ItsAHazardLife 14-Nov-19 06:14 PM

I figured out how that clip from SoC is possible. Just confirming

ok so it's possible they switch the weapon slice from mouse to a button on the keyboard. which allowed a macro to be made.

Sparbucks 14-Nov-19 08:59 PM

well it is possible

but i still think a macro of some sort is involved

not just pressing a button

its the combination of double tap x then slice with 0-1ms delay

its nearly impossible to do it that consistently

ItsAHazardLife 14-Nov-19 09:00 PM

I agree I thought about it today and it clicked you can change keybinds which is the only way it would work.

I know it was under investigation but havent heard anything about it

Sparbucks 14-Nov-19 09:01 PM

the timing would be pretty unrealistic though, i think something is involved

ItsAHazardLife 14-Nov-19 09:01 PM

I agree the second I saw it, the movements were too quick and consistent
I might mess with keybinds tomorrow to see if I can get it consistent. Im just curious.

Sparbucks 16-Nov-19 10:29 PM

yoyo

ItsAHazardLife 16-Nov-19 10:30 PM

Sparbucks 16-Feb-20 09:35 PM

who is it

ItsAHazardLife 16-Feb-20 09:36 PM

Lad, Xehriq, Sierra, and BigC!

so im assuming Xehriq is the one who talked on ferry

Sparbucks 16-Feb-20 09:37 PM

lad is there?

ItsAHazardLife 16-Feb-20 09:37 PM

yea

Sparbucks 16-Feb-20 09:37 PM

like the lad we know?

ItsAHazardLife 16-Feb-20 09:37 PM

si

Sparbucks 16-Feb-20 09:37 PM

oh wow

ItsAHazardLife 16-Feb-20 09:37 PM

xeh is being hella neg about coop

Sparbucks 16-Feb-20 09:37 PM

one of those people who doesnt like pvp when it doesnt go their way

ItsAHazardLife 16-Feb-20 09:38 PM

which honestly it's semi-true. coop can be toxic at times

Sparbucks 16-Feb-20 09:38 PM

agree

ItsAHazardLife 16-Feb-20 09:40 PM

yea like he told you me and coop have had issues in the past.
they are saying they said some bad words or something

Sparbucks 16-Feb-20 09:44 PM

who got the athena
or was there none

ItsAHazardLife 16-Feb-20 09:45 PM

none
so Lad and crew were sitting behind Snake. They were driving by and spotted their loot on top

Sparbucks 16-Feb-20 09:46 PM

ohhhhh

ItsAHazardLife 16-Feb-20 09:46 PM

Coop and them decided to attack them before turning attention to the fofd

ItsAHazardLife 16-Feb-20 10:26 PM

so they are saying Coop or someone on their crew said something bigot'd which is why the recorded it and said they are planning to tell Kro

Sparbucks 16-Feb-20 10:27 PM

but what was it tho

ItsAHazardLife 16-Feb-20 10:27 PM

no idea they wont say what it was

Sparbucks 16-Feb-20 10:43 PM

i dont agree with coop
when he says he never runs with loot
tucking is running in many ways

rowboat plays for instance

ItsAHazardLife 16-Feb-20 10:48 PM

Sadly coop is cocky, arrogant and one side minded
He always voices his opinions without knowing the full story.

Sparbucks 16-Feb-20 10:49 PM

yeah but him saying he never runs with loot is bullshit
most athena steals at fofd are just run with it
or like when we sank him his excuse was they were tired, then it was they had no supplies and etc
he just needs to own up to shit more

ItsAHazardLife 16-Feb-20 10:50 PM

9 months ago he accused me of viewbotting which i didnt. I joined a stream team and he didnt like it. So he even called me out on twitter making viewbotting claims.

Sparbucks 16-Feb-20 10:50 PM

ya i remember that, you telling me that

ItsAHazardLife 16-Feb-20 10:51 PM

Yea everyone runs at some point which loot that they want. They run daily to turn in the reapers and athena's
Ive never understood why coop thinks or acts the way he does

Sparbucks 16-Feb-20 11:59 PM

Its not just coop its a game/sot thing too

ItsAHazardLife 16-Feb-20 11:59 PM

seems like it

Sparbucks 16-Feb-20 11:59 PM

They justify everything with their own opinionated criteria of a situation that counts as valid to them

ItsAHazardLife 17-Feb-20 12:00 AM

yea I can see that cause it happens in a bunch of different games and even the people that are toxic in SoT
they think it's fine but in really its not

Sparbucks 17-Feb-20 12:01 AM

Like most people who are streamers and etc we run into and sink
I would say 95% have an excuse on how they sank to us

ItsAHazardLife 17-Feb-20 12:02 AM

yea I can believe that
I've never made one excuse of how I sank. It happens and I know it can happen so it's no biggie to me

Sparbucks 17-Feb-20 12:04 AM

I mea i have but i can own it
Thata the difference

ItsAHazardLife 17-Feb-20 12:04 AM

exactly

Sparbucks 17-Feb-20 12:04 AM

We all do it to an extent
Like right now coop did a rowboat pmay, avoided a gally and tried to mock me for my comment which is true

ItsAHazardLife 17-Feb-20 12:05 AM

yea I'm watching CJ's perspective.

Sparbucks 17-Feb-20 12:05 AM

But to him its diff cuz its stolen
But almost all of lads loot was stolen
And they did a rowboat play on coop
But they "didnt care about the loot"
So it didnt fit coops criteria... Because they sank earlier
Another example of people telling people how they should play the game
And not owning up to it

ItsAHazardLife 17-Feb-20 12:09 AM

yea its a shame it happens, but people play at their levels and do it how they want to
if they want to run to try to secure the loot
just like the one day we had the ship running with the key
they did it to make sure no one could get the loot

Sparbucks 17-Feb-20 12:10 AM

Yeah
Just coop saying the bs that hes never run is bullshit
Came off as very arrogant

ItsAHazardLife 17-Feb-20 12:11 AM

he's a very arrogant person,
I think it comes from his days of playing e-sport competitions

Sparbucks 17-Feb-20 12:12 AM

Ya

ItsAHazardLife 17-Feb-20 12:12 AM

He'll never know what he is doing is wrong
like how he reacted to Lad was F'd up

Sparbucks 17-Feb-20 12:13 AM

Ya

They boarded and suppressed this ship, where is there brig

ItsAHazardLife 17-Feb-20 12:13 AM

sailing in front running XD

Sparbucks 17-Feb-20 12:13 AM

Yup

ItsAHazardLife 17-Feb-20 12:14 AM

basically ghosted cause Arch is afk

Sparbucks 17-Feb-20 12:14 AM

To them that is "sneak" play
Aka same shit

ItsAHazardLife 17-Feb-20 12:14 AM

yea I agree

Sparbucks 17-Feb-20 12:14 AM

We all do it

ItsAHazardLife 17-Feb-20 12:15 AM

it's the tactic of the battle to keep the loot and either get away or suppress the boat to come back around to angle for cannons

Sparbucks 17-Feb-20 12:15 AM

Lads team had no pvpers outside of lad
They were never going to win by just combat

ItsAHazardLife 17-Feb-20 12:16 AM

yea they aren't experienced in PVP, mostly PVE with a little bit of PVP

Sparbucks 17-Feb-20 12:17 AM

If im with a crew like that then i would hesitate going head to head with a pvp team

ItsAHazardLife 17-Feb-20 12:17 AM

like me, I can handle PVP, but I don't think I can suppress the ships as long as say you, cj, coop or Saika
which is why Im not scared to take the helm so you can do your thing

Sparbucks 17-Feb-20 12:17 AM

This is why im in the middle if sweaty try hard crap
Cant stand people who legit are arrogant, delusional and egotistical

ItsAHazardLife 17-Feb-20 12:19 AM

yea I would hesitate as well if I was in Lad's shoes. Lad wanted to fight but his crew didn't
I can't either. they rank up there with liars and cheaters

Sparbucks 17-Feb-20 12:20 AM

Coop def has a trigger spot for it

ItsAHazardLife 17-Feb-20 12:20 AM

yea he does

Sparbucks 17-Feb-20 12:21 AM

Like they took the stuff and went directly to reapers
Just smh at the whole thing

ItsAHazardLife 17-Feb-20 12:22 AM

Yea they ran to turn it in.
Like ive noticed that they will say hey lets do this. Like with this server they wanted to do the fofd and gain attention with the loot still on the boat.
Next thing they go to reapers to turn in

Sparbucks 17-Feb-20 12:23 AM

Yeah
Everyone does it lol

ItsAHazardLife 17-Feb-20 12:23 AM

yep its very true

thats why Im selective I'll toss most people servers including CJ, but I'm hesitant on Coop
last night they stole FotD's and ramp reapers. Their boat despawned and they left the loot there

Sparbucks 17-Feb-20 12:24 AM

Coop has good content but he has that trigger point for sure

ItsAHazardLife 17-Feb-20 12:24 AM

it's like why even steal it

Sparbucks 17-Feb-20 12:25 AM

Saw it when we sank em and he brushed it off, then we sank him again and brushed it iff again
Off

ItsAHazardLife 17-Feb-20 12:25 AM

yea it's pretty crazy, I remember that night.

Sparbucks 17-Feb-20 12:26 AM

Abs crew too

We sank em, they sank us

We sank them again in end

But... Ours didnt count according to them

ItsAHazardLife 17-Feb-20 12:26 AM

They didn't know it was us, but they just saw us and wanted to randomly ram us. Then when they saw it was us they just brushed it off and was like we were getting off

I'm learning, abs crew is something technical. they literally practice and watch vods like crazy

Sparbucks 17-Feb-20 12:27 AM

Yup exactly

ItsAHazardLife 17-Feb-20 12:28 AM

I'd love to see you and Abs go head to head again sometime

Sparbucks 17-Feb-20 12:28 AM

Id like a gally vs gally

ItsAHazardLife 17-Feb-20 12:28 AM

yea

Sparbucks 17-Feb-20 12:29 AM

But that night we did technically sink them twice, first one was dumb but 2nd one they tried to scuttle to make it seem like we werent gonna sink them

But again ours didnt count according to them

Alao same thing with manbun and zombie

ItsAHazardLife 17-Feb-20 12:29 AM

yea thats right you sunk them and they scuttled because "no supplies"

manbun is a weird character for sure

Sparbucks 17-Feb-20 12:30 AM

We sank them fair and square but it doesnt count because cursed cannons

But then they sink us later with an anchor ship skelly literally anchoring us over and over lol

ItsAHazardLife 17-Feb-20 12:31 AM

yea yall got screwed that fight

the bad side of PVE

Sparbucks 17-Feb-20 12:32 AM

Same when we destroyed capt ash bacon in arena

ItsAHazardLife 17-Feb-20 12:32 AM

I saw her go against someone Abs knew and they were tooo confident.

Sparbucks 17-Feb-20 12:33 AM

We sank her 3 times and they ended up with 10 points

ItsAHazardLife 17-Feb-20 12:33 AM

they were like Arena moves wont work in Adventure

Sparbucks 17-Feb-20 12:33 AM

And they were trying to say we were stream sniping

ItsAHazardLife 17-Feb-20 12:33 AM

they are super easy to call stream sniping

Sparbucks 17-Feb-20 12:33 AM

Ya

ItsAHazardLife 17-Feb-20 12:33 AM

quick*

Sparbucks 17-Feb-20 12:33 AM

Same with burger

ItsAHazardLife 17-Feb-20 12:33 AM

it happens countless times.

like I'll say things are sus before I make actual accusations

Sparbucks 17-Feb-20 12:34 AM

Ya same

ItsAHazardLife 17-Feb-20 12:36 AM

Thats how it should be

ItsAHazardLife 17-Feb-20 02:09 AM

Abs wants to know if she could talk to me and you real quick in her discord

Sparbucks 17-Feb-20 02:10 AM

about what im literally fallin asleep lol

ItsAHazardLife 17-Feb-20 02:11 AM

not sure, I think the lad coop stuff

it could probably wait til tomorrow if youre heading to bed

Sparbucks 17-Feb-20 02:13 AM

did u say anything to her by any chance

ItsAHazardLife 17-Feb-20 02:14 AM

we were talking about another instance and I just mentioned how he reacted to Lad's raid then finding out about him being on the ship and him calling Lad a pansy

Sparbucks 17-Feb-20 02:14 AM

aight
im joinin

ItsAHazardLife 18-Feb-20 04:06 PM

weirdly forgot I was connected to LA servers. Found a fofd XD

Sparbucks 18-Feb-20 04:15 PM

Sparbucks 22-Feb-20 07:52 PM

ItsAHazardLife 22-Feb-20 07:52 PM

was talking to him on xbox
he was in captain's
saw me take it down

Sparbucks 22-Feb-20 07:53 PM

was he on brig or sloop?

ItsAHazardLife 22-Feb-20 07:53 PM

got on with 2 people up top fighting
sloop

Sparbucks 22-Feb-20 07:53 PM

so it was people who was gave tall tale item back
why did we even finish it lol

ItsAHazardLife 22-Feb-20 07:53 PM

I was bored cause of hit reg

ItsAHazardLife 22-Feb-20 10:48 PM

psssst Stove
sshhhh you dont know

Sparbucks 23-Feb-20 03:29 PM

just glanced at your tweet and i know its not about me but i did wanna say i do appreciate everything you do and hanging out with ya. I know I dont say it enough and I've been down that road of people who are "friends"

ItsAHazardLife 23-Feb-20 03:30 PM

100% not about any of you. love you all to death.
today's sunday, you streaming tonight or day off?

Sparbucks 23-Feb-20 03:31 PM

debating but I think Saika will
but ill prob be playing
just been overwhelmed lately things been crazy

ItsAHazardLife 23-Feb-20 03:32 PM

yea 100% been crazy for you. All the love and support youve been given is amazing to watch

Sparbucks 23-Feb-20 03:33 PM

been going to the point of being exhausted but also cool to see my friends getting love as well
i owe so many people including you and i wont forget it 100%
but your tweet hit hard for me because thats something ive struggled with my entire life

ItsAHazardLife 23-Feb-20 03:35 PM

I 100% feel you on that. I've been exhausted, sick, everything in the books the past few years. It's catching up

Sparbucks 23-Feb-20 03:35 PM

so i wanna make sure I am not one of those kind of people ever

ItsAHazardLife 23-Feb-20 03:35 PM

I think we all go through it

Sparbucks 23-Feb-20 03:35 PM

yeah

ItsAHazardLife 23-Feb-20 03:36 PM

I'm the type of person who will do things without expecting things in return.

Sparbucks 23-Feb-20 03:36 PM

yeah you are

I also am programmed that way too

ItsAHazardLife 23-Feb-20 03:36 PM

I just live one day at a time.

Sparbucks 23-Feb-20 03:37 PM

as do I

ItsAHazardLife 23-Feb-20 03:37 PM

Last time saw another community I was a huge part in doing something and they wanted me to be a part of it. It felt good. So I'll probably slowly try to find that balance between the 2 communities as the other one picks back up.

Sparbucks 23-Feb-20 03:38 PM

is it another game community?

ItsAHazardLife 23-Feb-20 03:39 PM

a community about what I do for a living that no one knows about.

Sparbucks 23-Feb-20 03:39 PM

you work remote right?

ItsAHazardLife 23-Feb-20 03:40 PM

Kind of. I own a few e com stores.

Sparbucks 23-Feb-20 03:40 PM

thats really cool

ItsAHazardLife 23-Feb-20 03:40 PM

So im always doing something

Sparbucks 23-Feb-20 03:41 PM

yeah i hear you throughout the day always saying you going to do a bit of work

ItsAHazardLife 23-Feb-20 03:41 PM

Yea i enjoy it just lost motivation for it after my dad died a few years ago

Sparbucks 23-Feb-20 03:41 PM

getting through that stuff is tough

ItsAHazardLife 23-Feb-20 03:41 PM

100% and i see it in the numbers for sure.

Hoping to rebuild what it was before he passed and continue to grow it this year. Will be a lot of work but going to give it my all.

Sparbucks 23-Feb-20 03:43 PM

I know ya will 100%

ItsAHazardLife 23-Feb-20 03:43 PM

Thanks

ItsAHazardLife 24-Feb-20 02:23 AM

happyf333tz

ItsAHazardLife 25-Feb-20 12:41 AM

another one is up there

Sparbucks 25-Feb-20 12:41 AM

of course

ItsAHazardLife 25-Feb-20 12:41 AM

middle of path

Sparbucks 25-Feb-20 12:41 AM

im not oging on island

ItsAHazardLife 25-Feb-20 12:41 AM

I wouldnt

she probably has 2-3 more hidden

Sparbucks 25-Feb-20 05:52 AM

i just saw coop

literally basically snipe shockwave

fucking pisses me off

ItsAHazardLife 25-Feb-20 10:19 AM

"I'll spawn kill them until they rage quit" "We Don't Do The Whole Ship and Sink Them"

ItsAHazardLife 25-Feb-20 01:08 PM

how'd he snipe Shockwave?

Sparbucks 25-Feb-20 03:57 PM

Basically either he was watching shock or someone gave him intel where the athena was

Shock did have many oppotunities and failed but coop never saw athena location until end but kept going to the spikes on right side

He never even went to vault or backside of island

ItsAHazardLife 25-Feb-20 03:59 PM

I know i had seen someone say its not there anymore and was gone already.

So someone would of had to dm him the info

Sparbucks 25-Feb-20 03:59 PM

At one point when coop sank and came back the galleon was taking off to reapers with all other loot

Coop ignored the galleon and went right to fofd spikes

Watch this part

<https://www.twitch.tv/videos/557485845?t=7h32m38s>

AweCoop - Sea of Thieves - Twitch

About 07:33:05

He emotes looks at his middle monitor then readjusts to keep looking

He never went by vault or back side of island in bushes or up top where people usually hide it

ItsAHazardLife 25-Feb-20 04:02 PM

Yea the second time he emoted he even looked at the right monitor

Sparbucks 25-Feb-20 04:02 PM

Yeah
And he sank here and died shortly after
And went right back there
Ignoring the galleon leaving fofd with all other loot

ItsAHazardLife 25-Feb-20 04:03 PM

Yea its questionable. Why didnt he take off after the galleon?

Sparbucks 25-Feb-20 04:03 PM

Exactly

ItsAHazardLife 25-Feb-20 04:03 PM

Shockwave wasnt back yet.

Sparbucks 25-Feb-20 04:04 PM

As a solo player my last resort would be cut them off and make a play at reapers

ItsAHazardLife 25-Feb-20 04:04 PM

He claimed shockwave is why he came back and was the only reason he found it

Sparbucks 25-Feb-20 04:04 PM

But coop knew it was still there

ItsAHazardLife 25-Feb-20 04:04 PM

Yea i see what youre saying

Sparbucks 25-Feb-20 04:04 PM

I think casey was providing intel

ItsAHazardLife 25-Feb-20 04:05 PM

Could be anybody really

Sparbucks 25-Feb-20 04:06 PM

Yeah

ItsAHazardLife 25-Feb-20 04:07 PM

What annoyed me as well was coop literally saying what he did about spawn camping and not doing ship stuff. Like why does he want to be toxic for?

Sparbucks 25-Feb-20 04:08 PM

But 100 he had intel and ran even though he says he doesnt run
I dont know but he wouldnt of been able to spawn camp shock very long

ItsAHazardLife 25-Feb-20 04:08 PM

He took it and ran. He never looked at vault for other loot.
It wouldve been a good fight. Shockwave almost killed coop multiple times

Sparbucks 25-Feb-20 04:09 PM

Yup never looked at vault or backside

ItsAHazardLife 25-Feb-20 04:10 PM

Its disappointing but i expect him to be do low stuff like this for an advantage

Sparbucks 25-Feb-20 04:11 PM

Like why would you atleast not check vault or entire area around dance floor

ItsAHazardLife 25-Feb-20 04:12 PM

Exactly and i thought that was weird or i missed him doing it earlier.
But you could tell he knew where it was

Sparbucks 25-Feb-20 04:12 PM

Yeah

ItsAHazardLife 25-Feb-20 04:12 PM

By going straight around the back
And emoting to find it

Sparbucks 25-Feb-20 04:12 PM

Only intel he had was first time he got in galleon with oartial loot he couldnt find the athena
But he had died then went back to island to spikes

Not looking at map and ignoring galleon leaving
Shock did mess up but coop used his dms or some shit

ItsAHazardLife 25-Feb-20 04:15 PM

Coop 100% used something to his advantage. I know the right monitor is discord and/or xbox stuff. Cause he always looks at it when ready xbox messages

Sparbucks 25-Feb-20 04:15 PM

Yeah
Left mon is his chat
Right is discord

ItsAHazardLife 25-Feb-20 04:15 PM

Its just a shame. Calls out a sniper but cheats himself

Sparbucks 25-Feb-20 04:16 PM

Yeah but he will never admit to it and we dont have 100% proof
Shock had athena tbh and shoulda swam it
But coop didnt care about anything but shock

ItsAHazardLife 25-Feb-20 04:16 PM

The only thing we have proof on is that he admitted to his intentions of spawn killing people with no intention to sink them.

Sparbucks 25-Feb-20 04:17 PM

And that he does run like everyone else but he wont even admit that lol

ItsAHazardLife 25-Feb-20 04:18 PM

Yep and wont admit to being toxic from what ive heard too

Sparbucks 25-Feb-20 04:18 PM

He really thinks he is the best player in the game

ItsAHazardLife 25-Feb-20 04:18 PM

But i feel his colors are showing more and more now than when he first started

Sparbucks 25-Feb-20 04:18 PM

Has a huge ego and will downplay everything that doesnt work in his favor

ItsAHazardLife 25-Feb-20 04:18 PM

Agree

Sparbucks 25-Feb-20 04:18 PM

Like how we sank him at fotd

ItsAHazardLife 25-Feb-20 04:19 PM

His ego will catch up to him

Sparbucks 25-Feb-20 04:19 PM

I cant go public aa its nit needed but its annoying as hell

ItsAHazardLife 25-Feb-20 04:19 PM

Like even abs and her crew want a piece of his crew cause of his ego and his actions

Me personally i would but thats cause hes made a post about me that is still up.

But im holding my tongue on it.

Sparbucks 25-Feb-20 04:21 PM

I cant be involved public cuz last thing i want is more drama haha

ItsAHazardLife 25-Feb-20 04:21 PM

I want to see his ego catch up to him

Sparbucks 25-Feb-20 04:21 PM

Yeah he needs a good shitting on

But he will downpkay it everytime

ItsAHazardLife 25-Feb-20 04:22 PM

Makes sense. Drama just creates extra publicity as well.

Sparbucks 25-Feb-20 04:22 PM

Ya but can be overwhelming with twitch, went through it with the peas

ItsAHazardLife 25-Feb-20 04:22 PM

Yea i know what you dealt with.

Im used to the drama and starting shit sometimes cause id rather speak the truth than hold my tongue.

Sparbucks 25-Feb-20 04:23 PM

i dunno if you know full extent but it was not fun at all
i know

ItsAHazardLife 25-Feb-20 04:24 PM

I know majority of it.
It was a real mess full of accusations

Sparbucks 25-Feb-20 04:24 PM

yeah it was absolute bs

ItsAHazardLife 25-Feb-20 04:24 PM

Agree

Sparbucks 25-Feb-20 04:24 PM

and took forever to finally get resolved because other people in the way
but i kept quiet on it for hugbot
i would rather not have stuff go on with coop atm haha
but ill be vocal in dms

ItsAHazardLife 25-Feb-20 04:25 PM

Yea and its slowly turning around. Hugbot is a good guy and has gone through a lot

Sparbucks 25-Feb-20 04:26 PM

yeah and he didnt need the stress the most, its why i stayed quiet about it

ItsAHazardLife 25-Feb-20 04:26 PM

He had a lot of other things going on
Im just going to sit back and watch Coops ego catch up to him.

Sparbucks 25-Feb-20 04:27 PM

yeah it is catching up with him
hes a good guy and fun to play with
but when he gets triggered and tries to act like the best player ever
is when his shit shows

ItsAHazardLife 25-Feb-20 04:27 PM

I feel like id get more enjoyment out of it than calling him out on the things he says or does.

Sparbucks 25-Feb-20 04:28 PM

i might make an internal video just summarizing both views of the incident that is unbiased

ItsAHazardLife 25-Feb-20 04:28 PM

It'd be interesting to see.

I was knocked out around 11pm your time cause i feel like what ive had been dealing with isnt fully gone.

Sparbucks 25-Feb-20 04:30 PM

just the personal stuff?

ItsAHazardLife 25-Feb-20 04:30 PM

A lil of that but ive been sick the past month with an ear/sinus infection i didn't know i had

Took medicine and dont feel much better

Sparbucks 25-Feb-20 04:31 PM

dude ear infections are the absolute fucking worst

ItsAHazardLife 25-Feb-20 04:32 PM

yea and I probably had it a week or two before i went to see the doctor.

Sparbucks 25-Feb-20 04:33 PM

the pressure and just awkwardness it feels sucks

ItsAHazardLife 25-Feb-20 04:34 PM

yea and I'm still dealing with so it's weird

Sparbucks 25-Feb-20 04:34 PM

well hopefully it goes away really soon

ItsAHazardLife 25-Feb-20 04:35 PM

me too, resting and still working. So at least some energy is left to keep going even a little bit.

Sorry for having a difference in opinion about how to handle this server, but honestly this is the stuff we hate and called coop out for it. Then in the end they were cowards. It's just funny to me tbh that people "love" this. I don't find cowards play entertaining.

Sparbucks 26-Apr-20 06:59 AM

i am not mad at you at all man
just that convo a lot of people are tired of it
sorry i had to wait until after stream

ItsAHazardLife 26-Apr-20 07:15 AM

Yea every pvp person or streamer that loves this update follows the same script. Join server look at table, get to level 5 reapers as quick as possible,. Once level 5 its instant look at table and bee line to an emissary ship. Sink thst emissary ship, bee line to the next until there is no more on the server. Then they hop to the next packed server to repeat. Thats why i say the perk the way it is, is OP and wasnt thought out. It brought a huge imbalance between pvp and pve just based off this perk.

Someone asked me about revive which led to them asking something out.

Sparbucks 11-May-20 09:01 PM

did ya hear any of my talk with saika?

ItsAHazardLife 11-May-20 09:01 PM

yea

I knew just from the tone of her voice though.

she unmuted by accident.

Sparbucks 11-May-20 09:02 PM

she is so hard on herself

it sucks

she did nothing wrong

ItsAHazardLife 11-May-20 09:02 PM

I know she didn't

Sparbucks 11-May-20 09:02 PM

but she feels it was all her fault but i try to tell her to have fun

ItsAHazardLife 11-May-20 09:03 PM

yea I know how she gets. I'm trying to find a brig with something good to get her to cheer up.

Sparbucks 11-May-20 09:03 PM

she wont even talk but i try my hardest to tell her just go slay and have fun

ItsAHazardLife 11-May-20 09:04 PM

adding me into the mix ill have her talking and laughing within 30

Sparbucks 11-May-20 09:04 PM

i have to talk to her again so one sec

ItsAHazardLife 11-May-20 09:04 PM

100

Sparbucks 11-May-20 09:08 PM

tried

she wont

ItsAHazardLife 11-May-20 09:09 PM

alright

I know yall didn't lose cause of her, they were literal bad players that you couldnt predict

Sparbucks 11-May-20 09:19 PM

ya i know

but she thinks its her fault

ItsAHazardLife 11-May-20 09:19 PM

yea it's 100% not her fault

Sparbucks 11-May-20 09:20 PM

i told her a million times

i fucked up more than her lol

ItsAHazardLife 11-May-20 09:21 PM

nah it's just not even that. I felt like they got under your skin just a tad and I think that didn't help

Sparbucks 11-May-20 09:21 PM

getting spawned camped sucks but like

they were bad

ItsAHazardLife 11-May-20 09:21 PM

yea they were

Sparbucks 11-May-20 09:21 PM

but she was doubting herself before it

ItsAHazardLife 11-May-20 09:22 PM

I sent link to Mira btw to Saika's

Sparbucks 11-May-20 09:22 PM

she was upset prior to it

ItsAHazardLife 11-May-20 09:22 PM

ahhhh gotcha

Sparbucks 13-May-20 11:53 PM

the comp issues man
making me go fucking crazy

ItsAHazardLife 13-May-20 11:54 PM

Theyd be driving me nuts as well.

Sparbucks 13-May-20 11:54 PM

completely ruining my stream
absolute worst time for it to happen

ItsAHazardLife 13-May-20 11:54 PM

Im hoping the new graphics card does the trick

Sparbucks 13-May-20 11:54 PM

and its not an easy issue to troubleshoot
same

ItsAHazardLife 13-May-20 11:55 PM

Yea its not. Its weird that it just freezes. Im hoping its not anything else.
At the end of the day we all have your back and support you. This is something you cant control at all.

Sparbucks 14-May-20 12:00 AM

i know but i have to go to 2nd pc situation to prevent it

ItsAHazardLife 14-May-20 12:02 AM

Yea to prevent the stream completely going offline while restarting the game comp. Shouldnt need anything super powerful

Sparbucks 14-May-20 12:02 AM

yeah its what i have to do

ItsAHazardLife 14-May-20 12:04 AM

I know at some point I'm planning to switch to a 2 pc

Sparbucks 14-May-20 12:04 AM

ya
on like a real streaming level i was averaging 50 viewers when i didnt have pc issues

and its significantly lower now
only because of this shit

ItsAHazardLife 14-May-20 12:05 AM

Yea ive noticed.

But once you get it resolved you will take off.

Sparbucks 14-May-20 12:06 AM

more about just being able to have fun again

ItsAHazardLife 14-May-20 12:07 AM

True

Its hard to have fun when ypure having the tech issues.

Are you thinking about trying to pull parts together to build a second pc or find a deal?

Sparbucks 14-May-20 12:09 AM

with the peasoupbandits i had a 2nd setup

with another gpu that i have i can probably have my basic stuff stream from that pc

but i cant have drops

so basically i need to have a mic, cam and if my comp freezes the stream keeps going

like when it happens if i have 100 viewers it will drop to nothing

but with it freezing 4-5 times tonight my stream was done

ItsAHazardLife 14-May-20 12:12 AM

Yea stream pc is basic use for discord, obs and cam. While the gaming one is legit just the game running.

Sparbucks 14-May-20 12:12 AM

all comes down to it not dropping at all

ItsAHazardLife 14-May-20 12:13 AM

100% sucks that it drops to complete nothing each time even if people are hosting you from a raid but i know thats how twitch works. It hurts the growth for sure.

Sparbucks 14-May-20 12:13 AM

yeah man its so rough

ItsAHazardLife 14-May-20 12:13 AM

Ive noticed its been dropping more frequently so the issues getting worse whatever it is.

Was kie able to ship out the 1070?

Sparbucks 14-May-20 12:14 AM

yeah he did
and i owe him a lot
wont be here until next week
there is also a couple other variables
i need to stream a lil earlier because saika literally wakes up wayyyy later than me

ItsAHazardLife 14-May-20 12:16 AM

At least its enroute and hopefully near the end of the issue. The question is how is this saturday going to work with the 24 hour.

Sparbucks 14-May-20 12:16 AM

yeah exactly
well i have a temp gfx card but like
once they are done with this server im going to start troubleshooting
and its a lot but its just basic streaming from a capture card

ItsAHazardLife 14-May-20 12:17 AM

Yea Saika seems to like to stay up longer.
Im guessing youll use capture card to laptop?
If they want to keep going after and need a 4th ill be here.

Sparbucks 14-May-20 12:19 AM

to my other pc like i did with peas
but like i have to test it which will be tough
2 variables basically i need the cam on my other pc
even if its a black screen
but my cam and audio
it will be better than it dying

ItsAHazardLife 14-May-20 12:20 AM

Yea. 100%
You got this.

Sparbucks 14-May-20 12:21 AM

ya just been really hard for me
you are the only person ive vented about this btw lol
so i apologize for that

ItsAHazardLife 14-May-20 12:21 AM

I know its been rough for you and its been hanging over your head.
Its no problem. I wont lie if i knew kies was going to take until next week i wouldve sent you one of my spares temporary

Sparbucks 14-May-20 12:22 AM

its not that at all

i just have to test it is all i had an ideal setup with peas
but they kinda screwed me over so i shut it down

ItsAHazardLife 14-May-20 12:23 AM

Makes sense.

I know all about the pea situation snf 100% dont blame you for shutting it down.

Sparbucks 14-May-20 12:24 AM

tbh i was pretty curious how you know about that

ItsAHazardLife 14-May-20 12:24 AM

Test it and even run a test stream. Ill be up for a bit longer

Sparbucks 14-May-20 12:24 AM

i was assuming amanda had her talk with you like she tried to do with saika

ItsAHazardLife 14-May-20 12:25 AM

XD ive never really talked to Amanda like that tbh.

Sparbucks 14-May-20 12:25 AM

crazy thing is me and hugbot going to have a regular schedule together soon
but the people who were around him initially were fucking crazy

ItsAHazardLife 14-May-20 12:26 AM

Thats going to be good for you two. I know hug bots issues are not doing good.

Sparbucks 14-May-20 12:27 AM

yeah hes not doing good

and we are going to try to get him to his goal of moving to a place that is more wheelchair accessible
but the only thing still preventing it is a couple people who are stubborn as hell

ItsAHazardLife 14-May-20 12:28 AM

Yea ive seen him mention that on twitter.

Probably amanda and teo

Sparbucks 14-May-20 12:28 AM

and ill be honest its teo and aman

wow yeah lol

how the fuck do you even know that hazard rofl

ItsAHazardLife 14-May-20 12:29 AM

Cause i legit know everything about the issue and how negative those two were.

Sparbucks 14-May-20 12:29 AM

they are the worst

thats not even from me this is from a lot of people

ItsAHazardLife 14-May-20 12:30 AM

100% i dont watch either of them or support them cause of what happen

Sparbucks 14-May-20 12:30 AM

ive known hugbot for over 20 years

and those 2 caused some shit but we both know how much they are full of shit

i do regret having my argument with hugbot/pete though

ItsAHazardLife 14-May-20 12:32 AM

Yea it was a tough situation and you modt likely hated being in that position

Sparbucks 14-May-20 12:32 AM

the thing with peas was

i was putting significant amount of time into the project for a year

and realistically i just wanted it to be me and hugbot

but i also got laid off from my job and it ended up being fun and good for hugbot

ItsAHazardLife 14-May-20 12:33 AM

100% and you guys ended up bringing others in to be guests to the stream

Yea and thats all that matters at the end of the day.

Sparbucks 14-May-20 12:34 AM

yeah but i tried to get other people to stream for peas but it wasnt gonna happen

if it was just me and hugbot it woulda been perfect but too many cooks in the kitchen

but when steve/teo said i stole money i got nucleare

nuclear*

ItsAHazardLife 14-May-20 12:35 AM

Its hard to find people to trust in all honesty. Im working on a new project myself and all i want to do is help others.

Sparbucks 14-May-20 12:35 AM

i released financials showing how fucking wrong they were

ItsAHazardLife 14-May-20 12:36 AM

Yea and they probably dont believe you still even with proof

Sparbucks 14-May-20 12:36 AM

but i never went public because that is the last thing hugbot needed
i went full on proving everything about financials

ItsAHazardLife 14-May-20 12:36 AM

100%

Sparbucks 14-May-20 12:36 AM

i would literally buy hugbot groceries and shit

ItsAHazardLife 14-May-20 12:37 AM

Its just a shame

Sparbucks 14-May-20 12:37 AM

money was the last thing about peas and even hugbot knows that

ItsAHazardLife 14-May-20 12:37 AM

I cant believe that.

Sparbucks 14-May-20 12:37 AM

i owe \$600+ taxes from peas lol
i dont think i ever showed you the spreadsheet of everything
but basically it was fucking bullshit

ItsAHazardLife 14-May-20 12:39 AM

Kind of was the same way with the friendship i walked away from. Money to help them wasnt an issue, but having games played is where i drew the line
nah i wouldnt need to see it

Sparbucks 14-May-20 12:39 AM

yeah exactly
but like hugbot/pete is actually an amazing person and i have known him my entire life

ItsAHazardLife 14-May-20 12:39 AM

I run my own business and i know the tax side of things

Sparbucks 14-May-20 12:40 AM

but other people who dont know me or hugbot intercepted and took advantage of him and even death/saika and other people who want to remain anonymous are pissed off about it

ItsAHazardLife 14-May-20 12:41 AM

Thats a disappointment that someone dealing with all he has been would try to take advantage of him

Sparbucks 14-May-20 12:41 AM

sorry for venting but its still a thing going on and im extremely disappointed by a lot of people

ItsAHazardLife 14-May-20 12:41 AM

I dont blame them for being pissed about it.
No need to be sorry at all

Sparbucks 14-May-20 12:41 AM

did you see the website clearly influenced by steve and teo?

ItsAHazardLife 14-May-20 12:42 AM

No i never seen that

Sparbucks 14-May-20 12:42 AM

<https://thetvrejects.com/about-us/>

Reggie Reject

[About Us » The TV Rejects](#)

Hey there! Thank you for taking interest in the official Origin Story for The TV Rejects! It means a lot to us that you want to know more about our project. So,

hugbot never approved that section
he even told me

ItsAHazardLife 14-May-20 12:43 AM

At the end of the day ive gotten to know you and saika. Yall are good people. Ill support yall any time of the day.

Sparbucks 14-May-20 12:43 AM

so to teo/steve i was just technical even though i streamed 99% of peas
yeah exactly but those people are just terrible, i dont even know what i did to teo
the awkward thing is even kharites knows teo is in the wrong but she deals with him
and she is one of my best friends

ItsAHazardLife 14-May-20 12:45 AM

Lol i remember actually reading that when they were first announced but none of it clicked.

Sparbucks 14-May-20 12:45 AM

yeah teo took a premium wordpress theme and tried to make it his vocal opinion about me just like his twitter but hugbot never wanted that and he has told me that

ItsAHazardLife 14-May-20 12:46 AM

Yea carrots wants to not take sides or be apart of it. Which honestly i cant fault her for it

Sparbucks 14-May-20 12:46 AM

no kharites is amazing
i respect her so much

ItsAHazardLife 14-May-20 12:47 AM

Carrots is amazing. I dont talk to her except when she streams. She was one of the first 5 people i watched on twitch. Thats been almost 2 years now

Sparbucks 14-May-20 12:47 AM

kharites is the person who taught me to not get involved with shit
she taught me so much about twitch
she deserves every amount of success and just an amazing person

ItsAHazardLife 14-May-20 12:48 AM

Yea it makes sense to not get involved too much

Sparbucks 14-May-20 12:48 AM

yeah exactly
i just cant be up early on her schedule lol

ItsAHazardLife 14-May-20 12:49 AM

For me ive always been vocal about different things.

Sparbucks 14-May-20 12:49 AM

yeah
just the pea situation
i will say this to you and ive never said it
if we didnt have teo/amanda
hugbot would be making a good amount of money to support his situation
but i cant help because of them

because they cry and whine on twitter

ItsAHazardLife 14-May-20 12:50 AM

Yea i could believe that.
I know the one night you sailed with him. He was gifted a ton of subs

Sparbucks 14-May-20 12:51 AM

and now me and hugbot going forward to do a regular schedule again

ItsAHazardLife 14-May-20 12:51 AM

He just has to walk away from them tbh its what is best for him

Sparbucks 14-May-20 12:51 AM

and hes taking a big risk but i miss so much playing with my good friend
yeah exactly
but man if anyone says i tried to rip of hugbot again i will fucking go nuclear
you have no idea the fucking bullshit amanda tried to sell

ItsAHazardLife 14-May-20 12:53 AM

I know quite a bit about it.

Sparbucks 14-May-20 12:55 AM

about what she said?

ItsAHazardLife 14-May-20 12:55 AM

I cant remember everything about what she said but it was not good stuff.
There was a night that was finding out about all of it. Something was said about peasoup and i said i knew something happened cause its easy to tell.
But wasnt sure and thats when i learned about everything that happened.

Sparbucks 14-May-20 12:58 AM

interesting
this is what amanda tried to sell to saika

ItsAHazardLife 14-May-20 01:02 AM

Jeeze to me that smells almost like she is jealous cause she was no longer able to benefit herself from psb
Cause tbh thats how she got a follow from me

Sparbucks 14-May-20 01:05 AM

i used to have respect for her
but teo shit came out of no where

ItsAHazardLife 14-May-20 01:07 AM

Same. Just even found out amanda does voice work for games and movies.
I feel she could spin any story she would want with any emotion.
Teo i still dont get

Sparbucks 14-May-20 01:07 AM

a lot of people have issues with amanda so not surprised
but teo is another animal

ItsAHazardLife 14-May-20 01:08 AM

i can believe it

Sparbucks 14-May-20 01:08 AM

literally came out of no where

ItsAHazardLife 14-May-20 01:08 AM

you can tell just based off of viewerships how their personalities are taken

Sparbucks 14-May-20 01:09 AM

so basically when hugbot got access to psb account (which he always had) they changed the pw along with email
without telling me even though it was me who started it
i actually loved thetvrejects idea

ItsAHazardLife 14-May-20 01:09 AM

yea and that alone was shady as hell
And that account became tvrejects

Sparbucks 14-May-20 01:10 AM

at first i was going to support it but i told them i wasnt going to stream psb anymore
well i said i wanted my account back but they never gave it back to me to this day

ItsAHazardLife 14-May-20 01:11 AM

Its a cool idea but if the wrong people are on it, then it wont grow any

Sparbucks 14-May-20 01:11 AM

it still exists as a diff username but they tried to take peasoupbandits account and change it for tvrejects
agreed 100%
the fact they refer me as technical stuff says it all

ItsAHazardLife 14-May-20 01:12 AM

Yea cause you were part of the co-host of the stream.

Sparbucks 14-May-20 01:13 AM

i did basically everything for peasoupbandits and my main goal was to support hugbot
but it took a significant amount of my time

ItsAHazardLife 14-May-20 01:13 AM

And i couldnt fault you for itm

Sparbucks 14-May-20 01:13 AM

but between the crew (not hugbot he always knew)
no one gave a shit about me lol

ItsAHazardLife 14-May-20 01:14 AM

I cant believe that cause they seem like those type of people

Sparbucks 14-May-20 01:14 AM

some people were awesome
but i spent an entire year to the project

ItsAHazardLife 14-May-20 01:16 AM

The friendship i left they kept calling mr selfish and manipulative.

Sparbucks 14-May-20 01:16 AM

yeah
and even minced was like conflicted
tbh it started with steve cuz
i said i dont wanna play with him on sot anymore cuz he was so bad
since then he had a mission

ItsAHazardLife 14-May-20 01:18 AM

Jeeze even i wouldnt want to play with people that dont try or get better. If im casually playing and dont care about the loot then its just about spending time with them

Sparbucks 14-May-20 01:19 AM

yeah

just with peas only person who appreciated what i did was hugbot

other people were literally terrible to me

and the thing with them saying i stole money was an absolute joke

then they randomly went to twitter saying i was manipulating because i was basically leaving the peas

ItsAHazardLife 14-May-20 01:20 AM

Like i enjoy playing with yall, al3x, burger, bb, etc cause yall put me in a spot where i grew as a player and challenged me. I used to shake bad when i got into pvp now i dont im more calm.

Sparbucks 14-May-20 01:20 AM

yeah

we just have fun is all

ItsAHazardLife 14-May-20 01:21 AM

Which i can believe and i bet he still appreciates all of what you had done for him

why others hated you i have no idea.

Sparbucks 14-May-20 01:21 AM

you know about steve right?

and what he did to hugbot

ItsAHazardLife 14-May-20 01:21 AM

100% and that's all that is been to be.

I dont recognize the name.

Sparbucks 14-May-20 01:22 AM

porkchoppoo

irl friend of hugbot

the guy who started it all

ItsAHazardLife 14-May-20 01:22 AM

I might know but not 100%

Sparbucks 14-May-20 01:22 AM

he did the worst fucking thing ever

get this the guy who started all of this

ItsAHazardLife 14-May-20 01:22 AM

I feel like he stole from hugbot or something

Sparbucks 14-May-20 01:22 AM

is the guy who ran off with hugbots fiance and had a fucking kid with her and they didnt talk for years and hugbot forgave him not even lying lol

ItsAHazardLife 14-May-20 01:23 AM

Jeeze that is sad.

