheating ex.

**Saika** 04-Feb-21 03:05 PM

I asked Brandon about Bruno, I dont think you should push your good friend Bruno away but I understand. As for you and Brandon I'm scared that this situation is damaging you both really bad.

**ItsAHazardLife** 04-Feb-21 03:07 PM

There is no friendship between me or brandon anymore. Im not going to let anyone say im delusional when im the one that saw the messages between meagan and megan.

If Bruno was a true friend he wouldve messaged me but he didnt want to

**Saika** 04-Feb-21 03:10 PM

You really need to see what you are doing to your friends, Brandon and I are not the only ones that don't want to be involved or pick sides. This situation has caused so much hurt and rifts on all sides, turning people against eachother and that isnt right when it doesn't involved them. You and Megan both deserve to be happy and I know hers was quick but you shouldn't focus on it. (edited)

**ItsAHazardLife** 04-Feb-21 03:17 PM

People dont want to choose sides cause they dont want to lose "a friend" . The worst part to me is that noone believes me with what happened. They are stuck on me asking for dms when meagan said to megan in dms that she was talking to clay.

Even if we never made seeing each other happen irl we were in a long distance relationship. She had no respect for my feelings that night let alone even after it happened. I was uncomfortable about her being around Clay and Zach. All of what she said hurt me bad and she didn't want me to talk to anyone about it. All she wanted me to do was sweep it under a rug and move past it. (edited)

This is something ive said to almost everyone including Spar. **THE HURT I'VE BEEN FEELING IS FROM MY "FRIENDS"**, because of what they are saying and not believing me that what she said actually happened. Like who would make up a story with the details i have actually been saying? I know i wouldn't i have no reason to lie or make something up. All because i dont have the dm's anymore between meagan and megan who had been friends for months. **My pain literally has nothing to do with Meagan.** (edited)

I honestly dont hurt from the break up. I hurt because of my friends.... my family.

**ItsAHazardLife** 04-Feb-21 05:05 PM

I just wish people would understand this. If Meagan didn't cheat I wouldn't be so bothered by the people I consider family or friends having her around, but she did cheat. Maybe not your type of cheating, but she did emotionally cheat by talking about another guy other than myself in a sexual manor. No one doesn't want to believe this. Emotionally cheating is a real thing. My biggest regret is not having the screenshots so I can prove what is said. (edited)

**ItsAHazardLife** 04-Feb-21 06:08 PM

Like at the end of the day it makes me feel like all of you support cheaters and it truly blows my mind. I know Todd does cause he told me himself that he can't not be friends for just cheating. Cheating is HUGE. If anyone is ok with a friend cheating on another friend their moral compass is f'd up. No one should ever be ok with that especially if there was pain behind it for the one that got cheated on.

**ItsAHazardLife** 04-Feb-21 07:51 PM

Everyone is pointing fingers like i am the one to blame for the relationship dying to even these issues with who i call friends or family. Ive done nothing but be honest about what happened that night and what was said.

I even urge you to read how spar treats me when talking to me. So condescending and downright disgusting. I still cant believe he called me delusional about the dm between meagan and megan being real even though you know it is cause youve mentioned to me that meagan was just trying to be a "wing woman" which was to megan. Ive never been not truthful to you or spar so it annoys me that spar things im not telling the truth.

I just cant believe any of this anymore.

**ItsAHazardLife** 05-Feb-21 10:06 AM

Im sorry all of this got tossed on you. I just hope you understand all of this. I hope you can understand my pain is not from meagan, but my friends or family.

**ItsAHazardLife** 05-Feb-21 10:11 PM

**Saika** 05-Feb-21 11:42 PM

I will message after Brandon's birthday, I never wanted to hurt you and I'm extremely sorry I did

**ItsAHazardLife** 06-Feb-21 07:59 AM

ok I will wait patiently. I just will never understand how noone can consider what Meagan did as cheating. I will never understand why Brandon says I'm delusional about these dm's between Meagan and Megan. You've even told me she was just trying to be a wing woman to her which is the same thing she tried to tell me about what I saw in dm's. I shouldn't need physical proof of these dm's or what was in them. Cause that

night I guarantee I was the last thought on my mind. I know she wasn't thinking about me when she was saying she was wet in Zach's chat or that she was getting turned on and wet in dm's to Megan. Because she wasn't thinking about me while saying these things does constitute as cheating. Cheating is **BIG** and it blows my mind that you nor Brandon consider it cheating. It blows my mind that Brandon doesn't want to believe a single thing I say. He literally has been on Meagan's side since day 1, he has never been neutral. It blows my mind that Todd is ok with having someone that cheats in relationships as a friend. It just blows my mind. It hurts me to know all of these things. At the end of the day, I saw everything said that night including the dm's Meagan had with Megan, I shouldn't ever need physical proof, but with you guys it's like I need it or it didn't happen. It's the saddest part of it all. I have zero need to lie to any of you. I lived it, I breathed it,. I felt the hurt and the pain. Even Zach said everyone was horny in dm's to me and that it went to far in his announcement