I couldve even imagine being friends still with someone who did that

Sparbucks 14-May-20 01:23 AM

this is the same dude who tried to convince people i stole money

ItsAHazardLife 14-May-20 01:24 AM

Thats crazy

Sparbucks 14-May-20 01:24 AM

ill give you a state

stat*

psb basically made 3k in 1 year and all of it was for hugbot

the dude who ran off with hugbots fiance and had a kid with her tried to convince them i robbed hugbot of \$350

but I am -\$500 from psb

ItsAHazardLife 14-May-20 01:26 AM

All from paying taxes. Thats the scary part of trying to help people like that

Sparbucks 14-May-20 01:26 AM

that is not even all from taxes

ItsAHazardLife 14-May-20 01:26 AM

Oof

Sparbucks 14-May-20 01:26 AM

psb I was owed \$200 per month on entire project

the saddest part is if they didnt to that hugbot/pete would still be getting a steady income

and that right there hurts me personally but I cant do shit about it

because of stubborn people

ItsAHazardLife 14-May-20 01:29 AM

Its definitely understandable ehy youd feel hurt cause that's someone you consider a friend and you put your heart into helping him

Sparbucks 14-May-20 01:29 AM

but the positive is now
hugbot is on the edge of saying fuck that shit
and taking a big risk and we going to be playing regularly with his situation
even when we sailed together the last time people bitched about it

ItsAHazardLife 14-May-20 01:31 AM

Cause at the end of it all he knows he wants that friendship with you

Sparbucks 14-May-20 01:31 AM

except for the other 90% who fucking loved it
ive been friends with hugbot for over 20 years he knows

ItsAHazardLife 14-May-20 01:32 AM

i can believe people bitched about it which is sad but yea it helped him as well. Within the week of sailing with you kro sailed with him and a few others

Sparbucks 14-May-20 01:32 AM

just fucking hate having these stubborn people who dont actually have best interests for hugbot

ItsAHazardLife 14-May-20 01:32 AM

Hug bot is hilarious and is good content

Sparbucks 14-May-20 01:32 AM

hugbot really just is an amazing person
but i also know realistically he doesnt have a lot of time left
and i have dipshits trying to prevent me having fun with my friend

ItsAHazardLife 14-May-20 01:33 AM

im right there with you. Stubborn people can ruin a lot for themselves and others

Sparbucks 14-May-20 01:34 AM

for their personal stubborn reasons

ItsAHazardLife 14-May-20 01:34 AM

Best way to say it
like for hug bots sake its best for him and you to patch things up before its too late

Sparbucks 14-May-20 01:34 AM

and this isnt a convo just with my opinion these are deep convos with me and hugbot and we are done with dealing with it (edited)

ItsAHazardLife 14-May-20 01:35 AM

I know
Its been going on for too long
I met yall together with psb
Never got to know hug bot well but ive gotten to know you well enough to know better

Sparbucks 14-May-20 01:41 AM

yeah exactly
hug is hilarious and legit an amazing person
bunch of other people though never get to many people involved with a project lol

ItsAHazardLife 14-May-20 01:43 AM

100%
Ive been working and putting together something that is meant to help others.
I know its grown a bit within a couple weeks. Im working hard on it to be something and give to people at the end with money thats earned from it

Sparbucks 14-May-20 01:52 AM

yeah just be careful
learned my lesson

ItsAHazardLife 14-May-20 01:53 AM

100% i dont think id bring in people to help but 100% would probably take some of the money and donate subs or bits to them. Just a different idea.

Sparbucks 14-May-20 01:56 AM

yah depends on who supports
have to help here for a sec

ItsAHazardLife 14-May-20 01:57 AM

Yea im chilling and watching

ItsAHazardLife 15-May-20 10:37 AM

You love Skelly ships now. They are making it where they can drop kegs if you are behind them.

Sparbucks 15-May-20 10:37 AM

lol.

ItsAHazardLife 15-May-20 10:38 AM

yea will make people rage 100% even more

when you get server merged with an emissary flag on and you get sunk you drop double flag, it's a bug

Sparbucks 28-May-20 04:41 AM

comp froze lol

ItsAHazardLife 28-May-20 04:41 AM

thought so

Sparbucks 28-May-20 05:30 AM

thanks for joining and saving my ass during the freeze btw making food so it will be a bit

ItsAHazardLife 28-May-20 05:37 AM

Its no problem at all. Glad i could be there to help out.

Sparbucks 28-May-20 05:37 AM

tbh i dunno what was ultimately fixed in this update

ItsAHazardLife 28-May-20 05:37 AM

Need to sail with you, saika and kie soon

Sparbucks 28-May-20 05:37 AM

but im glad they didnt add something stupid
yeah for sure been a while

ItsAHazardLife 28-May-20 05:38 AM

It feels like a bunch of small things to look like something big was done.

Sparbucks 28-May-20 05:38 AM

better than some half ass event either way
but still a lot of the bugs are still bugs
prob biggest fix was merge emissary table being fixed

ItsAHazardLife 28-May-20 05:39 AM

Most of the 10gb update was probably stuff to do with the events, fort nights and the double rep/gold times

Sparbucks 28-May-20 05:39 AM

true but they have had some updates that were questionable with what they added before
but im just glad no bullshit event this time
i actually think daily/weekly is important
but not having some ui in game
is a big issue
issue*

ItsAHazardLife 28-May-20 05:40 AM

Thats the bug that meant the most to me cause i was always questioning servers with nothing on tables
I wont be able to get the figurehead from it. Still need like 12 wins.
I couldnt agree more they dont make sense and will make levels easier to obtain
Lvl 5 will now get 5x gold and rep during those times which is insane to me.

Sparbucks 28-May-20 05:47 AM

wait which figurehead?
arena?

ItsAHazardLife 28-May-20 05:47 AM

Yea the arena one.

Sparbucks 28-May-20 05:47 AM

oh
saika still doing arena
i could ask one food is done
but i dunno how long she will be on

ItsAHazardLife 28-May-20 05:47 AM

Nah
Its no biggie

Sparbucks 28-May-20 05:48 AM

i literally ate nothing
i can ask once they are done, one more for happy

ItsAHazardLife 28-May-20 05:48 AM

Yea food is important
Not worried about it cause i know i wont be able to get the 12 in time.
I wasnt motivated to do it cause combat was sooooo bad.

ItsAHazardLife 30-May-20 01:37 AM

Are you down a person and need a 4th?

Sparbucks 30-May-20 06:38 AM

so tired of this shit

ItsAHazardLife 30-May-20 06:38 AM

he gave us VOICE proof admitting to it

Sparbucks 30-May-20 06:38 AM

we get sniped i get yelled at
i know
but i got fucking yelled at
im so tired of it

ItsAHazardLife 30-May-20 06:38 AM

its stupid

Sparbucks 30-May-20 06:38 AM

we knew what was going on

ItsAHazardLife 30-May-20 06:38 AM

she needs to understand there is no GG in this

Sparbucks 30-May-20 06:38 AM

shoudla just left

ItsAHazardLife 30-May-20 06:38 AM

100%

Sparbucks 30-May-20 06:39 AM

yeah she has more understanding for other crews in this scenario sometimes actually pissed me off

ItsAHazardLife 30-May-20 06:39 AM

they were trying to give the stream content

Sparbucks 30-May-20 06:39 AM

i got yelled at

ItsAHazardLife 30-May-20 06:39 AM

is what they said

Sparbucks 30-May-20 06:39 AM

i even told her
but ignored then i got yelled at

ItsAHazardLife 30-May-20 06:39 AM

I know she does cause her heart is that way
it always happens

Sparbucks 30-May-20 06:40 AM

i know but she shouldnt yell at me for that stuff

ItsAHazardLife 30-May-20 06:40 AM

even though it shouldnt
you shouldnt get yelled at.

Sparbucks 30-May-20 06:40 AM

we shoulda just bounced from the server when we called it out

ItsAHazardLife 30-May-20 06:40 AM

100% next time we will

Sparbucks 30-May-20 06:40 AM

its what i always say though
but i wasnt streaming and it was her stream then at the end i got yelled at
for trying to go to there boat to maybe get there spawn point out of the equation
its what i always want to do when i get stream sniped
its pointless
we already shit on them the first time organic

ItsAHazardLife 30-May-20 06:42 AM

cause it's tough love for saika cause she needs to understand if people are toxic or sniping there is no good intentions

Sparbucks 30-May-20 06:42 AM

absolutely none

ItsAHazardLife 30-May-20 06:42 AM

we sank them what twice?

Sparbucks 30-May-20 06:42 AM

its why kaida and every other streamer says just leave the server
yeah
and it became difficult when they were sniping

ItsAHazardLife 30-May-20 06:43 AM

yea it did
we had nothing to lose we shouldve just left
I just felt like something was off the last time they came after us.

Sparbucks 30-May-20 06:44 AM

only thing is
saika will yell at me in those scenarios when we have like... 2 other people
we wont win every battle i know that
but in certain situations she will just kinda yell at me

ItsAHazardLife 30-May-20 06:45 AM

yea cause it's stressful cause we have to figure out what to do without them knowing what
it's not easy

Sparbucks 30-May-20 06:46 AM

but you made the call out and even i confirmed
they were in chat
she just needs to be like kaida, and gtfo on the server

ItsAHazardLife 30-May-20 06:46 AM

100%

I was just along for the ride.

next time we all just have to leave and if she doesn't follow then not much we can say or do

Sparbucks 30-May-20 06:47 AM

yeah

i agree

because like i cant board a crew that knows when im boarding

i even killed them the first time but they fully aware with streaming

but man she just yells at me on a galleon

no one else

not good for us

ItsAHazardLife 30-May-20 06:48 AM

we will have to show her some tough love when it comes down to it until she realizes it.

I don't know why

Sparbucks 30-May-20 06:48 AM

she just gotta be like kaida

immeditely sniping, diff server

ItsAHazardLife 30-May-20 06:48 AM

I'm cold hearted when it comes to BS tbh

I hate it

Sparbucks 30-May-20 06:48 AM

but i dont know why she just kinda yelling at me for stuff

ItsAHazardLife 30-May-20 06:49 AM

I don't even know why she yells at you to take helm

legit Id rather you two board for insurance. I can always handle helm and cannons. Its what Ive become used to

Sparbucks 30-May-20 06:50 AM

i even try to take the helm

but i also know we havent played with dean much

but like if someone new why yell at me

ItsAHazardLife 30-May-20 06:50 AM

100%

I dont see why she yells at you

Sparbucks 30-May-20 06:50 AM

i dont think i yell at her i want her to board more tbh
she kinda takes it out on me because of the diff crews we have all the time
but when its me, her and kie we dont have that
its an odd thing

ItsAHazardLife 30-May-20 06:51 AM

I've heard you get loud or snap at her a couple times, but it's not often

Sparbucks 30-May-20 06:51 AM

like people who she knows

ItsAHazardLife 30-May-20 06:51 AM

it doesnt happen even with me on board with yall

Sparbucks 30-May-20 06:51 AM

i get mad when she wont be aggressive
she always tries to be on the helm and i try to force her to get off the helm and go pvp
so ya in those situations i get mad because she wont let me or anyone else take the helm

ItsAHazardLife 30-May-20 06:53 AM

yea and if I'm there she wants me to go pvp but I'm down for whatever.

Sparbucks 30-May-20 06:53 AM

same
but like if not saika, me and kie and even you
anyone elsre

ItsAHazardLife 30-May-20 06:53 AM

I think when she gets tired she just doesnt want to pvp as much

Sparbucks 30-May-20 06:53 AM

she kinda yells at me and i have no idea why
she fully panics
i get it but i also dont get it
and trust me we have talked about it

ItsAHazardLife 30-May-20 06:54 AM

some situations its stressful and it's hard to not get frustrated or panic.

It's how she is. I don't know why, but even I'll work on her.

Sparbucks 30-May-20 06:56 AM

yeah
and sometimes she can just have fun with the game ya know
but some nights its like
she is so hard on herself

ItsAHazardLife 30-May-20 06:56 AM

there was a time her and kie got mad at me for spawn camping kids being toxic against her.

Sparbucks 30-May-20 06:56 AM

i literally dont know the last time i can even say "we sank because of you saika"

ItsAHazardLife 30-May-20 06:57 AM

yea I overheard she has a hard time even pushing the start button to stream cause of Rob.

Sparbucks 30-May-20 06:57 AM

yeah that dude is a fucking piece of shit
but i wouldnt say its all because of that asshole
i know she is a great player, amazing player

ItsAHazardLife 30-May-20 06:58 AM

he 100% is, but I don't know why she lets him control her even after everything

Sparbucks 30-May-20 06:58 AM

but she needs to remember to just have fun with the game
she just needs to remember to have fun

ItsAHazardLife 30-May-20 06:58 AM

she is amazing
and we all have fun 100%

Sparbucks 30-May-20 06:58 AM

exactly.
ive never said some failed steal was her fault because
that is the point of the game
you win some, you lose some

ItsAHazardLife 30-May-20 06:59 AM

like no lie I cant wait to play with yall and kie hopefully in the next week.

Sparbucks 30-May-20 06:59 AM

but im at a weird point where if its a diff crew
she kind of takes it out on me

ItsAHazardLife 30-May-20 06:59 AM

I don't ever say it's cause of anyone.
It just happens
we steal more than we lose

Sparbucks 30-May-20 06:59 AM

but we all just have fun ya know
and exactly
but if we fail or if things going wrong
she panics badly
the gally crew tonight wasnt exactly the best
and i feel she takes it out on me

ItsAHazardLife 30-May-20 07:00 AM

I wouldnt even say we failed tonight

Sparbucks 30-May-20 07:00 AM

we didnt fail
at all

ItsAHazardLife 30-May-20 07:01 AM

like they werent sinking us until we called them out for it.

Sparbucks 30-May-20 07:01 AM

yeah and we did great
but she went panic mode and at the end again called me out for whatever reason
it was an odd one

ItsAHazardLife 30-May-20 07:01 AM

like when I said no water below 2 people literally went straight downstairs
nothing I could do

Sparbucks 30-May-20 07:02 AM

if she can learn to not panic and in those moments have fun
she is one of the best streamers hands down
and amazing person absolutely

ItsAHazardLife 30-May-20 07:02 AM

I used to panic when I got into stressful situations.... now I've become more calm

Sparbucks 30-May-20 07:02 AM

but she gotta in scenarios where we dont have people arent used to on galleon/brig
she needs to call them out

ItsAHazardLife 30-May-20 07:03 AM

100%

Sparbucks 30-May-20 07:03 AM

but she clearly more comfortable just calling me out lol

ItsAHazardLife 30-May-20 07:03 AM

I don't know why

Sparbucks 30-May-20 07:03 AM

and i know i aint perfect too
but i dont think ive ever said saika ever messed up once

ItsAHazardLife 30-May-20 07:03 AM

If Im screwing up tell me and I'll fix it

Sparbucks 30-May-20 07:03 AM

exactly
she wont say that with you or kie
and i know you 2 would understand

ItsAHazardLife 30-May-20 07:04 AM

I want her to, cause it's one of the only ways to get better

Sparbucks 30-May-20 07:04 AM

i have told her this as well
so maybe soon she will understand that
think she is just afraid to call people out besides myself

ItsAHazardLife 30-May-20 07:05 AM

100% I'll talk to her later

Sparbucks 30-May-20 07:05 AM

not tonight
she already knows im a lil upset

ItsAHazardLife 30-May-20 07:05 AM

not tonight maybe later

Sparbucks 30-May-20 07:05 AM

because i knew when she was in freak out mode
granted i also get in that and i get that
not gonna win every battle
but in the case lets say

ItsAHazardLife 30-May-20 07:06 AM

I play with soooo many crews now that I know people's strong suits and like you two I don't even have to tell you what to do

Sparbucks 30-May-20 07:06 AM

me saika, kie and you
if she got more comfortable giving call outs to you 2
we would be even better
and ya [@ItsAHazardLife](#)
she is an amazing player/streamer/person

ItsAHazardLife 30-May-20 07:07 AM

I'm going to start asking her is there anything you need done.

Sparbucks 30-May-20 07:07 AM

but she needs to get more comfortable giving her demands to just me

ItsAHazardLife 30-May-20 07:07 AM

she 100% is

Sparbucks 30-May-20 07:08 AM

whoever is in her crew, she knows how to do shit

ItsAHazardLife 30-May-20 07:08 AM

I give her shit all the time cause she's an amazing person. I look at you two like family

Sparbucks 30-May-20 07:08 AM

its why as me and saika on a sloop we never sink
but if she can get over that hump of feeling like she is mean for demands in those scenarios
it would also help her get off the helm
which i know she wants
and ya i look at all our close friends as family

ItsAHazardLife 30-May-20 07:09 AM

I don't think us three or even 4 with kie sank unless..... we dealt with 3+ alliance

Sparbucks 30-May-20 07:09 AM

for real
but man she takes shit hard and i know you know that too

ItsAHazardLife 30-May-20 07:09 AM

I know she does and I don't understand why either

Sparbucks 30-May-20 07:09 AM

but she def afraid to give orders to anyone else

ItsAHazardLife 30-May-20 07:10 AM

I've never been mad at her and couldnt get mad at her

Sparbucks 30-May-20 07:10 AM

and if maybe she gets comfortable with that, she can get off the helm
i have never once been mad at her in game
maybe once or twice but like
1-2 times is nothing compared to my bad decisions lol
but she wont give orders to the other half of a galleon
only on sails
but in combat she wont

ItsAHazardLife 30-May-20 07:11 AM

yea we sometimes make bad decisions but I mean we cant always make good decisions either

Sparbucks 30-May-20 07:12 AM

but even in those scenarios
where things aint going right

ItsAHazardLife 30-May-20 07:12 AM

we still make it work tbh

Sparbucks 30-May-20 07:12 AM

have fun with the game or whatever game
she will get there

ItsAHazardLife 30-May-20 07:13 AM

at the end of the day we have to just work on her and get her to understand some things

Sparbucks 30-May-20 07:13 AM

she is an amazing player,streamer

ItsAHazardLife 30-May-20 07:13 AM

no doubt

Sparbucks 30-May-20 07:13 AM

and i dont know why she is afraid to stream right now
she def better than me
lol

ItsAHazardLife 30-May-20 07:14 AM

it's from something Rob said and she doesnt want you or kie to feel the same way.

Sparbucks 30-May-20 07:14 AM

well i know 100% the starting stream shit is piece of shit rob

ItsAHazardLife 30-May-20 07:14 AM

the whole taking viewers thing

Sparbucks 30-May-20 07:14 AM

and i know coop and cj playing with rob without knowing what he did to her
is a big thing to her
those 2 are some of her biggest respected people she knows

ItsAHazardLife 30-May-20 07:15 AM

like noone is taking viewers from one another. We all support one another

Sparbucks 30-May-20 07:15 AM

but she dont wanna be that person ya know
yeah

ItsAHazardLife 30-May-20 07:15 AM

I still don't respect coop

Sparbucks 30-May-20 07:15 AM

i know
besides all that though

ItsAHazardLife 30-May-20 07:15 AM

I'll pass him a server here or there, but its not often

Sparbucks 30-May-20 07:15 AM

i would love even if saika streamed without me you know
like if i was sleeping or at work

ItsAHazardLife 30-May-20 07:16 AM

100% she should

Sparbucks 30-May-20 07:16 AM

that is where rob fucked with her a lot
and 100% she should, no matter what game

ItsAHazardLife 30-May-20 07:16 AM

cause am I right they dated then or ?

Sparbucks 30-May-20 07:17 AM

they online dated then at twitch con it went so bad lol
like SO bad
then rob tried to fight me at twitch con

ItsAHazardLife 30-May-20 07:17 AM

smh

Sparbucks 30-May-20 07:18 AM

if you were there you woulda been like wtf
but either way
hope saika gets over that hump maybe one day to just have fun with whatever scenario in any game

ItsAHazardLife 30-May-20 07:18 AM

100% agree

Sparbucks 30-May-20 07:19 AM

hope so

ItsAHazardLife 30-May-20 07:20 AM

someone is trying to do a server takeover today in my region

Sparbucks 30-May-20 07:20 AM

im not a fan of those anymore

ItsAHazardLife 30-May-20 07:20 AM

all we could is work on her slowly over time
they are a pain in the ass

Sparbucks 30-May-20 07:21 AM

agreed

ItsAHazardLife 30-May-20 07:21 AM

Ive spawned in this server 2 times so I'm just going to the nearest on and seeing if they want the ship

Sparbucks 30-May-20 07:22 AM

lol im still on my vpn

ItsAHazardLife 30-May-20 07:22 AM

lol
Ive been trying to not use it cause someone told me that someone got banned for it
overall let's just slowly work on saika with things

ItsAHazardLife 30-May-20 08:41 AM

"There is no advantage to stream sniping while chasing"

MaMento_ - Sea of Thieves - Twitch

Sparbucks 30-May-20 07:59 PM

Was he streaming?

ItsAHazardLife 30-May-20 08:01 PM

sooo interesting enough he has 2 vods from last night. right before and right after

Sparbucks 30-May-20 08:51 PM

interesting

ItsAHazardLife 30-May-20 08:54 PM

yea

Sparbucks 30-May-20 08:54 PM

prob finding out it was us then turning off stream so they could snipe
im so over that shit
every time i play now
ive been really tempted to make an alt

ItsAHazardLife 30-May-20 08:55 PM

they were trying to defend and say they werent. Even showed their recorded vod of them talking about it with her stream, they turned it off
and the sammyboy guy went incognito with it still up
It's sad that streamers have to consider it
the one thing fortnite did right is protecting streamers.

Sparbucks 30-May-20 08:56 PM

i want something that scrambles my name
so even if people report me it can be unscrambled by rare

ItsAHazardLife 30-May-20 08:57 PM

yea thats what fortnite does is gives a random name and can still point to the right person.

Sparbucks 30-May-20 08:57 PM

yup

ItsAHazardLife 30-May-20 08:57 PM

but with being able to just look at recents I don't see how even that would help tbh

Sparbucks 30-May-20 08:58 PM

depends how its patched

ItsAHazardLife 30-May-20 09:01 PM

only time will tell what they do cause Summit fussed about it so they are trying to figure it out finally

Sparbucks 30-May-20 09:02 PM

thats the one thing that is nice with summit atleast when he bitches about it rare seems to actually pay attention

ItsAHazardLife 30-May-20 09:03 PM

yea thats the sad truth

Sparbucks 30-May-20 09:36 PM

saika gonna be pumped when she wakes up

ItsAHazardLife 30-May-20 09:36 PM

how come?

Sparbucks 30-May-20 09:36 PM

elite series 2 controller arrived

ItsAHazardLife 30-May-20 09:36 PM

hell yea she will love that controller

Sparbucks 30-May-20 09:37 PM

yeah she will

ItsAHazardLife 30-May-20 09:37 PM

took awhile but glad she finally got it

Sparbucks 30-May-20 09:37 PM

well my first hookup didnt go through
but this was all aprils idea
i cant take all credit i only helped pay for half of it

ItsAHazardLife 30-May-20 09:38 PM

ahhh thats awesome

Sparbucks 30-May-20 09:38 PM

but saika gonna be pumped

ItsAHazardLife 30-May-20 09:38 PM

she is amazing and deserves all the love

Sparbucks 30-May-20 09:38 PM

yup

ItsAHazardLife 30-May-20 09:38 PM

she was texting me about last night before she went to bed.

Sparbucks 30-May-20 09:39 PM

she didnt have a good sleep

ItsAHazardLife 30-May-20 09:39 PM

We all agree now to just leave when it's called out

Sparbucks 30-May-20 09:39 PM

yeah

we have to

she just needs to learn how to have fun again, i think some of it is sot burn out

ItsAHazardLife 30-May-20 09:39 PM

100% its our only choice

it's become repetitive.

we all love sea of thieves but they have been slowly killing the games with the updates and bugs

Sparbucks 30-May-20 09:40 PM

when i stream here in a bit we are going to be doing challenges which can be better content

ItsAHazardLife 30-May-20 09:40 PM

like the rowboat type challenges?

Sparbucks 30-May-20 09:41 PM

ya

one particular one which ive talked to kie about is getting an athena

ItsAHazardLife 30-May-20 09:41 PM

that should be fun

Sparbucks 30-May-20 09:41 PM

sneaking it on a random boat
and see the reaction

ItsAHazardLife 30-May-20 09:42 PM

that will take some prep work to get if you need more than one athena for that

Sparbucks 30-May-20 09:42 PM

yeah
its for youtube content primarily

ItsAHazardLife 30-May-20 09:42 PM

makes sense
If you want help prepping it, just let me know. My guess best way would be emissary with thieves runs

Sparbucks 30-May-20 09:43 PM

ya we will see here

ItsAHazardLife 30-May-20 09:44 PM

yea I think that will be fun for you 4

you said someone got banned for vpn btw?

ItsAHazardLife 03-Jun-20 06:39 AM

yea someone mentioned that to me ldr if it was Coop, Doggo or someone else.

Sparbucks 03-Jun-20 06:39 AM

interesting

ItsAHazardLife 03-Jun-20 06:40 AM

yea I dont get why they would but I imagine you're jumping servers in other regions other than your own

Sparbucks 03-Jun-20 06:41 AM

ya i am but still weird someone would get banned unless they were sniping

ItsAHazardLife 03-Jun-20 06:42 AM

could be just the random quick jumping to the different region

Sparbucks 03-Jun-20 07:00 AM

i cant find anything

i really dont think peeps playing this game lol

Sparbucks 03-Jun-20 07:09 AM

dont bother hopping

ItsAHazardLife 03-Jun-20 07:09 AM

sounds good

Sparbucks 03-Jun-20 07:12 AM

she not gonna join and im tired so its what it is

ItsAHazardLife 03-Jun-20 07:22 AM

Yea she is too wrapped up with the randoms she added. Hopefully they wont randomly join in the future
Get some rest for sure. Tomorrow is a new night for steals

Sparbucks 03-Jun-20 07:25 AM

its alright haha

ItsAHazardLife 03-Jun-20 07:25 AM

Lol

Sparbucks 03-Jun-20 07:26 AM

her first stream in a while so gonna let her have fun lol

ItsAHazardLife 03-Jun-20 07:35 AM

true let her have the fun. She deserves it

lol this gonna be a shitshow

ItsAHazardLife 09-Jun-20 08:34 PM

1000%

Sparbucks 09-Jun-20 08:34 PM

no communication as well

ItsAHazardLife 09-Jun-20 08:34 PM

between Bam.... and Zoey not having discord.
I feel bad for you tbh

Sparbucks 09-Jun-20 08:35 PM

yup its why i dont like scheduling stuff like this
wasnt my idea

ItsAHazardLife 09-Jun-20 08:35 PM

100%
hopefully it works out...
if it doesnt swap crews out.

Sparbucks 09-Jun-20 08:48 PM

no one gonna do anything on this crew lol

ItsAHazardLife 09-Jun-20 08:50 PM

aint that the truth. Youre with 3 trolls

Sparbucks 10-Jun-20 02:02 AM

ended up not being bad
they arent bad but we forced them to get discord lol

ItsAHazardLife 10-Jun-20 02:23 AM

Yea it wasnt bad at all. Was around for most of it. Been working on website stuff.
Discord isnt a scary place especially when they are streaming

Sparbucks 10-Jun-20 02:50 AM

yeah

ItsAHazardLife 10-Jun-20 02:51 AM

You know its weird..... you know MerlynJC?

Sparbucks 10-Jun-20 02:51 AM

i do ya
very well

ItsAHazardLife 10-Jun-20 02:51 AM

The one day we ran into cordi, he was with her and he raided me.

Sparbucks 10-Jun-20 02:52 AM

i met merlyn via my old crew
my old crew was and still one of the best ive ever sailed with
i was gonna raid merlyn
but he is playing with riskyrob

ItsAHazardLife 10-Jun-20 02:52 AM

As soon as he raided me id say 70% of who he brought over were insta gone

Sparbucks 10-Jun-20 02:52 AM

who is the biggest piece of shit of them all
well

ItsAHazardLife 10-Jun-20 02:52 AM

Yea i know

Sparbucks 10-Jun-20 02:52 AM

the thing is
that happens with coop/cj and all of them
its kind of weird.
and merlyn didnt start streaming more until recently
something im noticing too
i think that group is getting a lot of bots

ItsAHazardLife 10-Jun-20 02:53 AM

Like he has 70 but i count only 30 in his viewer list

Sparbucks 10-Jun-20 02:53 AM

cj raided me with like 100

ItsAHazardLife 10-Jun-20 02:53 AM

Thats what im thinking

Sparbucks 10-Jun-20 02:54 AM

and it went down to only like 5-10 viewers it was weird
but i get raided by cobbobles, rob or mason
i keep probably 50%+

ItsAHazardLife 10-Jun-20 02:54 AM

and they stay for ahwile

Sparbucks 10-Jun-20 02:54 AM

yeah

ItsAHazardLife 10-Jun-20 02:54 AM

Something is sus as hell

Sparbucks 10-Jun-20 02:54 AM

mason raids me i got like 80 followers last night

ItsAHazardLife 10-Jun-20 02:54 AM

Which is amazing.

Sparbucks 10-Jun-20 02:54 AM

when cj,coop or any of them raid me no followers or engagements except people i know in my chat

ItsAHazardLife 10-Jun-20 02:55 AM

100%

Sparbucks 10-Jun-20 02:55 AM

might be more bots with drops
i know cj and merlyn not behind it
or even coop

ItsAHazardLife 10-Jun-20 02:55 AM

Mason has an amazing community love being around them daily

Sparbucks 10-Jun-20 02:55 AM

but def the numbers are absolutely skewed
yeah
and a ton of them know me from mason and come around
never from cj/coop
great people but i cant support them cuz they play with someone who is actually abusive

ItsAHazardLife 10-Jun-20 02:56 AM

I couldnt agree more. Just weird to me.
I dont think coop would bot but i bet he wouldnt call out merlyn either for it.

Sparbucks 10-Jun-20 02:56 AM

i know i could talk with merlyn about rob
but i dont wanna open that can of shit

ItsAHazardLife 10-Jun-20 02:56 AM

100%
Rob is a piece of shit 100%

Sparbucks 10-Jun-20 02:57 AM

i got called abusive by amanda/teo for essentially having an argument with hugbot
but rob is actually abusive

ItsAHazardLife 10-Jun-20 02:58 AM

Yep
Its sad to see people that way.
Its sad rob chases coops clout

Sparbucks 10-Jun-20 02:59 AM

its not that
rob chases wherever saika goes
dude is an estalker

ItsAHazardLife 10-Jun-20 03:00 AM

Interesting
I know if i have issues with people i just go on my own way.

Sparbucks 10-Jun-20 03:01 AM

you can talk to her about it sometime, dude is fucking crazy
he tried to fight me at twitchcon for talking to saika lol

ItsAHazardLife 10-Jun-20 03:01 AM

Recently had issues with blabla and i wont even go to her streams anymore

Sparbucks 10-Jun-20 03:01 AM

cuz of abs im assuming

ItsAHazardLife 10-Jun-20 03:01 AM

Yea ive heard from Saika what happens
Actually not cause of abs
Basically i brought her into my cousin gta community. First day in one of the other owners was sexually flirting with her. She was uncomfortable, but continue to either lead him on or just kept talking to him. Even allowed him to change his name daddy name in her discord.

Sparbucks 10-Jun-20 03:04 AM
interesting

ItsAHazardLife 10-Jun-20 03:05 AM

I told her that shouldnt be allowed and to drop him cause at the same time the guy even told her he was talking to a second chick. Basically made me look bad and created drama. We wanted to bring mason and you guys into it for some fun but not worth having drama around it.

Sparbucks 10-Jun-20 03:06 AM

i would love to try it sometime
i know maz plays gta
but i would have to define a specific character

ItsAHazardLife 10-Jun-20 03:07 AM

Yea well you guys will have the opportunity soon. My project is getting its own GTA servers in the next couple of weeks. Building a website this week for the project and going from there.

Sparbucks 10-Jun-20 03:08 AM

its something i def wanna try
off stream kinda thing

ItsAHazardLife 10-Jun-20 03:09 AM

Makes senses. Get the feel for it before you bring it to stream if you decide to

Sparbucks 10-Jun-20 03:44 AM

so tired of being this close to sot partner
driving me fucking bonkers

ItsAHazardLife 10-Jun-20 03:45 AM

damn you are hella close
I just don't know if I would want to be a sot partner... I love the game, but I don't know if I could

Sparbucks 10-Jun-20 03:46 AM

i def wanna be
drops inflate numbers
can get us to partner

ItsAHazardLife 10-Jun-20 03:47 AM

they 100% do

I just don't know if all that is worth it to me.

Sparbucks 10-Jun-20 03:47 AM

ya
but partner gives more revenue

ItsAHazardLife 10-Jun-20 03:48 AM

I want twitch partner
but not sot partner
With how controversial I am and how many people already hate me for my opinion.....
I still wouldnt hold back no matter what if they gave me sot partner (edited)

Sparbucks 10-Jun-20 03:49 AM

well i also am controversial too
but ive heard people like coop say significant worse things

ItsAHazardLife 10-Jun-20 03:49 AM

yea but I havent heard him say too much since he got sot partner
I hear al3x bite his tongue all of the time from talking about things

Sparbucks 10-Jun-20 03:50 AM

i mean ill always be vocal about hitreg and stuff i dont like
and i have def heard coop say stuff

ItsAHazardLife 10-Jun-20 03:51 AM

yea I havent heard him say a whole lot.
like I've been quiet about these onyx drops for the most part. I think it's bs.
stuff like that drives me from this game.

Sparbucks 10-Jun-20 03:52 AM

most stuff i bitch about is pve
i gave up on cosmetics when emporium came out

ItsAHazardLife 10-Jun-20 03:52 AM

Ive given this game less time over the past 2 months.

Sparbucks 10-Jun-20 03:52 AM

i used to want to get everything
but now i just wanna dick around

ItsAHazardLife 10-Jun-20 03:53 AM

lol I still wish I couldve got the cosmetics from the tall tale event but abs and gav flaked yesterday and I didn't realize it earlier today

I just feel like giving my project more time than anything else..... thats how little faith I see in Sea of Thieves right now

<https://discord.gg/GXkfqQ>

This has been my project and it's growing daily

Sparbucks 10-Jun-20 03:55 AM

definitely tell me about it when im up

im interested

one of my biggest goals and i know its saika's too (although she going through the weird thing again of being afraid to go live) is to be twitch partner

and i know we all want it

but seeing how drops inflate the numbers (which inflating numbers in general is stupid)

ItsAHazardLife 10-Jun-20 03:56 AM

yea I texted her yelling at her is to go live

Sparbucks 10-Jun-20 03:56 AM

it would be a good accomplishment for both of us and in future to make it to pivot to a diff game too

ItsAHazardLife 10-Jun-20 03:57 AM

we all want it. I want it more for my IHOG community page more than mine to build a team page off of it.

the whole inflating numbers is stupid. I think all creator crew should have access to it, but they only want partners to have it

Sparbucks 10-Jun-20 04:02 AM

i agree

and sot partner is wayyyy too high for being a lower end view count game

but twitch partner takes a couple times to get it

like shumba and a bunch of people got partner on twitch cuz of summit tbh

but once im atleast twitch partner i feel more comfortable to pivot to other games more

ItsAHazardLife 10-Jun-20 04:03 AM

I wouldnt even try for Twitch Partner until the 3rd month of having the numbers for it

Sparbucks 10-Jun-20 04:03 AM

ya

like mason still isnt twitch partner

ItsAHazardLife 10-Jun-20 04:03 AM

I'm hoping Mason gets it 2nd try

Sparbucks 10-Jun-20 04:03 AM

was he rejected?

cuz thats ridiculous lol

ItsAHazardLife 10-Jun-20 04:04 AM

yea the 1st time

Sparbucks 10-Jun-20 04:04 AM

coop tried to get it foreveerrrrrrr

but like people like phuzzy getting it was odd to me

ItsAHazardLife 10-Jun-20 04:04 AM

they wanted to make sure his growth was real basically

Sparbucks 10-Jun-20 04:04 AM

and it took falcore forever lol

ItsAHazardLife 10-Jun-20 04:04 AM

phuzzy was odd.

I don't watch Falcore much

Sparbucks 10-Jun-20 04:04 AM

why have requirements when they are broad with accepting

but i was surprised phuzzy was super super surprising

took kaida a longggg time

ItsAHazardLife 10-Jun-20 04:05 AM

there was someone else that surprised me too

Sparbucks 10-Jun-20 04:05 AM

who else?

ItsAHazardLife 10-Jun-20 04:05 AM

it was around the time of Phuzzy but I dont remember

Sparbucks 10-Jun-20 04:05 AM

there was also someone who i cant remember too lol

ItsAHazardLife 10-Jun-20 04:06 AM

yea but we got it. You will see me streaming more, but I've lost a lot of the people I used to sail with due to my opinion.
so I just sail where needed and do my own thing

Sparbucks 10-Jun-20 04:07 AM

ya
its hard to grow a channel, super hard

ItsAHazardLife 10-Jun-20 04:08 AM

yea it truly is. It's funny I get more viewers with my IHOG channel than I do my own channel....

Sparbucks 10-Jun-20 04:08 AM

but your individual channel you just started streaming again
and thats another thing with twitch is taking a break
kills so much stuff

ItsAHazardLife 10-Jun-20 04:09 AM

streamed 1 time on IHOG, 10 viewers
building it for a month plus, 74 followers.
will have affiliate on that channel in about 2 months.

Sparbucks 10-Jun-20 04:10 AM

thats pretty good

ItsAHazardLife 10-Jun-20 04:10 AM

yea

Sparbucks 10-Jun-20 04:10 AM

atleast you didnt dedicate an entire year to a project that meant nothing in the end lol
but its about consistency

ItsAHazardLife 10-Jun-20 04:11 AM

yea I'll be working on my own channel a bit more too.

Sparbucks 10-Jun-20 04:11 AM

and i know you have a pretty good handle about building a project
and the work it takes
a lot of people dont know that

ItsAHazardLife 10-Jun-20 04:11 AM

100% bi-weekly 2 hour community game nights.

I started promoting Vamp on Twitter with her work and I know she's been getting commissions left and right.

I mentioned you in a couple posts about people wanting highlight videos.

Sparbucks 10-Jun-20 04:13 AM

vamp is super super super talented

she even surprised me a shit ton with how good she is

yeah i have a couple people going to me but

nothing super serious

ill prob get more offers once i get my youtube going

ItsAHazardLife 10-Jun-20 04:15 AM

She is amazingly talented. Like I didn't tell her for like a week or two of me tagging her. When I told her it blew her mind.

She is a sweetheart and deserves the exposure

100% and I want to write something better when I tag you in posts.

one of your first videos on youtube if it's not up already should be your intro video

Sparbucks 10-Jun-20 04:17 AM

well

im good at editing i have ideas

but just time

but i need 100 subs for custom url before i do anything

ItsAHazardLife 10-Jun-20 04:17 AM

times the hardest thing for sure

Sparbucks 10-Jun-20 04:17 AM

ive done a shit ton of youtube

ItsAHazardLife 10-Jun-20 04:19 AM

like your own videos or for other people?

Sparbucks 10-Jun-20 04:19 AM

agencies and work ive done

did a lot of work for adidas/nike/nba

ItsAHazardLife 10-Jun-20 04:19 AM

very nice

thats amazing

I know I'm watching what Mason is doing on youtube seeing his tags and what not. It definitely does help

Sparbucks 10-Jun-20 04:20 AM

yeah
his growth is crazy
and i know i can do better videos than hitbo and phuzzy

ItsAHazardLife 10-Jun-20 04:20 AM

every day he has people coming into his stream talking about coming from youtube

Sparbucks 10-Jun-20 04:20 AM

yeah
kie doing good with it right now

ItsAHazardLife 10-Jun-20 04:21 AM

I've lost respect for hitbo with some of his youtube videos

Sparbucks 10-Jun-20 04:21 AM

yeah never really have liked him cuz of how he portays his videos after battling him and never losing once
hes actually got a huge ego
then edits his videos as if they dominate people, its odd
and phuzzy is a super nice guy

ItsAHazardLife 10-Jun-20 04:22 AM

yea 100% and on his ship he is ALWAYS captain

Sparbucks 10-Jun-20 04:22 AM

but he actually is really bad at the game
but SUPER nice dude, no ego on him

ItsAHazardLife 10-Jun-20 04:22 AM

I met Phuzzy through Kaida, but don't watch him much

Sparbucks 10-Jun-20 04:22 AM

i met phuzzy randomly on seas

ItsAHazardLife 10-Jun-20 04:22 AM

he was really cool

Sparbucks 10-Jun-20 04:23 AM

and we accidentally stole eachothers boats

ItsAHazardLife 10-Jun-20 04:23 AM

thats funny

Sparbucks 10-Jun-20 04:23 AM

it was when i would play off stream from peas and just solo

ItsAHazardLife 10-Jun-20 04:24 AM

with hitbo, his video on blunder bombs was like wtf, you want extra exposure from a new thing in the game.

Sparbucks 10-Jun-20 04:24 AM

its cliché stuff

ItsAHazardLife 10-Jun-20 04:25 AM

I always look back at all the run ins we've had together.
they've been some of the best times I had on the seas

Sparbucks 10-Jun-20 04:27 AM

agreed
i wish i woulda done better with like logging footage and stuff
because i hear about people saying "oh this epic fofd steal we had"
and like it comes no where close to what we have done

ItsAHazardLife 10-Jun-20 04:28 AM

Mason has a notepad right by his desk to write it

Sparbucks 10-Jun-20 04:29 AM

yeah
i used to log hours and hours of nba footage but when its me making the content is completely diff

ItsAHazardLife 10-Jun-20 04:30 AM

yea I wonder if there is a way..... like a bot that could be better than !marker on twitch
that auto timestamp for you

Sparbucks 10-Jun-20 04:31 AM

i mean i could make one but
taking myself out of those moments
is super super tough

ItsAHazardLife 10-Jun-20 04:31 AM

make it where it's a command that even mods can access I know we'd definitely help out

Sparbucks 10-Jun-20 04:31 AM

yeah mods def could help

ItsAHazardLife 10-Jun-20 04:33 AM

100%

Sparbucks 10-Jun-20 04:33 AM

btw i thought it was a lil weird
carrillo who i love go sot partner and his stats are significantly lower than mine

ItsAHazardLife 10-Jun-20 04:34 AM

I don't like Carrillo, before things got dicey.... with me and murder

Sparbucks 10-Jun-20 04:34 AM

well i met him irl and ya
a lil bias

ItsAHazardLife 10-Jun-20 04:35 AM

She raided him and I was giving her a hard time in his chat. He timed me out not 1 time, but 3 times for it.

Sparbucks 10-Jun-20 04:35 AM

interesting

ItsAHazardLife 10-Jun-20 04:36 AM

He has a thing for any lady in his chat. I know Luna has stories about him

Sparbucks 10-Jun-20 04:38 AM

man twitch is a weird world lol
ive learned to just keep my distance in most situations

ItsAHazardLife 10-Jun-20 04:39 AM

100%

Sparbucks 10-Jun-20 04:40 AM

because people get weird lol

ItsAHazardLife 10-Jun-20 04:40 AM

yep I always say if people knew the real murder..... she would probably have her channel into the ground

Sparbucks 10-Jun-20 04:43 AM

i mean i have always respected her
and tust me i def have my people i would like to play with more/hang with more
but shit with peas made me learn my lesson
kharites kind of helped me through the process of keeping distance

ItsAHazardLife 10-Jun-20 04:46 AM

100% I used to respect her, until we had a falling out.
It's hard when you want to sail with everyone

Sparbucks 10-Jun-20 04:46 AM

oshit you guys had a falling out

ItsAHazardLife 10-Jun-20 04:46 AM

100%

Sparbucks 10-Jun-20 04:47 AM

damn =/

ItsAHazardLife 10-Jun-20 04:47 AM

yep

Sparbucks 10-Jun-20 04:47 AM

well atleast you didnt go to twitter and have a condescending tweet purposely trying to target someone

ItsAHazardLife 10-Jun-20 04:48 AM

true that. I couldve easily
but I didn't want people shaming her
so I just walked away

Sparbucks 10-Jun-20 04:48 AM

going to social media about potentially a disagreement or differences is not the way to go unless they truly are a terrible person

ItsAHazardLife 10-Jun-20 04:49 AM

100% yea it was a bad situation
the whole peas thing was a mess and carrots is amazing for always being there.

Sparbucks 10-Jun-20 04:49 AM

interesting though
thing with the peas it was overblown by others and hug and i both know

ItsAHazardLife 10-Jun-20 04:50 AM

yea I wouldve hated to be in your position for sure

Sparbucks 10-Jun-20 04:50 AM

but i still think about it daily and the fact it happened is making hugbot lose a somewhat stable monthly amount of \$
because of other stubborn people

ItsAHazardLife 10-Jun-20 04:51 AM

yea but you can't save everyone

Sparbucks 10-Jun-20 04:51 AM

it was bad but only cuz of other people involved who arent hugbot
if it was just me and hug it woulda been fine
but thats on me and all of us
and you are right, i cant be responsible for other stuff outside my own responsibilities which is already too much

ItsAHazardLife 10-Jun-20 04:52 AM

at the end of the day sometimes it's easier just to walk away.

Sparbucks 10-Jun-20 04:52 AM

but still crazy you and murder had a falling out
thats what i was doing then i was accused of abuse and stealing money lol

ItsAHazardLife 10-Jun-20 04:52 AM

I've done it multiple times over the past 2-3 months. Murder was the 1st, another friend and now blabla

Sparbucks 10-Jun-20 04:52 AM

but it will always bother me knowing if it wasnt for other people outside of us, hugbot would probably be making a solid amount of money
which would help him
yeah

thats why i stay out of stuff now
im more quiet
try my hardest to not get involved with stuff
except for people i know who are real friends if that makes sense

ItsAHazardLife 10-Jun-20 04:53 AM

yea I wish more people would speak out about the issues with the game, but they don't want to.
99% of the good steam reviews are legit every day players from microsoft store.
Like how is that even allowed

Sparbucks 10-Jun-20 04:54 AM

at the same time reviews have always been skewed for everything
same with yelp/amazon and etc

ItsAHazardLife 10-Jun-20 04:55 AM

yea I definitely understand, when blabla and abs had their issue I pulled blabla aside. I made her talk and see things differently
true

Sparbucks 10-Jun-20 04:55 AM

ya

ItsAHazardLife 10-Jun-20 04:55 AM

I know with Amazon some people buy reviews or give out product in turn for reviews

Sparbucks 10-Jun-20 04:55 AM

but like that stuff now even if i disagree unless they do something actually terrible (like riskyrob) i stay out of it
i cant make everyone get along and i know that

ItsAHazardLife 10-Jun-20 04:56 AM

which makes sense
I just know my profile in the community is strong. I know people see it.

Sparbucks 10-Jun-20 04:57 AM

same reason i dont like always having a diff crew everynight on seas

ItsAHazardLife 10-Jun-20 04:57 AM

sometimes I wish Rare would see it

Sparbucks 10-Jun-20 04:57 AM

everyone knows you

ItsAHazardLife 10-Jun-20 04:57 AM

yea and even I know everyone

Sparbucks 10-Jun-20 04:57 AM

like tonight obviously i dm'd you i was worried

ItsAHazardLife 10-Jun-20 04:58 AM

I knew you were without you saying anything

Sparbucks 10-Jun-20 04:58 AM

def dont usually sail with people like this and also clearly i think both are minors

ItsAHazardLife 10-Jun-20 04:58 AM

yea I think so too
especially Zoey she seems like it.

Sparbucks 10-Jun-20 04:58 AM

bam and zoey im sure are underage
but good thing they actually are well behaved and arent toxic

ItsAHazardLife 10-Jun-20 04:59 AM

I wish Saika would stop allowing people regardless of how long they've known her call her mom, cause look at what it's all causing

Sparbucks 10-Jun-20 04:59 AM

she got bigger issues than that though
we have talked about it
she just needs to press the damn live button
once she does it, she always has fun

ItsAHazardLife 10-Jun-20 04:59 AM

that too
I've talked to her about that as well

Sparbucks 10-Jun-20 05:00 AM

thats the rob effect cuz she made her feel bad everytime she streamed
its completely opposite with me

ItsAHazardLife 10-Jun-20 05:00 AM

I'm going to keep talking to her about it.

Sparbucks 10-Jun-20 05:00 AM

shes talked about getting a job and etc but im like
you can just do this as a job and have fun

ItsAHazardLife 10-Jun-20 05:00 AM

with any of us. we all want her to stream
exactly make the content.

Sparbucks 10-Jun-20 05:00 AM

she always does amazing

ItsAHazardLife 10-Jun-20 05:01 AM

Everytime I see her live she has amazing numbers

Sparbucks 10-Jun-20 05:01 AM

i even told her she should stream without me like we did the other night
and she had an absolute blast
because ive prepped her for the future when i get a full-time/part time job

ItsAHazardLife 10-Jun-20 05:01 AM

yea It's something that we just got to keep at.

Sparbucks 10-Jun-20 05:01 AM

she shouldnt wait on me to stream at all
yeah
i am trying everyday
she has all the talent in the world to do it too
her numbers are better than me lol

ItsAHazardLife 10-Jun-20 05:02 AM

She knows we are right, but is hesitant about it.

Sparbucks 10-Jun-20 05:02 AM

ya just with pressing the button
once she does that then she is on cruise control and kills it

ItsAHazardLife 10-Jun-20 05:02 AM

Most of the time I've seen her 3-10 viewers higher than you.

Sparbucks 10-Jun-20 05:03 AM

she has better numbers than me, i know this lol
but she is so scared of not performing or sinking
and i tell her even if she sinks and all that
it doesnt matter, laugh it off

ItsAHazardLife 10-Jun-20 05:03 AM

exactly

Sparbucks 10-Jun-20 05:03 AM

we all get sweaty and wanna win but you aint gonna win everytime lol

ItsAHazardLife 10-Jun-20 05:04 AM

thats very true.
The only time I get upset is if it was something dumb that made the sink.

Sparbucks 10-Jun-20 05:04 AM

ive had my fair share of mess ups lol
yeah but
after it doesnt matter

ItsAHazardLife 10-Jun-20 05:04 AM

it's all a game at the end of the day.

Sparbucks 10-Jun-20 05:04 AM

trust me i know your biggest mess up with sailing with you lol
but in no way do i get mad, just now how i am
and im sure you know when i messed up big time too

ItsAHazardLife 10-Jun-20 05:05 AM

lol getting distracted is my biggest mistake

Sparbucks 10-Jun-20 05:05 AM

it was when you took the athena to plunder without fully saying anything to us lol
but then i think next day you came back and stole an athena

ItsAHazardLife 10-Jun-20 05:05 AM

oof yea thats never happening again

Sparbucks 10-Jun-20 05:06 AM

we have all had moments like that

ItsAHazardLife 10-Jun-20 05:06 AM

100%

Sparbucks 10-Jun-20 05:06 AM

but when she has a moment like that, she takes it so personally

ItsAHazardLife 10-Jun-20 05:06 AM

yea I've noticed.

Sparbucks 10-Jun-20 05:06 AM

but reality none of us get upset at all
like i think kie has messed up on 3 prior ashen athena steals
and we made it a meme and laughed about it
but if saika like fails to sell a hateful skull or something she gets soooooooooo upset
working on it with her

ItsAHazardLife 10-Jun-20 05:08 AM

no I think the most upset I've been is with Moe and idr the 3rd maybe sskooks. I told them to keep wide at the fotd to avoid mega's we got the sink on the ship there but they got kegged at the same time.

Sparbucks 10-Jun-20 05:08 AM

yeah
but like after it doesnt matter lol
i get WAY more pissed when people are just flat out doing nothing/afk

ItsAHazardLife 10-Jun-20 05:08 AM

no it doesn't cause you can bounce back. I walked away for a bit

Sparbucks 10-Jun-20 05:08 AM

that is a big reason playing with the peas would drive me crazy sometimes

ItsAHazardLife 10-Jun-20 05:09 AM

yea I don't go afk a whole lot. If i do i'm usually tabbed out and can quickly react back in the game

Sparbucks 10-Jun-20 05:09 AM

going afk isnt a bad thing
talking about those people who are afk 100% of the time while sailing lol
and only around for pvp and jumping off boat
but when you have those people in your crew
if i have to use restroom or step away for a min
i never can lol

ItsAHazardLife 10-Jun-20 05:10 AM

yea I definitely know someone like that. He talks to chat more while standing on the boat. But is active for pvp.

Sparbucks 10-Jun-20 05:11 AM

yeah
unless they are like a kiendis who can take out an entire ship easily single handedly
or really any of us
not gonna lie kharites can do that sometimes lol
amazing person but sometimes she can drive me nuts

ItsAHazardLife 10-Jun-20 05:12 AM

yea like I know with us.... we can do our own things while holding it down while someone steps away
I think Carrots doubts herself sometimes

Sparbucks 10-Jun-20 05:12 AM

but she also plays very chill and that makes up for it
she is very good
just with boat stuff
she can be demanding but not communicate her thoughts on what she wants to do

ItsAHazardLife 10-Jun-20 05:12 AM

she is and even I see it
I see BHarp doing really good overall

Sparbucks 10-Jun-20 05:13 AM

she critiques everyones boat positions where it can come off a lil rude but we can all do that
harp is a lord tbh
can see him have a significant amount of growth if he keeps up the grind

ItsAHazardLife 10-Jun-20 05:14 AM

yea he does well solo and I think is having a hard time wanting to transition to a crew, but even in a crew he does amazing

Sparbucks 10-Jun-20 05:14 AM

he just clearly knows what he wants to do with his stream
kind of like mason
i even called that mason was going to be the next boxy

ItsAHazardLife 10-Jun-20 05:15 AM

yea I don't watch much Boxy anymore

Sparbucks 10-Jun-20 05:15 AM

same
i think hes funny
but some of his stuff is more of a gimmick

ItsAHazardLife 10-Jun-20 05:16 AM

with Mason I reach out to him even to try to lend a hand if needed. I know he's trying to work on merch.

Sparbucks 10-Jun-20 05:16 AM

hes also pretty bad at keeping up with chat, coming from someone else who is bad

ItsAHazardLife 10-Jun-20 05:17 AM

I introduced him to Vamp. Gave him my recommendations on how he should do his Merch stuff. So only time will tell.

Sparbucks 10-Jun-20 05:17 AM

yeah
proud of mason tbh
deserves it all

ItsAHazardLife 10-Jun-20 05:17 AM

Merch is something Ive been doing for a hot minute outside of twitch.

Sparbucks 10-Jun-20 05:17 AM

interesting

ItsAHazardLife 10-Jun-20 05:17 AM

he does, his content is amazing

Sparbucks 10-Jun-20 05:18 AM

im kinda learning from him to not try to rage as much tbh

ItsAHazardLife 10-Jun-20 05:18 AM

[https://www.amazon.com/s?](https://www.amazon.com/s?k=AHazardDesigns&camp=1789&creative=9325&linkCode=ur2&linkId=f6ae5d94458bc1c5351226035b56944b&tag=itsahazardlifettv-20&ref=as_li_qf_sp_sr_tl)

those are a lot of my merch stuff. Had a team of designers a year ago.

Sparbucks 10-Jun-20 05:19 AM

haha some of those are awesome

ItsAHazardLife 10-Jun-20 05:19 AM

I'm learning to stay calm in pvp.

Sparbucks 10-Jun-20 05:19 AM

just learning more i dont want to be super sweaty until they fix the real issues

ItsAHazardLife 10-Jun-20 05:20 AM

same it's a struggle sometimes

Sparbucks 10-Jun-20 05:20 AM

i still get sweaty if they are offensive

btw i have like 5 min gotta get the foods then pass out

awesome designs

ItsAHazardLife 10-Jun-20 05:21 AM

sounds good. Get some rest. I'll be around throughout the day.

Sparbucks 10-Jun-20 05:21 AM

yeah gonna go hard for this next week to see if i can get qualifications

but good talk bro, ill be around tomorrow

ItsAHazardLife 10-Jun-20 05:21 AM

100% always a good time.

Sparbucks 10-Jun-20 05:22 AM

have a good one hazard!

ItsAHazardLife 10-Jun-20 05:22 AM

you too Spar

ItsAHazardLife 10-Jun-20 10:13 PM

what are you guys doing tonight?

Sparbucks 10-Jun-20 10:19 PM

think tonight me and saika gonna chill on a sloop since we havent been able to for a while

ItsAHazardLife 10-Jun-20 10:19 PM

sounds good, abs and gav are calling it short tonight.

Sparbucks 10-Jun-20 10:19 PM

but never really know how the night will go ya know

ItsAHazardLife 10-Jun-20 10:24 PM

sounds good.

Sparbucks 12-Jun-20 02:57 AM

ItsAHazardLife 13-Jun-20 03:23 AM

Sorry about distracting Saika a bit. At least 3-5 people were literally calling her momma and bypassing the banned words that multiple mods agreed to set to get it to stop. Maladath is in support of not allowing it except for the couple we know of that is like kids to her. I wasn't trying to start anything but it was constant and with a new person doing it. You know I have good intentions at the end of the day.

Sparbucks 13-Jun-20 06:47 AM

hey man

i think you need to trust saika with the calls on the momma stuff

i know you mean the best for her but it caused more commotion on that issue and some of the people calling her momma actually mean well if it crossed that point where its 'sexual' or weird i get it

like if it got bad the one person who should be mad... is me and i know the people ultimately who call her 'momma'

if it broke that barrier of being weird and sexual i know saika would tell me and she would fuck them up

but at the same time i do think you guys need to just trust her a little bit more because she can protect herself, this is not a riskyrob scenario at all

and if it became that i would fucking go nuclear about it

you need to understand joking and line of sexual with it

for instance when tomato (bb's husband) called saika "mama" its clear it was not sexual/serious

clip here <https://clips.twitch.tv/AgreeablePrettyPigPMSTwin>

bbxh - Hey mama!

Watch bbxh's clip titled "Hey mama!"

ItsAHazardLife 13-Jun-20 07:07 AM

There shouldn't be a nuclear situation.
There is a difference between bb's husband saying it and a complete internet rando saying.

Sparbucks 13-Jun-20 07:08 AM

just listen to me
i think a little understanding on protecting saika from actual predators and people trying to hurt her
people in her channel didnt cross that line and i think there needs to be an understanding on it
because if anyone should be mad it would be me but i looked at her chat
i know you mean the best but at the same time you have to have a balance
for instance i had like 10+ people say i had a small penis last night
it was for jokes

ItsAHazardLife 13-Jun-20 07:13 AM

Yea i know it was jokes was it cool for saika to start that? No
I was shaking my head

Sparbucks 13-Jun-20 07:13 AM

but you have to let her decide what she is cool with and not
for instance how many people call me daddy spar
ive never banned one of them
like when she is offended/hurt/harrassed she will make it clear
as mods you kind of have to let her/me/or anyone decide it but she will let you know
and i would 100000% also step in

ItsAHazardLife 13-Jun-20 07:16 AM

But it is what it, us as mods are there because you trust us on our decisions. But i guess that decision just goes on you two.

Sparbucks 13-Jun-20 07:17 AM

its not even me
if saika had enough she will say it, kind of like me
i coulda banned so many people for calling me daddy

ItsAHazardLife 13-Jun-20 07:18 AM

We both know saika has the kindest heart and i dont know if she know know or say when is enough

Sparbucks 13-Jun-20 07:19 AM

just let her decide the decisions on her channel, she trusts you but as a mod you cant time out people by something that she never said to do
for instance
we are mods for cobbobles
i cant just time out people for stuff maybe that is questionable because i dont know the inside joke/behind scenes/whatever
and cobbobles is a wayyyy bigger channel
for instance we had a dude say "cum on weiners"

and i thought it was weird
but its... an inside joke
unless someone crosses the line of being sexual about 'momma' or that stuff i get it

ItsAHazardLife 13-Jun-20 07:21 AM

Cobbobles has a weird humor style chann if i saw that id be like wtf and probably leave tbh

Sparbucks 13-Jun-20 07:22 AM

but saika also has weird humor too lol
why do you think we are cobbobles mods

ItsAHazardLife 13-Jun-20 07:26 AM

Idk but when multiple of her mods disapprove and don't think it should be a thing. We should have a say too. Like i said i dont know if saika would know the point of crossing the line. Of she growing 10x the size and has 1000 people calling her mom or momma. You want to know how weird that would be?

Sparbucks 13-Jun-20 07:27 AM

only other mod is maladath hazard

ItsAHazardLife 13-Jun-20 07:27 AM

And 1 other

Sparbucks 13-Jun-20 07:27 AM

just saying it sometimes best coarse of action is not taking action
let the streamer handle it

ItsAHazardLife 13-Jun-20 07:27 AM

The one who blacklisted it

Sparbucks 13-Jun-20 07:27 AM

who?
saika doesnt even know
also your comment of "If you let it happen then I won't talk to you for a while" is unfair man

ItsAHazardLife 13-Jun-20 07:28 AM

It was two days ago. Idr if it was yum yum or someone else. Whod have to look at her vod for it

Sparbucks 13-Jun-20 07:29 AM

Haz just trust her, she been through a ton of shit

ItsAHazardLife 13-Jun-20 07:29 AM

I know she has, why go through more. Why not trust mods decisions

Sparbucks 13-Jun-20 07:30 AM

you need to trust her
the chat was crazy in her stream tonight
shoudnt happen

ItsAHazardLife 13-Jun-20 07:30 AM

I 1000% trust her but at the same time she needs to trust us

Sparbucks 13-Jun-20 07:30 AM

i know you mean well but you do need to calm down with the 'momma' stuff unless it crosses the sexual/harassment line
i would be the first person busting into the living room if it crossed that

ItsAHazardLife 13-Jun-20 07:31 AM

Thats the point..... it shouldnt get to that point

Sparbucks 13-Jun-20 07:31 AM

it wasnt getting to that point though hazard
she has had people sexually harass her in game and stream
this was not that case
not at all
and if jaffals even steps in to stop it
jaffals dont fuck around
and i know that

ItsAHazardLife 13-Jun-20 07:32 AM

If she continues to let it happen one day it will.

Sparbucks 13-Jun-20 07:33 AM

it wont happen and you dont need to babysit that
we all watch out
but preventing it like that
when people arent crossing that line is not going to help

ItsAHazardLife 13-Jun-20 07:33 AM

Is the best measure

Sparbucks 13-Jun-20 07:33 AM

hazard... if one person should be absolutely pissed off it would be me outside of saika
i looked over entire chat with saika
her chat shouldnt be about mod choices
she isnt enabling people but if you go over board with modding it becomes a bigger issue than it is
from her perspective or any other stream if they say knock it the fuck off then step in
we cant decide what to delete/mod based on opinions
sometimes yes but not because they say a word like 'momma'
and like in my chat i have people call me daddy and i say not to call me it
but you dont timeout/ban people for that
unless she or me says to do it

ItsAHazardLife 13-Jun-20 07:36 AM

Its fine i wont mod saika. She can do what she wants.

Sparbucks 13-Jun-20 07:38 AM

she wants you to mod to protect her, but if she says its okay let it bet because its not hurting her hazard
you have done a great job
but the momma thing is just a meme
same with uu rr
but if someone went sexual/stepped over the line fuck them
but active viewers
like rage and josh who have known her for like 10+ years

ItsAHazardLife 13-Jun-20 07:39 AM

Yep well the decision to stop it before it becomes an issues.

Sparbucks 13-Jun-20 07:39 AM

but momma/daddy doesnt always mean sexual stuff

ItsAHazardLife 13-Jun-20 07:39 AM

I definitely dont see many female channels allowing it

Sparbucks 13-Jun-20 07:39 AM

my chat is 100000% worse tbh lol

ItsAHazardLife 13-Jun-20 07:40 AM

It doesn't have to mean something sexual

Sparbucks 13-Jun-20 07:40 AM

but you do know she has people who consider her a mom right
people who she has known for a long long time
but if someone says like "hey sexy momma"... well ya duh

ItsAHazardLife 13-Jun-20 07:40 AM

Yes and a few.

Even those are weird to me even with like her calling carrots wifey. Not many people like even hearing it.

Sparbucks 13-Jun-20 07:42 AM

hazard

its her channel

if she says ban there fucking ass

you ban it

not by your opinion

thats the thing of being a mod

ItsAHazardLife 13-Jun-20 07:43 AM

I know its her channel.

Sparbucks 13-Jun-20 07:43 AM

kharites also calls saika wifey

doesnt mean you ban saika for it

there is modding and modding too much

ItsAHazardLife 13-Jun-20 07:43 AM

Hey you dont have to worry about me with her channel.

Sparbucks 13-Jun-20 07:43 AM

sometimes less modding for smaller channels is the best approach

ItsAHazardLife 13-Jun-20 07:43 AM

Yea and its weird from carrots

Sparbucks 13-Jun-20 07:44 AM

but like thats you... but to me thats not weird

they are friends

its like 2 girls that call eachother girlfriend

thats not weird hazard lol

ItsAHazardLife 13-Jun-20 07:45 AM

Its all good at the end of the day.

Sparbucks 13-Jun-20 07:45 AM

if chat goes over the line she will definitely say

along with her other million mods
only other mod who had an issue was maladath
while like 4-5 other mods tried to stop the shit show

ItsAHazardLife 13-Jun-20 07:46 AM

Yea and another mod will handle it.... not me.

Sparbucks 13-Jun-20 07:46 AM

i mean even jaffals tried to stop it
and i know jaffals
most chill person also mod for people like kaida
and has known saika before i even knew saika
same with hagar

ItsAHazardLife 13-Jun-20 07:48 AM

If she wants to allow thats going to be on here from here on out.
Im taking myself out of the picture and let others handle it

Sparbucks 13-Jun-20 07:48 AM

its not that she is allows it
sometimes chat flows and when people go too far step in
its pretty obvious

ItsAHazardLife 13-Jun-20 07:49 AM

I wont step in if i cant step in on something like this. Going to let others handle it.

Sparbucks 13-Jun-20 07:49 AM

someties stepping out of it is best cuz a lot of people in chat werent happy lol
which never happens in her chat

ItsAHazardLife 13-Jun-20 07:51 AM

Yep and people werent happy on both sides of the table.
Have a good night

Sparbucks 13-Jun-20 07:52 AM

ya we heading out here, trust me you are fine
just first time saikas chat went crazy is all lol

ItsAHazardLife 13-Jun-20 07:53 AM

Its not about being fine.
When i said what i did about not talking to saika it was cause i feel like my decision isnt respected. So im going to remove nyself from the picture for a bit.

Sparbucks 13-Jun-20 07:57 AM

no thats not what im saying
just let her decide what he channel is to be and if you did that she would get hurt

ItsAHazardLife 13-Jun-20 07:57 AM

Its what im saying Spar

Sparbucks 13-Jun-20 07:57 AM

like very very very very very hurt hazard

ItsAHazardLife 13-Jun-20 07:58 AM

Im removing myself from the picture for awhile and go from there

Sparbucks 13-Jun-20 07:59 AM

just be a more relaxed mod if that makes sense
if it gets bad or something you are worried about dm her
she might be shitty at ds
but she does read it lol

ItsAHazardLife 13-Jun-20 07:59 AM

Shes got 99 other mods so ill let them handle stuff for awhile
Oh i know she is horrible at them

Sparbucks 13-Jun-20 08:00 AM

she does read it lol

ItsAHazardLife 13-Jun-20 08:00 AM

She just doesnt respond

Sparbucks 13-Jun-20 08:22 AM

she wont let you leave as mod lol
she knowsssssss everytttthingggg
but for real dont remove yourself as mod
i did go over her list with her on her mods to reduce some of inactive people
and she aint mad at you hazard for real

ItsAHazardLife 13-Jun-20 08:35 AM

Trust me I know she's not
I'll just not pay attention to her chat if I go into her chat or lurk in there.

I knew what I was doing by removing it and what other mods would do.

Sparbucks 13-Jun-20 08:49 AM

please dont remove yourself as mod and take this personally

weirdly after my stream pace gave me a follow

ItsAHazardLife 18-Jun-20 11:44 PM

not that I know of

Sparbucks 18-Jun-20 11:44 PM

weird

ItsAHazardLife 18-Jun-20 11:45 PM

thats interesting though

Sparbucks 18-Jun-20 11:45 PM

ya like right after i stopped streamin

ItsAHazardLife 18-Jun-20 11:45 PM

were you raided by rob or bobbles?

Sparbucks 18-Jun-20 11:46 PM

not last night no

i barely streamed, i crashed

ItsAHazardLife 18-Jun-20 11:47 PM

yea I was surprised to see you end early

I wonder if something or someone shared something in his stream

Sparbucks 18-Jun-20 11:47 PM

maybe

ItsAHazardLife 18-Jun-20 11:48 PM

I've been seeing blabla in weird places. Ive been keeping my distance from her, don't trust her.

so it wouldnt surprise me if she mentioned or shared somethign

Just a heads up Kie and Timmy are going to have their hands full for a bit. I just gave them, a Hazard server to the max. Fotd, Athena on table, 2 reaper 2's.

Sparbucks 19-Jun-20 10:10 PM

They still on it? We finally got done eating

ItsAHazardLife 19-Jun-20 10:10 PM

yea they are tucked with a sloop running with the fofd key

Twitch - Follower remover

Manage your Twitch follower list, for example to remove follow bots

Sparbucks 22-Jun-20 08:31 AM

is this tool trustworthy?

Sparbucks 22-Jun-20 09:08 AM

there is a lot of people
who i know on tha ttool

Sparbucks 22-Jun-20 09:45 AM

worked btw and i also gave twitch a headsup
thanks so friggin much man

ItsAHazardLife 22-Jun-20 09:49 AM

yea ive used it before and a few other people I know who have used it
no problem at all

Sparbucks 22-Jun-20 09:49 AM

it worked and kept the people who actually followed me

ItsAHazardLife 22-Jun-20 09:49 AM

idk who wouldve done that to you but not cool

Sparbucks 22-Jun-20 09:49 AM

i mean some people like that shit
i know a couple people who have gotten bot followed who pretend like they hit a milestone
cough amanda cough

not how i work

ItsAHazardLife 22-Jun-20 09:50 AM

sadly bots don't count for anything

Sparbucks 22-Jun-20 09:50 AM

they dont
absolutely dont and i know that from my experience

ItsAHazardLife 22-Jun-20 09:51 AM

they just artificially inflate numbers

Sparbucks 22-Jun-20 09:52 AM

it means nothing in terms of engagement and not the way to grow a channel or anything

ItsAHazardLife 22-Jun-20 09:53 AM

exactly

Sparbucks 22-Jun-20 09:53 AM

so thank you for the insight and tool, back to normal now

ItsAHazardLife 22-Jun-20 09:53 AM

thats what matters the most tbh

Like with the community I am building I preach that it's not a follow 4 follow, don't expect someone just to drop you a follow.
cause you want people to join and stay as a watcher

Sparbucks 22-Jun-20 09:58 AM

follow 4 follow is so 10 years ago
its about engagements
about a LEGIT following
and those milestones i hit on any projects (like twitch) i have certain events for it
it interrupts everything creators try to do with their communities
but some people when they get bot followed they are like "HELL YA" but it takes away a big part of why people do this stuff
and i get triggered when people embrace that shit

ItsAHazardLife 22-Jun-20 09:59 AM

exactly, it's sad that people want it but wonder why no-one is ever watching their streams.

Sparbucks 22-Jun-20 09:59 AM

exactly.

you definitely have a lot of experience with projects relating to this

ItsAHazardLife 22-Jun-20 10:00 AM

yea I've done my research

Sparbucks 22-Jun-20 10:00 AM

ill use amanda as an example, she got follow botted and she embraced it and pretended that is her actual follower account then you have cail who got follow botted and she got pissed def people who get it vs people who dont

ItsAHazardLife 22-Jun-20 10:01 AM

yea if it happened to me I'd be pissed and confused.

Sparbucks 22-Jun-20 10:01 AM

its fake numbers

ItsAHazardLife 22-Jun-20 10:03 AM

100% is, I know some discord groups that have their own website and make it a requirement you interact with other chats for points.

Sparbucks 22-Jun-20 10:03 AM

you wont hit partner with that shit twitch looks at everything

ItsAHazardLife 22-Jun-20 10:04 AM

nope

Sparbucks 22-Jun-20 10:04 AM

they aint stupid a lot of people who fall into that are completely noobs into how shit works

ItsAHazardLife 22-Jun-20 10:05 AM

yea it boosts number and what not but at the same time you can have people engage on your channel but most of the time they wont sad truth to it.

Sparbucks 22-Jun-20 10:05 AM

and it sucks because i just applied for sot partner and now they gonna look at that and maybe think it odd

ItsAHazardLife 22-Jun-20 10:07 AM

yea I can believe it cause they would be looking at your socialblade and see this

Sparbucks 22-Jun-20 10:08 AM

ItsAHazardLife 22-Jun-20 10:10 AM

yesterday +898

Sparbucks 22-Jun-20 10:10 AM

unless she got a big raid i suppose

pretty obvious tho

not natural growth

ItsAHazardLife 22-Jun-20 10:11 AM

total followers weekly apr 20-27 2020 - 2066

its just questionable numbers.

Sparbucks 22-Jun-20 10:12 AM

its pretty obvious

fake numbers

her view numbers are at 10k total

mine is 70k+

these are my numbers for june

natural growth except last day

ItsAHazardLife 22-Jun-20 10:13 AM

100% some may question the +74 or +98, but those were the huge raids

Sparbucks 22-Jun-20 10:13 AM

mason raids lol

ItsAHazardLife 22-Jun-20 10:14 AM

yep

Sparbucks 22-Jun-20 10:14 AM

mason's community is legit

ItsAHazardLife 22-Jun-20 10:15 AM

they truly are. I've found myself there daily.

Sparbucks 22-Jun-20 10:16 AM

how do i extend view on social

for like may

ItsAHazardLife 22-Jun-20 10:17 AM

I had a hard time watching him the first time I tried to watch him though, but then just started watching and then getting to know him not sure

Sparbucks 22-Jun-20 10:17 AM

ya hes a good streamer for sure

ItsAHazardLife 22-Jun-20 10:18 AM

100% he knows what he is doing too

Sparbucks 22-Jun-20 10:19 AM

yup exactly

alright gonna spend time with toxic one and pass out

thanks again man

ItsAHazardLife 22-Jun-20 10:19 AM

I don't think you can go back to may which is weird

sounds good ill see you later tonight

Sparbucks 22-Jun-20 10:19 AM

night man!

ItsAHazardLife 22-Jun-20 10:19 AM

night

Sparbucks 24-Jun-20 12:43 AM

this blackout thing

might be the dumbest thing ever

ItsAHazardLife 24-Jun-20 12:43 AM

..... you're telling me

I agree

Sparbucks 24-Jun-20 12:43 AM

as someone who has BIG opinions about this stuff

this literally hurts people who make less than minimum wage

and literally doesnt protest anything

ItsAHazardLife 24-Jun-20 12:43 AM

it's not going to do anything

Sparbucks 24-Jun-20 12:43 AM

exactly

someone had a stupid idea
and it trended

ItsAHazardLife 24-Jun-20 12:44 AM

it's not going to change how Twitch handles things

Sparbucks 24-Jun-20 12:44 AM

it just hurts smaller people

ItsAHazardLife 24-Jun-20 12:44 AM

I woke up this morning and saw it. I was like wow.

Sparbucks 24-Jun-20 12:44 AM

people who are rich ... are not affected
dumbest shit ive seen
and again when a good message and something important someone takes in a wrong direction

ItsAHazardLife 24-Jun-20 12:44 AM

honestly someone had a better idea for it on twitter

Sparbucks 24-Jun-20 12:45 AM

i talked about a bit on sanitarium
stream and put up donations to it
but as smaller streamers
it hurts people just getting by
thats all it literally does

ItsAHazardLife 24-Jun-20 12:45 AM

100% agree

Sparbucks 24-Jun-20 12:45 AM

sometimes social media pisses me off big time

ItsAHazardLife 24-Jun-20 12:46 AM

like I get why people are coming out with the stories tbh

Sparbucks 24-Jun-20 12:46 AM

100%

but this is just fucking stupid
gonna make people barely making due feel bad

ItsAHazardLife 24-Jun-20 12:46 AM

It happens way to often

Sparbucks 24-Jun-20 12:47 AM

i cant even be vocal about it cuz people will rage

ItsAHazardLife 24-Jun-20 12:47 AM

I hope people listen and don't black out, but come stream and tell their stories, tell why change is need
like for me, I was in a funk on Sunday, cause it was father's day. My dad passed away like 4 years ago and even with it reading something
Gambit put on twitter made me relive a lot of stuff from the mental abuse my dad did to the mental emotional abuse a chick put me through
the past 6 months. So it just hit hard.
so I've been silent on everything from both sides.

ItsAHazardLife 24-Jun-20 01:00 AM

at the end of the day all I can say is just keep doing what you're doing. For something like this just let it flow right by. It's not going to effect you
or your streams

Sparbucks 24-Jun-20 01:05 AM

one sec everytime im trying to talk about and figure it out i have to do something
but i feel ya
like mothers day is very weird for me, fathers day also weird for saika
2020 just been a bitch
and like the one positive been atleast streaming for me and i know saika
and i dont like other people deciding if we should do something we like doing
so many other worse companies than twitch/amazon
and i swear if people give shit for people who stream later today
that is absolutely fucked up
cuz people who stream this is also an escape for them

ItsAHazardLife 24-Jun-20 01:08 AM

100% I hope they don't. I'd 100% stream
Being around twitch and all in the SoT community honestly makes things easier while I do stuff.

Sparbucks 24-Jun-20 01:08 AM

same
especially in quarantine, i really dont think this was thought out
was some zinger tweet that got attention
but it just hurts the smaller streamers

ItsAHazardLife 24-Jun-20 01:10 AM

Sometimes I feel like the community is close to being like High school where people isolate others or talk trash or are fake.

I feel that way with some certain people.

Sparbucks 24-Jun-20 01:10 AM

sot community is good but man
some people lol

ItsAHazardLife 24-Jun-20 01:11 AM

I agree, I feel like some people can't be trusted

Sparbucks 24-Jun-20 01:11 AM

i already vented about the other people around peas.... and me and hugbot are just fine lol
just some people are crazy but the majority are amazing
by far one of the best overall gaming communities
but the people who stir up shit
they are

ItsAHazardLife 24-Jun-20 01:12 AM

I question some people just by their actions and what they say

Sparbucks 24-Jun-20 01:12 AM

just no reason for drama

ItsAHazardLife 24-Jun-20 01:13 AM

exactly Ive seen my share

Sparbucks 24-Jun-20 01:14 AM

same

Sparbucks 24-Jun-20 02:32 AM

gonna pretend im on plunder and not on ship

ItsAHazardLife 24-Jun-20 02:32 AM

k

Sparbucks 25-Jun-20 07:52 PM

`$(twitch $(eval $(query) .charAt(0)==@?$(query) .slice(1):$(query)) "Go check out {{displayName}} playing {{game}} at {{url}}")`

ItsAHazardLife 25-Jun-20 07:54 PM

hmmmmm

Sparbucks 25-Jun-20 07:56 PM

weird it should work

ItsAHazardLife 25-Jun-20 07:56 PM

yea I'm confused

Sparbucks 26-Jun-20 04:34 AM

dont say anything but

mythical gonna join to blundy bomb saika

cuz you only one without streamer names

ItsAHazardLife 26-Jun-20 04:35 AM

lol ok

Sparbucks 26-Jun-20 05:31 AM

man some stuff really gets to me

i dont get frustrated but def some aspects that frustrate me

ItsAHazardLife 26-Jun-20 05:32 AM

What has you frustrated?

Sparbucks 26-Jun-20 05:32 AM

the stuff with zempel is honestly some of the more awkward shit

just talked with saika about it

like every other week he has a weird outburst and clearly doesnt like me but is like in love with saika

he will unfollow me then follow

and we are trying to make a schedule where me, kie, zemp and saika sail

but then he keeps doing his weird shit to me

ItsAHazardLife 26-Jun-20 05:35 AM

That is weird as hell

Sparbucks 26-Jun-20 05:35 AM

it is very weird

and its always awkward for me and i told her i think im going to stop sailing with that crew because of it

ItsAHazardLife 26-Jun-20 05:36 AM

Ive always wondered where where zempel came from in the gallie crew

Sparbucks 26-Jun-20 05:36 AM

but he clearly has other motives
this is definitely something to keep on the down low
but im done dealing with him, reminds me of the griz dude

ItsAHazardLife 26-Jun-20 05:37 AM

Cause he seemed to slip in when i took my week to 2 week break

Sparbucks 26-Jun-20 05:37 AM

i dont like when people use the term simp
but honestly
its what hes doing
and ive tried to support him
and get along
but its not going to work

ItsAHazardLife 26-Jun-20 05:38 AM

Yea i dont get it. It was always weird with how he said he name too.

Sparbucks 26-Jun-20 05:38 AM

always something with him

ItsAHazardLife 26-Jun-20 05:38 AM

It will not always work out. Look at me and murder.

Sparbucks 26-Jun-20 05:39 AM

my theory is he is in love with my gf

ItsAHazardLife 26-Jun-20 05:39 AM

I tried everything to support her and just walked away

Sparbucks 26-Jun-20 05:39 AM

that is my strong opinion but its something im noticing

ItsAHazardLife 26-Jun-20 05:39 AM

It wouldn't surprise me.

Sparbucks 26-Jun-20 05:40 AM

not gonna support someone who keeps having weird outbursts like this with me, reminds me of the peas when people are more worried about drama vs having a good time

ItsAHazardLife 26-Jun-20 05:41 AM

Exactly and thats why i walked away from friendships with murder and blabla. It dealt with drama i wasnt cool with

Sparbucks 26-Jun-20 05:42 AM

i just like to have a good time
but some people are on a different level with just playing a game

ItsAHazardLife 26-Jun-20 05:42 AM

Same thats why i like sailing with you saika and kie. We know when to good around and also be serious

Sparbucks 26-Jun-20 05:43 AM

yeah
and not try to take stuff overly serious or make drama out of nothing

ItsAHazardLife 26-Jun-20 05:43 AM

Exactly

Sparbucks 26-Jun-20 05:44 AM

just done trying to make it work with zemp, done with it being awkward

ItsAHazardLife 26-Jun-20 05:45 AM

Just know im always down to sail if you guys want to swap zemp out

Sparbucks 26-Jun-20 05:45 AM

i know that
i just want more days with saika tbh

ItsAHazardLife 26-Jun-20 05:46 AM

I feel that
Custom servers are 100% on the horizon for sot

Sparbucks 26-Jun-20 05:47 AM

yeah they been saying it for a while

ItsAHazardLife 26-Jun-20 05:47 AM

They just released an article about it on their website

Sparbucks 26-Jun-20 05:47 AM

link?

I GOT IT

oops

ItsAHazardLife 26-Jun-20 05:48 AM

cool

I was reading it on my ipad and i barely know how to use it XD

Sparbucks 26-Jun-20 05:49 AM

that will be freaking dope

"No gold or reputation progression from Custom Server sessions"

hell yes

ItsAHazardLife 26-Jun-20 05:49 AM

Yea

My issue is with their focus on getting this released is they arent going to be focused on QoL.

Sparbucks 26-Jun-20 05:51 AM

yeah

but like this atleast gives opportunities for creators to do events

which i wanna do

ItsAHazardLife 26-Jun-20 05:52 AM

Yea in betting it will be for sot partners tbh

Sparbucks 26-Jun-20 05:52 AM

i did apply and hopefully i get in it

ItsAHazardLife 26-Jun-20 05:52 AM

Yea

I love the idea of it, but its bad timing for it when every aspect of the game is falling apart around it

Sparbucks 26-Jun-20 05:56 AM

well they been working on this for a while

since when they added "sailing with all sea of thieves players"

and it wouldnt effect other bugs because this would be more easier side to implement basically they would remove entire rep/gold system and the rest is a mirror for live adventure except for invite system

ItsAHazardLife 26-Jun-20 05:57 AM

Yea it will be easier to run for sure

Sparbucks 26-Jun-20 05:57 AM

i would love to do events and record good content

ItsAHazardLife 26-Jun-20 05:58 AM

Yea some of the events i could see be done would be fun

Sparbucks 26-Jun-20 06:01 AM

but ya keep the stuff w/zemp on downlow, im going to try to end that crew with him silently

ItsAHazardLife 26-Jun-20 06:03 AM

You know i will. I have no reason to speak about it except with you guys

Sparbucks 26-Jun-20 06:03 AM

we brought zemp in to be a good balance of helm and pvp and he doesnt helm much at all and when he does he whines because i want saika off the boat more

ItsAHazardLife 26-Jun-20 06:03 AM

Yea and i like telling saika to get her ass of the boat lol

Sparbucks 26-Jun-20 06:04 AM

if zemp has a day when he is on helm he makes it known and bitches about it and he kind of goes at me

ItsAHazardLife 26-Jun-20 06:04 AM

Which is dumb.

Sparbucks 26-Jun-20 06:04 AM

reminds me of peas, if im not on boat then they would complain but between me, kie and saika we are the best at boarding and most things kie is the best pvper we have to have an all around helms person to really bring it together

zemp was suppose to be that

ItsAHazardLife 26-Jun-20 06:05 AM

Which is crazy. I know strengths nd if i feel like i can handle things id send all 3 without hesitation

Sparbucks 26-Jun-20 06:05 AM

i know
but finding that person to take more of the responsibilities is hard because its tough
esp with galleon
brig is fine
galleon though is SUPER tough

ItsAHazardLife 26-Jun-20 06:06 AM

Its unfortunate with zemp not working out cause of things

Sparbucks 26-Jun-20 06:06 AM

but everytime we bring someone to make it a complete crew its like i get shit for being off boat/suppressing
but i usually pull it off

ItsAHazardLife 26-Jun-20 06:07 AM

Ive helmed galleons a lot due to al3x and abs

Sparbucks 26-Jun-20 06:07 AM

we were gonna sign up for coops tourney but im not going to do it now
not enough time and i wont sail with zemp anymore
because he has other motives vs doing whats best for crew
and hazard i know
trust me i know you can handle things
this isnt a dig at you at all
this was something we tried to make work
but in reality its zemp kind of being a simp on saika even though he will never admit it
and i know how this will go

ItsAHazardLife 26-Jun-20 06:09 AM

Yea abs wanted to as well, but i couldnt join cause i cant join into coops discord after the issues with him

Sparbucks 26-Jun-20 06:09 AM

over time zemp will try to make it seem like im a terrible person and etc to saika
dating someone who streams I have realized pretty quick people constantly try this shit

ItsAHazardLife 26-Jun-20 06:09 AM

Yea i knew yall had your reasons for making it want to work

Sparbucks 26-Jun-20 06:09 AM

yeah and coop running it also another reason im not a fan of it

ItsAHazardLife 26-Jun-20 06:11 AM

Having someone that streams that you date is tough.

Sparbucks 26-Jun-20 06:11 AM

streaming as a female seems to be significantly more tougher

ItsAHazardLife 26-Jun-20 06:12 AM

Its something that both sides have to understand.

Sparbucks 26-Jun-20 06:12 AM

and as a bf its like you get a good amount of people who figure out she is dating someone and try to 'simp'
saika knows and she isnt dumb
but zemp been a weird one

ItsAHazardLife 26-Jun-20 06:12 AM

Yea guys can be assholes and not care.

Sparbucks 26-Jun-20 06:13 AM

i had told saika i was done with zemp before then he changed for a bit and said i dont mind
but this is like the 3rd and 4th time he is doing this
or when i troll saika he gets all serious and is like "okay im out"
i cant troll my own gf because he throws a tantrum everytime

ItsAHazardLife 26-Jun-20 06:13 AM

Thats dumb

Sparbucks 26-Jun-20 06:13 AM

there was one time saika was streaming, i raided her
and i shot off to a sloop
and it was a guy and girl
and i was talking to them and they were funny
but since saika wasnt on the boat she couldnt hear them
and zemp had a fit about how I wasnt letting her have content
but when its opposite he would never say that to me
its just simping

ItsAHazardLife 26-Jun-20 06:14 AM

Lol it sounds like it.

It happens too much on twitch

Sparbucks 26-Jun-20 06:15 AM

yeah

its not like hes harassing or anything

but hes clearly positioning himself

been through it before

meanwhile all the other many people i know wouldnt do that

like you and kie wouldnt do shit like that

todd/luna/dusty and so many other people we know

but with zemp he tries to make every moment to protect her

he doesnt need to do that, im her boyfriend and that is my job

ItsAHazardLife 26-Jun-20 06:17 AM

Saika is amazing but could never do that. Y'all more like family to me.

Sparbucks 26-Jun-20 06:17 AM

exactly

because you about having a good time with friends

you protect all of us collectively

ItsAHazardLife 26-Jun-20 06:18 AM

Like ill do things to protect her, but id protect anyone as well.

Sparbucks 26-Jun-20 06:18 AM

i mean collectively as friends

you protect all of your friends

but when you have diff motives

ItsAHazardLife 26-Jun-20 06:18 AM

Yea i agree

Sparbucks 26-Jun-20 06:18 AM

which with zemp is clear to me

im with saika and that makes me bad and he will dig at anything with me to portray me as bad

ItsAHazardLife 26-Jun-20 06:19 AM

Yea he doesnt know where to draw the line

Sparbucks 26-Jun-20 06:19 AM

i could sneeze wrong
and it would be a big deal to him
but with anyone else he wouldnt care

ItsAHazardLife 26-Jun-20 06:19 AM

Lol

Its just dumb. Just do like you ssid part ways silently then go from there.