The old Hazard died not from the break up but from his friends actions throughout it and how they treated him. Not believing him, them wanting her around, them saying it never happened, etc

I know Spar brought of me saying to you that I wanted to walk away from our friendship. Do I want to? No I didn't, I still don't really want and I even told you it's the hardest decision of my life. The decision to walk away would come from how I am feeling from everything I said above. I've lost so much from all of this already, the last person I would want to lose is you.

I know I could send people what Spar told me the other day, I guarantee they will call him an asshole or can't believe I called him a friend. That's how bad Spar treats me when it comes to all of this. He even tries to control what is said to not just him, but **EVEN YOU** which is not right at all. He shouldn't be controlling who you talk to or what it is about. Literally he doesn't want anything in messages and only in voice for him, which he told me to schedule a call between you two and that was two weeks ago. Just like the first time he wanted a voice call it never happened within the first week. The simple fact that he is telling me things can be only in voice is him trying to control me, hell even things he said when I talked to him last shows he was trying to control things. It's a shame he is this way.

Literally if you don't believe me with the above about Spar, I have no problems showing you what he said. He has even been controlling how people look at what happen to me. Spar talked to Todd after he talked to me the other day. Afterwards I got messages from Todd saying he is removing my mod from GA. Saying I'm not the same person, which we know is true, he is trying to say it's because of the break up with Meagan, again this is not true. He wants me to just let what is bothering me go which in turn would make me walk away from even you permanently. In my opinion, if a friend cheats on a friend and causes them hurt, friends shouldnt want them around which includes talking to them. (edited)

I still blame Zach 100%, cause if he would have kept his chat in line none of this would of happened, but he didn't and allowed it. Which allowed Meagan to cheat on me. Then after the fact didn't really want anything to do with it except to have it swept under a rug and for everyone to forget about it. This is the worst way to handle something like this. In total there was 5 people to blame for that night Slothy, Megan, Meagan, Zach and Clay. I'm still honestly disgusted by Zach allowing it and I'm disgusted by how he handled it after the fact. It still surprises me y'all want to collab with him too knowing he allowed this to take place.

As far as my friendship with Bruno he torched that himself, I messaged him to confirm he was. Since he is dating Meagan I am cutting him out of my life, no real friend would date your ex especially if they cheated. You saw what he said he didn't care what she said at all or even that she cheated. She can be happy all she wants, but I'm not going to sit there and watch a friend date my ex that cheated on me. I don't have respect for people like that.

**I hope all of this explains everything I am feeling right, I hope you can understand it.** (edited)

**ItsAHazardLife** 06-Feb-21 05:34 PM

It was soooo hard to not say anything about Zach today.... Why do I hate him so much??? All I can say is if someone aided in ruining your relationship you would hate them too. I have zero respect for people like that. I wish my friends had my back through it.....

**Saika** 06-Feb-21 07:05 PM

I'm sorry Hazard, judging Zach for someone's else's actions is wrong

**ItsAHazardLife** 06-Feb-21 07:06 PM

He was 1 of 5 people involved in that night.

He even admitted to me that he should have stopped it but didnt

**Saika** 06-Feb-21 07:07 PM

But it wasn't him saying it tho, he is streaming hazard, not everyone is good with stuff like that. Im sorry

**ItsAHazardLife** 06-Feb-21 07:07 PM

He was reacting to things said in chat

**Saika** 06-Feb-21 07:07 PM

I'm going to stop talking about this, im tired of us fighting over it.

**ItsAHazardLife** 06-Feb-21 07:08 PM

Ive been tired of my friends not having my back.... or telling me it didnt happen.... or treating me like trash over it all. Im tired of people supporting their actions that night.

**Saika** 06-Feb-21 07:09 PM

I just finished watching Doug and going to nap for a couple of hours, my advice is focus on something else like a movie or something. Take your mind away from this.

I never treated you like trash

**ItsAHazardLife** 06-Feb-21 07:10 PM

Your bf did

Both the other day and the 1st time i talked to him

**Saika** 06-Feb-21 07:10 PM

I'm just trying not to get deeper in my depression over this and I should've never been involved.