Sparbucks 26-Jun-20 06:20 AM

yeah

but like i told her i wont sail with that crew saturday

i told her to do it

but she said she wont as well but i dont want that

ItsAHazardLife 26-Jun-20 06:21 AM

She doesnt want to do something without you which is understandable.

Sparbucks 26-Jun-20 06:21 AM

yeah because that is saika

but i want her to do what she wants

always her choice

ItsAHazardLife 26-Jun-20 06:22 AM

Makes complete sense. Let her do her own thing

Sparbucks 26-Jun-20 06:22 AM

i been in relationships when people try to control me, i wont ever be like that

but i personally am not going to crew up with someone clearly just trying to get close to my gf

its awkward as fuck

ItsAHazardLife 26-Jun-20 06:23 AM

It sounds awkward as fuck

Sparbucks 26-Jun-20 06:23 AM

yup

ItsAHazardLife 26-Jun-20 06:24 AM

Hopefully it blows past

Sparbucks 26-Jun-20 06:24 AM

it will
just hopefully this time i dont get accused of stealing money and emotionally abusing my friend when i never did lol
got to be careful on the internet

ItsAHazardLife 26-Jun-20 06:25 AM

sad truth

Sparbucks 26-Jun-20 06:26 AM

i really wanna get more time to sail with like you, todd and luna
its a thing im working on

ItsAHazardLife 26-Jun-20 06:27 AM

Like for me i definitely wouldnt care if my girl streamed. I know there would be times guys act up

Sparbucks 26-Jun-20 06:28 AM

i definitely dont care when saika streams

ItsAHazardLife 26-Jun-20 06:28 AM

I know im slowly starting to sail with todd and luna again

Sparbucks 26-Jun-20 06:28 AM

she needs to stream more lol

ItsAHazardLife 26-Jun-20 06:28 AM

She definitely does

Sparbucks 26-Jun-20 06:28 AM

but i know when we at our best and having the most fun

ItsAHazardLife 26-Jun-20 06:29 AM

Yea

Sparbucks 26-Jun-20 06:29 AM

brig with me, saika and kie always fun
switch maybe one person on a brig is fun
like you/todd etc
but a galleon is when we dont have a good balance at all
the idea was in a galleon to get saika off helm more
hence why i said we brought zemp in because he said he could helm well
but everytime he is on the helm he has to make a BIG point of it

ItsAHazardLife 26-Jun-20 06:31 AM

Yea galleons are tough like you said. Its a matter of that balance

Sparbucks 26-Jun-20 06:31 AM

and has had times of telling me i wasnt on helm much
but its like is that my role? if so then fucking tell me to helm
ive done it a shit ton
i just want someone to say hey spar, can you take helm for a while
i did it for over a year with the peas because that crew was pretty rough
its how i got good at it

ItsAHazardLife 26-Jun-20 06:32 AM

Yea like how saika will tell me to grab helm

Sparbucks 26-Jun-20 06:32 AM

yeah
but like no one besides saika says ill take helm
i try but saika tells me no

ItsAHazardLife 26-Jun-20 06:33 AM

Yea she'll tell me no as well
Or tell me to go over

Sparbucks 26-Jun-20 06:33 AM

and you cant have kie on helm, not because he is bad but because he is the best pvper

ItsAHazardLife 26-Jun-20 06:33 AM

100% agree

Sparbucks 26-Jun-20 06:33 AM

i really dont mind staying on the boat

ItsAHazardLife 26-Jun-20 06:34 AM

I know for me im good at helm and cannons. Im good at pvp but definitely not the best.

Sparbucks 26-Jun-20 06:34 AM

but like you dont bitch/whine if on helm
that is like the exact thing i didnt want when we brought in zemp

ItsAHazardLife 26-Jun-20 06:35 AM

Yea cause im always down to do whatever and do whatever is needed
Its sad zemp was like that

Sparbucks 26-Jun-20 06:37 AM

other motives with him
more worried to make me seem like im bad/bad person and etc
to get closer to saika
was pretty obvious a while ago
never did anything to him except say i disagree with arena being fair (old arena) and had an argument

ItsAHazardLife 26-Jun-20 06:39 AM

Yea ive noticed some small things but never pieced things together

Sparbucks 26-Jun-20 06:39 AM

he would never say good job spar on like anything
like suppressing ships on my own, cleaning up
literally anything i did
he would compliment everyone but me
multiple times

ItsAHazardLife 26-Jun-20 06:40 AM

Which even id said is messed up.

Sparbucks 26-Jun-20 06:40 AM

and saika would always after he would go off about complimenting everyone but me
and say "also spar good stuff"

ItsAHazardLife 26-Jun-20 06:41 AM

Ive heard that before.
I know i probably dont always say it but we all know as a team we do our parts to get the job done

Sparbucks 26-Jun-20 06:43 AM

but even if it doesnt work out
we dont bitch at eachother
maybe we are down
but dont whine about stuff

ItsAHazardLife 26-Jun-20 06:43 AM

Exactly

Sparbucks 26-Jun-20 06:43 AM

usually if things dont work out i say "we shoulda dont things this way"
but I dont individually call out someone
and when im having a bad day i will be pretty honest and be like im shit

ItsAHazardLife 26-Jun-20 06:44 AM

Yea. Or even i know ive said i see that i shouldve done rhis
Or that

Sparbucks 26-Jun-20 06:44 AM

yeah
but like watching zemp and saika in arena right now
zemp is willing to be on helm now
i try to do that with saika, she wont let me

ItsAHazardLife 26-Jun-20 06:45 AM

Which is weird

Sparbucks 26-Jun-20 06:45 AM

but lets say if it that was me and zemp in arena
and he was on helm
he would whine

ItsAHazardLife 26-Jun-20 06:46 AM

That's crazy

Sparbucks 26-Jun-20 06:46 AM

primarily because im dating saika
its dumb

ItsAHazardLife 26-Jun-20 06:46 AM

I was surprised she wanted to do arena with zemp instead of figuring out something for adventure

Sparbucks 26-Jun-20 06:46 AM

brb have to take out garbage
well
zemp offered to do it
i told her after it was already agreed on
she was gonna not do it but i told her just do it
okay
only got a few more minutes here

didnt realize its light outside lol

ItsAHazardLife 26-Jun-20 06:49 AM

Yea so he offered so he could sail alone with her

Sparbucks 26-Jun-20 06:49 AM

because i said i was done

ItsAHazardLife 26-Jun-20 06:49 AM

Lol yea it's getting way into the morning

Sparbucks 26-Jun-20 06:50 AM

but i got in a bad mood once i realized zemp had dont the unfollow shit again
i can not play with someone that clearly has a grudge/motive against me
did it for too long with the peas and i wont make the same mistake

ItsAHazardLife 26-Jun-20 06:51 AM

Smh at least for me if i unfollow you, you can guarantee im about done watching you or youve done something that made me not want any part with you.

Sparbucks 26-Jun-20 06:52 AM

you remember grizzedinmypants?
dude would unfollow and refollow everyone every week

ItsAHazardLife 26-Jun-20 06:52 AM

Ive unfollowed a few recently and wont watch them again. The only person ill watch while keeping them unfollowed is coop
Hed leave ga constantly

Sparbucks 26-Jun-20 06:52 AM

yeah coop is someone with strong strong opinions
even though he wouldnt say it on stream
coop has said significantly worse things than i have
so like i wonder what makes zemp keep unfollowing me/avoiding me when i never talk about him at all or say anything bad
its pretty fucking obvious why

ItsAHazardLife 26-Jun-20 06:55 AM

Yea i dont get coop sometimes.

Sparbucks 26-Jun-20 06:55 AM

coop atleast understands streaming

ItsAHazardLife 26-Jun-20 06:55 AM

He definitely does.

He understands a lot around it and about it.

Sparbucks 26-Jun-20 06:56 AM

but clearly has his opinions

i can respect that

ItsAHazardLife 26-Jun-20 06:57 AM

I sometimes question his toxicity

Sparbucks 26-Jun-20 06:57 AM

he goes back and forth with his message

ItsAHazardLife 26-Jun-20 06:57 AM

sometimes my opinions line up with coops

Sparbucks 26-Jun-20 06:57 AM

between "it doesnt matter" "play the game how you want" "oh well!"

to him telling people to suck his dick, running piece of shits and etc

he def has a lil complex of if things dont line up with what qualifies as legit then it doesnt count

but thats what that is

atleast he isnt simping lol

ItsAHazardLife 26-Jun-20 06:58 AM

Yea i agree

Sparbucks 26-Jun-20 06:59 AM

got raided by cj who got raided by coop

only like 2 followers and no engagements again lol

ItsAHazardLife 26-Jun-20 06:59 AM

Thats weird

Sparbucks 26-Jun-20 06:59 AM

got more engagements by a 9 viewer raid earlier

its very odd

ItsAHazardLife 26-Jun-20 07:00 AM

I feel like they have a ton of people just lurking

Sparbucks 26-Jun-20 07:00 AM

ya
just something i notice is all
no accusations

ItsAHazardLife 26-Jun-20 07:01 AM

Yea

Sparbucks 26-Jun-20 07:02 AM

but ima lay down here

ItsAHazardLife 26-Jun-20 07:02 AM

Definitely get some rest

Sparbucks 26-Jun-20 07:02 AM

trust ya with my hard opinions
zemp thing has been a thing for a while
done dealing with it

ItsAHazardLife 26-Jun-20 07:03 AM

I dont blame you

Sparbucks 26-Jun-20 07:03 AM

just wanna have fun with my friends

ItsAHazardLife 26-Jun-20 07:04 AM

i got yall back at the end of the day and support the hell out of you

Sparbucks 26-Jun-20 07:04 AM

oh i know that and so does saika

ItsAHazardLife 26-Jun-20 07:04 AM

Having fun with friends is what this game has become to me

Sparbucks 26-Jun-20 07:04 AM

no question about that

ItsAHazardLife 26-Jun-20 07:05 AM

Ill be around and a hopping later if needed

Sparbucks 26-Jun-20 07:06 AM

for sure, tomorrow it will be me, saika, todd and luna
and luna gonna be streaming
should be a fun night

ItsAHazardLife 26-Jun-20 07:06 AM

Yea will be a fun night for sure

Sparbucks 26-Jun-20 07:09 AM

night man

ItsAHazardLife 26-Jun-20 07:09 AM

night

ItsAHazardLife 26-Jun-20 08:50 PM

is toxic one streaming tonight?

Sparbucks 26-Jun-20 08:50 PM

hope so
she just got up

ItsAHazardLife 26-Jun-20 08:51 PM

yea I heard she did
they have a gallie, i'll fill in until Saika is 100% ready

Sparbucks 26-Jun-20 08:51 PM

she is up and going to get ready she said
but we just had a talk about the issue

ItsAHazardLife 26-Jun-20 08:51 PM

sounds good. until we know for sure I have things setup

Sparbucks 26-Jun-20 08:51 PM

so itll be a min

ItsAHazardLife 26-Jun-20 08:52 PM

yea..... I feel that.

Sparbucks 26-Jun-20 10:42 PM

go with me on this

ItsAHazardLife 26-Jun-20 10:42 PM

this fleet?

Sparbucks 26-Jun-20 10:42 PM

no

they gonna boat bomb saika

ItsAHazardLife 26-Jun-20 10:43 PM

k

I swear your chat.....

ItsAHazardLife 27-Jun-20 01:11 AM

ItsAHazardLife 27-Jun-20 06:56 PM

Enjoy the night off

Sparbucks 27-Jun-20 06:58 PM

Spanks

ItsAHazardLife 27-Jun-20 08:42 PM

I see you commented on the cold brew coffee powder. I question it, it feels like one of those cappuccino instant packets.

ItsAHazardLife 27-Jun-20 09:55 PM

Sparbucks 27-Jun-20 11:20 PM

thats bs

and yeah maybe about the cold brew stuff

but ill try it def

ItsAHazardLife 28-Jun-20 04:14 PM

My nvidia drivers updated today and in the patch notes it said they fixed a bug in sea of thieves that affected rendering so I'd see if yours need the same!

ItsAHazardLife 28-Jun-20 08:42 PM

ItsAHazardLife 29-Jun-20 12:43 AM

lol kind of proof to what youre saying about Zempel, He is in Abs stream right now, If Saika streams I bet he will insta be there. But I guarantee he will not show in your channel at all.

Sparbucks 29-Jun-20 04:24 AM

Just had another argument about him rn

She played with him till 11am last night and now our schedules are absoltely out of sync

ItsAHazardLife 29-Jun-20 04:31 AM

yea I knew they did, I thought you knew

low key how they talk and interact is low key weird.

Sparbucks 29-Jun-20 04:40 AM

Big argument right now

Saika doesnt like behard i dont know why

I dont talk to him/her outside of stream

Its why she wasnt talking

ItsAHazardLife 29-Jun-20 04:41 AM

interesting

I don't know why she wouldnt like them

It's crazy how this is all over one person. It's crazy how I can even see something is off. Like legit how he says "Saika Saisune" is low key to me in a flirty tone.

Sparbucks 29-Jun-20 05:01 AM

I never even said she cant talk to him or hang

But like playing with him until 11am

I wasnt even mad but like she got mad at hard who is someone i have never talked to outside of chat and i dont even know if its a guy or a girl

Like i woke up when saika was going to bed playing with zemp

ItsAHazardLife 29-Jun-20 05:04 AM

yea it's crazy I thought she woke up and couldnt fall back asleep or something.
I don't know much about behard either except that they come into your chat.
I thought it was weird when I woke up and they were playing.

Sparbucks 29-Jun-20 05:04 AM

Hard hasnt been around for like 2-3 weeks

ItsAHazardLife 29-Jun-20 05:05 AM

whats her reasoning? (edited)

in my opinion if you dislike someone, you should be able to say why. If she can't then it could be something thats not good but we wouldnt know without her saying why

Sparbucks 29-Jun-20 01:38 PM

it was more she has a bad feeling but like
i only talk to hard maybe once or twice every week or 2 in chat
but like 2 times this week she has played sot with zemp until like 8-11am
which means when she does that she dont play with me
she was only on for like maybe 30 min-1 hour yesterday because of it
also caused her not to stream
just kinda sucks but things calmed down

ItsAHazardLife 29-Jun-20 01:41 PM

Yea it does suck tbh. We want to see her do amazing things with streaming. Could she had streamed while playing with zempel sure. But its also staying up super late too which throws things out of sync for the normal schedule

I get bad feelings on a bunch of people but i just chill until they do something bad or give me a reason to do something.

Sparbucks 29-Jun-20 01:42 PM

yeah
zemp has made it clear he doesnt like me
and im not going to sail/associate myself with someone who clearly thinks down on me (edited)

ItsAHazardLife 29-Jun-20 01:42 PM

Glad things have calmed down today

Sparbucks 29-Jun-20 01:43 PM

i never did anything to zemp

ItsAHazardLife 29-Jun-20 01:43 PM

Its obvious, i saw him in abs stream and not yours last night.

I wouldnt want to either

Sparbucks 29-Jun-20 01:43 PM

hes in everyones stream but mine, has unfollowed/followed me multiple times just in last month or 2

ItsAHazardLife 29-Jun-20 01:44 PM

Youre probably dating someone that he likes and wishes he could be with

Sparbucks 29-Jun-20 01:44 PM

yeah thats basically what is going on
so he treats me significantly different than anyone else
i could sneeze and he would hyper analyze my sneeze

ItsAHazardLife 29-Jun-20 01:45 PM

Yep or you could like rage accidently or talk to saika a certain way and it would trigger him

Sparbucks 29-Jun-20 01:46 PM

yeah

ItsAHazardLife 29-Jun-20 01:46 PM

Its a shame

Sparbucks 29-Jun-20 01:46 PM

but what im more scared about is saika seems to be more excited to play with him than me
when she plays with me she wont get off helm, when i go in living room she is playing ac at the same time
she barely talks
not messing around as much

ItsAHazardLife 29-Jun-20 01:46 PM

Thats crazy tbh

Sparbucks 29-Jun-20 01:47 PM

so maybe i convince her today to just do a ramming stream with me
no matter the cause

ItsAHazardLife 29-Jun-20 01:47 PM

Like i watched them sail and it was awkward cause of the vibes it gave off

Sparbucks 29-Jun-20 01:47 PM

yeah
im sure zemp had his saika pet out too

ItsAHazardLife 29-Jun-20 01:48 PM

I remember a pet being out but i dont remember.

Sparbucks 29-Jun-20 01:48 PM

its just very odd

i tried to explain to her to look at it from my perspective

ItsAHazardLife 29-Jun-20 01:48 PM

I dont disagree

Sparbucks 29-Jun-20 01:48 PM

i dont control and would never control what she wants to do

but if i stayed up multiple nights playing with a dude that clearly has a crush on her

she would get mad at me

and i know that lol

esp if i played with a girl who doesnt like her

ItsAHazardLife 29-Jun-20 01:49 PM

I'm the same way, theres no need to control a woman in your life.

Sparbucks 29-Jun-20 01:49 PM

but i wasnt mad, its more of an observation for me and yes concerning

if zemp wasnt such a weiner and would stop treating me differently i wouldnt even care at all

like if saika played sot with you or kie till 8-11am

i wouldnt care or worry at all

ItsAHazardLife 29-Jun-20 01:51 PM

or even if she senses the same thing, a girl likes you or crushes on you and sails with you until 11am. She definitely would, at least I hope, get upset with you

Sparbucks 29-Jun-20 01:51 PM

yeah she def would

like she was upset with hard for talking about dark (the show we are watching) with me in chat

but i dont know if hard is a girl or a guy lol

ItsAHazardLife 29-Jun-20 01:52 PM

I know Saika messaged me that morning, but I was knocked out.

Sparbucks 29-Jun-20 01:52 PM

hard doesnt even play games or sot

night with zemp?

ItsAHazardLife 29-Jun-20 01:52 PM

yea

Sparbucks 29-Jun-20 01:52 PM

she did mention she knows you know about the zemp thing lol
was trying to keep it on the dl to get advice but oh wells

ItsAHazardLife 29-Jun-20 01:52 PM

and I havent said anything to her.

Sparbucks 29-Jun-20 01:53 PM

even if ya did its not a big deal
its just something that is causing issues with us and i dont like it
i know she would never do anything like cheating on me
i know that 1000%
shes not like that
more concerned about the part where she isnt having as much fun playing with me and i need to fix that
need to play more off stream with her, was gonna do that last night

ItsAHazardLife 29-Jun-20 01:54 PM

yea I don't talk to Saika much tbh, cause literally it's a rarity for her to message me back.

Sparbucks 29-Jun-20 01:54 PM

but i went into living room and she was visually upset
she is bad with her DMs
trust me you aint the only one who says that lol

ItsAHazardLife 29-Jun-20 01:54 PM

thats why I crack jokes when people want messages back from her.

Sparbucks 29-Jun-20 01:55 PM

i tell her all the time to be better with dms
even her own mom comes into my stream to tell me to tell nicole something lol

ItsAHazardLife 29-Jun-20 01:55 PM

yea I knew something was up when she was deafened and you were still muted, then she disconnected before you

Sparbucks 29-Jun-20 01:55 PM

yeah
exactly thats why i went into living room
i thought she was actually gonna get her stream up
but she was sitting on ac deafened
what i might try is maybe i take the day off and have saika stream
if she gets up at a decent time

ItsAHazardLife 29-Jun-20 01:56 PM

I know she wasn't feeling good, but even when she isn't feeling good she is usually more talkativ

Sparbucks 29-Jun-20 01:56 PM

yeah i know she wasnt feeling good but at the same time
she wasnt interacting at all
because i know she wanted to stream but she was afraid to go live

ItsAHazardLife 29-Jun-20 01:57 PM

yea or didn't seem like she wanted to play sot at all.

Sparbucks 29-Jun-20 01:57 PM

i know she wanted to play
but i think maybe i take the day off streaming, have saika stream and i can do more helm and let her get action

ItsAHazardLife 29-Jun-20 01:57 PM

I know she wanted to play like comunity games or something like that yesterday

Sparbucks 29-Jun-20 01:57 PM

but i dont know when she fell asleep
yeah pso
but it failed
but she needs to fix her sleep schedule lol

ItsAHazardLife 29-Jun-20 01:58 PM

yea or even stream when you're not awake too.

Sparbucks 29-Jun-20 01:58 PM

yeah thats what i want tbh
when i get my day to day job
would be awesome during that job she streams
its the perfect job for her

ItsAHazardLife 29-Jun-20 01:59 PM

100%

Sparbucks 29-Jun-20 01:59 PM

she enjoys it and its something she is really good at

ItsAHazardLife 29-Jun-20 01:59 PM

she is really good at all

Sparbucks 29-Jun-20 01:59 PM

her channel was growing more than mine in may but this month she has slowed down
not streaming as much

ItsAHazardLife 29-Jun-20 02:00 PM

she just has been to stop caring about what people think sometimes.

Sparbucks 29-Jun-20 02:00 PM

agreed
and this is a dl thing but
at this moment she has the most money she has ever had in her entire life
and i told her keep it up

ItsAHazardLife 29-Jun-20 02:01 PM

like sometimes I'm hard on her cause she is sometimes tooo nice to people when they are rude or not nice in game.

Sparbucks 29-Jun-20 02:01 PM

yeah very true on that too
but then she also takes things wayyyy to hard

ItsAHazardLife 29-Jun-20 02:01 PM

she always says in those instances "Hazard, I know youre right"
she's gotta find that balance
thats good. she's deserve it tbh.

Sparbucks 29-Jun-20 02:02 PM

when she has a somewhat decent sleep schedule
she does significantly better
with energy/feeling better
im the same way
im sure many people are
this last week i was so exhausted
because sleep schedule was messed up and lack of sleep and etc
when she stays up all night and wakes up at like 8pm or later
she wont stream and she doesnt feel good

ItsAHazardLife 29-Jun-20 02:03 PM

Like I've been talking with Vamp and tossing her a lot of jobs. She is backlogged due to her move that keeps getting pushed back. still hasn't moved, but set up her pc and is staying busy. barely talk to her at the moment

You give me a lot of caffeine and i'll keep going constantly. If I feel I need a refresher like today I'll do work that doesn't take much and probably crash later

Sparbucks 29-Jun-20 02:05 PM

yeah im the same way on that too

my last job did a number on me though where i always think i have to keep doing something and it can be very hard for me to relax

ItsAHazardLife 29-Jun-20 02:07 PM

yea thats been my life. Thats why I'm trying to simplify and clear out backstock to make way for that simpler lifestyle I had when I started my business initially

Sparbucks 29-Jun-20 02:08 PM

yup exactly

dealing with that stress is not healthy

ItsAHazardLife 29-Jun-20 02:09 PM

yep I had a good thing going when I first started, but a mix of trying to expand to territories I didn't know and my dad passed away sent my business in a shaky direction.

with what I started now, I can expand to territories easier with the game plan I have laid out

Sparbucks 29-Jun-20 02:12 PM

damn that sounds intense and imo

since its your business oyu started im jealous

ItsAHazardLife 29-Jun-20 02:13 PM

yea I enjoyed it when I started and I know I can grow it. It will just take time.

Sparbucks 29-Jun-20 02:14 PM

ive had a lot of attempted businesses but most of them never work out but still something ill keep trying

ItsAHazardLife 29-Jun-20 02:16 PM

yea

I told Vamp when she's ready I want to help her get a website up and that could help her get sales without interacting with the customers initially.

like I could see you doing video work and offering that, making a business out of it.

Sparbucks 29-Jun-20 02:17 PM

yeah she will do very very good
yeah i used to do a ton of video editing while developing
but my development job got insane and burnout

ItsAHazardLife 29-Jun-20 02:20 PM

yea I feel that, but if you took control of your skills without working for someone else. It could be something good for you two

Sparbucks 29-Jun-20 02:20 PM

yeah thats what i have always wanted
its why i love streaming
i do better work, less stress and working remotely is what i want

ItsAHazardLife 29-Jun-20 02:21 PM

exactly

Sparbucks 29-Jun-20 02:21 PM

also cool to see luna streaming
that should get her some extra \$\$
once she get affiliate

ItsAHazardLife 29-Jun-20 02:21 PM

100% I'm super exciting
which I think she is live right now too

Sparbucks 29-Jun-20 02:22 PM

yeah im in her chat

ItsAHazardLife 29-Jun-20 02:22 PM

noice I lost track of time. lol
got ihog to affiliate last night.

Sparbucks 29-Jun-20 02:22 PM

yeah i saw you announcing it was streaming but couldnt watch

ItsAHazardLife 29-Jun-20 02:24 PM

I think I'm coming up with plans to stream some Amazon prime shows through watch party and be in the chat interacting when community nights arent going on.

Sparbucks 29-Jun-20 02:24 PM

im interested in how that works

ItsAHazardLife 29-Jun-20 02:25 PM

I'm curious too, It seems like an interesting concept

ItsAHazardLife 02-Jul-20 09:02 AM

start on ship size do the esc+enter 3 times. then hit enter, repeat over closed crew

Sparbucks 02-Jul-20 09:29 AM

one questino

do i do the combo of esc+enter 3 times

or esc once then enter 3 times

ItsAHazardLife 02-Jul-20 09:30 AM

combo

Sparbucks 02-Jul-20 09:31 AM

think its more just spam it

ItsAHazardLife 02-Jul-20 09:31 AM

thats how I do it, doesn't surprise me if it's just spam it

I learned it from kie

Sparbucks 02-Jul-20 09:33 AM

dunno if you wanna do a round of arena

ItsAHazardLife 02-Jul-20 09:34 AM

air conditioner is arriving in the next few minutes.

Sparbucks 02-Jul-20 09:36 AM

gotcha

just gonna yolo it lol

ItsAHazardLife 02-Jul-20 09:36 AM

the way arena is now, it can be won solo

Sparbucks 02-Jul-20 09:37 AM

actually have some sweats but tbh this will make me better

ItsAHazardLife 02-Jul-20 09:37 AM

oof
definitely will

ItsAHazardLife 03-Jul-20 01:58 AM

Hope everything is alright.

Sparbucks 03-Jul-20 01:59 AM

everything is great just we woke up extremely late
and we have to get up early tomorrow to get stuff for bbq/fireworks

ItsAHazardLife 03-Jul-20 01:59 AM

makes sense with yall being up still when I woke up.
definitely need to prep for the bbq

Sparbucks 03-Jul-20 01:59 AM

yeah lol

ItsAHazardLife 03-Jul-20 11:29 PM

Something bad happened over here. Possible ddos

Sparbucks 04-Jul-20 01:05 AM

???

Sparbucks 04-Jul-20 01:51 AM

yo you there

ItsAHazardLife 04-Jul-20 06:01 AM

Just woke up

Sparbucks 05-Jul-20 09:13 PM

fyi im basically convincing saika to stream rn

ItsAHazardLife 05-Jul-20 09:13 PM

tell her to check text messages.

Sparbucks 05-Jul-20 09:14 PM

shes trying to get out of it all she gotta do is press a button

ItsAHazardLife 05-Jul-20 09:15 PM

sounds good.

Sparbucks 06-Jul-20 03:48 AM

told kie i wont be sailing with zemp anymore hope it goes well

ItsAHazardLife 06-Jul-20 03:48 AM

This will go interesting

Sparbucks 06-Jul-20 03:48 AM

yeah

ItsAHazardLife 06-Jul-20 03:49 AM

Just how zempel comes into saikas chat bothers me comes off as flirty cause I'm heard him say it in his stream and others

Sparbucks 06-Jul-20 03:50 AM

yeah

ItsAHazardLife 06-Jul-20 03:51 AM

Only time will tell what is going to come of it

Sparbucks 06-Jul-20 03:51 AM

im not worried about it

i know saika would never do anything crossing the line

but i aint sailing/supporting someone clearly who has a grudge on me for no reason

ItsAHazardLife 06-Jul-20 03:52 AM

I dont think she would either but guys can be something else sometimes

Yea always in her chat and everyone else's

Sparbucks 06-Jul-20 03:59 AM

ya
just put my foot down on it and sticking to it to avoid drama
on the contrary awesome to see saika streaming and having fun

ItsAHazardLife 06-Jul-20 04:07 AM

yea I am definitely glad to see her streaming as well.
I know she has her issues and troubles with going live, but it will build her up by just doing it.
I don't blame you for putting your foot down, cause anyone that loves their significant other would

MythicalFood - Practically the best pve lord

Watch MythicalFood's clip titled "Practically the best pve lord"

Sparbucks 06-Jul-20 04:25 AM

kie is a good person tbh

ItsAHazardLife 06-Jul-20 04:31 AM

That's good to hear

Sparbucks 06-Jul-20 11:48 PM

shumba

ItsAHazardLife 06-Jul-20 11:48 PM

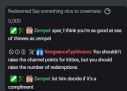

nice
I know Ron was asking too (edited)

(face palms)

Sparbucks 07-Jul-20 12:30 AM

lol
i just made it simple
i said '
okay

ItsAHazardLife 07-Jul-20 12:30 AM

yea it's just like why

Sparbucks 07-Jul-20 12:30 AM

he knows why

ItsAHazardLife 07-Jul-20 12:31 AM

Zempel obviously knows so why pull that crap

Sparbucks 07-Jul-20 12:31 AM

cuz its what he does

one of those people who always gotta have some kinda drama and etc

ItsAHazardLife 07-Jul-20 12:32 AM

gotcha

Sparbucks 07-Jul-20 01:53 AM

you can share adobe license btw

there is a trick ive used it for years

kharites, my brother and saika use mine

also peas did as well but i shut them out

ItsAHazardLife 07-Jul-20 01:54 AM

I know I can install it on 2, I'm down to share it with you and vamp.

Sparbucks 07-Jul-20 01:54 AM

well there is a trick to have it on more

i can explain how it works but cant atm

ItsAHazardLife 07-Jul-20 01:55 AM

oooo down. Let's do it tomorrow sometime

ItsAHazardLife 07-Jul-20 05:51 PM

Sparbucks 07-Jul-20 05:51 PM

assuming this is yours
so how much do you pay btw

ItsAHazardLife 07-Jul-20 05:52 PM

yea so my mom works at a school so I run it through her email to get the student teacher edition
which is like 50% off or what not

Sparbucks 07-Jul-20 05:52 PM

damn haha yeah i can help per month but
basically when it says
computer limit has been reached!
all you do each time is just say "log out of other pcs" then it works
just keep repeating that lol
been doing that for years

ItsAHazardLife 07-Jul-20 05:53 PM

yea thats what Vamp was telling me

Sparbucks 07-Jul-20 05:53 PM

thats how a bunch of people use mine
ill have to tell kharites when i make the switch but i can pay monthly to you, i pay the full \$53/month right now

ItsAHazardLife 07-Jul-20 05:53 PM

makes sense. I use it very randomly.
I honestly wouldn't even ask anything, not even to Vamp.
The cost for me gets written off cause of my shirt products

Sparbucks 07-Jul-20 05:54 PM

i mean easily i can just put a recurring thing on paypal
it will save me a ton

ItsAHazardLife 07-Jul-20 05:55 PM

yea it's definitely easy to do through PayPal but I don't need anything use it all you need to.

Sparbucks 07-Jul-20 05:56 PM

i can also just pump it through twitch too hehe

ItsAHazardLife 07-Jul-20 05:56 PM

lol NO

Sparbucks 07-Jul-20 05:56 PM

but i have to talk to kharites cuz i know she uses my license here and there

ItsAHazardLife 07-Jul-20 05:56 PM

I can easily toss her the info too. I don't mind.

Sparbucks 07-Jul-20 05:57 PM

yeah she would love that lol she has been using it to learn

ItsAHazardLife 07-Jul-20 05:57 PM

yea I feel that adobe stuff is a learning curve

Sparbucks 07-Jul-20 05:57 PM

yeah for a lot of new people it takes a longggggg time

ItsAHazardLife 07-Jul-20 05:58 PM

yea I havent messed with it since High school so it's like learning all over again. I know the basics and what not from using gimp.

Sparbucks 07-Jul-20 05:58 PM

yeah photoshop is kind of a mess
premiere just you need to have patience

ItsAHazardLife 07-Jul-20 05:59 PM

yea I'm slowly learning it

[Thank_you_for_subscribing.mov](#)

2.82 MB

Sparbucks 07-Jul-20 06:00 PM

that is amazing

ItsAHazardLife 07-Jul-20 06:00 PM

This is what I am working on for luna, I got my hands on this, but need to eliminate the pink so she can use it for alerts,

Sparbucks 07-Jul-20 06:00 PM

actually that would be pretty easy
use color key and smooth out edge

export to webm with premiere

lemme get you a website

<https://www.fnordware.com/WebM/>

WebM for Premiere

WebM plug-in for Adobe Premiere Pro and Adobe Media Encoder

get this

allows you to export to webm with transparency

you can also use gif if you want

ItsAHazardLife 07-Jul-20 06:01 PM

yea when I did it with an .mp4 file it turned it to a black background so wasnt sure if that was just format type or what not.

Sparbucks 07-Jul-20 06:01 PM

yeah itll need to be webm cuz mp4 doesnt support alpha

ItsAHazardLife 07-Jul-20 06:02 PM

thats what I was thinking

she doesn't need it for a bit so i'll take my time on them.

I guess she is having issues running overlays with her current laptop

Sparbucks 07-Jul-20 06:03 PM

yeah she still having fps issues which is odd

ItsAHazardLife 07-Jul-20 06:03 PM

definitely agree.

Sparbucks 08-Jul-20 12:57 AM

hes so cringey

ItsAHazardLife 08-Jul-20 12:58 AM

yea was that Zempel?

Sparbucks 08-Jul-20 12:58 AM

yup

ItsAHazardLife 08-Jul-20 12:58 AM

Im not in Kie's stream

I swear I wish I could ban him to non-existence

Sparbucks 08-Jul-20 12:58 AM

hes the worst

ItsAHazardLife 08-Jul-20 12:59 AM

I don't disagree. I'm kind of tired of it

Sparbucks 08-Jul-20 03:19 AM

im so tired of him

literally ruins every stream with me and saika for me now

ItsAHazardLife 08-Jul-20 06:03 AM

He legit takes a jab at you every time you play with kie. Like i just woke up and hes with them. I am swapping to Luna cause of him. (edited)

Sparbucks 08-Jul-20 06:04 AM

yeah

saika knows im not happy with him

ItsAHazardLife 08-Jul-20 06:05 AM

I know but she still gives him attention like before it all

Sparbucks 08-Jul-20 06:05 AM

yeah i will talk to her tomorrow about it

not happy with that but at the same time she didnt do anything wrong

ItsAHazardLife 08-Jul-20 06:07 AM

She didnt the issue ive seen is that one day she sailed with them they seemed flirty when alone. But 100% he shouldnt be a mod though. There has to be a distance inbetween somewhere

Sparbucks 08-Jul-20 06:08 AM

zempel is trying to trigger me now

thats the problem

hes poked at me every stream for last couple days

and hes making it hard for saika to stream

ItsAHazardLife 08-Jul-20 06:10 AM

Yea he just wants attention at this point knowing you want nothing to do with him.

Sparbucks 08-Jul-20 06:10 AM

so its going to be a situation where i prob will have to tell saika to tell zemp to back off

if he really respects her as just a friend he should understand

but he wont because hes kind of a weird dude

ItsAHazardLife 08-Jul-20 06:11 AM

Which with how Saika is that's not only going to hurt her its going to be hard for her.

Sparbucks 08-Jul-20 06:11 AM

it already is

ItsAHazardLife 08-Jul-20 06:11 AM

Saika hates stuff like that

Sparbucks 08-Jul-20 06:11 AM

like i said its a rift between shit right now
its making her not stream as much
i have to beg her to stream atm
but at the same time zempel is making everything EXTREMELY awkward

ItsAHazardLife 08-Jul-20 06:12 AM

That's a disappointment
I legit wish he wasnt protected by a sword

Sparbucks 08-Jul-20 06:12 AM

i just need her to understand and she knows
but she is falling for his shit

ItsAHazardLife 08-Jul-20 06:13 AM

Cause i hate what hes doing

Sparbucks 08-Jul-20 06:13 AM

even now trying to say he should raid his friend
like who the fuck asks that
she should*

ItsAHazardLife 08-Jul-20 06:14 AM

Yea i saw that, even i wasnt pleased. She seemed to have ignored that. Hopefully he didnt ask it in voice either

Sparbucks 08-Jul-20 06:14 AM

she did but he kept pressing
the dude is very very weird

ItsAHazardLife 08-Jul-20 06:15 AM

Right there he should be held accountable. That's right up there with self promotion. We all would ban someone like that in a heartbeat

Sparbucks 08-Jul-20 06:15 AM

yeah
and pushing it in a very very weird way
when has anyone else done that

ItsAHazardLife 08-Jul-20 06:16 AM

Yea when i saw it he just straight up asked and it wasnt like she was anywhere near ending.

Sparbucks 08-Jul-20 06:17 AM

after her stream im leaving the group dm thing and prob kicking him from ga
his shit he is pulling is causing issues between me and my gf

ItsAHazardLife 08-Jul-20 06:17 AM

Only time i recommend people is it im asked
I can hop on pull his perms and boot him if you want

Sparbucks 08-Jul-20 06:18 AM

she can be friends with zemp but not when hes pushing an agenda

ItsAHazardLife 08-Jul-20 06:19 AM

He has no respect for you and by not having respect for you hes not really having respect for her.

Sparbucks 08-Jul-20 06:19 AM

yeah
and now hes trying to trigger me
and thats where it crosses the line

ItsAHazardLife 08-Jul-20 06:19 AM

Yep
I couldnt ever imagine having to be in this position

Sparbucks 08-Jul-20 06:20 AM

the whole awkwardness is also causing her to be afraid to stream again

ItsAHazardLife 08-Jul-20 06:21 AM

Which is not good cause shes already scared to stream.

Sparbucks 08-Jul-20 06:21 AM

exactly
she takes these convos very hard

ItsAHazardLife 08-Jul-20 06:22 AM

Knowing Saika as a person. I 1000% believe it
She wants to be friends with everyone
Cutting out someone actually toxic like Zemp is going to be something that she will have to pull the trigger and just do. Then never think about it again.
But i also know Saika is also the type of person who would think about it again

Sparbucks 08-Jul-20 06:31 AM

ill try to talk with her
just hard topic because she needs to stream more

ItsAHazardLife 08-Jul-20 06:33 AM

Thats all you can do.
I know she's been having rough days the past few dsys i can hear it in her voice.

Sparbucks 08-Jul-20 06:34 AM

my biggest worry is she not having fun anymore with playing with me and other people we play with
but in her voice she is having fun with zemp and them

ItsAHazardLife 08-Jul-20 06:35 AM

Yea that could be a thing too

Sparbucks 08-Jul-20 06:35 AM

and i think a lot of that is people in her ear

ItsAHazardLife 08-Jul-20 06:36 AM

Definitely not me. Ive told her if she ever wanted to talk about things just message me.

Sparbucks 08-Jul-20 06:36 AM

i know its not you hazard lol
and it aint kie

ItsAHazardLife 08-Jul-20 06:37 AM

Its sad people could be telling something else

Sparbucks 08-Jul-20 06:37 AM

just finishing turnip stuff then i can get into more detail

ItsAHazardLife 08-Jul-20 06:38 AM

Its like we get 10 steps forwards but its making her take 5 steps back.

Sparbucks 08-Jul-20 06:52 AM

okay she is rich in ac now

ItsAHazardLife 08-Jul-20 06:52 AM

Lol good

Sparbucks 08-Jul-20 06:53 AM

but yea hard thing is how to talk to her about this without her being upset
its causing a big rift on stuff like i cant even sloop with her
without zemp being weird about shit
ive tried to be on helm and even that she just has been reluctant to have fun
with me it has to be a certain recipe now and certain conditions and its gotten a bit weird with stuff

ItsAHazardLife 08-Jul-20 06:55 AM

Which none of that is good
Today she wanted to blunderbomb you off helm

Sparbucks 08-Jul-20 06:55 AM

its not just that
its she doesnt have trust which i dont know why
i dont think with me on helm we have ever sank tbh
but she has gotten super hyper critical about some weird stuff in the game and not focusing on having fun
like we played with mythical and mitch and it was actually a lot of fun
but its like she is convincing herself its not fun

ItsAHazardLife 08-Jul-20 06:57 AM

I know the game has issues in itself
I wonder if she is feeling the mix of both things

Sparbucks 08-Jul-20 06:57 AM

her thing now is apparently i mute a lot
but like kie mutes more than me... and saika mutes more than me
just kind of convincing herself to not have fun with whatever crew
i take helm and i have done helm for some of the worst crews ever (peas) and i do just fine

ItsAHazardLife 08-Jul-20 06:58 AM

If yall solo both shouldnt mute we in chat would be fine with it

Sparbucks 08-Jul-20 06:58 AM

i dont mute when we are on a sloop
but when zemp is around he gets hyper critical
and will be in her chat being like "okay im out" but then he is there like 2 minutes later

ItsAHazardLife 08-Jul-20 06:59 AM

Of the 3 kie would be worse at helm. Both you and her would be fine

Sparbucks 08-Jul-20 07:00 AM

yeah but like kie doesnt get shit
zemp goes at me and only me

ItsAHazardLife 08-Jul-20 07:00 AM

yea its weird not with zemp in her chat

Sparbucks 08-Jul-20 07:00 AM

meanwhile kie is never on the helm but if i dont take it he goes at me

ItsAHazardLife 08-Jul-20 07:00 AM

He will even use kie to trigger you

Sparbucks 08-Jul-20 07:00 AM

kie is too smart to get into shit like this
like i said before to you
there is a line of being a friend

ItsAHazardLife 08-Jul-20 07:01 AM

Yea and i know zemp is originally from his chat. So hopefully it doesnt come to say this is enough. I need to put an end to this and toss him out

Sparbucks 08-Jul-20 07:01 AM

and being obsessive/weirdo
i dont think ill bring it up to saika tonight
she had a great stream
i want her to always have that

ItsAHazardLife 08-Jul-20 07:02 AM

We all do

Sparbucks 08-Jul-20 07:02 AM

i basically had to beg her to stream tonight

but when i have a specific person trying to go at me

it makes it so awkward for me

it ruined my stream

and its something she doesnt realize that it actually causes both of us to not have fun

ima show you something at some point

i can play jar jar on her stream and i know its annoying

but that TRIGGERS zemp if its on saika's stream

ItsAHazardLife 08-Jul-20 07:04 AM

Yea i know you can. Definitely can see it triggering him

Sparbucks 08-Jul-20 07:05 AM

but i should prob wrap up convo here

appreciate ya listening to my vents

its the big hump right now

the divide from her streaming normally again

ItsAHazardLife 08-Jul-20 07:05 AM

Like i hate to see both of you dealing with this

Sparbucks 08-Jul-20 07:05 AM

and sadly the biggest thing causing us not to have fun

i have fun with her but there are people who have a diff agenda

ItsAHazardLife 08-Jul-20 07:06 AM

I'm always going to be hear for both of yall.

Sparbucks 08-Jul-20 07:06 AM

and saika just wants everyone to get along

but reality that just wont happen

ItsAHazardLife 08-Jul-20 07:06 AM

Nope like i get along with most people. Even zoey.

Sparbucks 08-Jul-20 07:06 AM

yeah

but you let me know honestly if i get out of line

i already know if i had a zemp in my chat who was a chick saika would fucking murder me lol

ItsAHazardLife 08-Jul-20 07:08 AM

I definitely will just like i would try with her but she's the hardest to talk to sometimes.

I want to see yall do amazing things and i don't want to see yall deal with this. Cause you really shouldn't.

Sparbucks 08-Jul-20 07:10 AM

we are fine on personal level everyday

like literally no issues

but when it comes to sot/streaming we have these issues that are pretty obvious and easily fixable

ItsAHazardLife 08-Jul-20 07:11 AM

Just when it comes down to stream time things go good to bad in an instance.

Sparbucks 08-Jul-20 07:12 AM

shes forgetting to just have fun

and over last month or so (primarily cuz of zempel shit)

now it has to be certain conditions

vs before it was like hey lets just sail and have fun

ItsAHazardLife 08-Jul-20 07:13 AM

Sounds like a mess to me

Sparbucks 08-Jul-20 07:13 AM

she just needs to stop listening to the noise and letting that effect her having fun

ItsAHazardLife 08-Jul-20 07:15 AM

I agree

Hopefully this all passes soon

ItsAHazardLife 09-Jul-20 02:11 AM

so from that vod you watched....

<https://gyazo.com/5b907bedbb938012e7feb113357a0b3>

Gyazo

either he knew he was or bug'd out of his mind

ItsAHazardLife 09-Jul-20 02:35 AM

Sparbucks 10-Jul-20 03:39 AM

so its up to me to tell zemp to back down

ItsAHazardLife 10-Jul-20 03:40 AM

I figured it would be, cause I know Saika wont

Sparbucks 10-Jul-20 03:40 AM

yeah

and zemp is dming her non stop

ItsAHazardLife 10-Jul-20 03:41 AM

it's not in her character to do so.

has she been responding all the time?

Sparbucks 10-Jul-20 03:41 AM

she hasnt but zemp is being hyper crazy in her chat and kies

ItsAHazardLife 10-Jul-20 03:42 AM

I agree I wish I could ban him, but I can't.

Sparbucks 10-Jul-20 03:42 AM

dude is really weird man

ItsAHazardLife 10-Jul-20 03:43 AM

yea I'm dealing with something my cousin said to Vamp and it wasn't good, but my cousin doesn't care and I don't even know how to get him to understand at the end of the day.

Zemp is an easy fix, block on discord and in chats.

I did remove his VIP tag the other day. Didn't want to kick him

without your or todd saying to do it (edited)

Sparbucks 10-Jul-20 03:46 AM

yeah thanks i was goingt o kick him from ga actually

Sparbucks 10-Jul-20 04:29 AM

no one paying attention atm just let them do their thing

ItsAHazardLife 10-Jul-20 04:29 AM

yea

Sparbucks 10-Jul-20 04:31 AM

just let them figure out their plan

ItsAHazardLife 10-Jul-20 04:31 AM

will do

Sparbucks 10-Jul-20 04:42 AM

see him being so emo in saika's stream lol

ItsAHazardLife 10-Jul-20 04:42 AM

I saw that

Sparbucks 10-Jul-20 04:43 AM

always tells her "i wont be able to lurk" when he is clearly upset
and now hes in kie's stream lol

ItsAHazardLife 10-Jul-20 04:43 AM

yea I noticed that
idk what his deal is tbh

Sparbucks 10-Jul-20 04:43 AM

cuz she isnt giving him the attention he desires

ItsAHazardLife 10-Jul-20 04:44 AM

and Saika is like who you have an awesome night and hope he gets better

Sparbucks 10-Jul-20 04:48 AM

yeah lol

ItsAHazardLife 10-Jul-20 04:48 AM

thats just egg'n him on

Sparbucks 10-Jul-20 04:49 AM

hyper obsessive about saika lol and when he doesnt get what he wants he gets super emo
and saika didnt do anything to him

ItsAHazardLife 10-Jul-20 04:50 AM

it's a shame
both reapers are sloops XD

Sparbucks 10-Jul-20 04:55 AM

stuff with kie actually annoying not gonna lie
its every other minute

ItsAHazardLife 10-Jul-20 04:56 AM

the sad thing..... they do it to potentially trigger you guys too

Sparbucks 10-Jul-20 04:56 AM

its funny once in a while
but im trying to get better at helm and stuff

ItsAHazardLife 10-Jul-20 04:57 AM

yea and even him tossing stuff off the boat is annoying too. If it was once in a blue moon cool but it seems to frequent. These cards are ridiculous

Sparbucks 10-Jul-20 04:58 AM

thing that kinda irks me is i dont have that flexibility to goof around

ItsAHazardLife 10-Jul-20 05:05 AM

nope not to this extent
can when it's pvp active

Sparbucks 10-Jul-20 05:05 AM

not just that
if i goof around
i get zempel being crazy

ItsAHazardLife 10-Jul-20 05:06 AM

trueeee
and they do it to trigger you two, not just kie

Sparbucks 10-Jul-20 05:06 AM

im not triggered by them
but when i try to have fun i have a couple people who complain
and its not my crew

ItsAHazardLife 10-Jul-20 05:07 AM
and thats when I'd ignore those people
your crew is what matters

Sparbucks 10-Jul-20 05:08 AM
i do ignore but zemp is crazy

ItsAHazardLife 10-Jul-20 05:09 AM
I seriously think we just need to ban him its what is going to stop him and she will have to block him. Kie may have to as well.

Sparbucks 10-Jul-20 05:09 AM
kie wont do it
cant yet
have to show how crazy he really is until he leaves

ItsAHazardLife 10-Jul-20 05:10 AM
gotcha

Sparbucks 10-Jul-20 07:36 AM
fox backed out on me doing videos because hes gonna try to do it himself
feel like a lot of people will do that which i get

ItsAHazardLife 10-Jul-20 07:37 AM
yea they don't know what it takes to do them. I know it's hella hard too

Sparbucks 10-Jul-20 07:38 AM
hard for me on pricing with gaming/streamers because im used to working for way higher \$ and i am trying to accommodate their budgets
just a lot of time but at the same time i probably woulda done the first couple for free to just get my routine down
i was doing like 40/50 per video but offered to get them started for even lower
with agencies i charge 75/hour lol but this is something i like doing
think ima have to ask around for good prices around people who edit vods

ItsAHazardLife 10-Jul-20 07:40 AM
yea and those are actually decent prices.

Sparbucks 10-Jul-20 07:40 AM

like asking mason and even pace and cobbles
yeah i know they are
but i want a couple down my sleeve in gaming to get a good process down

ItsAHazardLife 10-Jul-20 07:41 AM

I was just about to say I'm not sure what Mason pays but his vids have been good

Sparbucks 10-Jul-20 07:41 AM

yeah i might ask
think ima focus on one person for now which is shumba

ItsAHazardLife 10-Jul-20 07:41 AM

I think it will be fun and cool to see you start working on gaming vids

Sparbucks 10-Jul-20 07:41 AM

gonna offer him a bigger discount just to get that process down
before i dive into a lot more people

ItsAHazardLife 10-Jul-20 07:42 AM

makes sense.

Sparbucks 10-Jul-20 07:42 AM

ive heard the saying 'gonna learn it myself' many times
like since i was a kid lol

ItsAHazardLife 10-Jul-20 07:43 AM

I know I was talking to Vamp before about what she charges and even she said compared to what she'd charged agencies or companies, she charges less for emotes, logos etc.

Sparbucks 10-Jul-20 07:43 AM

yeah
id get around 3k+ for just 1 video with an agency but like individual edits for streamers is completely diff
i wanna help my friends but at the same time

ItsAHazardLife 10-Jul-20 07:44 AM

yea it's a whole different world

Sparbucks 10-Jul-20 07:44 AM

ive been through something similiar of me getting completely overwhelmed

ItsAHazardLife 10-Jul-20 07:45 AM

At the same time you have to make a living as well

Sparbucks 10-Jul-20 07:45 AM

i think for now ima hold off on other people except shumba and make shumba/saika kind of my starting point for gaming (along myself)
yeah

i mean we are doing okay but getting this down gives more examples for a reel in gaming

ItsAHazardLife 10-Jul-20 07:45 AM

Sounds like a solid idea

Sparbucks 10-Jul-20 07:46 AM

just have to keep up what we are doing and also proud of saika for streaming more

ItsAHazardLife 10-Jul-20 07:47 AM

Exactly I'll be focusing on like 3 projects trying to figure out a balance I've the next month

Sparbucks 10-Jul-20 07:47 AM

i feel you on that for sure
with the virus not going away
best for me to focus on this stuff for us at the moment

ItsAHazardLife 10-Jul-20 07:47 AM

Yea its not looking like it

Sparbucks 10-Jul-20 07:48 AM

wont be for a long time
because people running shit dont know wtf they doing

ItsAHazardLife 10-Jul-20 07:49 AM

Its going to be an interesting year
Retail stores are struggling left and right. Not sure how to this virus which has people going online a bit more

Sparbucks 10-Jul-20 07:52 AM

yeah
im fortunate to have had the streaming thing do well around the time virus happened
like very very fortunate
thats why i feel like i need to do more for this community
saika feels the same

ItsAHazardLife 10-Jul-20 07:53 AM

The streaming is doing well for yall for sure
In times like this you and your skills are what is going to help you

Sparbucks 10-Jul-20 07:54 AM

i know i can get a dev job easily and i prob will
just want saika to realize she kills it at streaming and doesnt need me to always be there to stream
she dont need a regular job because this can be her 100% job

ItsAHazardLife 10-Jul-20 07:55 AM

I dont disagree she could do amazing

Sparbucks 10-Jul-20 07:55 AM

once she clicks go live then she is always great
just to that point can be tough

ItsAHazardLife 10-Jul-20 07:55 AM

Like how much she plays ac. Imagine if she streamed it

Sparbucks 10-Jul-20 07:55 AM

exactly
she also plays sot off stream a lot casually

ItsAHazardLife 10-Jul-20 07:58 AM

Even i have a hard time streaming.

Sparbucks 10-Jul-20 07:58 AM

when i get my job going to be hard for me too
you cant stream if you are busy

ItsAHazardLife 10-Jul-20 08:00 AM

I try to make schedules but they are hard to keep. I also struggle cause of where i feel sot is at. Like i love playing it but my hearts not in it. So im looking at trying new games

Sparbucks 10-Jul-20 08:01 AM

i have accepted more and more
sot is a sand box game
and dont get me wrong i love getting sweaty but dicking around with my chat on it is fun
im a little indifferent about screwing over my crew though
we actually lost an athena because kie and saika have the hot mic thing even though they said it wasnt why

lad even said others were tucked, they were hot micing multiple times
thats why with my stuff it only can fuck me over, not my crew

ItsAHazardLife 10-Jul-20 08:02 AM

I enjoy screwing around, I enjoying being a troll.
I could never toss anything over for channel points or have points that compromise.

Sparbucks 10-Jul-20 08:03 AM

yeah i dont do that
not a fan of it

ItsAHazardLife 10-Jul-20 08:04 AM

someone in kie's chat tried to tell me that they weren't griefing kie
if he's stated multiple times that he needs to fix it then yes thats griefing

Sparbucks 10-Jul-20 08:04 AM

i wasnt triggered bye kie so much tonight
it was like
if i did that stuff i would probably get yelled at
like zemp would be in both chats

ItsAHazardLife 10-Jul-20 08:05 AM

Zempel was one of the instagating it

Sparbucks 10-Jul-20 08:05 AM

yeah but if i did that
zemp would be like "i cant be around i have to go for a bit"
because he has done that before

ItsAHazardLife 10-Jul-20 08:05 AM

i could believe it

Sparbucks 10-Jul-20 08:06 AM

literally has said i steal content from saika one stream

ItsAHazardLife 10-Jul-20 08:06 AM

Really? Wtf is wrong with him

Sparbucks 10-Jul-20 08:06 AM

saika did well tonight not giving him the attention he was begging for

i told you about that
i wasnt streaming, raided saika
i shot to a sloop and they were adorable
and zemp freaked out and said i was stealing content from saika
thats when i tried to talk to zemp but i got crazy weird paragraphs from zemp about everything i do including when i was tired
its when i realized what he was trying to do

ItsAHazardLife 10-Jul-20 08:08 AM

Jeeze
That sounds like an ordeal in a half

Sparbucks 10-Jul-20 08:08 AM

yeah lol

ItsAHazardLife 10-Jul-20 08:09 AM

Like saika has told me she struggles to stream cause she doesnt want to take the spotlight from you or kie

Sparbucks 10-Jul-20 08:09 AM

i know she has said that but its other stuff
like do you think zemp over analyzes people like that (in terms of saika/girls and kie)?
its crazy lol

ItsAHazardLife 10-Jul-20 08:11 AM

Reading his stuff now

Sparbucks 10-Jul-20 08:11 AM

simple issue about how he said i stole 'content' in saikas channel and when i noticed he was always on my ass about basic shit
but no one else
it got weird fast
even more

accused me i was sailing them away when i did not do that and he got super protective over my girlfriend when i was making her catch up to them
but then he got weird, i shot off the boat because he got creepy about it and guess what the sloop logged off
very weird to have someone accuse me of stealing my girlfriends 'content' when saika never even thought that

ItsAHazardLife 10-Jul-20 08:17 AM

I'm speechless.

Sparbucks 10-Jul-20 08:17 AM

and after this i tried to make it work then he got weird again and again and again

cant do it anymore

ItsAHazardLife 10-Jul-20 08:18 AM

Half of the first picture is stuff that barely made sense. Sounds like he has some deep issues against you.

Sparbucks 10-Jul-20 08:18 AM

he has issues because i am saika's boyfriend

like when i would troll saika and play jar jar on her stream (only like 2-3 times) and saika would laugh

zemp would always make a big deal about it

and tonight when saika wasnt giving zemp the attention he was seaking he had to tell her like 2-3 times he was leaving, not going to lurk because he wasnt in the 'mood'

so he left her stream but was in kie's

ItsAHazardLife 10-Jul-20 08:20 AM

I don't know where the domestic abuse stuff comes into play, but sadly people could consider Saika's joking of throwing stuff or hitting you as domestic abuse, but anyone should see that its just joking around.

Sparbucks 10-Jul-20 08:20 AM

i left our crews group chat, zemp knows what is going on but is playing fucking stupid to saika

or saika's last stream when i left (i try to leave so she has fun without me) and was getting her bells on animal crossing

and when i talked in chat zemp said "oh i thought spar was asleep"

trying to play with saika lol

there is no domestic abuse

the dude is just crazy when it comes to girls

ItsAHazardLife 10-Jul-20 08:21 AM

I dont think there is at all

Sparbucks 10-Jul-20 08:21 AM

even when mythical's gf got on his stream in voice

ItsAHazardLife 10-Jul-20 08:21 AM

I agree he is 1000% crazy

Sparbucks 10-Jul-20 08:22 AM

zemp was like "who dis???"

not knowing it was his gf

if it was a dude he wouldnt give 2 fucks

ItsAHazardLife 10-Jul-20 08:22 AM

yikes, sounds about right

Sparbucks 10-Jul-20 08:22 AM

so tomorrow when we wake up i have to be honest with zemp and talk with saika about the best approach
told her she can still talk/sail with him, never once said she cant
but i bet anything zemp will turn that shit
but she is in an awkward point and i have to solve it the best i can which is telling him i will no longer be sailing with him and that is it

ItsAHazardLife 10-Jul-20 08:23 AM

I definitely know it will be for the best

Sparbucks 10-Jul-20 08:23 AM

because he will give me paragraphs trying to manipulate me
but im not dumb and saika is not dumb as well

ItsAHazardLife 10-Jul-20 08:24 AM

I see through it for sure.

Sparbucks 10-Jul-20 08:24 AM

sorry for the venting but ya this is a big thing between both of us
and a big reason she is regressing on streaming as much

ItsAHazardLife 10-Jul-20 08:25 AM

its no problem. I've been trying to talk to saika a tad about it, but we know how she is just responding in general.

Sparbucks 10-Jul-20 08:25 AM

its hard to talk about it for her because she doesnt like this stuff going on

ItsAHazardLife 10-Jul-20 08:25 AM

I want her to always do what is best for her and her channel

Sparbucks 10-Jul-20 08:26 AM

and i need to step up and set it right for her
she dont deserve this bs

ItsAHazardLife 10-Jul-20 08:26 AM

I know she doesn't

Sparbucks 10-Jul-20 08:26 AM

i would hate to be a female and streaming tbh
because you get people like this
ive had a couple myself but not comparable

ItsAHazardLife 10-Jul-20 08:26 AM

thats why I need to add my flair into it, cause I know she will know I'm right at the end of the day.
same I hear soooo many stories and seen sooo much myself. I'm just like what are you even thinking

Sparbucks 10-Jul-20 08:27 AM

and being a bf of a girl who streams
already 3 people who try their hardest to play the "you deserve better card" and be super creepy

ItsAHazardLife 10-Jul-20 08:28 AM

I could only imagine.
there is no need for any of that.

Sparbucks 10-Jul-20 08:30 AM

yeah
something im def learning

ItsAHazardLife 10-Jul-20 08:30 AM

I've heard of things from a girl I was talking to that also streamed and she mentioned her dm's being crazy

Sparbucks 10-Jul-20 08:30 AM

we talking about not making it as public on stream because of that reason
yeah
so many dudes trying soooo fucking hard

ItsAHazardLife 10-Jul-20 08:31 AM

guys are crazy when it comes down to ladies thinking they can get or have whatever they want.
I even feel bad for the girls just walking down the street and a guy whistles at them. like why. why is that a thing

Sparbucks 10-Jul-20 08:35 AM

yeah exactly
worst is when guys try to manipulate
like rob did with saika
and zemp trying but i def have to head out here

ItsAHazardLife 10-Jul-20 08:36 AM

sounds good get some rest. I'll be up for a bit longer knocking some stuff out.

Sparbucks 10-Jul-20 08:36 AM

yeah me too prob try to do a couple rounds with saika off stream but we will see

ItsAHazardLife 10-Jul-20 08:36 AM

Sounds good

Sparbucks 10-Jul-20 09:14 AM

forgot how to solo sloop on arena
some reason not working

ItsAHazardLife 10-Jul-20 09:14 AM

esc+enter

I spam it on ship and closed crew

Sparbucks 10-Jul-20 09:15 AM

weird

ItsAHazardLife 10-Jul-20 09:15 AM

some times it takes a few to try

Sparbucks 10-Jul-20 09:18 AM

wont work today

ItsAHazardLife 10-Jul-20 09:19 AM

thats odd

Sparbucks 10-Jul-20 09:21 AM

i do it on 'closed crew' button right?

ItsAHazardLife 10-Jul-20 09:23 AM

I do it on both screens ship and closed crew

Sparbucks 10-Jul-20 09:24 AM

wtf

saika did it one try

one sec

found out why lol

new keyboard cant
but old one can

ItsAHazardLife 10-Jul-20 09:27 AM

how the..... what
thats weird

ItsAHazardLife 11-Jul-20 09:59 PM

<https://cdn.discordapp.com/attachments/731657649749360640/731657711447703652/spider112.png>

Sparbucks 16-Jul-20 07:55 AM

i told saika to say fuck them tonight
she did not listen to me
im actually pretty upset
the fact you have crews who have said every sexist shit in the book and she just kinda ignored it
disapointing
i dont give 2 fucks about their 'rules' we do what we want
but of course zempel joins her
i know you are there @ItsAHazardLife

ItsAHazardLife 16-Jul-20 08:02 AM

my bad
I didn't even see my discord go off.

Sparbucks 16-Jul-20 08:03 AM

i dont have much time before sleep
but i did not like how they talked so much shit to saika for being a girl

ItsAHazardLife 16-Jul-20 08:03 AM

It's just dumb and cringe, no crew I would be on would have stayed in that lobby more than 2 games

Sparbucks 16-Jul-20 08:03 AM

then later she kinda just accepted their rules
and i told her not to give them clout
and not go by their rules

ItsAHazardLife 16-Jul-20 08:03 AM

she snapped at me for saying this is dumb cringe

Sparbucks 16-Jul-20 08:04 AM

they said so many bad things

like really bad things

ItsAHazardLife 16-Jul-20 08:04 AM

I've been in her stream since I woke up

Sparbucks 16-Jul-20 08:04 AM

yeah

im upset big time too

ItsAHazardLife 16-Jul-20 08:04 AM

Tiny fishy = small pp.

like I know Im not dumb.

even say Lanky's name means like Big D.

like how the f is that allowed.

Sparbucks 16-Jul-20 08:05 AM

did you also see

the amanda stuff

ItsAHazardLife 16-Jul-20 08:06 AM

yeeeeep I did

Sparbucks 16-Jul-20 08:06 AM

bringing up shit that me and hugbot are done with

i even talked with them and saika almost went fucking nuclear

ItsAHazardLife 16-Jul-20 08:06 AM

saying it was abusive or something

Sparbucks 16-Jul-20 08:06 AM

i put out a fire but

me and saika have a statement if her and teo say names

saika is fucking pissed

ItsAHazardLife 16-Jul-20 08:07 AM

It's just all dumb

Sparbucks 16-Jul-20 08:07 AM

because she is someone who was literally being abused
and amanda tried to swoon her with manipulation

ItsAHazardLife 16-Jul-20 08:07 AM

jeeze

Sparbucks 16-Jul-20 08:07 AM

but she is the real person who was abused and has had the toughest life more than people know
and you know the person

i had to literally take her phone away for like an hour because she was going to go crazy

ItsAHazardLife 16-Jul-20 08:08 AM

yea Saika's had it rough for sure.

Sparbucks 16-Jul-20 08:08 AM

but i dont blame her

but if names get thrown around we have a full public message

and it goes to specific details

ItsAHazardLife 16-Jul-20 08:09 AM

I've dealt with emotional abuse and what not from family.

It's crazy what people go through

best to be prepared than not to be prepared.

Sparbucks 16-Jul-20 08:10 AM

i have also dealt with abuse

this is a big thing for me

accusations

ItsAHazardLife 16-Jul-20 08:10 AM

I know I'm still being called toxic and other stuff from a friendship I walked away from

Sparbucks 16-Jul-20 08:10 AM

but its completely false accusations and tryng to piggyback on some actual issues

the stuff with me and hugbot

its over

literally hugbot was hanging out with us in voice last night

its over, he knows its over

ItsAHazardLife 16-Jul-20 08:11 AM

I hate abuse, mentally, physically, emotionally. Been abused myself.... by my brothers now wife. Don't talk to my brother now. (shrugs)

Sparbucks 16-Jul-20 08:11 AM

but if they say a name
im going to go nuclear and saika will go public about riskyrob

ItsAHazardLife 16-Jul-20 08:12 AM

yea that was cool to listen to while working
I think it might help her in the end tbh

Sparbucks 16-Jul-20 08:12 AM

i have a big write up and when it comes down to it

ItsAHazardLife 16-Jul-20 08:12 AM

cause that is a lot of weight on her mind and stopping her from taking control of the situation

Sparbucks 16-Jul-20 08:12 AM

i will show you before it goes public
also i have a video ive been working on

ItsAHazardLife 16-Jul-20 08:13 AM

sounds good

Sparbucks 16-Jul-20 08:13 AM

but i dont need this and saika doesnt need it, and her issue is WAY bigger than mine
not even close
saika actually was abused (edited)
and sadly not the first time

ItsAHazardLife 16-Jul-20 08:13 AM

I know it's stuff that shouldnt be tolerated.
I know you two will do what's needed to protect yourself

Sparbucks 16-Jul-20 08:15 AM

you have no idea lol
she got so fucking pissed

ItsAHazardLife 16-Jul-20 08:15 AM

This community is sadly full of toxic people
I could believe it.

Sparbucks 16-Jul-20 08:16 AM

and she got pretty emotional because she is actually someone who got abused
its a very personal thing

ItsAHazardLife 16-Jul-20 08:17 AM

I know about the rob thing and a small amount of something else that she mentioned one day we were sloopin' around.

Sparbucks 16-Jul-20 08:18 AM

im sure if we get in voice
she would tell you
what he did to her
multiple people knew
including shock
it was fucked up
not amanda exaggerating everything fucked up, actually fucked up

ItsAHazardLife 16-Jul-20 08:19 AM

I know most of the Rob stuff and I agree it was f'd up

Sparbucks 16-Jul-20 08:19 AM

like rob tried to fight me at twitchcon which i think i told you
but he also pushed her at twitchcon and the things he would do to her was messed up
her mom fucking hated him

ItsAHazardLife 16-Jul-20 08:20 AM

and her mom legit seems like the type of person you would have to do something super bad to be hated.

Sparbucks 16-Jul-20 08:21 AM

i met her she is a sweetheart and loves her daughter and also struggling too
but she really is a great person
but she had a nickname for rob when me and saika got together, it had to do with something with poop lol
i forgot the name

ItsAHazardLife 16-Jul-20 08:22 AM

lmfao thats funny

Sparbucks 16-Jul-20 08:22 AM

because rob also restricted saika from talking with her mom and all of saika's friends

ItsAHazardLife 16-Jul-20 08:23 AM

thats dumb as hell

I couldn't imagine doing that to anyone.

Sparbucks 16-Jul-20 08:23 AM

even how much zempel is a pos to me, i told saika she can play with him
i will never control someone on that

ItsAHazardLife 16-Jul-20 08:24 AM

I still wish I could ban him from existence

Sparbucks 16-Jul-20 08:24 AM

i was in a very abusive relationship before where i could never talk to anyone
i will never do that to anyone else, especially saika
and saika is actually adorable irl lol
even if she is toxic

ItsAHazardLife 16-Jul-20 08:25 AM

You could be in an abusive relationship without knowing it

Sparbucks 16-Jul-20 08:25 AM

def my prior one was actually abuse

ItsAHazardLife 16-Jul-20 08:26 AM

lol saika adorable.... no way.... XD

Sparbucks 16-Jul-20 08:26 AM

rofl
come on you even know it
most caring person i have ever met hands down

ItsAHazardLife 16-Jul-20 08:27 AM

relationships are something else until you find the right person
100% know it

Sparbucks 16-Jul-20 08:27 AM

she really is
but god damn trying to force her to not go at amanda today was stressful rofl
also you better not be mia with us lol
we love you too much

ItsAHazardLife 16-Jul-20 08:28 AM

I bet I've been working my tail off on things.

websites are pretty much complete. Cant upload to 2 of them right now, but my book site is up and running. ihog website looks pretty dope

Sparbucks 16-Jul-20 08:29 AM

i know that

get your work done, focus but

dont disapear

not just me but also saika

ItsAHazardLife 16-Jul-20 08:30 AM

I wont disapear too bad, literally you'll probably catch me lurking in chat and not saying anything

Sparbucks 16-Jul-20 08:31 AM

but ya dms though too lol

i get it though

ItsAHazardLife 16-Jul-20 08:31 AM

I can close chat which I didn't know was a thing

definitely not. I even told Vamp I'm going to disapear from twitch but i'll be around discord 100%

literally the goal for the next 90 days is to list something like 100k in inventory. Let's talk about a tough task

Sparbucks 16-Jul-20 08:37 AM

i understand that but dont disapear from us

ItsAHazardLife 16-Jul-20 08:37 AM

I'll still be here and around discord.

Sparbucks 16-Jul-20 08:37 AM

pinky swear? lol

ItsAHazardLife 16-Jul-20 08:37 AM

I can almost guarantee it will take me a lot to Sail again though

Im always a message away

Sparbucks 16-Jul-20 08:38 AM

you better be for both of us

ItsAHazardLife 16-Jul-20 08:38 AM

100% am
want a laugh before bed?

Sparbucks 16-Jul-20 08:39 AM

lmfao
amazing lol

ItsAHazardLife 16-Jul-20 08:40 AM

I'm totally getting mixed reviews on me trashing on this update and flamethrower
All 4 of you are like family to me
I'm glad I met yall

Sparbucks 16-Jul-20 08:43 AM

i mean
you are honest about shit
i feel like we all are
but yeah we consider you that too
i now im wrong a lot

ItsAHazardLife 16-Jul-20 08:43 AM

I'd rather be honest than not.

Sparbucks 16-Jul-20 08:44 AM

same.

ItsAHazardLife 16-Jul-20 08:44 AM

like I've gotten dm's from a few people after I called out the emissary and revive. They basically said yea you're right.

Sparbucks 16-Jul-20 08:44 AM

yeah

ItsAHazardLife 16-Jul-20 08:45 AM

It changed the game but didn't even last a month

Sparbucks 16-Jul-20 08:45 AM

its why i think we get along a lot because you are always honest about opinions
but personally for us and more for me
ive had a cloud that at some point will explode
and hugbot doesnt want it and i dont want it

ItsAHazardLife 16-Jul-20 08:45 AM

nobody does

Sparbucks 16-Jul-20 08:45 AM

and if that explodes it will reveal a lot of other stuff like riskyrob
and i dont really know if that is a good thing
twitter and people being pretty sensitive has been pretty crazy right now

ItsAHazardLife 16-Jul-20 08:47 AM

Twitter has been nuts.

Sparbucks 16-Jul-20 08:47 AM

not a fan of people piggybacking on the real issues on non issues
but once saika is unleashed on stuff i cant control her

ItsAHazardLife 16-Jul-20 08:47 AM

Do I agree Pace is toxic and cocky... of course. He was a former baseball player and has that image

Sparbucks 16-Jul-20 08:47 AM

and that is for the good
he is but like
you cant control everyone who is in your stream
like remember grizzedinourpants
on my stream

ItsAHazardLife 16-Jul-20 08:48 AM

yea you can't with thousands of people

Sparbucks 16-Jul-20 08:48 AM

luna put down the ban hammer, and i questioned it
but she was 10000% right
he made some stupid rape joke

ItsAHazardLife 16-Jul-20 08:48 AM

yea glad he was banned

Sparbucks 16-Jul-20 08:48 AM

todd and luna were 100% in the right

ItsAHazardLife 16-Jul-20 08:49 AM

I know he popped in Saika's stream a week or two ago

Sparbucks 16-Jul-20 08:49 AM

yeah
was the right call and my call was wrong
but lets say someone watches my stream
never says a thing
and in game chat signs <offensive rape joke> - sparbucks

ItsAHazardLife 16-Jul-20 08:50 AM

you can't control that person

Sparbucks 16-Jul-20 08:50 AM

and if someone said someone did that.... the only thing i can say is dont do that

ItsAHazardLife 16-Jul-20 08:50 AM

you don't even know they exist

Sparbucks 16-Jul-20 08:50 AM

beers definitely was an issue with pace
and pace actually messaged me too
definitely he shoulda known about beers and he did but tried to make it work
but the other accusations on pace as an individual seem unfair to him
but the stuff that happened to rocco was terrible

people are fucking terrible

ItsAHazardLife 16-Jul-20 08:51 AM

people are

Sparbucks 16-Jul-20 08:51 AM

but i know pace and his crew along with cobbobles
i was pretty disappointed to see cobbobles brought into it
cob is literally the most supportive people and nicest people i have ever met
but at the same time as a streamer you really dont have to respond to everything
i have dealt with significantly bigger communities than them and its almost impossible to keep up with everything

ItsAHazardLife 16-Jul-20 08:53 AM

Thats one thing I see Pace barely says anything except when he streams. Even on stream he wont address thing

Sparbucks 16-Jul-20 08:53 AM

the band i used to run all social media was wayyyyyyy bigger than any of this
yeah but pace has been streaming wayyy longer than all of us

ItsAHazardLife 16-Jul-20 08:54 AM

I could believe it

Sparbucks 16-Jul-20 08:54 AM

stuff and people being pieces of shit to rocco is terrible

ItsAHazardLife 16-Jul-20 08:55 AM

I saw Summit's reaction to all of it and I just shook my head at it

Sparbucks 16-Jul-20 08:55 AM

but you cant just blame that on a streamer because they meme and put "pace22"
well that summit lol

ItsAHazardLife 16-Jul-20 08:55 AM

even the stuff that happened to Gambit just blows my mind.

Sparbucks 16-Jul-20 08:55 AM

but at the same time
imagine if amanda went public about my apparent abuse
even though i have documentation about it
to prove everything wrong and me and hugbot being good

there will actually be people who would go crazy about those allegations
and this is something ive dealt with for a year now
but meanwhile me and hug are fine

ItsAHazardLife 16-Jul-20 08:56 AM

Id be scared and concerned.

Sometimes I question for the friendships I left, even knowing im not in the wrong, but bs they would say.

Sparbucks 16-Jul-20 08:57 AM

but initially people would (and some people have already) be outraged without me explaining my view
and trust me i have brought forward a shit ton of proof

ItsAHazardLife 16-Jul-20 08:57 AM

you and hug are chill and cool now. It's apparent

Sparbucks 16-Jul-20 08:57 AM

but some people dont give a shit
yeah but even that people wouldnt care

ItsAHazardLife 16-Jul-20 08:57 AM

people never will no matter what

Sparbucks 16-Jul-20 08:58 AM

thats the thing that pisses me off with serious issues like rocco
people try to piggyback and water down the real issues
lemme show you what hug said

ItsAHazardLife 16-Jul-20 08:59 AM

he said it perfectly

Sparbucks 16-Jul-20 08:59 AM

we both are fine and cool but like other people still trying to make this a thing
we both want to move on
and also play and stream together
but other people are crazy

ItsAHazardLife 16-Jul-20 09:00 AM

the only piggybacking is because it's became a community issue.
but besides that it's way far in the distance

Sparbucks 16-Jul-20 09:00 AM

its sad someone else trying to make this seem on the same length of actual harassment
when we just want it fucking done

ItsAHazardLife 16-Jul-20 09:01 AM

it's becoming borderline harrassment.

Sparbucks 16-Jul-20 09:01 AM

yeah
it is
and it triggers saika too
because she is holding back on actual abusing her

ItsAHazardLife 16-Jul-20 09:03 AM

each day as much as I love Sea of Thieves and the SoT streaming community. It's also warn me down cause of the Partner program and people legit wont speak up about the issues of the game. all they will do is be excited for the next update.

Sparbucks 16-Jul-20 09:03 AM

i agree
but also a lot of the other stuff
is just kinda like people dont get along
even with me and psb stuff
but like the stuff with riskyrob and saika
that is fucking real dude

ItsAHazardLife 16-Jul-20 09:03 AM

It feels like I'm back in high school

Sparbucks 16-Jul-20 09:04 AM

all of the other shit is imo people being whining
im sorry
but like saika literally got abused by riskyrob
and all these false stories
that shit downplays what she went through

ItsAHazardLife 16-Jul-20 09:05 AM

not many people know what happened.

Sparbucks 16-Jul-20 09:05 AM

but with all the other stuff that is just arguments and not getting along with certain people

ItsAHazardLife 16-Jul-20 09:05 AM

I know shes not happy Coop plays with him often

Sparbucks 16-Jul-20 09:05 AM

she has thought about going public for a long time
she is not
and even cj
but they also dont know how bad it was
it was so bad and so fucked up

ItsAHazardLife 16-Jul-20 09:07 AM

Like I see him play with Sandromeda often and I'm like I wonder if she knows what he did

Sparbucks 16-Jul-20 09:07 AM

and it was not just me helping saika it was all of our friends
she doesnt deserve that bullshit

ItsAHazardLife 16-Jul-20 09:08 AM

No one deserves it

Sparbucks 16-Jul-20 09:08 AM

but she wants to get over it
but the weird thing is my stupid non issue with psb is lingering

ItsAHazardLife 16-Jul-20 09:09 AM

some times the best ways to be done with stuff is by bringing it to light.
The psb is just dumb at the end of the day, water under the bridge.
hopefully everything passes over without issues

Sparbucks 16-Jul-20 09:17 AM

its such a non issue vs people who are actually going through actual stuff

ItsAHazardLife 16-Jul-20 09:22 AM

exactly

Sparbucks 16-Jul-20 10:13 AM

night man

kharites can be tough to work on with this

ItsAHazardLife 18-Jul-20 03:45 PM

100%

definitely not an event that interests me at all

Sparbucks 18-Jul-20 03:47 PM

she keeps talking over saika
and saying do opposite things

ItsAHazardLife 18-Jul-20 03:48 PM

yikes.....

thats a headache

Sparbucks 18-Jul-20 03:48 PM

she wont helm but trying to tell saika how to helm and she one of the best (edited)

ItsAHazardLife 18-Jul-20 03:57 PM

Kharites doesn't helm usually unless solo. tbh
she is use to telling people what to do.

Sparbucks 18-Jul-20 04:01 PM

i mean its kinda why i play with her rarely because she just is more of a random choice player vs planning

ItsAHazardLife 18-Jul-20 04:01 PM

makes sense

thats why I give her a hard time. I was with her for a takeover while waiting on todd/luna and she pawned me to a brig that was doing merchant

Sparbucks 18-Jul-20 04:23 PM

lol ya

she just all over the place atm but i get it

Sparbucks 18-Jul-20 04:33 PM

next one i wanna do our crew

ItsAHazardLife 18-Jul-20 04:33 PM

Sounds like a plan

Sparbucks 18-Jul-20 04:35 PM

just kinda reminded me of the other event we did

just barking orders but like doesnt wanna be on helm and just overlapping
the anchor turn was such a bad idea

ItsAHazardLife 18-Jul-20 04:36 PM

I stepped away for a min so I missed it, but I agree an anchor turn on a galleon is a questionable call

Sparbucks 18-Jul-20 04:36 PM

right by the reaper

with no supplies

and it was just "bombarred them!" but we literally couldnt

and i knew saika didnt like the idea

i wanna do our crew

ItsAHazardLife 18-Jul-20 04:36 PM

oof yea bad call

Sparbucks 18-Jul-20 04:36 PM

and kharites more about like

ItsAHazardLife 18-Jul-20 04:37 PM

100% calls like that cost matches

Sparbucks 18-Jul-20 04:37 PM

talking to doug and them and etc
like she isnt even in our chat again

ItsAHazardLife 18-Jul-20 04:37 PM

yea the whole bit at the beginning is bad for content creators tbh
smh thats crazy

Sparbucks 21-Jul-20 05:40 AM

oi is it still okay
that i use your adobe suite?

ItsAHazardLife 21-Jul-20 09:21 AM

yea 100%

Sparbucks 23-Jul-20 07:07 AM

hey sorry about the last second change in crew man
it was all over the place that was on me

Sparbucks 27-Jul-20 12:52 AM

Haha doing well we just hanging out
Grats man

ItsAHazardLife 27-Jul-20 12:57 AM

Sounds like fun. I got verg little work done so im trying to squeeze some in before i head to sleep

Thanks

Sparbucks 27-Jul-20 09:53 AM

welp no longer buying madrin's coffee
after seeing al3x being a dickhead to us in game

ItsAHazardLife 27-Jul-20 10:12 AM

He's questionable 100% even as a streamer

Sparbucks 27-Jul-20 10:17 AM

he was a complete fucking dick

ItsAHazardLife 27-Jul-20 10:17 AM

Im watching it
"they just want attention"

Sparbucks 27-Jul-20 10:20 AM

yeah

ItsAHazardLife 27-Jul-20 10:27 AM

Yea 100% was. That's why I try not to watch him tbh. He is questionable at times.

Sparbucks 27-Jul-20 10:27 AM

I hope I'm not like that to people
we also sink them
and they just 'don't count' it

ItsAHazardLife 27-Jul-20 10:29 AM

Well you don't hot mic anything like they were.

Sparbucks 27-Jul-20 10:29 AM

they were just yelling at us lol
it was weird

ItsAHazardLife 27-Jul-20 10:29 AM

Nope

Sparbucks 27-Jul-20 10:29 AM

we had been on there for a long time

ItsAHazardLife 27-Jul-20 10:30 AM

Im watching the vod

Sparbucks 27-Jul-20 10:30 AM

and they server hopped and just expected to be handed the loot hopping*

we had way more to lose and outnumbered 12 to 2

ItsAHazardLife 27-Jul-20 10:30 AM

They expect to be able to roll everyone.

Al3x has a mentality of he is the best on the seas when he plays.

Sparbucks 27-Jul-20 10:31 AM

yeah like coop

ItsAHazardLife 27-Jul-20 10:31 AM

Yep

Its crazy how people can act that way

ItsAHazardLife 27-Jul-20 10:41 AM

When they called you attention seekers it triggered people in chat

So the question i have is did yall start the ftd?

Sparbucks 27-Jul-20 10:42 AM

we did while we were doing flameheart and etc cuz we had stole the rituals from an alliance it was our day off

ItsAHazardLife 27-Jul-20 10:43 AM

Thats what i figured. Sounds like you had a spicy night off

Sparbucks 27-Jul-20 10:44 AM

it was chill and spicy it was nice

ItsAHazardLife 27-Jul-20 10:44 AM

The way it should be

Sparbucks 27-Jul-20 10:51 AM

just disapointed in al3x
dunno the other people

ItsAHazardLife 27-Jul-20 10:52 AM

Zewx and possibly dat_z71_guy

You told Zewx to chill and it sent them into a spin about how they didnt want to deal with you cause you were running. Which with 3-4 ships behind you you have to play it smart

Sparbucks 27-Jul-20 10:55 AM

yeah
we werent running from them
lol

ItsAHazardLife 27-Jul-20 10:56 AM

Even they would play it smart

Sparbucks 27-Jul-20 11:00 AM

the funniest thing is
they think we ran to ancient
but i was at the fofd tdming a sloop and galleon
sank galleon on the island, and al3x never went to look at the fofd to even get intel
i killed 3 people to get the athena lol
got it to saika

ItsAHazardLife 27-Jul-20 11:01 AM

Which surprises me.

Sparbucks 27-Jul-20 11:01 AM

went back and i dont even know how many people i fought
they never where there

ItsAHazardLife 27-Jul-20 11:01 AM

My bet is they got passed the server as it was finishing up

Sparbucks 27-Jul-20 11:02 AM

yeah they had no idea what happened way before lol
they just came in blindly, then chased the galleon assuming they had loot

ItsAHazardLife 27-Jul-20 11:03 AM

Bad plays on their part

Sparbucks 28-Jul-20 10:08 AM

now we ran into hitbo lol

Sparbucks 28-Jul-20 11:20 AM

watch from here lol

<https://www.twitch.tv/videos/693183022?t=1h55m54s>

DROPS + OBSIDIAN GIVEAWAY (!giveaway) (!drops) (!perks) (!newvid)...

ItsAHazardLife 28-Jul-20 11:21 AM

Jeeze youre having the fun

Sparbucks 28-Jul-20 11:21 AM

he ruined our ashen athena steal but we sank them

ItsAHazardLife 28-Jul-20 11:23 AM

Lol i still remember the fofd we chased them and hitbo for dcd

Unlucky

Sparbucks 28-Jul-20 11:25 AM

yeah lol

i cant clip anything on twitch rn

annoying af

ItsAHazardLife 28-Jul-20 06:30 PM

holy bad typing earlier. That was a solid fight. With 1000% better attitude from AI3x. talk about night and day

Sparbucks 29-Jul-20 10:13 PM

what was the gfuel flavor you liked the best

something sour?

ItsAHazardLife 29-Jul-20 10:14 PM

Sour blue chug or something like that. The cherry is also good

Sparbucks 29-Jul-20 10:14 PM

i see it

ItsAHazardLife 29-Jul-20 10:14 PM

Sounds good

ItsAHazardLife 30-Jul-20 12:33 AM

huge server issues tonight. emmy got disconnected and couldnt get back into the server, but could join new ships.

Sparbucks 30-Jul-20 04:39 PM

sour flavor is way better

ItsAHazardLife 30-Jul-20 04:49 PM

yea they definitely are. The only sour one I havent tried is the sour faze berry, but faze berry and the black berry were good though

ItsAHazardLife 31-Jul-20 09:05 PM

crew is set up and so is multi as long as everyone is streaming tonight

Sparbucks 31-Jul-20 09:25 PM

thanks man

ItsAHazardLife 31-Jul-20 09:29 PM

no prob

ItsAHazardLife 01-Aug-20 05:10 AM

Was a troll message basically wanting to show you his..... yea.

ItsAHazardLife 04-Aug-20 03:02 AM

this is wayyyy to off center to be a normal fotd

ItsAHazardLife 05-Aug-20 07:02 PM

XD

Sparbucks 07-Aug-20 06:59 AM

sorry if i wasnt talking much tonight

just no one was talking overall it was kind of weird tonight

ItsAHazardLife 07-Aug-20 06:59 AM

nah dude youre fine

Even I'm feeling like it's one of those nights.

Sparbucks 07-Aug-20 07:00 AM

just all night

no response or no banter

ItsAHazardLife 07-Aug-20 07:01 AM

yea AJ is a quiet person. Saika and Kie was just usually talking to chat

Sparbucks 07-Aug-20 07:01 AM

i didnt get any banter with saika at all but i know she was busy

ItsAHazardLife 07-Aug-20 07:02 AM

yea it's tough with a crew full of streamers some nights.