I'm not Brandon sorry, thats between you both

**ItsAHazardLife** 06-Feb-21 07:11 PM

He even went as far as calling me delusional and told me meagan dm'ng megan never happened which it did happen cause i saw the dm's. And you even acknowledged she was just trying to be a wing woman which is far from the truth. (edited)

Literally yall support her cheating by having her around. You're not neutral and haven't been since day 1. Which is crazy to me. (edited)

Brandon doesn't care what i have to say. How he treats me is disturbing. Literally you should see his messages to me. (edited)

**ItsAHazardLife** 06-Feb-21 07:35 PM

Ever since we broke up. I havent had the support of the people i called friends or family. Literally yall since day 1 have defended her, supported her, made excuses for her, wanted her around, etc. While for me i was told it didnt happen, told she didnt cheat, told i was lying, told you didnt want to be involved, told yall were tired of hearing about it, told so much that didnt support me at all. It blows my mind how my friends treated me through all of this.

It blows my mind yall want meagan, zach and clay around after that night. What happened that night was horrible. Nothing but a horny fest that went waaaaaaaaay to far.

I just wish i had the support of my friends at the end of the day, but i never did.

**ItsAHazardLife** 06-Feb-21 09:10 PM

At the end of the day i wish you could realize that none of you had my back when it came down to what happened. Meagan left a lot of stuff out and you had her back since day 1. It was more like she said this stuff and we believed her. He said this stuff and we dont believe it happened. Even though i woud never lie to you. Everything i said actually happened. I saw the vod and the dm's. She barely wanted to talk to me about it after it happened and wanted it all to be forgot about. There is a lot of reasons why she wouldnt tell you everything.

I just wanted yall to have my back and support me but noone did.

**Saika** 07-Feb-21 05:31 AM

I have your back hazard, you just made yourself think that. I tried to help and it didn't work out. I heard both sides and in the beginning you changed your story like 3 to 4 times. Without proof im sorry its your word against hers. At this point I don't believe either one and just want to be out of this situation and stay neutral. So please don't say crap like that about me because it isn't true. Im always here to vent too but what you ask of me is to ruin 3 friendships with Meg, Zach & Bruno. That is a unfair thing to do to someone you call family too knowing how kind I am and how I take things hard. I even found out you hop servers for the man that abused me and im not mad at you. You make your own decisions and I will love you no matter what because your more important then the hate I have for Rob. The reason no one agreed with you is because either no proof and what you consider cheating is different from what we believe. As for Zack, blaming him is a out burst because others got out of hand in chat that isn't he responsibly to control. That part i will put my foot down and not stop being friends with. As for Bruno, I care a lot for him and it was a shock but he knows what he got into and its his decision and I will not fault him for being happy after the stuff he has gone through. All of this is between you and Meg and at the end of this im not picking anyone side, to me you both could be lying to me I honestly don't know. But what I do know is I just want to start over with you both and move past this drama. Its your choice at the end of the day if you don't want me in your life but I will always be here when your ready to realize losing us is unecessary when we can put this crap behind and do stuff between us and not ever bring up Megan.

**ItsAHazardLife** 07-Feb-21 05:33 AM

I only passed them to sandra and its was only a handful

**Saika** 07-Feb-21 05:34 AM

I will gave our voice talk with Brandon when you both are rdy but other then that, what you or Megan say from now on will not change my mind about me not being involved. I will not unfriend anyone without solded proof they hurt you.

You still hop for Rob if he is in her crew....

But I don't care because I'm moving past it

**ItsAHazardLife** 07-Feb-21 05:37 AM

Solid proof they hurt me.... literally you shouldnt need proof. I found out about it on a sunday when i went to get covid tested. We fought til monday night. When i woke up on tuesday i was like i cant do this i need a break. Thats jow bad what she said hurt me.

**Saika** 07-Feb-21 05:37 AM

I also don't agree with Brandon saying those harsh words but at the end of the day he is tired of repeating himself. He loves you and wants this to end

I'm sorry Adam to ask someone to remove or stop talking to them, yes you need proof even if your family

Its not easy for people to do that to others without a valid reason.

Especially when you are good friends with them. I dont talk to Clay other then in Zach's chat or his stream in a blue moon so I consider him a aqanice not really a friend but meg, Zach and Bruno I respect them for a very long time tho not aslong as you but still friends

**ItsAHazardLife** 07-Feb-21 05:42 AM

Literally i lived through, watched the vod and read her dm's to Megan.... the so called "wing woman" shit she said she was doing. Its far from the truth cause she tried to pull that on me and i questioned her about it cause it didnt make sense. Her response was literally idk.

**Saika** 07-Feb-21 05:43 AM

So yes I would need proof if I was to tell them we can't be friends anymore. I need a solid reason of them purposely hurting you like horrible people.