Sparbucks 07-Aug-20 07:02 AM

for sure

ItsAHazardLife 07-Aug-20 07:02 AM

I know Saika kept saying shes low energy

glad she streamed though

Sparbucks 07-Aug-20 07:02 AM

same, she was just very distracted

ItsAHazardLife 07-Aug-20 07:04 AM

I know at one point Opal came into chat and randomly asked her a question. Something like "Is it normal or ok to fall out of love with someone?" then Saika went into her feels for at least 30 mins

then she got down on herself with a couple of things

Sparbucks 07-Aug-20 07:04 AM

yeah i knew something was going on

it was a solid 15ish minutes or just no talking, no repsonses

ItsAHazardLife 07-Aug-20 07:05 AM

yea
hopefully she will sleep good tonight

Sparbucks 07-Aug-20 07:06 AM

yeah not sure whats up with that
im still just feeling awkward cuz zempel stuff

ItsAHazardLife 07-Aug-20 07:06 AM

I get annoyed just seeing his name tbh

Sparbucks 07-Aug-20 07:06 AM

think im just gonna have to sail with todd and my friends more often
ive noticed other of my friends in that group now being around less

ItsAHazardLife 07-Aug-20 07:07 AM

yea it's always good to sail with them though

Sparbucks 07-Aug-20 07:07 AM

zemp trying to get a squad thing going on and it involves basically all the people who i sail with and are my friends

ItsAHazardLife 07-Aug-20 07:07 AM

z-squad

Sparbucks 07-Aug-20 07:07 AM

kie/buku/saika/zahfer/grams
yeah
its so awkward right now i absolutely hate it

ItsAHazardLife 07-Aug-20 07:07 AM

like wtf that just screams I want attention

Sparbucks 07-Aug-20 07:07 AM

i know what he is doing
thing that worries me is saika imo seems to be having more fun than with me
its actually very concerning

ItsAHazardLife 07-Aug-20 07:08 AM

like kie is Ziendis. Saika is Zaika,

Sparbucks 07-Aug-20 07:08 AM

yup.

ItsAHazardLife 07-Aug-20 07:08 AM

It's weird

Sparbucks 07-Aug-20 07:08 AM

shes not having fun with any other crews
even last week with todd/luna AND PLEASE keep this on the DL
i thought we had a blast
but she was just like honest and like she didnt have fun

ItsAHazardLife 07-Aug-20 07:09 AM

even when we don't go try hard its hard to get her to have fun
If I'm with yall I kick her off the boat

Sparbucks 07-Aug-20 07:09 AM

i havent been lately cuz we always gally and we have been making mistakes
but she also isnt allowing herself to have fun with my suggestions
and i told her im done doing that

ItsAHazardLife 07-Aug-20 07:10 AM

It's hard when you're not with the same crew all of the time to be consistent

Sparbucks 07-Aug-20 07:10 AM

i told her tonight she hasnt talked barely for an hour and AJ was literally just sitting down and bored
i tried to make banter with aj for others to join in
like his change of hair
just silence

ItsAHazardLife 07-Aug-20 07:11 AM

which isnt good

Sparbucks 07-Aug-20 07:12 AM

but when i went on my walk cuz of pc issues she seemed to be more vocal
and when she plays without me with like zemp/buku and them

ItsAHazardLife 07-Aug-20 07:12 AM

no one should be bored, all should be having fun, but like you said Saika was 100% distracted

Sparbucks 07-Aug-20 07:12 AM

she is more happy on helm and doing call outs
not really sure how to go about it

ItsAHazardLife 07-Aug-20 07:13 AM

not sure either.... but we will figure it out.

Sparbucks 07-Aug-20 07:13 AM

yeah =/

ItsAHazardLife 07-Aug-20 07:13 AM

It's like she is happy talking to chat and being on helm over focusing in game

Sparbucks 07-Aug-20 07:13 AM

i got to go soon but its like
she just isnt happy with specific crew
and she wont allow herself to have fun

ItsAHazardLife 07-Aug-20 07:14 AM

which is weird.

Sparbucks 07-Aug-20 07:14 AM

like with todd and luna we did well and nothing went wrong

ItsAHazardLife 07-Aug-20 07:14 AM

as far as I know she had fun when it was us 3

Sparbucks 07-Aug-20 07:14 AM

maybe luna got distracted a couple times but thats luna rofl
but that night was so much fun
but she just did not have fun apparently
she is sailing with zemp and them tomorrow
she will have more fun 100%

ItsAHazardLife 07-Aug-20 07:15 AM

I kind of feel like with them they can have fun together and get along but not get along at the same time if you know what I mean

Sparbucks 07-Aug-20 07:15 AM

yeah

ItsAHazardLife 07-Aug-20 07:15 AM

yea I heard she was

Sparbucks 07-Aug-20 07:15 AM

its kinda like when i sail with kharites these days

its a weird thing

i just think i have to be on helm and just be in that role to make everyone be happy even though ive gotten bad at that

but imo ill be honest i am going to pivot away from doing gallys at all for a while

on sloop i feel more free and etc

ItsAHazardLife 07-Aug-20 07:16 AM

it makes sense. galleons are brutal.

Sparbucks 07-Aug-20 07:17 AM

not just that

just sometimes if im gonna sail with other people i told saika she doesnt always need to be there

cuz if she isnt having fun then just dont join

ItsAHazardLife 07-Aug-20 07:17 AM

it makes sense

Sparbucks 07-Aug-20 07:17 AM

if she wants to sail with zemp and them that is fine

but ive been having more fun recently just doing stupid sloop stuff and chilling

ItsAHazardLife 07-Aug-20 07:18 AM

yea I know you have.

Sparbucks 07-Aug-20 07:18 AM

ill have to call it here though dude

ItsAHazardLife 07-Aug-20 07:18 AM

I think I need to get her on a sloop just me and her one day.

Sparbucks 07-Aug-20 07:18 AM

ill be around tomorrow

yeah

she just needs to relax
i do stupid shit in the game every day and almost every streamer does

ItsAHazardLife 07-Aug-20 07:19 AM

same I'll be up for a bit longer cause of Meagan then wake up this evening

Sparbucks 07-Aug-20 07:19 AM

i sank to noobs earlier on my sloop
just about engagements
but i have to head out you def get sleep hazard

ItsAHazardLife 07-Aug-20 07:19 AM

definitely get some rest

Sparbucks 07-Aug-20 07:19 AM

thanks for everything man

ItsAHazardLife 07-Aug-20 07:19 AM

ttyl
aint nothing

Sparbucks 07-Aug-20 07:19 AM

also incredibly happy for ya lol
we had a lil fun when we found out about it

ItsAHazardLife 07-Aug-20 07:20 AM

lol it was funny no lie

Sparbucks 07-Aug-20 07:20 AM

rofl i love it
night man ♥

ItsAHazardLife 07-Aug-20 07:20 AM

night ♥ get some rest

ItsAHazardLife 07-Aug-20 09:27 PM

lol Pace and Cobbobles never knew about the glitch spot on the FotD. Just learned about it tonight

Sparbucks 07-Aug-20 09:27 PM

lol really
wait
you mean where you hide loot
or abby's crack

ItsAHazardLife 07-Aug-20 09:27 PM

yea the spot Coop showed us
loot

Sparbucks 07-Aug-20 09:27 PM

i swear cobbobles did know about it
ive seen him before i swear glitch it

ItsAHazardLife 07-Aug-20 09:28 PM

interesting, he was like "I think they might have screwed up" but people kept telling them how to get it out.

Sparbucks 07-Aug-20 09:28 PM

interesting, weird

ItsAHazardLife 07-Aug-20 09:28 PM

Pace said "It's stupid and should be patched"

Sparbucks 07-Aug-20 09:28 PM

it really should lol

ItsAHazardLife 07-Aug-20 09:29 PM

I agree it's so OP
what time are you starting tonight?

Sparbucks 07-Aug-20 09:30 PM

very soon here
saika still sleepin
we got a new bed and she is having p[roblems sleeping in the new bed lol
she would always say my original bed was too soft
now we have it set up in the living room rofl

ItsAHazardLife 07-Aug-20 09:31 PM

lol thats a good place for a bed

the new bed was her old bed if I know right.

Sparbucks 07-Aug-20 09:32 PM

yeah
it was practically new
but the problem is any movement it shakes the bed

ItsAHazardLife 07-Aug-20 09:32 PM

I figured she would be cause she doesn't plan to start with them til 11pm your time
yea thats what she was telling me the other day when your stream crashed.
so if Laika is sleeping and gets up it wakes her up

Sparbucks 07-Aug-20 09:33 PM

yeah same with me
or if she is still sleeping and i stream
so i just plopped down the old bed in the living room

ItsAHazardLife 07-Aug-20 09:33 PM

makes sense.
if it helps to do that then you have to do what you have to just for sleep

Sparbucks 07-Aug-20 09:34 PM

yup

ItsAHazardLife 07-Aug-20 09:35 PM

Im going to get back to work. See you when you start strimming

Sparbucks 07-Aug-20 09:36 PM

alright cya in a bit good luck w/work

Sparbucks 08-Aug-20 01:45 AM

cozykittentv

Sparbucks 08-Aug-20 07:41 AM

the game makes me rage lol

ItsAHazardLife 08-Aug-20 07:41 AM

trust me I know (edited)
It's why I don't play often

Sparbucks 08-Aug-20 08:34 AM

btw

thanks for joining tonight

had a lot of fun man

ItsAHazardLife 08-Aug-20 08:57 AM

No problem. It was a much needed break tbh. It was a ton of fun

ItsAHazardLife 10-Aug-20 12:46 AM

its for loot hauling

Sparbucks 11-Aug-20 10:34 PM

what time are we sailin btw

saika still sleeping

ItsAHazardLife 11-Aug-20 10:36 PM

she said within the next 30ish, but she also said she might still be asleep too so you could either solo or brig until she gets up

Sparbucks 11-Aug-20 10:36 PM

yeah i might start w/video editing otherwise ill wake her up

ill ask her

ItsAHazardLife 11-Aug-20 10:37 PM

we are fine either way. We are both just waking up

Sparbucks 11-Aug-20 11:25 PM

so she will be in the restroom for a bit (tmi version her period started today)

ItsAHazardLife 11-Aug-20 11:26 PM

no stress

just realized I should work on some of my orders real quick anyways

ItsAHazardLife 12-Aug-20 01:02 AM

theGrimzzz

Sparbucks 12-Aug-20 03:35 AM

wasnt muted btw

ItsAHazardLife 12-Aug-20 03:36 AM

yea we know you werent muted for that one, we were talking about the fofd server. We were waiting on more information before swapping to this server.

Sparbucks 12-Aug-20 03:36 AM

the convo was when i said it was finished and even before when i said a sloop was there
i did say it
just no one was saying anything

ItsAHazardLife 12-Aug-20 03:38 AM

yea we joined my server, probably shouldve joined the finished even.

Sparbucks 12-Aug-20 03:38 AM

i was just saying we should decide on 1 server instead of juggling
i was muted for the battle and coming back
but not for call outs

ItsAHazardLife 12-Aug-20 03:39 AM

yea and thats why we started filing into this server

Sparbucks 12-Aug-20 03:39 AM

its just better for me not to stream and focus on the game

ItsAHazardLife 12-Aug-20 03:40 AM

I had asked Mitch to see if someone was doing the fort before we moved over.
we wouldve rather you been streaming tbh

Sparbucks 12-Aug-20 03:40 AM

its just better for me to focus atm
i can go earlier tomorrow
but when everyone was saying i was muted
i wasnt actually for call outs just no one was saying anything

ItsAHazardLife 12-Aug-20 03:41 AM

yea I think things got messed up with the multiple servers
and confused things

Sparbucks 12-Aug-20 08:24 AM

i was practicing double tap, getting piece of loot dropping it off, going back practicing double tape and repeat
and apparently i was doing something wrong

ItsAHazardLife 12-Aug-20 09:52 AM

Nah you weren't to be honest. I think saika was wanting to sell quicker to move to the next server.

Sparbucks 12-Aug-20 09:53 AM

i dunno
had fun with you and meg
still trying to work on some stuff with her
figured it was best for me to just kinda be more quiet in the end nothing to do with you both

ItsAHazardLife 12-Aug-20 09:54 AM

It was a ton of fun. I still plan to get her on a sloop one day to just chill with her with no streams.

Sparbucks 12-Aug-20 09:54 AM

yeah
its tough lke
like*
when im streaming she dont like me muting ever
but when she streams she is muted majority of the time
which overall im fine with

ItsAHazardLife 12-Aug-20 09:55 AM

Her chat playing the soundbytes triggered me 1000x more than you practicing. The practicing makes you better

Sparbucks 12-Aug-20 09:55 AM

but like she actually gets mad at me if i mute

ItsAHazardLife 12-Aug-20 09:55 AM

I was giving her crap about muting too

Sparbucks 12-Aug-20 09:55 AM

im okay with her muting tbh
i dont give her crap but like she gets on my ass when i mute a lot
its a thing
but she cant like deny that she doesnt mute
she mutes majority of the time

so many call outs where she just ignores cuz she is muted
big reason i dont like being super spicy a lot of the time
cuz we both have popping chats

ItsAHazardLife 12-Aug-20 09:57 AM

Makes sense to me.

Sparbucks 12-Aug-20 09:57 AM

balancing that and stressful stuff

ItsAHazardLife 12-Aug-20 09:57 AM

The call outs are super important.

Sparbucks 12-Aug-20 09:57 AM

yeah

it was still better for me to stop streaming
she was definitely getting upset with me

ItsAHazardLife 12-Aug-20 09:57 AM

I felt tonight was a nice middle ground of spicy and not spicy

Sparbucks 12-Aug-20 09:57 AM

yeah

i felt it was just better for me tonight since its her first stream of the week to just send everyone to her
and i can just be on point which i was without talking over her or anyone

ItsAHazardLife 12-Aug-20 09:58 AM

Yea to me knowing things will bother her more the next few days i wouldnt stress over it tbh

Sparbucks 12-Aug-20 09:58 AM

i was using vpn and found 2 good servers too

ItsAHazardLife 12-Aug-20 09:59 AM

Yea thats what i thought you were doing. Mine have been hit or miss lately. Starting popping my vpn on a little bit

Sparbucks 12-Aug-20 09:59 AM

but she still got upset with me quite a bit tonight
the double tap while dropping loot for instance
she just thought i was kinda doing nothing
yeah i was going through many many servers

ItsAHazardLife 12-Aug-20 10:01 AM

Yea she seemed to get upset a bit

Sparbucks 12-Aug-20 10:01 AM

always seems to be at me in those moments
not other people
like a big thing with us lately is kie, love the dude
but his streamloot stuff
is constant trolling
like non stop now
and its good content for him
but not for us

ItsAHazardLife 12-Aug-20 10:02 AM

It is constant trolling or the hot mic music. To me it ruins your content.

Sparbucks 12-Aug-20 10:02 AM

like dean in my chat and hers he cant even listen to his hot mics because of his condition
he has been vocal about it since he started

ItsAHazardLife 12-Aug-20 10:02 AM

I hate hot mic'd music in the first place

Sparbucks 12-Aug-20 10:03 AM

like if he was solo or sloop i get it

ItsAHazardLife 12-Aug-20 10:03 AM

100%

Sparbucks 12-Aug-20 10:03 AM

but his stuff is getting out of control for other people sailing with him who are also trying to get content

ItsAHazardLife 12-Aug-20 10:03 AM

Or someone that wasnt streaming then it would make sense

Sparbucks 12-Aug-20 10:03 AM

yeah exactly

ItsAHazardLife 12-Aug-20 10:03 AM

But people do it to trigger you two and the other chats

Sparbucks 12-Aug-20 10:04 AM

i think if you are going to have streamloots of channel point redeems
it should be something that doesnt always effect your crew
it doesnt trigger me its just i have to try to clean up the scraps on stuff
but kie is out of control now
its even getting to saika now
meaning its been getting to her for a bit now

ItsAHazardLife 12-Aug-20 10:05 AM

Yea cause its constant and he does it without care for you two

Sparbucks 12-Aug-20 10:06 AM

he needs a cool down

ItsAHazardLife 12-Aug-20 10:06 AM

Like Kro's is all about him and him alone doing silly stuff. Doesnt have hit mics or anything like that

Sparbucks 12-Aug-20 10:06 AM

and im sorry if i was a little on edge tonight
it had nothing to do with you and meg
yeah but kro doesnt play with kie very often
its funny to experience that like once every 2 months
but when its multiple times per week and you trying to actually get stuff done

ItsAHazardLife 12-Aug-20 10:07 AM

Nah its all good i knew something was up but didnt fully know what.
It becomes to much when having to constantly do it.

Sparbucks 12-Aug-20 10:08 AM

it was just saika was kind of on my ass and maybe i was being too hard on stuff

ItsAHazardLife 12-Aug-20 10:08 AM

Or deal with it.

Sparbucks 12-Aug-20 10:08 AM

like i said to you before

she is more inclined to call me out vs anyone else
but i also know im not perfect
im shooting off and boarding too much

ItsAHazardLife 12-Aug-20 10:08 AM

Yea and idk why i need it sometimes

Sparbucks 12-Aug-20 10:08 AM

getting into bad habits but its because im bored with the game and the issues

ItsAHazardLife 12-Aug-20 10:09 AM

Sometimes ill forgot to make call out like shooting off for supplies

The game has its issues people want more content like things to buy or new items. But lack a care for the quality of the game.

Sparbucks 12-Aug-20 10:10 AM

i got triggered with the server and her saying i was muted when i wasnt (and you also said i was muted but i wasnt but its okay)
ultimately she was muted entire time and i had to repeat stuff and she was distracted
which is fine
like i dont care about that

ItsAHazardLife 12-Aug-20 10:10 AM

For me i was waiting on mitch to know if a ship was at the fofd and if someone called it out i missed it.

Sparbucks 12-Aug-20 10:11 AM

but when i was muted i was literally fighting and i cant exactly send an invite on xbox app because the fucking shit doesnt work

ItsAHazardLife 12-Aug-20 10:11 AM

Like next update is going to trigger me and other people. They are making it where two events will be active at 1 times

Sparbucks 12-Aug-20 10:11 AM

but she was muted so much and so many things i would call out and she just wasnt there and it made being spicy hard
yeah i heard, next update isnt an update

ItsAHazardLife 12-Aug-20 10:12 AM

yea i didn't know you wanted us on that server or i wouldve joined up

Sparbucks 12-Aug-20 10:12 AM

i truly believe though her next stream and mine
it should not be spicy at first at all hazard
no i didnt want you i was kinda waiting to hear what yall wanted

saika said nothing

ItsAHazardLife 12-Aug-20 10:13 AM

Sounds good keep it chill and see where the night goes

Sparbucks 12-Aug-20 10:13 AM

like she was definitely muted in the beginning majority of the time
and after i ended stream she atleast started being more vocal and having more fun

ItsAHazardLife 12-Aug-20 10:13 AM

I still need a crap ton of those skulls sadly even some flameheart skulls. I usually would complete stuff.
But i just havent been motivated to

Sparbucks 12-Aug-20 10:14 AM

i had the fort stolen no joke
just didnt get an answer, mitch even offered to join and i told him no so i sound like an ass on that

ItsAHazardLife 12-Aug-20 10:14 AM

Yea we were just hunting the 2 ships we could've easily jumped over quicker

Sparbucks 12-Aug-20 10:15 AM

yeah i knew that and i did call outs but ended up not being a big deal
just when i said "lets decide 1 server" for all of to join
i got you and saika saying i was muted and didnt hear anything, but i wasnt muted for my call outs
i just think you were waiting for me to say "everyone on me"
but it wasnt a fofd situation ya know

ItsAHazardLife 12-Aug-20 10:16 AM

Yea we just have to make quicker decisions

Sparbucks 12-Aug-20 10:16 AM

but i think its less about call outs
kinda what i have been talking to you about

ItsAHazardLife 12-Aug-20 10:16 AM

And even if its a quick steal we could end up hoping to something better right after

Sparbucks 12-Aug-20 10:17 AM

saika def was muted majority of the beginning of her stream and mine
and when i kinda pressed on it she was not happy

ItsAHazardLife 12-Aug-20 10:17 AM

Yea i yelled at her a couple times

Sparbucks 12-Aug-20 10:17 AM

but it goes to the core where i dont think she is having fun with me much anymore
esp on a gally she is more inclined to call me out

ItsAHazardLife 12-Aug-20 10:18 AM

Yea and i still dont understand why

Sparbucks 12-Aug-20 10:18 AM

she dont do that with crews like kie who is literally trolling entire time and zemp who is simping
its just she is more comfortable with calling me out

ItsAHazardLife 12-Aug-20 10:18 AM

She always seems to have fun with certain people around

Sparbucks 12-Aug-20 10:19 AM

meagan actually did great
everytime i asked her and saika to do anything
she did it
yeah
exactly what you said

ItsAHazardLife 12-Aug-20 10:19 AM

Yea meagan has been doing pretty good.

Sparbucks 12-Aug-20 10:20 AM

she is afraid to ask anyone else outside of me to do stuff

ItsAHazardLife 12-Aug-20 10:20 AM

Yea well she can even yell at me and id be fine with it. I'd be like yep on it

Sparbucks 12-Aug-20 10:20 AM

like i mess up a lot and i know it lol

ItsAHazardLife 12-Aug-20 10:21 AM

Which she did one time tonight actually

Sparbucks 12-Aug-20 10:21 AM

but if she got more comfortable on telling anyone on a gally "do this" vs just me
it would be much easier for her
i always call you out rofl and you also call me out when necessary
she will never call people out like kie or zemp

ItsAHazardLife 12-Aug-20 10:21 AM

100% she like helming but i didn't let her touch it much tonight

Sparbucks 12-Aug-20 10:21 AM

i also helped on helm tonight
but she also wasnt communicating like at all

ItsAHazardLife 12-Aug-20 10:22 AM

Yea its something we just need to work on slowly
I defintely say its a must to play duo sloop 2-3 day and have specific crews certain days.

Sparbucks 12-Aug-20 10:23 AM

yeah
i mean for her i know what it is

ItsAHazardLife 12-Aug-20 10:23 AM

Dont try to play with random crews often cause that's what will make things harder

Sparbucks 12-Aug-20 10:23 AM

i know her frustrations
we need a top notch person who is good on helm and also pvp
like on point
kie has been rough lately cuz of trolling
he cant helm
and even pvp with him has been rough and boat management

ItsAHazardLife 12-Aug-20 10:25 AM

Yea pvp and helm are hard to mix cause they will want to board all the time

Sparbucks 12-Aug-20 10:25 AM

like we need the ultimate package with us
because saika and myself can helm
but even now i have been the best boarder and person supressing
but saika can also do that

and we both can also helm
so its the other half of a galleon

ItsAHazardLife 12-Aug-20 10:26 AM

Yea thats why i lile sending you two off.

Sparbucks 12-Aug-20 10:26 AM

she needs more of the pvp
its the big thing with her

ItsAHazardLife 12-Aug-20 10:26 AM

I feel like im decent but i always feel like i make mistakes in pvp

Sparbucks 12-Aug-20 10:26 AM

i know it and i know how she feels
i had to deal with that shit with the peas
the peas were the worst crew i ever ever had to deal with

ItsAHazardLife 12-Aug-20 10:27 AM

I even told her up front tonight she was going to be getting her butt off the boat a lot tonight

Sparbucks 12-Aug-20 10:27 AM

yeah
but at the same time we need a good middle ground with me and saika
like i dunno if you know merlyn
he would be perfect

ItsAHazardLife 12-Aug-20 10:27 AM

some crews work flawlessly and can rotate positions when needed

Sparbucks 12-Aug-20 10:27 AM

but he is wrapped up with coop and them
but he is so good all around

ItsAHazardLife 12-Aug-20 10:28 AM

yea it just feel merlyn is wuestion when it comes to his stream stuff sadly.

Sparbucks 12-Aug-20 10:28 AM

not sure what you mean
its more about equal balance

i want saika to get off gally more

ItsAHazardLife 12-Aug-20 10:29 AM

Remember i was telling you about his numbers the one night he raided me

Sparbucks 12-Aug-20 10:29 AM

but she dont like being on helm at all
she knows she is good at it but she is not having fun with it
that is a 10000000% fact
oh yeah i dont care about his stream numbers
ive known merlyn before he even streamed
its inflated from coops crew and etc
he is not apart of that, he just like to play

ItsAHazardLife 12-Aug-20 10:30 AM

You need someone like me that doesnt mind helm or staying on boat to shoot cannons.

Sparbucks 12-Aug-20 10:31 AM

i know what we need

ItsAHazardLife 12-Aug-20 10:31 AM

100%
It will all get figured out. It's a process.

Sparbucks 12-Aug-20 10:32 AM

brb here btw

ItsAHazardLife 12-Aug-20 10:32 AM

Nothing every will be perfect just need to find someone that can handle what's needed

Sparbucks 12-Aug-20 10:41 AM

but its more than that
i aint a perfect player and i know that
not at all lol
but i do think saika needs to get at the core of what is fun for her in this game because a lot of time i dont think she has much fun

ItsAHazardLife 12-Aug-20 10:42 AM

No one is a perfect all around player

Sparbucks 12-Aug-20 10:42 AM

and she aint happy with me right now cuz i had a convo
hold off on texts or anything

ItsAHazardLife 13-Aug-20 12:07 AM

I hope everything is alright after last night

Sparbucks 13-Aug-20 12:07 AM

yeah things are good we talked
good portion was just how to make things less tense/serious

ItsAHazardLife 13-Aug-20 12:08 AM

sounds good
we both just care and want her to enjoy herself and have as much fun as possible

Sparbucks 13-Aug-20 12:27 AM

yup exactly
i want to be able to stream with her at the same time without little stuff getting in the way
in some regards i do think its sot being bland

ItsAHazardLife 13-Aug-20 12:38 AM

Honestly everyone would love that too. Seeing both perspectives is awesome. Even me im like let me pull up her view.
SoT.... i honestly feel like if they dont make a huge change in content updates and improve the QoL. I dont think the community will grow or
withstand the next year. Thats me looking at it from a business perspective.

Sparbucks 13-Aug-20 12:40 AM

they just need something that doesnt just make it the same things over and over

ItsAHazardLife 13-Aug-20 12:42 AM

I 100% but so many people are happy with the monthly updates that it gives a false positive to them.

Sparbucks 13-Aug-20 12:42 AM

looking at patch notes for this month
this month looks empty
but dont worry they are fixing the silent repair again!

ItsAHazardLife 13-Aug-20 12:43 AM

Even carrots told me that she is always excited cause its free and something new to do. Idk how she really feels about these last 2 updates
though.

Sparbucks 13-Aug-20 12:43 AM

i mean i am excited but when its old in 1-2 days
like the new event is cool but like
it doesnt bring anything

ItsAHazardLife 13-Aug-20 12:44 AM

I havent looked at this last one patchnote yet. But 2 events up at the same time will be annoying and cause more server stability issues

Sparbucks 13-Aug-20 12:44 AM

then the question about the kraken

ItsAHazardLife 13-Aug-20 12:45 AM

It doesnt and thats why i said it needed to be packaged in a quarterly update with the ghost fleets. Customer experience would go up.

Sparbucks 13-Aug-20 12:46 AM

and like
even more bugs lately
the puke bug is ridiculous

ItsAHazardLife 13-Aug-20 12:48 AM

the bugs to me show their lack of care for the community. The are on top of some the the shooting from a rowboat or issues with the event, but don't care about anything else.

Sparbucks 13-Aug-20 12:49 AM

just want them to have a list
of every bug
and make it public

ItsAHazardLife 13-Aug-20 12:49 AM

ridiculous would be an understatement.
it's just bad decisions after bad decisions.

Sparbucks 13-Aug-20 12:50 AM

they havent even added new in game cosmetics you buy from shops in forever

ItsAHazardLife 13-Aug-20 12:50 AM

like one day I may start compiling a list of bugs.

Sparbucks 13-Aug-20 12:50 AM

like general qol updates and add some cosmetics and stuff for us to spend our gold on
easy

ItsAHazardLife 13-Aug-20 12:51 AM

yea the other day with the devs were with AI3x and burger..... that was a shit fest of things that should not even be a concern for in game right now.

like super expensive cosmetics or a diamond gem.

they've added sooo much currency into the game thanks to the emissary which is meh and the events which is just garbage.

Sparbucks 13-Aug-20 12:52 AM

i just want super expensive shit

ItsAHazardLife 13-Aug-20 12:52 AM

no cosmetics should've ever been tied to an events

Sparbucks 13-Aug-20 12:52 AM

like sails that are like 5 mil gold

why not lol

its just weird

ItsAHazardLife 13-Aug-20 12:53 AM

itd be worth it for the people who have the money to blow 100%

It still bothers me anything new that would've been "limited time" for the old events is now tossed into the black market. However the old stuff "limited time" stuff will never see the black market. Like to me thats a bad decision with the black market

Sparbucks 13-Aug-20 12:55 AM

yeah its just kinda lazy approach to make it seem like its new content when its not

ItsAHazardLife 13-Aug-20 12:56 AM

exactly

I missed out on the clothes set you wear cause I wasn't able to or just wasnt motivated to play it that week

plus it was locked behind tall tales which are meh to me

Sparbucks 13-Aug-20 12:57 AM

yeah exactly

brb getting stream setup

ItsAHazardLife 13-Aug-20 12:57 AM

sounds good I'll see you in stream and we can just talk more after

ItsAHazardLife 13-Aug-20 01:07 AM

she said she was having a hard time falling asleep

Sparbucks 13-Aug-20 04:40 AM
things okay>?

ItsAHazardLife 13-Aug-20 04:44 AM
I don't know what the hell is going on..... I'm stupid confused

Sparbucks 13-Aug-20 04:58 AM
hmmm
like upset?

ItsAHazardLife 13-Aug-20 05:02 AM
No idea

Sparbucks 13-Aug-20 05:03 AM
hmm

Sparbucks 14-Aug-20 01:30 AM
dis be rough lol

Sparbucks 14-Aug-20 01:52 AM
i dont want super sweaty servers with dean until saika is ready
its very hard for me

ItsAHazardLife 14-Aug-20 01:52 AM
ok

Sparbucks 14-Aug-20 01:53 AM
i might skip that one
cuz its a gally
and he keeps getting on broadside with gallies

ItsAHazardLife 14-Aug-20 01:53 AM
sounds good why dont I hop brigs and join to make it easier on you

Sparbucks 14-Aug-20 01:53 AM
not a bad idea tbh

ItsAHazardLife 14-Aug-20 01:53 AM

and when Saika is ready we can hot swap out

Sparbucks 14-Aug-20 01:54 AM

yeah gimme a minhere
just a heads up he will over communicate so fyi

ItsAHazardLife 14-Aug-20 04:49 AM

ItsAHazardLife 14-Aug-20 09:28 PM

Sparbucks 15-Aug-20 07:50 AM

that steamstats btw
actually favors sot
thats just steam at 12k?
that doesnt include xbox
so you can only assume its AT LEAST 2x the amount which puts it in top 25

ItsAHazardLife 15-Aug-20 09:03 AM

It may still show there is 12k on steam, but the number that is important is the -26% thats a huge drop just in 2 months of release on steam. You can expect that same drop if not more on microsoft store. 26% of the player base is huge lately. I can only imagine how many more are going to walk away from the game. (edited)

ItsAHazardLife 15-Aug-20 09:14 AM

This is what is left of 15 million pirates being created. I'd love to see the data for the MS player base, but I know we never will.

Sparbucks 16-Aug-20 07:45 PM

ItsAHazardLife 16-Aug-20 11:49 PM

Sparbucks 17-Aug-20 02:59 AM

hot damn

ItsAHazardLife 17-Aug-20 03:01 AM

yea and I have a few other and extra pieces

Sparbucks 17-Aug-20 03:01 AM

btw thanks again for hopping and all that

ItsAHazardLife 17-Aug-20 03:01 AM

I bought out an old school or something
you know I will do it all the time.

Sparbucks 17-Aug-20 03:02 AM

i try to always say thanks so hopefully ya hear that

ItsAHazardLife 17-Aug-20 03:02 AM

I appreciate you guys and am thankful for you guys as well

Sparbucks 17-Aug-20 03:03 AM

both saika and i were on the struggle bus tonight
it was really tough for me

ItsAHazardLife 17-Aug-20 03:03 AM

trust me I can tell. The second you didn't go live last night I knew something was up.
Just get some rest for sure

Sparbucks 17-Aug-20 03:07 AM

lol last night we slept over 12 hours XD

ItsAHazardLife 17-Aug-20 03:08 AM

this past week has been complete off for me. I've gotten more sleep the last couple of nights.

Sparbucks 17-Aug-20 03:09 AM

yeah same
been hard for us to get on a normal schedule
saika been struggling sooooo bad

ItsAHazardLife 17-Aug-20 03:09 AM

I'm as normal as I will be for awhile.
I'm just glad I can work anytime tbh cause I could take Meagan's schedule easily.

Sparbucks 17-Aug-20 03:10 AM

yeah true
meagans schedule is crazy now haha
but happy for her because she was worried before

ItsAHazardLife 17-Aug-20 03:11 AM

yea she doesn't like her job right now and is doing a couple interviews back home as well
but she is pushing through it all.

Sparbucks 17-Aug-20 03:12 AM

yeah that is smart though

ItsAHazardLife 17-Aug-20 03:13 AM

I agree you got to enjoy what youre doing or youre just going to be miserable

Sparbucks 17-Aug-20 03:13 AM

yup
it was my last job
for years and years

ItsAHazardLife 17-Aug-20 03:16 AM

well now hopefully you can spread your wings and do your own thing
if you can't find anything and be flexible with your schedule

Sparbucks 17-Aug-20 03:16 AM

i mean i am okay
im picky if im picking up

a daily job so

ItsAHazardLife 17-Aug-20 03:18 AM

yea I feel that I was when I was looking, but noone hired me so I went and hustled to pay bills.

Sparbucks 17-Aug-20 03:19 AM

im super excited though for whatever i land
but i reject a shit ton of jobs

ItsAHazardLife 17-Aug-20 03:19 AM

its what I always knew so I just ran with it.
It makes sense to reject some.
You got this though you will find something sooner or later.

FreeMasonLive - I love burnt pineapples..... my nightmares

Watch FreeMasonLive's clip titled "I love burnt pineapples..... my nightmares"

ItsAHazardLife 18-Aug-20 04:50 AM

So rewatching the vod you see him board, look in and around the captains quarters, then goes down stairs then after Kie jumped down, he immediately went right for Kie and aimed right down right away.
It sucks but I don't think SS, but potentially ESP that wasnt showing proper place

Sparbucks 18-Aug-20 05:59 AM

as always thanks ❤️

ItsAHazardLife 18-Aug-20 06:08 AM

thanks for making the content while I worked

ItsAHazardLife 19-Aug-20 07:14 AM

Switched command !patch to !release for the new release notes

Sparbucks 19-Aug-20 08:45 PM

zempel in full piece of shit mode tonight btw

ItsAHazardLife 19-Aug-20 08:45 PM

Oh god.

Sparbucks 19-Aug-20 08:48 PM

i was the one who said she should board since zemp was in her chat making it seem like no one ever lets her board
then he said the last comment
and even more

ItsAHazardLife 19-Aug-20 08:49 PM

Jeeze what a dick
He has such an ego since his z-squad shit.

Sparbucks 19-Aug-20 08:51 PM

i had to tell her to tell him to calm down
and zemp went even more crazy

ItsAHazardLife 19-Aug-20 08:51 PM

He's lucky i was asleep for it all

Sparbucks 19-Aug-20 08:55 PM

i mean if you just fast forward the vod after it
and look at comments on how he freaks out

ItsAHazardLife 19-Aug-20 08:56 PM

Im looking at his comments on hers right now with mod view stuff

Sparbucks 19-Aug-20 08:56 PM

and i said after the comment
"saika i allow you to board now" to mock zemp

ItsAHazardLife 19-Aug-20 08:57 PM

Hes talking about not caring if he is mod or not. Thats the only thing saving him.

Sparbucks 19-Aug-20 08:58 PM

yea

Sparbucks 19-Aug-20 10:09 PM

single handedly making saika not wanting to stream it sucks

ItsAHazardLife 19-Aug-20 10:12 PM

he is?

Sparbucks 19-Aug-20 10:13 PM

making it awkward for everything
even when i said the galleon doesnt have an athena
he still sat back and criticized my call

ItsAHazardLife 19-Aug-20 10:14 PM

or "why not help someone with a commendation"

Sparbucks 19-Aug-20 10:15 PM

yeah
thats my call on not trusting them
and i was right

ItsAHazardLife 19-Aug-20 10:15 PM

100%
everything he has been doing is stuff we would have banned or timed anyone else.

Sparbucks 19-Aug-20 10:18 PM

yup
just targetting me
on everything

ItsAHazardLife 19-Aug-20 10:19 PM

it's just sad

Sparbucks 19-Aug-20 10:19 PM

saika wonders why i mute a lot

ItsAHazardLife 19-Aug-20 10:20 PM

she muted when Zempel came in asking about if Saika saw Mason sink earlier
like it's dumb that 1 person is causing all of this

Sparbucks 19-Aug-20 10:21 PM

yeah he is just making everythging awkward
i went and told her ill be done
but she wont stream without me

ItsAHazardLife 19-Aug-20 10:32 PM

thats crazy I don't know why she won't stream without you.
Maybe she feels safe with streaming with you.

ItsAHazardLife 20-Aug-20 12:45 AM

Be sure to dumpster this crew..... I had a name in my recents that on the disgusting side of things
DumCumpster997
so xBox didnt allow CumDumpster so the swapped the letters.

Sparbucks 20-Aug-20 01:41 AM

well this will be awkward very soon lol

ItsAHazardLife 20-Aug-20 01:41 AM

what you mean?

Sparbucks 20-Aug-20 01:42 AM

just zemp stuff and first day of her being back to streaming
i just miss playing with saika and not having literally a troll gnome criticizing everything i say on her stream

ItsAHazardLife 20-Aug-20 01:43 AM

I find it disgusting.....

Sparbucks 20-Aug-20 01:43 AM

i went in living room and told her what he is saying makes me feel like shit
and she knows that
and i told her i would end stream and she can keep streaming
but she wont want to do that

ItsAHazardLife 20-Aug-20 01:44 AM

I wish she would realize that Zempel is not good

Sparbucks 20-Aug-20 01:44 AM

but the FIRST day
she finally streams
he pulls his dumb simp shit

ItsAHazardLife 20-Aug-20 01:44 AM

yea thats all it is.

Sparbucks 20-Aug-20 01:44 AM
she told him not to stop
then zemp sent her a paragraph
its so awkward
she hasnt read it

ItsAHazardLife 20-Aug-20 01:45 AM
If I had a call I wouldn't want her sailing with Zempel. I know he is not good for her or the person she is.

Sparbucks 20-Aug-20 01:46 AM
im not going to be like that
"you cant sail with that person"
i wont ever do that
i will let her choose her own stuff

ItsAHazardLife 20-Aug-20 01:46 AM
I know you wont

Sparbucks 20-Aug-20 01:46 AM
but zemp is such a fucking piece of shit to me
if i wasnt saika's bf he would prob be friends with me in this community tbh
but he has a big magnet with females

ItsAHazardLife 20-Aug-20 01:47 AM
I usually wouldn't unless I know they are going to be 100% no good for them

Sparbucks 20-Aug-20 01:47 AM
i cant win tbh
if i mute alot its why spar are you muting a lot
and i dont wanna mute when i stream with saika
but when i dont mute its zemp in her chat literally being a simp
"its because people wont let you board"
"you and me this next week we sloop!"
even when i said galleon was lying about commendations he still over analyzed me like he always does

ItsAHazardLife 20-Aug-20 01:48 AM
I know you won't win it's a lose lose.
there are some dumb event stuff 100% that require galleons

Sparbucks 20-Aug-20 01:49 AM
hes made it so awkward and i literally told her today 2 times to tell him to calm down and back off

yeah
he wont let me have organic fun with saika anymore (edited)
its literally like the only thing

ItsAHazardLife 20-Aug-20 01:51 AM

Just from seeing how he acts I want him out of the community tbh

Sparbucks 20-Aug-20 01:51 AM

its only towards me though hazard
he treats me way diff than anyone else
because he also simps on other girls

ItsAHazardLife 20-Aug-20 01:51 AM

He just has a demeanor I don't like even in Kie's stream

Sparbucks 20-Aug-20 01:51 AM

his other simp is lux
yeah

ItsAHazardLife 20-Aug-20 01:55 AM

All these Arena teams that want to spawn camp, tdm, etc who think thats the only thing. They are the ones who maximize the exploits. It's kind of disgusting. People will play the game how they want but they have this demeanor that they don't give a F about you especially if youre a streamer.

Sparbucks 20-Aug-20 01:55 AM

i can deal with those people tbh
but when its someone who is hyper over protective of my girlfriend and trying so hard to manipulate her on ANYTHING i say as if im a terrible person
it get so fucking old
and this is a person she regards as a good friend

ItsAHazardLife 20-Aug-20 01:56 AM

We can deal with those, but it's just annoying to like it ruined the one server a few weeks back.

Sparbucks 20-Aug-20 01:56 AM

yeah
just this is personal its irl
i want saika to stream more
she is amazing at it

ItsAHazardLife 20-Aug-20 01:57 AM

Yea she considers a lot of people good friends.

Sparbucks 20-Aug-20 01:57 AM

but she wont stream without me

ItsAHazardLife 20-Aug-20 01:57 AM

We all want her to stream more 100% (edited)

Sparbucks 20-Aug-20 01:57 AM

but if im there then i am literally butchered by anything i say cuz of a simp
and its just not fun for me because of that

ItsAHazardLife 20-Aug-20 01:57 AM

It's not fun for either one of you

Sparbucks 20-Aug-20 01:58 AM

but if im not there i want her to try to stream without me

ItsAHazardLife 20-Aug-20 01:58 AM

same it would be cool to see honestly

Sparbucks 20-Aug-20 01:58 AM

when we play off stream on any game its always fun but some people just want to ruin that
but she has only tried to play off stream with zemp basically
she has a billion people she can play with

ItsAHazardLife 20-Aug-20 01:59 AM

Saika needs to see it and cut those people out of her life especially if they are supposedly good friends

Sparbucks 20-Aug-20 01:59 AM

she doesnt have to cut them out so to say
but quit letting them try to influence her
NO ONE else in our friend group does this
im talking you, todd, luna, mitch
and even majority of people who are regulars in hers

ItsAHazardLife 20-Aug-20 02:00 AM

The sad thing is I know 100% they will keep doing it unless they are cut out of her life.

Sparbucks 20-Aug-20 02:01 AM

zemp wont stop
i thought he calmed down and got shit together
and her first fucking stream in a while after i told her over and over to stream
he fucking shits on me
and now we are back to square 1 when she wont stream for a long time again
so tired of it

ItsAHazardLife 20-Aug-20 02:02 AM

Thats why he's got to be blocked everywhere, discord and Twitch.

Sparbucks 20-Aug-20 02:03 AM

she just cant give him that attention
they can be friends
but she needs to truly believe what he is trying to do

ItsAHazardLife 20-Aug-20 02:03 AM

cause of her personality she always will

Sparbucks 20-Aug-20 02:03 AM

and trust me we have had legit arguments about him
he is the ONLY one

ItsAHazardLife 20-Aug-20 02:03 AM

I know you two have

Sparbucks 20-Aug-20 02:03 AM

out of the hundred/thousand people we know
but i cant play with her on stream primarily because of him
anyway ill talk to her, ill let you know how it goes
this shit sucks
thanks for everything as always btw

ItsAHazardLife 20-Aug-20 02:04 AM

sounds good. I know it sucks and I personally hate it.

Sparbucks 20-Aug-20 02:04 AM

ill get through it

ItsAHazardLife 20-Aug-20 02:05 AM

I've known yall for soo long and to see this shit happens just sucks.

Sparbucks 20-Aug-20 02:05 AM

its easily fixable
this still is nothing

ItsAHazardLife 20-Aug-20 02:05 AM

hopefully

Sparbucks 20-Aug-20 02:06 AM

have to stop it soon before it becomes something ridiculous

ItsAHazardLife 20-Aug-20 02:06 AM

100% agree and I see it happening
yall get some rest for sure. I'll be up for a long time still.

Sparbucks 20-Aug-20 02:07 AM

you too
wait you just woke up lol
but night
ill be back early tomorrow
hope you and meagan are good
nighto

ItsAHazardLife 20-Aug-20 02:08 AM

yea we are good. I'll be around

Sparbucks 20-Aug-20 02:34 AM

welp she actually for the most part noticed everything lol

ItsAHazardLife 20-Aug-20 02:35 AM

thats good

Sparbucks 20-Aug-20 02:35 AM

def

ItsAHazardLife 20-Aug-20 02:36 AM

only time will tell what will happen from here.

Sparbucks 20-Aug-20 02:36 AM

she noticed what zemp was doing
and how it made it awkward

ItsAHazardLife 20-Aug-20 02:37 AM

I'm glad she noticed

Sparbucks 20-Aug-20 02:37 AM

we will see haha

ItsAHazardLife 20-Aug-20 02:38 AM

yep only time will tell how she handles it from here.

Sparbucks 20-Aug-20 02:38 AM

thanks for letting me vent

ItsAHazardLife 20-Aug-20 02:38 AM

anytime. I'm always here for you two.