**ItsAHazardLife** 07-Feb-21 05:44 AM

The proof i had got deleted after the week long break where she questioned me about megan and even you. She didnt even care for how close we were.

**Saika** 07-Feb-21 05:45 AM

I don't have that Adam, its your word against hers i told you this and im not the only that agrees with that at this point. How it get deleted?

**ItsAHazardLife** 07-Feb-21 05:46 AM

I deleted when meagan told me she didnt like me talking to megan. For the relationship i deleted and blocked megan

**Saika** 07-Feb-21 05:46 AM

See i cant believe stuff like that, im sorry, that was your choice at that time

**ItsAHazardLife** 07-Feb-21 05:47 AM

She didnt like that megan told me what happened even accused me of having snitches that spy on her. Which i didnt im not that type of person

**Saika** 07-Feb-21 05:48 AM

I want to believe you truly but still not enough to stop talking to her for you both not working out

**ItsAHazardLife** 07-Feb-21 05:51 AM

I literally woke up sunday morning to megan asking me if i was up from about 3am. She didnt respond to me until i was out getting a covid test taken. I read meagans message on my phone so i know exactly who said the sperm comment cause thats where i saw that. When i got home i watched the vod to see what all had been said. Then later that day megan gave me the dms between the two cause she kept telling me meagan was talking to clay and meagan was saying she wasnt. Why would you tell someone youre talking to another guy as a wing woman?

As far as me changing stories literally im adding to what ove told you cause each time i said something i wasnt believed and im still not Meagan only told you what she wanted so she wouldnt look bad and the one thing i know she told you was about me asking for the dms between her and clay. This was to make me look bad. So of course she wouldnt tell you everything when it would make her look horrible.

As far as meagan cheating..... i can almost guarantee i wasnt on her mind when she was saying she was horny or wet or anything else that night. Cause she made the comment "10000% i am going to be in trouble tomorrow Hazard is going to hate me." This was said in zachs chat. When i saw her say this i was like wtf. I didnt believe she was going to say anything to me (didnt give her a chance to either) and i truly dont believe i was on her mind that night. Which crosses the line into cheating.

All i can say is who would make up a story like this if it didnt actually happen? I couldn't. I literally never thought Meagan would do something like this but she did.

I even sent you and spar a message way back about staying clear of zach cause of reasons i cant talk about which she wanted me to not talk to anyone about what happen. The only other thing i had said was Meagan said things worse than ive ever seen Luna say. (This was the screenshot i grabbed of what i told spar and what he said after)

-----  
As far as Spar goes even two weeks after it happened i made the comment about Zach in your stream..... he literally messaged me being a complete asshole. No matter what i said his mind was set on me being wrong for asking for meagan and clays dm's which happened after everything i am saying happened. She left out soooooo much.

I think what bothers me the most is that she hasnt owned up to what she did that night and hasnt told you the full of what happened. Even if you asked her she would deny it happened.

I understand that is what you read and saw but still doesnt give you the right to force your friends to stop talking to people. That was a very fucked up night that was said differently on both sides. At the end of the day, both of you broke up because you guys are different or wasn't happy.

Im sorry if that night didnt happen if Zach hadnt allowed it. There wouldnt have been these issues that led to us breaking up

You don't know that, Megan could have been unhappy before  
Or another situation would have happened

**ItsAHazardLife** 07-Feb-21 06:26 AM

Yea but that is a different story. This one night put a wedge in our relationship and effected it bad

Im sorry that Meagan hasn't told you the full truth about what happened or what was said but i don't blame her cause it would have made her look extremely bad. Hell even Vegah made a comment about that night saying she was a dirty girl. (This was the one night i was sailing with yall and couldnt focus cause this was said)

Meagan wasnt happy about that being said and felt embarrassed cause thats not how she wanted to be perceived to people. She took things to far that night and wasnt happy with herself the next day.

Hell i even told her to stop lying to you and spar, told her you guys don't deserve to be lied to. she ended up blocking me on twitch.

Sorry but zach is a pos that allowed the cheating to transpire in chat. Meagan should've never cheated and bruno if he considered me a friend would've never dated my ex, but then again he doesnt believe it happened either.

I'm done with this sorry

Literally you don't believe me with what happened. No matter what i say. It sucks it hurts ive been friends or family for 2 years and you believe whatever she said over me. You wont believe me without proof which i dont have because of her.

I cant believe none of you believe me with what happened or the hurt that came from it. It hurts me knowing you don't have my back in any of this

Literally have talked to a couple people and ill say this they can't even believe yall chose her side. I would never lie to you cause i consider yall family. I'm the one that got cheated on. It's not right that i lose everything while she loses nothing.

You won't have to worry about me anymore