Sparbucks 20-Aug-20 02:39 AM

still crazy we never really argue except if its related to streaming and the weirdo

ItsAHazardLife 20-Aug-20 02:42 AM

yea I can believe it. It's usually something silly too

Sparbucks 20-Aug-20 03:55 AM

wow coop went like
insane to end his stream

ItsAHazardLife 20-Aug-20 04:36 AM

holy shit just watch. that shits frustrating.

New Update! Knockin' Summer Events! - Kiendis on Twitch

Kiendis went live on Twitch. Catch up on their Sea of Thieves VOD now.

Even Zemp is trying to instigate things between yall and kie. It's kind of sad.

Sparbucks 20-Aug-20 05:23 AM

He has been for a while

ItsAHazardLife 20-Aug-20 05:23 AM

It's just sad to see.

ItsAHazardLife 21-Aug-20 02:29 AM

I'm thankful Zempel wasn't horrible today.

Sparbucks 21-Aug-20 02:33 AM

Still was adamant about playing with saika

ItsAHazardLife 21-Aug-20 02:33 AM

yea looks that way

Sparbucks 21-Aug-20 02:33 AM

Ngl saika didnt really mention they would be doing this but ima let it go tonight

ItsAHazardLife 21-Aug-20 02:34 AM

I was surprised they are doing arena tonight

Sparbucks 21-Aug-20 02:34 AM

Was having a chill night with her for once

ItsAHazardLife 21-Aug-20 02:34 AM

I agree

I thought they were practicing tomorrow

Sparbucks 21-Aug-20 02:43 AM

Same but its whatever.

ItsAHazardLife 21-Aug-20 02:44 AM

yea Im betting Saika didn't even know and Kie just sprung it on her last second. So tomorrow I wonder if he will want to practice too?

Sparbucks 21-Aug-20 02:45 AM

She had mentioned arena with me and i said i wasnt in arena mood but yeah
She kinda just went in knowing what was going on
Woulda been fine if it wasnt zemp because we had a big argument about it
And she even said she sees his weird shit but he will non stop try his hardest
I just have to deal with the fact he will always make things awkward when saika streams
Because she wont tell him off

ItsAHazardLife 21-Aug-20 02:48 AM

yea and the sad thing is you shouldnt have to deal with it.
I'm surprised with his weird shit that she gave him mod back tbh

Sparbucks 21-Aug-20 02:49 AM

Im surprised she didnt just let it rest with hanging out with him for a bit
Im disapointed but i dont want any arguments tonight so ima try to sleep

ItsAHazardLife 21-Aug-20 02:50 AM

Me too, like she knows how you feel about him and your warning her. She shouldn't question you about it distance herself from him.
but her personality is what is stopping her from doing stuff like that

Sparbucks 21-Aug-20 02:51 AM

I was fine with her doing arena then i saw zemp join

ItsAHazardLife 21-Aug-20 02:52 AM

yea and he joined cause he leeches on Kie

Sparbucks 21-Aug-20 02:52 AM

He leeches off everyone
But tonight was suppose to be a more chill night with her
While i didnt stream

ItsAHazardLife 21-Aug-20 02:54 AM

yea when I saw it was just you two I was like "Good they need this time to sail together"
then Kie was joining and it turned to this.
I'm just hoping it sorts itself out sooner than later before it gets out of hand.

Sparbucks 21-Aug-20 02:57 AM

Yeah it sucks but ill chill about it
Plenty of other people they know to practice vs
Really no excuse

ItsAHazardLife 21-Aug-20 02:58 AM

100% I agree with that

I guarantee Kie brought up Arena practice and he was like I'll join. Kie won't say no and Saika probably won't say no. 100% get some rest though and enjoy the night.

Sparbucks 21-Aug-20 03:01 AM

Well i said to saika i wasnt feeling arena tonight
So i was kinda telling her i would rather chill
But then i was told it was kie and saika gonna do sloop arena
I was never told about zemp
Granted she prob didnt know too

ItsAHazardLife 21-Aug-20 03:02 AM

Arena is just no fun with all the issues plus combat just is in a bad place.

Sparbucks 21-Aug-20 03:02 AM

But tonight was suppose to be chill while she streamed and i did not

ItsAHazardLife 21-Aug-20 03:02 AM

I guarantee she didn't know about Zemp. I think these games would be better with them going against random crews tbh.

Sparbucks 21-Aug-20 03:02 AM

Helps her focus more and i can do other stuff

ItsAHazardLife 21-Aug-20 03:03 AM

I agree gives her a break from things and balances out

Sparbucks 21-Aug-20 03:04 AM

Sabatoged again lol

ItsAHazardLife 21-Aug-20 03:05 AM

yep
Like streaming Arena it's just hard to watch too. It's just not as fun as adventure steals.

Sparbucks 21-Aug-20 03:07 AM

Adventure is more usually for hanging out

ItsAHazardLife 21-Aug-20 03:10 AM

It is, but also comes with that rush of pvp at times too whereas arena is just like a competitive pvp with broken rules and broken combat. It's just nothing that interests me anymore.

Sparbucks 21-Aug-20 03:12 AM

Yeah
Zemp will just use this to get close to her while buttering her up with cringey compliments while talking about himself and saika
Its clockwork but hopefully they leep sep voice channels
Even if i did arena with them on a dif boat zemp would still try to get on the same sever
Server*
Its a lose lose if i join
I regret saying saika should do soc with kie because if it was saika and myself then he wouldnt have that in

ItsAHazardLife 21-Aug-20 03:16 AM

Sad truth he would probably try to join
I get why you dont want to do it though. Its understandable.

Sparbucks 21-Aug-20 03:19 AM

Lose lose if i do arena while any of us are streaming

ItsAHazardLife 21-Aug-20 03:21 AM

Defintely is a lose lose

ItsAHazardLife 21-Aug-20 11:01 PM

are you having the stutters in game? or were they before this?

Sparbucks 21-Aug-20 11:01 PM

bitrate issues
dropped frames

ItsAHazardLife 21-Aug-20 11:01 PM

ahhh alright
The reason I asked was cause earlier the server I gave Rob/Pace had issues. Bad lag and had stutters.

ItsAHazardLife 22-Aug-20 09:39 AM

<https://gyazo.com/969de4d2759b8e259acf5c4f7ed03ba0>

Gyazo

Look who is VIP in Zempel's channel

Sparbucks 22-Aug-20 09:47 AM

Lol
Not surprised

ItsAHazardLife 22-Aug-20 09:54 AM

To me that shows how much he can't be trusted

Sparbucks 22-Aug-20 09:55 AM

I cant wait to tell saika and again have her brush it off

ItsAHazardLife 22-Aug-20 09:56 AM

yea I hope she doesn't

After SoC I'm going to make a day with her to sail off streams, already mentioned it to her and she sounded excited.

Sparbucks 22-Aug-20 09:58 AM

Yeah she had mentioned that

Sparbucks 22-Aug-20 10:12 PM

looks like zemp joined again lol

ItsAHazardLife 22-Aug-20 10:12 PM

yep and thats why I will be in your stream the rest of the night

Sparbucks 22-Aug-20 10:13 PM

same shit

all the time

i cant go vs her cuz this reason cuz i know itll happen

ItsAHazardLife 22-Aug-20 10:13 PM

My bet is Kie asked him or his asked to help and she just legit wont say no

Sparbucks 22-Aug-20 10:13 PM

no zemp goes to kie

ItsAHazardLife 22-Aug-20 10:14 PM

its dumb both of them know and wont say no.

it kills your mood too which just sucks

Sparbucks 22-Aug-20 10:17 PM

kie wont say no

saika should know better

yeah it does
everytime

Sparbucks 22-Aug-20 10:37 PM

another thing saika said to me was
im not gonna stream cuz people will try to get in same server so ill raid you
and she just didnt do any of that, switched out of ga (edited)
basically for zemp

ItsAHazardLife 22-Aug-20 10:44 PM

yea she switched to here cause she knows Zemp has control in her server and can make separate channels. He's got more powers in her discord than I do.
Someone keeps changing my powers in her discord. This is the second time. I know it's not Saika.

Sparbucks 22-Aug-20 10:48 PM

it would say in the logs

ItsAHazardLife 22-Aug-20 10:50 PM

not if it was something internal with the roles side. It sadly wouldn't show.

Sparbucks 22-Aug-20 10:51 PM

ill look at it

ItsAHazardLife 22-Aug-20 10:51 PM

sounds good, cause I haven't been able to simply just help move people for awhile even when Saika's asked me to move them in.
Last I knew Zemp was the one making changes for her in discord so it wouldnt surprise me if he's been changing stuff with mine.

Sparbucks 22-Aug-20 10:53 PM

ill make sure hes not but there is a log channel of everything

ItsAHazardLife 22-Aug-20 10:55 PM

sounds good.

Sparbucks 22-Aug-20 10:55 PM

the next thing for saika is limiting her discord

ItsAHazardLife 22-Aug-20 10:55 PM

Zemp just sadly needs to go

Sparbucks 22-Aug-20 10:55 PM

its on the list
and yeah
saika just needs to literally tell him to stop
but if she does it he will send paragraphs and essays

ItsAHazardLife 22-Aug-20 10:57 PM

100% she does
if he does that then she needs to block him plain and simple

Sparbucks 22-Aug-20 10:57 PM

he will not go down that easy
hes actually pretty good at manipulating

ItsAHazardLife 22-Aug-20 10:58 PM

thats sad, but believe-able.

Sparbucks 22-Aug-20 10:59 PM

like when he went at me about 'stealing' saika's content
and the shit he would say

ItsAHazardLife 22-Aug-20 10:59 PM

thats sadly some shit Rob said or similar.

Sparbucks 22-Aug-20 10:59 PM

yeah

ItsAHazardLife 22-Aug-20 11:01 PM

I just personally hate feeling like I want to watch Saika, but I always tend to not watch people when someone I cant stand is in chat.

Sparbucks 22-Aug-20 11:04 PM

its very similiar to rob
like when i hear riskyrob's voice same with saika
we cant stand it
zemp is like that with me

ItsAHazardLife 22-Aug-20 11:07 PM

yep. I don't even like seeing their names in chat.
Like even before your run in with AI3x I started not to go to his stream cause of a couple people in his chat. But then finding out about his "cold

brew" being just cappuccino like a premium version of what you get from the gas station and how he seems to treat people. Its just appalling

Sparbucks 22-Aug-20 11:21 PM

Yeah alex is a weiner

ItsAHazardLife 22-Aug-20 11:30 PM

yea he's an interesting character.

ItsAHazardLife 23-Aug-20 04:00 PM

what time is Saika and Kie's thing today?

Sparbucks 23-Aug-20 09:32 PM

oh
they made an error
they didnt advance
sucks =/

ItsAHazardLife 23-Aug-20 11:16 PM

Ahhhh that does suck (edited)

Sparbucks 24-Aug-20 08:10 AM

yoyoyo

ItsAHazardLife 24-Aug-20 08:10 AM

yo

Sparbucks 25-Aug-20 09:09 PM

oi

ItsAHazardLife 25-Aug-20 09:14 PM

Oi

Sparbucks 25-Aug-20 10:48 PM

we playin with you and meg tonight?

ItsAHazardLife 25-Aug-20 11:06 PM

Yea

Sparbucks 26-Aug-20 06:19 AM

thanks for joining tonight lol had a blast

ItsAHazardLife 26-Aug-20 06:24 AM

Thanks for having me. It was way to much fun

Sparbucks 26-Aug-20 06:24 AM

not a bad crew considering all things tbh lol

ItsAHazardLife 26-Aug-20 06:25 AM

Meagan loves the pvp side tbh

Sparbucks 26-Aug-20 06:25 AM

yeah she was toxic rofl

ItsAHazardLife 26-Aug-20 06:25 AM

Lmfao yea she can be
Are we sure all girls arent toxic? XD

Sparbucks 26-Aug-20 06:25 AM

lmaoooo

ItsAHazardLife 26-Aug-20 06:28 AM

She also 100% loves sailing with yall and just loves yall period. I want to get her to talk more lol

Sparbucks 26-Aug-20 06:28 AM

lol she was targetting me at the end it was hilarious

ItsAHazardLife 26-Aug-20 06:29 AM

Lol

Sparbucks 26-Aug-20 06:29 AM

just was good times and we killed it and had fun all i can ask for

ItsAHazardLife 26-Aug-20 06:30 AM

100% and thats how it always is.

Always about having fun and i sadly i know how to make saika laugh and also trigger her.... its too much fun

Sparbucks 26-Aug-20 06:41 AM

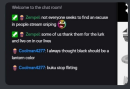

lol

ItsAHazardLife 29-Aug-20 11:44 PM

<https://gyazo.com/c20ea0545b196e3d07dbaff32ef8413e>

Gyazo

Sparbucks 30-Aug-20 12:09 AM

whos channel?

ItsAHazardLife 30-Aug-20 12:09 AM

Buku

Sparbucks 30-Aug-20 07:15 AM

man

zemp has said shit to more people than i thought

ItsAHazardLife 30-Aug-20 07:16 AM

Probably has, it would not surprise me tbh (edited)

Sparbucks 30-Aug-20 07:16 AM

he even talked to irk and im pretty sure about it

irk hasnt been around my stream

and i tried to talk to him and stuff he was cool but he knows who im talking about

but its like fucking fight club

ItsAHazardLife 30-Aug-20 07:17 AM

Irks been in Saika's stream but very rarely

Sparbucks 30-Aug-20 07:18 AM

hes been in more other streams but i reached out because i notice he hasnt been around

reminded me of talking to zahfer like

they feel like they arent allowed to talk about it

like fucking fight club

also saika has noticed too

ItsAHazardLife 30-Aug-20 07:18 AM

Its a shame

Sparbucks 30-Aug-20 07:18 AM

its pretty fucked up and a situation where we just have to just move on with what we like to do last week or 2 have been a lot of fun

ItsAHazardLife 30-Aug-20 07:19 AM

She needs to walk away from having anything to do with him. As hard as it seems.

Sparbucks 30-Aug-20 07:19 AM

but i dunno how to approach the people who def zemp went to
she is making progress
she has noticed the stuff more he is doing
its really good progress
and she also told me you reached out to her
trust me we tell eachother everything lol
but its getting better she is comfortable streaming almost daily again which is awesome

ItsAHazardLife 30-Aug-20 07:20 AM

Its a messed up situation 100% and its going to effect more and more as time goes on.

Sparbucks 30-Aug-20 07:20 AM

i know but
as long as me and saika know
its the most we could do ya know
just as long as zemp doesnt get the upperhand between saika and myself

ItsAHazardLife 30-Aug-20 07:21 AM

Any good relationship would talk about stuff no matter what it is.

Sparbucks 30-Aug-20 07:21 AM

like why wouldnt you wanna talk about shit you have heard between saika and myself lol
we literally dont have any beef and like
no drama at all just you get weirdos who wanna simp and i fucking hate that word

ItsAHazardLife 30-Aug-20 07:22 AM

Yea but if he is talking and essentially keeping people away from streams thats like effecting your business or making people choose between the two of you

Sparbucks 30-Aug-20 07:23 AM

saika already confirmed
zemp is doing that
via her talk with buku

ItsAHazardLife 30-Aug-20 07:23 AM

Yea and meagan agrees he wants to create drama. Its kind of pathetic to me

Sparbucks 30-Aug-20 07:24 AM

and saika and i just wanna game together and have fun and hang out with everyone

ItsAHazardLife 30-Aug-20 07:25 AM

Exactly i know Saika is having a hard time staying positive with sot, but in all honesty we all are, but we enjoy playing it with one another and thats why we continue to play

Sparbucks 30-Aug-20 07:25 AM

comes down to friends

ItsAHazardLife 30-Aug-20 07:26 AM

100%

Sparbucks 30-Aug-20 07:26 AM

but she has seen the weird stuff he is doing so that is good but he wont go down like that

ItsAHazardLife 30-Aug-20 07:26 AM

I can tell shes been having more fun though

Sparbucks 30-Aug-20 07:26 AM

same

ItsAHazardLife 30-Aug-20 07:28 AM

Last night i saw his ego in chat. I was like wth. I know unless you were on sails you barely moved out of your tuck but ever since the wall bangs were removed you move a lot more.

Sparbucks 30-Aug-20 07:29 AM

what did he say though?
like i dont give a fuck

lol
like seriously at the core
zemp is just a piece of shti and i just wanna have fun with whatever game we play

ItsAHazardLife 30-Aug-20 07:30 AM

He literally claimed like you always moved and he constantly had to retuck.
I think hes just dumber than a box of rocks tbh
Zemp is a piece of shit and i cant wait to see him go far far far away

Sparbucks 30-Aug-20 07:32 AM

wait when did he say that lol
i barely played with him he always got killed
he literally just is garbage

ItsAHazardLife 30-Aug-20 07:32 AM

Yesterday

Sparbucks 30-Aug-20 07:32 AM

rofl
he is obsessed with me
can you gimme a screen

ItsAHazardLife 30-Aug-20 07:33 AM

Not you in particular
but like anyone that tucked would always move while tucked

Sparbucks 30-Aug-20 07:34 AM

the thing about zemp
he would make so many mistakes lol
but if people who he doesnt like (me) gets fricked
which we alllll do
he would always call them out

ItsAHazardLife 30-Aug-20 07:34 AM

Yea i agree and his ego is soooo big. Literally i hate hearing about z-squad.
Yep he thinks he is perfect and everyone else makes mistakes

Sparbucks 30-Aug-20 07:35 AM

ive been telling saika to quit feeding it but
she sees it now man
and its been fun since she has
she aint afraid to stream again

ItsAHazardLife 30-Aug-20 07:36 AM

Which is a good thing.

Sparbucks 30-Aug-20 07:36 AM

yeah

im a proud spar haha but now she lately doesnt even need me to tell her to stream
but thats not just me, been all of the people supporting her

ItsAHazardLife 30-Aug-20 07:37 AM

100%

Sparbucks 30-Aug-20 07:37 AM

couldnt be more proud

ItsAHazardLife 30-Aug-20 07:37 AM

I know im proud of her for sure.

Like Meagan is talking about wanting to stream so if she moves back to Arizona then we will get her something set up to do so.

Sparbucks 30-Aug-20 07:38 AM

yeah

and i know she hates her new hours

so hopefully soon she gets that figured out

ItsAHazardLife 30-Aug-20 07:39 AM

100% hates it. Shes been doing phone interviews. She is going to be having her 3rd one soon for a hyatt location in sedona arizona.

Sparbucks 30-Aug-20 07:39 AM

oooo

ItsAHazardLife 30-Aug-20 07:40 AM

Shes been killing it.

Sparbucks 30-Aug-20 07:40 AM

yeah she def wants to be closer to family if im correct
but yeah she has

ItsAHazardLife 30-Aug-20 07:40 AM

Closer to family and just doing something she enjoys. Not the security thing she is doing now

Sparbucks 30-Aug-20 07:43 AM

yeah exactly
sorry we trolliinig mythical atm lol

ItsAHazardLife 30-Aug-20 07:43 AM

Lol oooo i want to join in 1 sec

Sparbucks 30-Aug-20 07:47 AM

haha
anyway we gonna pass out
hopefully we keep up the funness

ItsAHazardLife 30-Aug-20 07:48 AM

100%
Tonights been rough for me and tomorrow will be the same. Switching up eating habits is no fun. See yall later tonight

Sparbucks 30-Aug-20 07:55 AM

ive been on it for a month but ya
either way we going to sleep, hopefully tomorrow just as friggin awesome
and thank you for everything even though you dont need to do it

ItsAHazardLife 31-Aug-20 10:10 AM

Imfao AI3x got onto Skullfinder's server. Kept going at him and sunk each time XD Skullfinder popped in AI3x's chat after being sunk like 4-5 times. They were trying to say during the last battle there was a slight chance of someone on Skullfinder's crew stream sniping. smh they just don't know that his crew is on a whole other level than them.

I'm tired of it

Sparbucks 01-Sep-20 06:09 AM

but stay clear
he always tries it lol
hasnt been in chat all day
"YO WE GOTTA SLOOP JUST US"
not "hey how was the stream" (edited)

ItsAHazardLife 01-Sep-20 06:09 AM

he was in once earlier to let her know he was home.

Sparbucks 01-Sep-20 06:10 AM

yeah
doesnt ask her how everything is

ItsAHazardLife 01-Sep-20 06:10 AM

then was in Kie's and now here.

Sparbucks 01-Sep-20 06:10 AM

its always "YO WE GOTTA PLAY JUST YOU AND ME"
every fucking time
that aint a friend but i aint going off tonight i had a blast
she is noticing his weirdness trust me

ItsAHazardLife 01-Sep-20 06:11 AM

yea I hope so.
Im just not holding my tongue. Zaika, f that shit out of here.

Sparbucks 01-Sep-20 06:11 AM

i was just like chillin and getting the plex up
and he comes in again rofl
its like fucking textbook

ItsAHazardLife 01-Sep-20 06:12 AM

yep it's been nice not seeing me him around.

Sparbucks 01-Sep-20 06:12 AM

hes going to try really hard
and i wont lie i dont care she play with him but then alone
absolutely not right now
has to a brig or galleon with other people

ItsAHazardLife 01-Sep-20 06:13 AM

After the one night I watched Zemp's stream and she was with him. It was weird cause of how they communicated.

Sparbucks 01-Sep-20 06:14 AM

yeah i know that night
that was still the weird point of telling saika i will never sail with him and her ever again
but he is trying his hardest
and you can see it lol

ItsAHazardLife 01-Sep-20 06:15 AM

Plus how he's been in chat lately. I'm just tired of it. Thats why I just muted her stream the second he comes in cause I don't want to see him or hear how she seems to care about Zemp
He shut up after I told him she doesn't have a Z-ego

Sparbucks 01-Sep-20 06:17 AM

lol i saw
saika will yell at me later
but low key i was cheering you on but lets drop it for now lol

ItsAHazardLife 01-Sep-20 06:18 AM

Its nothing you did. Im just tired of him

Sparbucks 01-Sep-20 06:18 AM

i know but just remember
saika wants positivity and i know you and i and she knows
he needs to cool off
but atleast on her stream no drama but i love the lowkey dig

ItsAHazardLife 01-Sep-20 06:19 AM

Yea i know she does. Thats why i just mute stream unfortunately theres no other stream to really go to so the dig was needed

Sparbucks 01-Sep-20 06:20 AM

zemp could like
go in her chat and ask how the stream was but he is pushing thwe
the*
"LETS SLOOP"
its fucking weird lol
she about to end so ill have to end convo here cuz i do wanna chill with her

ItsAHazardLife 01-Sep-20 06:21 AM

Yea and saika is just like i would love that which doesn't help things
Sounds good get some rest

Sparbucks 01-Sep-20 06:21 AM

trust me she will bring it up
but it wont be a big deal
cuz i want more sloop days with saika just so many people we playing with right now

ItsAHazardLife 01-Sep-20 06:22 AM

yea ive been surprised that yall floating gallies this past week

Sparbucks 01-Sep-20 06:23 AM

yeah just getting scheduled times out
tonight was so much fun though lol yall are amazing
hooked us up with servers was able to hang out with my friends and even a little bit of everyone in voice

ItsAHazardLife 01-Sep-20 06:24 AM

Thats why i do what i do. Most of my servers were just dead. But sometimes its like that. If i make it to 6am your time im going to try to set up a server for Mason and hitbo. They are going to stack fofds

Sparbucks 01-Sep-20 06:48 AM

yeah haha
hehe she told me you also got triggered
she is doing way better with noticing the weird stuff
it makes me pretty happy
but shes always been smart but sometimes a little heads up about people maybe not in your best interest helps

ItsAHazardLife 01-Sep-20 06:52 AM

I don't feel like I got triggered. I just don't want to deal with him. I was noticing stuff with Zemp before you messaged me the first day about him. He just started seeing his ego's a lot more and showing his intentions.

Sparbucks 01-Sep-20 06:53 AM

you didnt get triggered but she noticed how vocal you got lol

zemp is that person and this is someone i have always despised and he has said this before
when people say
"i am really good at reading peop;le"

ItsAHazardLife 01-Sep-20 06:54 AM

I'm proud of her for noticing too. I know she is smart always has been, but sometimes her heart gets in the way.
yep I agree with Zemp. He will use her heart, sweet and kind, to get what he wants out of her.

Sparbucks 01-Sep-20 07:11 AM

yeah but he aint the only one
people who say they are REALLY good at reading people are terrible at reading people and just people who try to manipulate

ItsAHazardLife 01-Sep-20 07:13 AM

wouldn't surprise me so mainly people try to fall in love with female streamers on twitch

Sparbucks 01-Sep-20 07:14 AM

exactly

ItsAHazardLife 01-Sep-20 07:15 AM

Man I feel bad for BB, she's now a partner of Madrina's and so all she does lately is talk about it. Mason's suppose to be on AI3x's podcast this friday. If things line up I'm betting he's going to be a partner of it to.

Sparbucks 01-Sep-20 07:15 AM

i did tell mason about alex but who knows
mason also told us about other streamers but he seems a bit distant now

ItsAHazardLife 01-Sep-20 07:17 AM

yea I think he is trying to keep in his lane, but network with a few others.
I feel he's doing whatever is good for his brand.

Sparbucks 01-Sep-20 07:19 AM

yeah
which makes sense
bigger streamer nothing against him

ItsAHazardLife 01-Sep-20 07:20 AM

yea I agree

ItsAHazardLife 02-Sep-20 02:23 AM

The bad thing about USPS post office box is that they will get upset by a lot of boxes, as well UPS/FedEx wont deliver there unless it is shipped

with the Post Office's exact address. Whereas a UPS Box will take anything and wont complain about the number of packages.

ItsAHazardLife 02-Sep-20 04:18 AM

The one thing I know about xx_missrose_xx is that she is Mythical's gf. I could be in his stream and/or sail with Mythical the she would be like I don't remember or know you. Thats my take and it feels pretty much like that day.

Sparbucks 02-Sep-20 04:18 AM

ya lol
hard didnt do anything wrong

ItsAHazardLife 02-Sep-20 04:19 AM

no he didn't

Sparbucks 04-Sep-20 06:07 AM

YOU BITCH

Sparbucks 04-Sep-20 07:14 AM

lol
doubt you are up lol

ItsAHazardLife 04-Sep-20 09:49 AM

Of yep Mason is now sponsored by Madrinas.

Sparbucks 04-Sep-20 09:55 AM

yeah it sucks

ItsAHazardLife 04-Sep-20 10:37 AM

Sparbucks 04-Sep-20 01:47 PM

im sure meg is passed out
but even though you both toxic i appreciate keeping us up this late
i tried my hardest to be try hard but like i couldnt lol
but atleast thank meg for giving that last server it was friggin epic

ItsAHazardLife 04-Sep-20 01:48 PM

Not sure she hasnt texted me but my bet is she is.

Sparbucks 04-Sep-20 01:48 PM

but no one knows the level of trying to steal that other athena lol
just didnt work out

ItsAHazardLife 04-Sep-20 01:49 PM

Lol yea multiple working parts to figure out at one time

Sparbucks 04-Sep-20 01:49 PM

they wanted nothing of me and when i left the boat is when i got fricked

ItsAHazardLife 04-Sep-20 01:49 PM

Yea sometimes they dont

Sparbucks 04-Sep-20 01:49 PM

i knew saika had that ashen athena lol so i wanted a regular athena and i worked SO HARD lol
just how it happens
i was so close though

ItsAHazardLife 04-Sep-20 01:50 PM

Yep exactly how it works.
Tonight will be another night to steal all of thr loot

Sparbucks 04-Sep-20 01:50 PM

depending when we wake up
but ya
tonight might be a hard night with me and saika
we talked about it but depends when we wake up
just my fucking stomach tonight

ItsAHazardLife 04-Sep-20 01:51 PM

Yea my sleep will be just as screwed up

Sparbucks 04-Sep-20 01:51 PM

i was only planning to stream for like 2-3-4 hours
then i got huge raids
so i literally told saika she needs to stream and she actually did it
i was pretty happy about it lol

ItsAHazardLife 04-Sep-20 01:52 PM

Yea i know the feels mine has been screwed up and its been effecting everything

Sparbucks 04-Sep-20 01:52 PM

yeah

ItsAHazardLife 04-Sep-20 01:52 PM

Im glad she did as well.

Sparbucks 04-Sep-20 01:52 PM

i fixed mine last night then fucked it up today lol

yeah i am as well

i was sending her off and i did helm all night to give her that content

and i was pretty happy to do it

ItsAHazardLife 04-Sep-20 01:53 PM

Yea i heard its been a good night. I know i lurked and slept through it

Sparbucks 04-Sep-20 01:53 PM

it was

but she was doing her thing of trying not to stream

ItsAHazardLife 04-Sep-20 01:54 PM

Yea which is crazy.

Sparbucks 04-Sep-20 01:54 PM

just about pressing the button and she just has fun

ItsAHazardLife 04-Sep-20 01:55 PM

Yea one day she wont even hesitate

Sparbucks 04-Sep-20 01:55 PM

agreed

zemp was a lil thing tonight but atleast saika is over it for now

also glad to see kie having fun again

ItsAHazardLife 04-Sep-20 01:57 PM

Oof its sad zemp is a thing (edited)

Glad she is getting over it.

Sparbucks 04-Sep-20 01:57 PM

i dont care about any other thing besides me and saika
and she finally seeing hohow weird he is
all i can ask for

ItsAHazardLife 04-Sep-20 01:58 PM

100% and thats how it should be

Sparbucks 04-Sep-20 01:58 PM

but she needs to stop giving subs to zemp

ItsAHazardLife 04-Sep-20 01:59 PM

100% and stop giving him attention

even as small as this

Sparbucks 04-Sep-20 01:59 PM

she knows she is losing contact with him
she also knows what is going on
and she knows how weird he is and how he attaches himself with female streamers
but she needs to stop giving him money atleast

ItsAHazardLife 04-Sep-20 02:00 PM

I'm glad she knows and finally see's it

Sparbucks 04-Sep-20 02:00 PM

they can be friends but zemp always makes it more than friends
but i think a lot of it is his next target is lux lol

ItsAHazardLife 04-Sep-20 02:01 PM

I barely watch Kie and Lux cause of him

Sparbucks 04-Sep-20 02:01 PM

and saika has noticed too big time

ItsAHazardLife 04-Sep-20 02:01 PM

I feel bad for her 100%

Sparbucks 04-Sep-20 02:01 PM

kie knows about stuff too, hes just having fun again and its showing

ItsAHazardLife 04-Sep-20 02:02 PM

I'm glad Kie is having fun again. All the different crews we make up we always have fun.

Sparbucks 04-Sep-20 02:02 PM

yeah

zemp did a number on a lot

like with irk and zahfer

but they all talking again which is awesome not just for me but for saika

ItsAHazardLife 04-Sep-20 02:03 PM

yea I barely talk to Zahfer anymore

Sparbucks 04-Sep-20 02:03 PM

i had a pretty good convo with zahfer

ItsAHazardLife 04-Sep-20 02:03 PM

thats good

Sparbucks 04-Sep-20 02:03 PM

comes down to just doing our thing, zemp will be zemp

ItsAHazardLife 04-Sep-20 02:04 PM

100% agree

Sparbucks 04-Sep-20 02:04 PM

but some small things like saika needs to stop giving him attention, he didnt get what he wanted so he is backing off

if he was actually a good friend he wouldnt just ghost her

so we will see

ItsAHazardLife 04-Sep-20 02:06 PM

It's better this way. I wouldve kept on throwing shade his way.

Sparbucks 04-Sep-20 02:06 PM

why cant zemp be like you or kie

like... friends????

ItsAHazardLife 04-Sep-20 02:07 PM

Things will slowly start getting better
Sadly people don't know how to be friends sometimes.

Sparbucks 04-Sep-20 02:07 PM

or like todd? or her million friends

ItsAHazardLife 04-Sep-20 02:07 PM

no idea, but it's a shame.

Sparbucks 04-Sep-20 02:08 PM

like AJ, Rage, Tony, Minced and way morew
she has so many friends its ridiculous

ItsAHazardLife 04-Sep-20 02:09 PM

Yea I agree.
It's insane and we all click together

Sparbucks 04-Sep-20 02:09 PM

yeah
like exactly lol

ItsAHazardLife 04-Sep-20 02:11 PM

Hopefully he starts putting the pieces together. Just like I hope with the one friendship I left earlier this year.

Sparbucks 04-Sep-20 02:11 PM

was it murder?

ItsAHazardLife 04-Sep-20 02:13 PM

Murder was a different reason, not horrible, but not good either.
Someone that wasn't linked to SoT community. Was linked to a stream team I was in a long time ago

Sparbucks 04-Sep-20 02:14 PM

i got ya
zemp could be okay as long as he just controlled his feelings with saika
that is about it lol

ItsAHazardLife 04-Sep-20 02:16 PM

Yea murder was do to her loosing feelings for her husband and she caught feelings. I had no idea she was even married and so I distanced myself from that mess.

The other one she was just toxic with how she acted

Sparbucks 04-Sep-20 02:17 PM

yeah that is interesting

yeah and i saw some of that

her and danger tbh

ItsAHazardLife 04-Sep-20 02:18 PM

Idk about that, but she caught feelings for me.

Sparbucks 04-Sep-20 02:18 PM

interesting haha

ItsAHazardLife 04-Sep-20 02:19 PM

yea its crazy, but you see why i distanced myself?

Sparbucks 04-Sep-20 02:20 PM

for sure

ItsAHazardLife 04-Sep-20 02:23 PM

Just glad all that mess is behind me XD

Sparbucks 04-Sep-20 02:23 PM

yeah true lol

ItsAHazardLife 04-Sep-20 02:23 PM

I know Saika will be better once Zemp is far in the past

Sparbucks 04-Sep-20 02:25 PM

agreed or if he stops being a simp

ItsAHazardLife 04-Sep-20 02:25 PM

which he wont

ItsAHazardLife 04-Sep-20 02:44 PM

Hot or cold the ingredients are too similar to not be the same

Sparbucks 04-Sep-20 02:44 PM

it was only like 8 servings lol

ItsAHazardLife 04-Sep-20 02:44 PM

100%

Sparbucks 04-Sep-20 02:44 PM

like gfuel for instance is... 40 or something

8 is literally fucking nothing lol

more of a gimmick

ItsAHazardLife 04-Sep-20 02:45 PM

yea and cost I think more than you can even from the gas station

Sparbucks 04-Sep-20 02:46 PM

yeah

it was the big thing when i saw it said 8 servings per and i was like wtf

ItsAHazardLife 04-Sep-20 02:46 PM

He's using his influence to sell his product it's a shame

Sparbucks 04-Sep-20 02:46 PM

makes sense but it wont go far

i already had planned to not order more then when saika and i were having a night off stream the dude was literally just a douchebag

then the day i said im not getting more madrina and alex we shit on but was a dick

the next morning they denied my partnership that i applied for like a month prior

i need to sleep her though man

ill tlak to ya tomorrow

ItsAHazardLife 04-Sep-20 02:49 PM

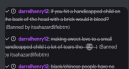

yea sounds good Mythical needs my help as well

ItsAHazardLife 05-Sep-20 08:14 AM

<https://gyazo.com/d39e0da75c3789811096ae4867dd4121>

Gyazo

oi

ItsAHazardLife 08-Sep-20 02:16 PM

oi

Sparbucks 08-Sep-20 02:16 PM

we might have to reschedule ya and meaghan potentially cuz our sleep schedule still weird atm

ItsAHazardLife 08-Sep-20 02:17 PM

yea I'm betting it is, Yesterday yall were super early. It's not a problem to me. Just trying to figure things out.

Sparbucks 08-Sep-20 02:17 PM

cuz i know im gonna zone at 5pm

ItsAHazardLife 08-Sep-20 02:18 PM

I've been up since 4am-ish your time.

Sparbucks 08-Sep-20 02:18 PM

holy shit lol

and i bet meg is still sleeping

we prob will start early again then pass out early

i woke up at like 6am and couldnt go back to bed

trying to push it where i fall asleep around 11-12 but last night i fell asleep around 7ish

ItsAHazardLife 08-Sep-20 02:19 PM

She's been up as well. Both of our schedules are completely messed up from what they're suppose to be

Sparbucks 08-Sep-20 02:19 PM

you trying to fix the sleep schedule or nah?

ItsAHazardLife 08-Sep-20 02:20 PM

Not sure if I'll sleep when she works or what now and be up during the day. Or go back to working overnights. Getting sick messed me up bad

Sparbucks 08-Sep-20 02:20 PM

yeah

and im sure you guys will prob sleep soon im assuming

technically saika is on a good schedule she stayed up till 11

ItsAHazardLife 08-Sep-20 02:21 PM

probably not actually

Sparbucks 08-Sep-20 02:22 PM

well im making a meal for us then we prob gonna stream just schedule still odd

ItsAHazardLife 08-Sep-20 02:22 PM

yea It's up to you guys for sure.

Sparbucks 08-Sep-20 02:23 PM

when is megs next day off

ItsAHazardLife 08-Sep-20 02:23 PM

next week

monday/tuesday I think

Meagan just told me she has 3rd interview 4pm your time so she wouldnt be able to sail to about 5pm (edited)

Sparbucks 08-Sep-20 02:44 PM

ill prob be feeling it a little bit at 5pm tbh

which means we wouldnt even get to sail very long

ItsAHazardLife 08-Sep-20 02:49 PM

Yea it's up to yall

Sparbucks 08-Sep-20 04:55 PM

well prob ill start w/sloop and see what happens later tbh, saika doesnt have a lot of energy and feeling unmotivated atm

ItsAHazardLife 08-Sep-20 05:02 PM

sounds good. Sucks that she doesn't have energy and is unmotivated.....

Sparbucks 08-Sep-20 05:32 PM

ya just letting a lot of small stuff get to her and etc

like people wanted to do among us this week but i told her for a game like that you have to schedule prior

cant just have people popping in and out cuz someone will clash with another person

like how illusive clashed with ash/bomber and kie and they all ganged up on him in kie's chat

i cant do planning on the spot w/a game like that cuz people get upset

reminded me of super arena

ItsAHazardLife 08-Sep-20 05:35 PM

Yea what got to them the most was his tactics to just stop the game. He just went in to strong and pushed the wrong buttons.

Sparbucks 08-Sep-20 05:35 PM

i agree illusive was being annoying
he saw people get quiet and apologized and calmed down
but if you look at kie's chat
it was really really bad
i felt it was completely unfair

ItsAHazardLife 08-Sep-20 05:36 PM

If he was playing to have fun and not to play serious then it wouldve been another thing

Sparbucks 08-Sep-20 05:36 PM

people who were playing the game saying rude things and telling people to kill him first and etc
but i know that feeling, thats like me playing dbd with kie and them and i am terrible and they know all the tactics
but illusive went in too hard, stopped the content and came off as a big ego
but then anytime he talked after he calmed down people were targetting him

ItsAHazardLife 08-Sep-20 05:37 PM

yea I didn't agree with the killing first, but agree'd he went in too strong. Once he was called out he seemed to just chill out after the second game.

Sparbucks 08-Sep-20 05:37 PM

yeah but people were still ganging up on him after that
i just dont wanna be responsible for scheduling something like that on the spot without knowing the personalities
because people clash

ItsAHazardLife 08-Sep-20 05:38 PM

it was a tough spot for every player to be put in

Sparbucks 08-Sep-20 05:38 PM

like super arena revenger freaked out on me when we were killing a stream sniper then they left and we all decided to battle
but he came into my chat telling everyone to fuck off and etc so then i never scheduled another one ever again
it would be something that would have to be planned ahead of time

ItsAHazardLife 08-Sep-20 05:39 PM

yea I feel that for sure. It's always tough

Sparbucks 08-Sep-20 05:40 PM

even for sot we have been overbooking too much, ive been trying to have a realistic schedule that is recurring with our friends while giving us flexibility during the weeks to sloop it up or brig it with kie

ItsAHazardLife 08-Sep-20 05:41 PM

yea and thats why when we were saying we want to sail more. I was like every other week seems like something steady and allows you days to sail sloop or brigs, etc.

Sparbucks 08-Sep-20 05:42 PM

yeah exactly
but then things come up
like peoples bdays and on spot stuff
and some people taking stuff personally

ItsAHazardLife 08-Sep-20 05:42 PM

yea exactly and random plans
It's crazy if people take it personally if they can't sail with yall. I couldn't imagine doing that.

Sparbucks 08-Sep-20 05:44 PM

yeah its a legit thing
but the plan was to spread it out for recurring peeps
kinda like how rob and even cobboble do
its impossible for us to play with everyone

ItsAHazardLife 08-Sep-20 05:44 PM

always will be.
You'd have to flat out make a schedule and just say these days you want sloop, these days with kie or a 4th, these days with random viewers/people. That will be the only way to solve these issues but still make it hard. (edited)

Sparbucks 08-Sep-20 05:47 PM

yeah
but certain people take that stuff so hard

ItsAHazardLife 08-Sep-20 05:48 PM

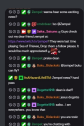

You have to do whats best for yall not anyone else.
They have to understand you're doing whats best for you and your content.

ItsAHazardLife 08-Sep-20 11:17 PM

<https://gyazo.com/ddd7ff3a504fce39c95ee28278f18a97>

Gyazo

Sparbucks 08-Sep-20 11:18 PM

lol

ItsAHazardLife 08-Sep-20 11:18 PM

want to hear good news? then basically self promotes himself.
another thing ban-able.

Sparbucks 08-Sep-20 11:18 PM

yeah
i know
just dont trigger her
let it go ill talk to her about stuff later

ItsAHazardLife 08-Sep-20 11:19 PM

I just really don't get her, or why she wants him around.

Sparbucks 08-Sep-20 11:20 PM

she is seeing it but you need her to see it on her own more

ItsAHazardLife 08-Sep-20 11:21 PM

I'm out, I'll see yall tomorrow. I can't deal with it

Sparbucks 08-Sep-20 11:22 PM

i will talk with her
dont worry
just vent to me in here
just let her have a stream without the drama and let zemp be a simp

Sparbucks 09-Sep-20 03:31 AM

saika had an amazing stream, without you know
but we can vent together, remember that
she was very reluctant to do so but it worked out but you cant let a simp/piece of poop ruin that for her

ItsAHazardLife 09-Sep-20 07:58 AM

I know she would have an awesome stream with or without me. Thats never my concern when it comes to her streaming. She does amazing with it.

I just ended up watching tv and going to bed, cause I didn't feel like tolerating him at all.

Sparbucks 09-Sep-20 08:07 PM

and she gives him a stupid dog right off the bat

ItsAHazardLife 09-Sep-20 08:07 PM

yeeeeeeeeep

Sparbucks 09-Sep-20 08:08 PM

keeps giving him too much attention

ItsAHazardLife 09-Sep-20 08:08 PM

I agree

he made a comment "saika, I think your chat is punishing you for what you said about me"

Sparbucks 09-Sep-20 08:08 PM

yup

always gotta be about him

ItsAHazardLife 09-Sep-20 08:08 PM

Like not everything is about him.

Sparbucks 09-Sep-20 08:09 PM

but she keeps giving him the attention

i have told her not to do that

ItsAHazardLife 09-Sep-20 08:10 PM

I dont get it. I heard about her naming a dog after him from Zempel cause he said it in her chat before.

Sparbucks 09-Sep-20 08:10 PM

yeah i told her she shouldnt do it but did it anyway but its wehatever

ItsAHazardLife 09-Sep-20 08:10 PM

I'm just disappointed that she gives him the attention like this

my outfit makes me look like a knight... and my pupper is white.... I'm saikas white Knight

zempelSmug

ItsAHazardLife 10-Sep-20 07:23 PM

Below are the six different Treasure Vault Keys:

Devil's Ridge Stone/Silver/Gold Key

Uncharted Island (N13) Stone/Silver/Gold Key

Crescent Isle Stone/Silver/Gold Key

Crook's Hollow Stone/Silver/Gold Key

Mermaid's Hideaway Stone/Silver/Gold Key

ItsAHazardLife 10-Sep-20 10:18 PM

Just turned 2 right in front of my eyes

Sparbucks 10-Sep-20 11:29 PM

god
leave it to zemp to make everything awkward lol

ItsAHazardLife 10-Sep-20 11:34 PM

yea literally brought up Saika supposedly saying she'd bend him over.
Shouting out someone who Saika didn't ask to be shouted out.
Promoted his 24hr.

ItsAHazardLife 10-Sep-20 11:44 PM

for reading later. He feels like he is untouchable.

Sparbucks 10-Sep-20 11:52 PM

told you
he is a fucking weirdo
try not to speak for saika though

ItsAHazardLife 10-Sep-20 11:55 PM

the only thing close to speaking for saika is me just saying i've talked to her. So idk what else i said couldve been.
oh the last part I see it now

Sparbucks 11-Sep-20 12:03 AM

which last part?

ItsAHazardLife 11-Sep-20 12:05 AM

the saika see's through his bs

Sparbucks 11-Sep-20 12:10 AM

yeah

she will be triggered but ill talk to her

she needs to say something to him

ItsAHazardLife 11-Sep-20 12:11 AM

yeeeeep

Sparbucks 11-Sep-20 01:19 AM

you saw what zemp said to mock you right

ItsAHazardLife 11-Sep-20 01:21 AM

a little bit ago yea. I let it slide.

Sparbucks 11-Sep-20 01:44 AM

there will be an argument tonight

ill let you know how it is

Sparbucks 11-Sep-20 01:52 AM

i will be pretty hard with the convo

just fyi

ill let you know how it goes tomorrow

ItsAHazardLife 11-Sep-20 02:05 AM

She dm'd me after she called you im there saying we need to talk so we will see.

Sparbucks 11-Sep-20 02:06 AM

i think we all in some ways are in the wrong but she has to do something about zemp and quit sympathizing with him

but the stuff he has said to me, vs how he acts to her vs what he said to you

he is trying to manipulate her

ItsAHazardLife 11-Sep-20 02:07 AM

100%

Sparbucks 11-Sep-20 02:07 AM

he is taking advantage of her because saika never wants drama

ItsAHazardLife 11-Sep-20 02:07 AM

After i said she sees through your bs. His response was oh really?

I just muted him

Sparbucks 11-Sep-20 02:07 AM

he also in his dms he was speaking FOR saika
"she likes to do this" and etc

ItsAHazardLife 11-Sep-20 02:08 AM

Yea i saw that

Sparbucks 11-Sep-20 02:08 AM

hes not supporting her anymore, he got inside the circle and now is trying to take advantage of her

ItsAHazardLife 11-Sep-20 02:08 AM

Yep

Sparbucks 11-Sep-20 02:08 AM

he doesnt even do anything in her chat, he just causes drama, talks about himself and what hes doing
and uses his 'power' in her chat as leverage to network

ItsAHazardLife 11-Sep-20 02:08 AM

He did so on two people that rarely talk in her chat

Sparbucks 11-Sep-20 02:08 AM

he is not there anymore to help saika

ItsAHazardLife 11-Sep-20 02:09 AM

Yep i agree

Sparbucks 11-Sep-20 02:09 AM

he is there to help himself
but i will be talking to her very shortly

ItsAHazardLife 11-Sep-20 02:09 AM

Sounds good.

Sparbucks 11-Sep-20 02:09 AM

she will get pretty upset

ItsAHazardLife 11-Sep-20 02:09 AM

I know she will as well

Sparbucks 11-Sep-20 02:09 AM

tbh i think she needs to be just honest and seriously tell zemp to stop his stuff
but he will give her weird paragraphs
and try to manipulate

ItsAHazardLife 11-Sep-20 02:10 AM

Yea and its not fair to saika
She doesnt deserve it

Sparbucks 11-Sep-20 02:10 AM

he isnt supporting her, he is literally making her not want to stream out of being worried
and zemp should know better if he truly cared and just be like "ill back off" or "ill step down as mod" or something that literally fucking tells
her he actually is there to be a supportive friend

ItsAHazardLife 11-Sep-20 02:11 AM

Smh and i hate that she doesnt want to stream cause of it.

Sparbucks 11-Sep-20 02:11 AM

i mean saika has done nothing
trusted a dude who yeah
but i did call it and now we are here
shoulda been over when he went at me for no reason and tried his hardest to simp and turn her against me which didnt work
that shouldve been the BIGGEST red flag ever

ItsAHazardLife 11-Sep-20 02:12 AM

She hasnt done anything. He is literally taking advantage of her kindness.

Sparbucks 11-Sep-20 02:13 AM

yeah

ItsAHazardLife 11-Sep-20 02:13 AM

She is overly kind sometimes. But thats what we all love her for.

Sparbucks 11-Sep-20 02:14 AM

like it shouldve been obvious the 5+ times zemp has tried to go at me for no reason except for being her boyfriend

ItsAHazardLife 11-Sep-20 02:14 AM

I absolutely agree.

Y'all get some rest and ill talk to yall tomorrow

Sparbucks 11-Sep-20 10:24 AM

it wasnt too bad of an argument

i put stuff in perspective to her really well, she thought about it

ItsAHazardLife 11-Sep-20 10:25 AM

Sound good, glad it wasn't too bad.

I was worried especially with her being in pain last night.

Sparbucks 11-Sep-20 10:26 AM

most likely she will be cutting ties with zemp unless zemp chooses to finally stop his bullshit antics

i even put it into perspective to her how zemp used to talk and be supportive

and she even noticed now he isnt the most supportive and usually just talking about himself, trying to tell her they need to sail (and shitting on any mistakes any of us do) and causing internal drama between friendships

i also put it into perspective if someone were to treat her like that but try to be flirty/overly infatuated to me I would've shut that shit down a long time ago (like when zemp claimed i stole saika's content)

also how zemp is trying to control her content, if things dont go zemp's way he has an outburst and whines about stuff, no one else does that and how zemp is also using Saika and me as some weird scape goat/manipulation excuse to talk badly about me to others

he is actually using Saika as like "oh yeah Saika and I are really good friends but Spar is rude to her"

he even did that to you a bit

ItsAHazardLife 11-Sep-20 10:30 AM

I agree, he has this way of trying to put a wedge between people and it's just weird. The sad thing is he doesn't realize the friendships or relationships we all have with one another.

Sparbucks 11-Sep-20 10:30 AM

also I brought up the fact I have never had an outburst public about Zemp, it's always been Zemp shitting on me

the sad part is Zemp is hurting Saika the most

He is right in the front line of making her reluctant to stream

ItsAHazardLife 11-Sep-20 10:31 AM

100% agree, I was talking to Meagan about it today. I was like the sad thing is he is using her and essentially hurting her the most.

Sparbucks 11-Sep-20 10:31 AM

He doesn't need to do any of this

and he also is fucking weird

ItsAHazardLife 11-Sep-20 10:32 AM

He doesn't

Sparbucks 11-Sep-20 10:32 AM

like he told you to keep shit to DMs
then AFTER that he mocks you in her chat
it's fucked up
he also lied to Saika and I already know he did about why apparently he HAS to tell people about me and zemp
like why we cant play
he said basically to Saika "I have to tell people I can't play with spar because we dont see eye to eye and I have no idea why"
that is not what he has said to people lol
it's like a SUPER watered down version of it, again trying to manipulate Saika

ItsAHazardLife 11-Sep-20 10:33 AM

It's all a shame, when I saw him say that I was like I'm not giving him the satisfaction.

Sparbucks 11-Sep-20 10:33 AM

yeah
I also brought that up

ItsAHazardLife 11-Sep-20 10:34 AM

It is a watered down reason and with him knowing exactly why. It makes no sense to not just own up to it.

Sparbucks 11-Sep-20 10:34 AM

at the core it's pretty easy, we both want to be able to stream and play together (Saika and I) and not have someone who doesn't know us irl
cause a rift between our relationship
and the fact he has gotten this far the foot needs to come down

ItsAHazardLife 11-Sep-20 10:35 AM

100% agree

Sparbucks 11-Sep-20 10:35 AM

well he has told people significantly different stuff on 'why' when it comes to me and zemp
he has used saika as an excuse why, and also has tried to paint it as if im a mean dude who is rude to her and white knight simp bullshit

ItsAHazardLife 11-Sep-20 10:36 AM

Imfao that white knight comment had me laughing
when she yelled for you. I had a feeling Zemp probably sent her a long dm or somethign

Sparbucks 11-Sep-20 10:36 AM

basically yeah
she had a long thought after about the convo and she said she will probably have to cut ties with zemp

ItsAHazardLife 11-Sep-20 10:38 AM

When I brought up Zemp to her a couple weeks ago I said this to her "Love you, I just don't want to see you get mixed up in the shit he is stirring up. I know it's going to be no good."

I know Zempel's kind and can see through it within seconds.

Sparbucks 11-Sep-20 10:39 AM

yup

and now that hes in her circle of trust he is now trying to use her as an excuse and coming more off like he has power, its fucking weird

ItsAHazardLife 11-Sep-20 10:39 AM

I agree it's really weird.

He seems to feel untouchable everywhere he goes.
especially on twitch

Sparbucks 11-Sep-20 10:40 AM

i still think everything needs to be kept behind the scenes but zemp has been the one pushing shit publically and then it became a bigger problem when he has went to people about the bs

ItsAHazardLife 11-Sep-20 10:41 AM

yep and I feel bad for especially Emmy and Zahfer, cause they are apart of his Z-Squad. I just hope his actions don't mess with what they are trying to do

Sparbucks 11-Sep-20 10:41 AM

the zsqad is a product of when I chose to leave and not sail with zemp anymore because of the stuff
its his way to kind of get back at me

ItsAHazardLife 11-Sep-20 10:42 AM

It's his ego taking a stand.

Sparbucks 11-Sep-20 10:43 AM

basically trying to turn everyone against me

ItsAHazardLife 11-Sep-20 10:43 AM

yea and it's just plain dumb

Sparbucks 11-Sep-20 10:43 AM

yup

like adding his 'z' to the name lol

its like LOOK WE ARE FRIENDS, GIVe Me AtTeNtIoN

ItsAHazardLife 11-Sep-20 10:44 AM

zaika ziendis zhunder etc
it's just weird

Sparbucks 11-Sep-20 10:44 AM

very very

ItsAHazardLife 11-Sep-20 10:45 AM

Like why would you want to change your friends name to fit into your "squad" it just makes no sense

Sparbucks 11-Sep-20 10:45 AM

its cringey
also when he said to you its cringey for you to come into voice
like what?
that again is him whining about not having control over saika's content

ItsAHazardLife 11-Sep-20 10:47 AM

I agree, Saika is always happy when I pop in and even give yall servers. She's said it to me and she's even said I better not leave voice on multiple occasions.

Sparbucks 11-Sep-20 10:47 AM

i dont even know what zemp was talking about

ItsAHazardLife 11-Sep-20 10:47 AM

I know if yall didn't like it yall would have let me know.

Sparbucks 11-Sep-20 10:47 AM

i also told saika i cant goof around with her on her stream
because when i do zemp will make a big deal of it in her chat
"I cant listen right now getting a migraine" "these sounds just remind me of spars channel"
but you have kie playing a kazoo, throwing off loot constantly, lighting the boat on fire and etc
but that is fine to him

ItsAHazardLife 11-Sep-20 10:49 AM

yea and that stuff is more content ruining than you guys goofing around while sailing.

Sparbucks 11-Sep-20 10:49 AM

its just control/manipulation that he is trying to do
def sometimes where i feel like he has some mental illness

ItsAHazardLife 11-Sep-20 10:50 AM

I agree 100%

Sparbucks 11-Sep-20 10:50 AM

like something just isnt right in that regard

ItsAHazardLife 11-Sep-20 10:50 AM

It makes me feel like someone hurt him so bad that he has to control others.

Sparbucks 11-Sep-20 10:50 AM

yeah exactly

hence why he gravitates to female streamers and tries his hardest

ItsAHazardLife 11-Sep-20 10:51 AM

yep and Lux seems dope too so it kind of sucks for her.

Sparbucks 11-Sep-20 10:51 AM

yeah that is his bigggg goal there

you can tell

ItsAHazardLife 11-Sep-20 10:53 AM

Yea and his whole "zimpin aint easy" joke or not. Just shows how much he is trying to simp

Sparbucks 11-Sep-20 10:53 AM

yeah

ItsAHazardLife 11-Sep-20 10:55 AM

At the end of the day I don't want Saika to be scared to stream and I want to see her do some solo streams. I know she will do amazing.

Sparbucks 11-Sep-20 10:55 AM

yup thats the goal

just has to be careful on who she lets into her circle

ItsAHazardLife 11-Sep-20 10:57 AM

100% and I know it will be hard for her, but some people like Zemp will use her kindness against her.

Sparbucks 11-Sep-20 10:57 AM

and if she does cut ties you know zemp will go further with outbursts and saying stuff to people

ItsAHazardLife 11-Sep-20 10:59 AM

Yep 100% it would be in his character to.

He said that I have issues with a lot of people. I can't think of anyone I have issues with besides like Murder and Moe, but thats like nothing.

Sparbucks 11-Sep-20 11:01 AM

yeah i dont know

he embellishes shit, like exaggerates it to a ridiculous point

ItsAHazardLife 11-Sep-20 11:02 AM

Couldn't agree more

Sparbucks 11-Sep-20 11:10 AM

mythical wants to talk about it, wonder how he found out about the stuff

he prob saw it in saika's chat

ItsAHazardLife 11-Sep-20 11:16 AM

yea I have no clue, I havent said anything to him about it.

I know we were talking about sea of thieves stuff the other day.

Sparbucks 11-Sep-20 11:17 AM

well he is one of the people i have told about me and zemp

i also plan on telling mitch soon

ItsAHazardLife 11-Sep-20 11:18 AM

I feel like I might've mentioned Zemp and his command to him, but I don't remember.

I've seen people ask Mason when he's going to sail with yall again, but ldk if Al3x has gotten to him or not.

Sparbucks 11-Sep-20 11:20 AM

i dont think al3x really cares tbh

infact i talked to mason about al3x but im over that

apparently potentially tomorrow for his 24 hour

ItsAHazardLife 11-Sep-20 11:20 AM

sounds good. I think it would be fun

Sparbucks 11-Sep-20 11:21 AM

i wanna play with zahfer more but i know zemp talked to zahfer even though we still do talk here and there
i know zemp has tried to talk to like kie
and then you have buku and others
the dude gets around

ItsAHazardLife 11-Sep-20 11:22 AM

yea he gets around for sure. Zahfer is a good guy.
Kie wants just to do his thing and entertain people. He wants no part of it.

Sparbucks 11-Sep-20 11:22 AM

yeah i know

ItsAHazardLife 11-Sep-20 11:22 AM

Idk how buku would feel.

Sparbucks 11-Sep-20 11:23 AM

buku has talked to me

ItsAHazardLife 11-Sep-20 11:24 AM

So he gets what is going on.

Sparbucks 11-Sep-20 11:25 AM

buku also told saika (something im not suppose to know) that apparently "a lot" of people think im rude to Saika
that is what zemp said because he always uses the "a lot" to exaggerate
so its prob just a couple people
aka zemp
he tried to say that to buku at first
then buku talked with saika about stuff and realized zemp was just full of bs

ItsAHazardLife 11-Sep-20 11:27 AM

If you were rude to her would she really still be living with you almost a year later? I highly doubt it. So it's an obvious lie on his part.

Sparbucks 11-Sep-20 11:27 AM

i mean we both have moments of snapping at eachother yes
welcome to being in a relationship lol

ItsAHazardLife 11-Sep-20 11:27 AM

100% thats called being in a relationship

Sparbucks 11-Sep-20 11:27 AM

everyone and their significant other have snapping/disagreements
just mine if public
and zemp uses that as ammunition

ItsAHazardLife 11-Sep-20 11:27 AM

you wont always see things the same.

Sparbucks 11-Sep-20 11:28 AM

im sure kie and his gf have disagreements

ItsAHazardLife 11-Sep-20 11:28 AM

same

Sparbucks 11-Sep-20 11:28 AM

thats something that is new to me and how to go about handling it
when we have moments of disagreement and how best to handle it
disagreements on stream can paint a narrative for people like zemp

ItsAHazardLife 11-Sep-20 11:29 AM

I know Me and Meagan will eventually have disagreements. It will be about how to handle it with a level head

Sparbucks 11-Sep-20 11:29 AM

but the reality is we barely argue and have disagreements irl
yeah
unless i truly get out of line or saika it really isnt anyone elses business tbh
most people get that but people who gravitate to female streamers... they get weird

ItsAHazardLife 11-Sep-20 11:30 AM

100% agree
The disagreements you two have on stream are so minimal

Sparbucks 11-Sep-20 11:30 AM

i still get triggered with zemps comment of "its because the people you sail with never allow you off the ship"
"this next week you and me sloopin it up saika!"
like wtf
i get triggered at saika because she WONT leave the boat

ItsAHazardLife 11-Sep-20 11:31 AM

yea I know how you feel with that. She needs to get off the boat as much as anyone else.
Thats why I kick her off the boat and take wheel from her whenever we sail (edited)

Sparbucks 11-Sep-20 11:32 AM

yeah
same thing as saika wont stream without me
zemp just doesnt know this shit or doesnt want to believe it

ItsAHazardLife 11-Sep-20 11:33 AM

100% you're like Saika's safe haven

Sparbucks 11-Sep-20 11:36 AM

i wouldnt say that haha but its what makes her comfortable and baby steps to doing what she wants to do

ItsAHazardLife 11-Sep-20 11:38 AM

exactly and once she is comfortable on her own. She can do whatever she sets he mind to

ItsAHazardLife 11-Sep-20 01:53 PM

BoxyFresh - Some Good Sax To A Mistake

Watch BoxyFresh's clip titled "Some Good Sax To A Mistake"

Sparbucks 11-Sep-20 02:28 PM

Started a call that lasted 0 minutes.

ItsAHazardLife 11-Sep-20 02:29 PM

did you need me in a call?

Sparbucks 11-Sep-20 03:47 PM

on accident

ItsAHazardLife 11-Sep-20 03:47 PM

alright thats what I figured.

Sparbucks 12-Sep-20 01:42 PM

I told saika this but for the next month ill only be doing sloop on sot and limited people for others
Just fyi

ItsAHazardLife 12-Sep-20 01:43 PM

Sounds good

Sparbucks 12-Sep-20 01:44 PM

The drama stuff is dumb and im just going to do my thing and concentrate on ignoring the people who are invoking it

ItsAHazardLife 12-Sep-20 01:44 PM

I honestly don't blame you. To much dumb drama will hurt you guys.
and will hurt your content as well.

I won't lie I got soo tired of poking fun at SoT for all their mistakes lately I deleted 100% of my tweets on Twitter. Nothing remains for anything I accomplished unless it's something I was tagged in.

Sparbucks 12-Sep-20 01:53 PM

It has become evident that some people have mainly just just been trying to play/sway saika

And some of those people ive played with recently but i have to be there

Its hurt my content, causing a rift with my relationship and im just dealing with people that i have no obligation to deal with

And ya even ive gotten tired of poking fun at sot

ItsAHazardLife 12-Sep-20 01:59 PM

I just don't get why someone would want to interfere in someone else's life that could hurt them or their relationship.

Sparbucks 12-Sep-20 02:00 PM

Like another person who we have been sailing now has chimed in who clearly already took zemps side

And saidni have insecurities about zemp and aparently i have control issues

ItsAHazardLife 12-Sep-20 02:01 PM

It's always a risk playing with new people constantly.

Sparbucks 12-Sep-20 02:02 PM

So in the last year including peas i tried to kill my friend, i have stolen money, taken advantage of a disabled person, manipulated a disabled person, accused of saying the disabled oerson was faking it/wanted attention and now insecure about some dude in canada i dont even know and i have control issues

Yeah this is why people like pace are careful

Oh yeah i also abused a disabled person

Its ridiculous and i am just done with it

ItsAHazardLife 12-Sep-20 02:03 PM

Yea and I don't blame you guys for closing the circle up and keeping it small. Playing with only people in it.

Sparbucks 12-Sep-20 02:04 PM

Apparently everyone wants to be Dr. Phil to people they dont know because they have nothing better to do

ItsAHazardLife 12-Sep-20 02:06 PM

I'll never get why people do. I enjoy living my life to much and I keep my circle small because of everything in my past. I care about everyone in that circle and will always look out for them as well.

Sparbucks 12-Sep-20 02:07 PM

Same

It just blows my mind how close minded and out of touch of reality people can be
Like i dont just play video games irl, same with Saika

ItsAHazardLife 12-Sep-20 02:09 PM

None of us do, I am trying to rebuild my business daily. Play video games after.

Sparbucks 12-Sep-20 02:10 PM

And apparently if i ever disagree with saika about something on stream it means im rude, abusive and have control issues
According to a couple of dudes

ItsAHazardLife 12-Sep-20 02:13 PM

and Sadly that is just a small part of your relationship, not the big picture.

Sparbucks 12-Sep-20 02:14 PM

Yup

Its suppose to be fun, but you have vultures who want to make it overly complicated and personal

ItsAHazardLife 12-Sep-20 02:15 PM

Thats why people say your relationship can be out in the open, but you can keep everything about it private. Sadly it's hard when your lives are out in the open on streams

It's people that have images in their head and become infatuated to the point they see nothing else.

Sparbucks 12-Sep-20 02:16 PM

Exactly

My content has def hurt from all this too

Same with saikas

ItsAHazardLife 12-Sep-20 02:24 PM

It has and you can tell. I know Saika struggles when she isn't happy or is in pain. People come into your stream and consistently ask if she is going to stream. That alone brings vibes down just a tad, but also shows people want her to stream more.

and let alone due to Zempel spreading stuff I know you both most likely lost viewers and followers cause of it.

Sparbucks 12-Sep-20 02:25 PM

I dont think we have lost viewers/followers because we get more new people but def a couple people havw stopped engaging
Im just surprised zemp hasnt gotten the picture and keeps pushing
Like if i caused shit like that i would step back

ItsAHazardLife 12-Sep-20 02:27 PM

yea thats more what I mean people who strongly supported you stopped engaging.

Sparbucks 12-Sep-20 02:28 PM

Most people are still around but people like zahfer and a couple def havent been around

ItsAHazardLife 12-Sep-20 02:28 PM

I know I would've stepped back. I'd be like alright I understand and worse case walked away if it was too much.
I know I've seen like Zahfer Emmy in Saika's. Mostly in Zempel is around.

Sparbucks 12-Sep-20 02:29 PM

Yeah
I never really new emmy tho
Knew*
I will need your help tho
We gotta try our hardest not to react publically about zemp
Just dm me
Let him be a piece of shit and we can show examples

ItsAHazardLife 12-Sep-20 02:33 PM

Yea Emmy is awesome but is entangled with them.
I will do my best. I know Saika is trying to figure things out with how to handle Zemp. If he comes into chat I'll just ignore him from now on.

Sparbucks 12-Sep-20 02:35 PM

Shes really reluctant to stream, she wont this week tho cuz she is on her period

ItsAHazardLife 12-Sep-20 02:36 PM

yea she texted me a about 40 minutes ago, she told me she wasnt feeling good.

Sparbucks 12-Sep-20 02:37 PM

Weird when i was home she wasnt awake lol

ItsAHazardLife 12-Sep-20 02:37 PM

she just woke up around then "Just waking up, not feeling well and Brandon isn't here sadly. He is out for his walk"

so I'd definitely check to see if she needs anything brought home for sure

Sparbucks 12-Sep-20 02:38 PM

Yeah im back to doing my morning walks
Yeah she just texted

ItsAHazardLife 12-Sep-20 02:38 PM

I need to do the same, been talking about it just never acted on it cause of work.

Sparbucks 12-Sep-20 02:39 PM

I used to walk 5+ miles everyday for years

ItsAHazardLife 12-Sep-20 02:40 PM

I used to walk 10k steps a day and now it's next to nothing

Sparbucks 12-Sep-20 02:40 PM

Yeah it happens
My shins and ankles are freaking out

ItsAHazardLife 12-Sep-20 02:40 PM

I can believe it
Things will work itself out slowly and surely it will just take a little bit of time.

Sparbucks 12-Sep-20 02:44 PM

Yeah just need to stop trying to sail with everyone esp for me and people i dont really know

ItsAHazardLife 12-Sep-20 02:45 PM

exactly, you will never be able to please everyone. It's always best to work on making you and your significant other happy before anyone else.

Sparbucks 12-Sep-20 02:46 PM

Yup

Sparbucks 13-Sep-20 03:16 AM

among us?

Sparbucks 14-Sep-20 12:46 PM

Why did he run

ItsAHazardLife 14-Sep-20 12:48 PM

he ran cause he stole 5 GH vaults and didn't want to fight them again. Took them through the ghost fleets and fled

Sparbucks 14-Sep-20 12:48 PM

Did he steal them from luna and them?

ItsAHazardLife 14-Sep-20 12:48 PM

yea

Sparbucks 14-Sep-20 12:48 PM

Interesting

ItsAHazardLife 14-Sep-20 12:49 PM

yea caught them off guard 100%

Sparbucks 15-Sep-20 03:26 AM

you there

ItsAHazardLife 15-Sep-20 06:36 AM

Just waking up

Sparbucks 15-Sep-20 01:25 PM

wanna see something funny

ItsAHazardLife 15-Sep-20 01:25 PM

of course

Sparbucks 15-Sep-20 01:25 PM

this is zemps attempt to talk to me (saika told him to try to talk to me)

lol

ItsAHazardLife 15-Sep-20 01:28 PM

Thats just like I dont care about you, but I want to be civil because of Saika

I don't get him

why did Saika tell him to talk to you?

Sparbucks 15-Sep-20 01:29 PM

this was before

like when you guys were going at it and she messaged him to stop and try to talk it out at the end of the night
so this was his attempt

ItsAHazardLife 15-Sep-20 01:30 PM

ahhhhh gotcha

Sparbucks 15-Sep-20 01:30 PM

literally the worst attempt to talk to me lol

ItsAHazardLife 15-Sep-20 01:30 PM

100% agree

Sparbucks 15-Sep-20 01:31 PM

tried to even talk like he knows me, literally seems like dexter morgan lol
quite creepy

ItsAHazardLife 15-Sep-20 01:32 PM

I agree it's just odd to me

Sparbucks 15-Sep-20 01:32 PM

'you can't stand when someone takes a different stand point from yourself'

he is referring to when we had disagreements about arena

therefor because of one conversation he knows my whole life mentality, thoughts and who I am lol

comes off as someone who struggles with mental health

ItsAHazardLife 15-Sep-20 01:34 PM

It seems like it to me.

Sparbucks 15-Sep-20 01:34 PM

that conversation about arena was literally the first time i also talked with zemp

but i did not respond and blocking him

trying to convince saika to stream tonight

ItsAHazardLife 15-Sep-20 01:34 PM

which it's funny cause Arena is a tdm fest last

Sparbucks 15-Sep-20 01:34 PM

so trying hardest with nerw approach to avoid as much conflict as possible

ItsAHazardLife 15-Sep-20 01:34 PM

how is she feeling today?

Sparbucks 15-Sep-20 01:34 PM

she is feeling better

struggled a bit to fall asleep last night a bit

ItsAHazardLife 15-Sep-20 01:35 PM

I could tell she struggling last night

Sparbucks 15-Sep-20 01:37 PM

when she is on her period its no joke

ItsAHazardLife 15-Sep-20 01:38 PM

yea I can tell

I know she is trying to figure things out to get Zempel under control, but I don't know if he can be controlled. It will always be how he wants things done.

Sparbucks 15-Sep-20 01:39 PM

for now atleast try the hardest to make it calm down

and yeah

zemp just reached out to me

and said fuck you, i want to play with saika but im only doing this for that reason

but then tried to do some voodoo reverse thing to make it seem like its all my fault

im continuing with my new approach and i think it will work pretty well

ItsAHazardLife 15-Sep-20 01:41 PM

Sounds good

I'm just going to leave stream.

I tried watching Zahfer, but then he joined Kie and Zempel. Emmy made a command !zsquad with it saying zsquad for life.

Sparbucks 15-Sep-20 01:42 PM

i dont mind that zsquad stuff

the other people havent done anything

and they dont really know the full details

and trust me i cringe when i hear 'zsquad'

ItsAHazardLife 15-Sep-20 01:45 PM

It was started by Zempel. I have no problem with Zahfer or emmy. It's just cringe and show Zempel's ego

Sparbucks 15-Sep-20 01:45 PM

i know

better approach is just realize and focus on zemp being the problem

ItsAHazardLife 15-Sep-20 01:46 PM

true

Sparbucks 15-Sep-20 01:46 PM

essentially what saika should do is stop giving attention, hard for her because she is a sweet heart

but i told her its possible for her to be friends with him

but its going to take slight ghosting

if she doesnt give him what he wants, he will try to push but over time he will start to give up

ItsAHazardLife 15-Sep-20 01:47 PM

yea and I know it will always be hard for her.

It will also take time more than anything.

Sparbucks 15-Sep-20 01:48 PM

yeah

he will press her and try to convince her and etc

but if she just puts up the hand, slight ghost

it would supress the drama and blow over

hard thing is zemp is trying to get attention by having his outbursts

and i think we are giving him too much attention

let him do his thing, dont give him attention because he uses our responses as his ammo

ItsAHazardLife 15-Sep-20 01:51 PM

hopefully, I will do my best to not say anything. It will always be easier when I can just go to another stream.

Sparbucks 15-Sep-20 01:52 PM

yeah

just vent to me in DMs

ItsAHazardLife 15-Sep-20 01:53 PM

yea its going to be interesting for sure.

ItsAHazardLife 15-Sep-20 08:15 PM

you know how Rare said they fixed spawning in or next to a ship?

Sparbucks 15-Sep-20 08:16 PM

i thought they said they are looking into it

ItsAHazardLife 15-Sep-20 08:16 PM

They said I legit spawned right next to them
I couldve swore they said they fixed it last update
ok no youre right, it's under known issues.

Sparbucks 16-Sep-20 07:25 AM

lots of fun you and meg are friggin awesome ♥

ItsAHazardLife 16-Sep-20 07:26 AM

Yea it was a ton of fun. Glad i woke up. Though sleep schedules lol

Sparbucks 16-Sep-20 07:26 AM

its a really good game with right people
i think you and meg, todd luna, saika me and others
will be fun as hell

ItsAHazardLife 16-Sep-20 07:33 AM

100%

Sparbucks 16-Sep-20 07:33 AM

get pocket in it too lol
myth and like mitch and hugbot

ItsAHazardLife 16-Sep-20 07:34 AM

Yea those would be hella fun

Sparbucks 16-Sep-20 07:35 AM

gonna pass out here, thanks for making it so much fun tonight

ItsAHazardLife 16-Sep-20 07:36 AM

No problem. Get some rest

Sparbucks 16-Sep-20 07:36 AM

saika had a great stream, I literally begged her to stream tonight and she had a blast
couldnt of done it without you guys

ItsAHazardLife 16-Sep-20 07:37 AM

Yea idk why she struggles so much to her started when she obviously had people that watch and care about her

Sparbucks 16-Sep-20 07:38 AM

well
the stupid drama
we talked about it

ItsAHazardLife 16-Sep-20 07:38 AM

Yea i get that

Sparbucks 16-Sep-20 07:38 AM

and i begged her to just stream even with the stupid drama and kill it
and ... she killed it lol
and she had a blast

ItsAHazardLife 16-Sep-20 07:39 AM

She did amazing

Sparbucks 16-Sep-20 07:39 AM

that is because of all of yall
thank you

ItsAHazardLife 16-Sep-20 07:39 AM

I do what i can.

Sparbucks 16-Sep-20 07:39 AM

thank you so much

ItsAHazardLife 16-Sep-20 07:40 AM

Yall get some rest. Ill probably dm saika later about a couple discord things

Sparbucks 16-Sep-20 07:40 AM

for sure have a good one

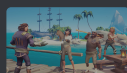

ItsAHazardLife 17-Sep-20 01:16 PM

ItsAHazardLife 18-Sep-20 01:56 AM

Buku was the one that dm'd me about them being in the server and in stream.

ItsAHazardLife 18-Sep-20 05:19 PM

I know you're trying to stay sloop for a while, but with this weekend shaping up to be super spicy with a bit of stacks and alliances. You might want to consider running brigs/galleons. Today has already been spicy and hopping is almost server after server something is going on.

Sparbucks 18-Sep-20 05:43 PM

hmm

ItsAHazardLife 18-Sep-20 05:44 PM

Just something to consider.

ItsAHazardLife 20-Sep-20 04:43 AM

Kie keeps saying on his stream he is too far gone from drinking

Sparbucks 20-Sep-20 04:50 AM

i know
we noticed
its what it is

Sparbucks 20-Sep-20 05:13 AM

saika is pissed about something
im not sure so ima call it

ItsAHazardLife 20-Sep-20 05:19 AM

thats not good at all.

ItsAHazardLife 20-Sep-20 08:04 AM

f'n sandy in Saika's chat

ItsAHazardLife 20-Sep-20 09:12 AM

LD did the keg thing on AI3x and he got banned

Sparbucks 20-Sep-20 09:13 AM

lol of course

Sparbucks 20-Sep-20 09:27 AM

is that what Id's tweet was about?

ItsAHazardLife 20-Sep-20 09:27 AM

yea

LDsylvrYesterday at 10:25 AM

Wish I had the clip of AL3X, but he banned me immediately. I guess some people can't take the joke.

Sparbucks 20-Sep-20 09:34 AM

sad

Sparbucks 21-Sep-20 09:39 PM

wanna

see something that hurts lol

ItsAHazardLife 21-Sep-20 09:39 PM

sparbucks - Mega Clown Car, Mega Loot, Mega Kills

Watch sparbucks's clip titled "Mega Clown Car, Mega Loot, Mega Kills"

i did not realize this gally had 3 athenas

not even my chat realized it lol

ItsAHazardLife 21-Sep-20 09:41 PM

Wtf yea you can see them too

Sparbucks 21-Sep-20 09:43 PM

lol yup

ItsAHazardLife 21-Sep-20 09:43 PM

That was the reaper 5 that was doing events at shipwreck. Had like 8+ people on it and were allieded. No wonder why the alliance was protecting them so much

Sparbucks 21-Sep-20 09:43 PM

i woulda played it completely diff
i woulda tuced on the boat
and made it where we hit when vulnerable
but this is a perfect example why res is fucking dumb
I killed so many people but they kept resing

ItsAHazardLife 21-Sep-20 09:44 PM

100% agree

Sparbucks 21-Sep-20 09:44 PM

1 res then you should have to go to the ferry

ItsAHazardLife 21-Sep-20 09:45 PM

Res is just op and especially with alliances it makes them too powerful

Sparbucks 21-Sep-20 09:45 PM

and you shouldnt be able to res your alliance

ItsAHazardLife 21-Sep-20 09:45 PM

I agree
But they don't see it as a bad thing so the game and players get screwed
I just hope they fix things soon

ItsAHazardLife 22-Sep-20 12:05 AM

why I think this game should not have limited time items.....
Skelly Pets

A spooky, scary Skeleton Alsatian and Mau are now available from the Pirate Emporium, **along with the returning Skeleton Macaw and Marmoset**. All are time-limited for the duration of the Fate of the Damned update.

Sparbucks 23-Sep-20 11:05 PM

we just sank riskyrob lol

ItsAHazardLife 23-Sep-20 11:59 PM

yea let's just say he doesn't look happy

Sparbucks 24-Sep-20 06:31 AM

Saika and i just had a pretty big argument

ItsAHazardLife 24-Sep-20 06:31 AM

About what?

Sparbucks 24-Sep-20 06:32 AM

More about zemp stuff

I got a weird message from someone

But outside of that saika had told me tonight was riskyrob server we were on

As i was going there and it was going to be a hit/shit and get out of the server

But buku didnt listen then saika joined him because i apparently 'left buku'

But we sank rob, was good but then i saw zemp in riskyrobs chat

Zemp knows everything about rob and saika mostly but why the fuck was he in robs chat

ItsAHazardLife 24-Sep-20 06:35 AM

Jeeze i reviewed robs vod and didn't see him in there but i did skip around. Zemp is on Coops stream team and so is Rob

Sparbucks 24-Sep-20 06:35 AM

Yeah

ItsAHazardLife 24-Sep-20 06:35 AM

So i would assume something to do with that

Sparbucks 24-Sep-20 06:36 AM

But why would zemp be in robs chat

End of my stream saika was kinda snapping at me, i snapped back too a bit

But she kept saying my nap

Name

ItsAHazardLife 24-Sep-20 06:36 AM

Zemp is only in peoples chat for his gain

Sparbucks 24-Sep-20 06:37 AM

I asked if mitch could have the athena(last one) and again she was like no

And ya i agree

ItsAHazardLife 24-Sep-20 06:37 AM

From the start she kind of had a weird attitude tbh

Sparbucks 24-Sep-20 06:37 AM

Mitch has messaged me about when i offer the athena to mitch saika snaps

Its kinda weird tbh

But she kinda kept yelling my name and i was always doing something and i just decided to end stream

And ya her attitude today was weird but i know she wanted to stream

But then i told her about the message i got about zemp and zemp being in robs chat

The message i got from someone was apparently saika only wants to talk to zemp via voice when im on my walks because i yell at her (zemps words)

Its not actually what saika said

But he twisted what she said to zemp cuz zemp said to saika that they need to have a 'serious conversation'

ItsAHazardLife 24-Sep-20 06:43 AM

I know Saika is tired of everything dealing with Zempel and doesnt want it something that bothers you.

Sparbucks 24-Sep-20 06:43 AM

she still sympathizes with him a lot

ItsAHazardLife 24-Sep-20 06:44 AM

I dont get why

Sparbucks 24-Sep-20 06:44 AM

i have tried

like eveyrthing

ItsAHazardLife 24-Sep-20 06:45 AM

But if he is doing that, that is image ruining..... and literally could not only effect your life but your career streaming.

I dont get why Saika wants him around. I just dont

Sparbucks 24-Sep-20 06:45 AM

i told her she just needs to tell him now is not the time

and let it sit

i dont as well

ItsAHazardLife 24-Sep-20 06:47 AM

Im seeing Zempel around in more chats lately and im tolerating him.

Sparbucks 24-Sep-20 06:47 AM

same
but like so manipulating
with the serious talk about saika myself and zemp
I DONT KNOW THE DUDE
why out of the thousand people i have met
i have to talk with this dude or interact

ItsAHazardLife 24-Sep-20 06:48 AM

100% agree, why did it come this way.

Sparbucks 24-Sep-20 06:49 AM

she doesnt even know his name
she knows nothing about him
and he knows nothing about her

ItsAHazardLife 24-Sep-20 06:49 AM

Its weird in my opinion.

Sparbucks 24-Sep-20 06:49 AM

like if there is something i am missing
i would like to know lol

ItsAHazardLife 24-Sep-20 06:50 AM

He whipped up this imagination of them or something

Sparbucks 24-Sep-20 06:50 AM

she can still be friends aka acquittance with him
but stop giving him the attention it is manipulating her for
he messaged her saying "we need to have a serious conversation"
like WHY lol
just say "now is not the time"
but why the fuck would a person who is SUPPOSED to be your friend be in robs channel in chat when he KNOWS he abused her
and why is he trying to manipulate her words and trying to say i am yelling at her and she can only talk to people when im on my walk
like even I knew that was bullshit

ItsAHazardLife 24-Sep-20 06:52 AM

The question is why the hell is he saying they need to have a serious conversation in the first place.

Sparbucks 24-Sep-20 06:52 AM

EXACTLY. THANK YOU.
like WHY
i feel bad cuz i got a bit triggered towards end of my stream with her because I could tell she was frustrated

ItsAHazardLife 24-Sep-20 06:53 AM

Like that is him wanting her attention and a way for them to talk or something

Sparbucks 24-Sep-20 06:53 AM

and when she gets frustrated she will say my name over and over in game
i think some of it was she wanted to stream but she is having PC issues
i know i got a bit agitated and that is my bad

ItsAHazardLife 24-Sep-20 06:54 AM

Yea which I'm hoping you can figure out today

Sparbucks 24-Sep-20 06:54 AM

but i got super triggered about the zemp stuff

ItsAHazardLife 24-Sep-20 06:54 AM

I dont blame you

Sparbucks 24-Sep-20 06:54 AM

i went back to look at robs vod and yeah zemp was in there
for someone that is your good friend and looking out for you
why would he be in the shittiest persons chat during a fight with me
we also had a big convo 3 days ago with cj about rob as well

ItsAHazardLife 24-Sep-20 06:55 AM

and what was CJs response to it?

Sparbucks 24-Sep-20 06:56 AM

he had no idea and it was a really awesome convo
he cant 'cancel' rob innitially
but he def saw a lot of the stuff we were saying
it was a conversation basically why we cant be around as much as we want to because cj is like the nicest dude
but its not just that
she went for a 'walk' and is saying she is going to move out over this shit
that is how bad it is

ItsAHazardLife 24-Sep-20 06:58 AM

Its just weird Rob and now Zempel are on Coop's stream team. Ive never understood coop, but he is a wild card and brings people to his team that are questionable.

Sparbucks 24-Sep-20 06:59 AM

i have tried to explain how to deal with this to her, and at this point its up to her
out of the hundred/thousand people we have met i dont know why a dude from canada seems to be the biggest variable

ItsAHazardLife 24-Sep-20 07:00 AM

Thats not good if she is saying she is going to move out cause of this stuff

Sparbucks 24-Sep-20 07:00 AM

ive definitely been vocal about him and have told her if anyone did this vice versa i wouldnt stand for it
just i dont know dude
ive tried everything

ItsAHazardLife 24-Sep-20 07:01 AM

why is this dude about to wreck yall relationship.... why is she letting it happen?

Sparbucks 24-Sep-20 07:01 AM

ever since zemp as well its been hard to casually just play
i dont think its just zemp
but he was def the trigger
even buku hasnt helped

ItsAHazardLife 24-Sep-20 07:02 AM

Nobody would stand for his actions.

Sparbucks 24-Sep-20 07:02 AM

but buku is awesome but he is all over the place

ItsAHazardLife 24-Sep-20 07:03 AM

Yea he is.

Sparbucks 24-Sep-20 07:03 AM

but with zemp 1000000000000% if it was a girl being like that with me and trying to get between saika
i would tell them to literally fuck off

ItsAHazardLife 24-Sep-20 07:04 AM

Nobody's attention or friendship would matter if they were trying to cause friction in a relationship

Sparbucks 24-Sep-20 07:04 AM

and why would zemp be in riskyrobs chat
during a battle with me
i put it in perspective to her

a dude that LITERALLY abused her
and zemps eboner/hatred for me he even has no shame to be in the chat of a dude multiple people know is a piece of shit

ItsAHazardLife 24-Sep-20 07:05 AM

Cause my bet is he recognized rob while watching Buku and jumped over there

Sparbucks 24-Sep-20 07:05 AM

i dont give 2 fucks if zemp hates me, we dont even need to talk or associate with eachother
yeah
i wanted to sink rob then move on
but they kept in it
if it was me and saika rob woulda never sank saika twice
and buku's friend joined rob
literally its shit content
its why pace/cobbobles/rob leave servers

ItsAHazardLife 24-Sep-20 07:06 AM

Yea it wouldve been the smart call
Why is buku's friend even joining rob?
Like that doesn't make sense

Sparbucks 24-Sep-20 07:07 AM

I dont know
i try my hardest to watch out for content
staying on that was a BAD call

ItsAHazardLife 24-Sep-20 07:09 AM

100%. Buku was able to join in at any time. I even offered to swap to Buku's but Saika was like no.

Sparbucks 24-Sep-20 07:09 AM

Buku is a great person
but he does not help anything
at all
he sides with zemp
he has said weird shit about me
i dont try to hold it against him but i also know he has a rough mental state which he is vocal about

ItsAHazardLife 24-Sep-20 07:11 AM

Its a shame to me. I feel like there are a few people that are close that are listening to Zemp's side and taking his side.
He will never own up to anything he caused and will just continue to put a wedge inbetween you and Saika.

Sparbucks 24-Sep-20 07:12 AM

just sucks because saika was just at the point of being comfortable to streaming again
i know buku is on zemps side

i dont want to sail with people who want to make playing games/having fun more than a game
ive tried with my content i tried explaining it with saika
and we are or were very serious about saika and myself being on a sloop 90% of the time because of it
but i do think our content is the best when we are slooping

ItsAHazardLife 24-Sep-20 07:14 AM

And right now its looking like she is becoming pushed far away and doesn't even want to do something she loves cause of it.

Sparbucks 24-Sep-20 07:14 AM

and we both have the most fun
everytime we sloop it up we have so much fun, EVERYTIME
but she has tried to have like buku/zemp join
and it always goes sour

ItsAHazardLife 24-Sep-20 07:15 AM

Yea yall seemed to have a ton of fun on just sloops.

Sparbucks 24-Sep-20 07:15 AM

like buku will afk/not be on helm EVER

ItsAHazardLife 24-Sep-20 07:15 AM

I was surprised yall had Buku with yall tonight

Sparbucks 24-Sep-20 07:15 AM

when we have people like that at some point saika will get frustrated
and i get that
but she will take that out on me eventually
she wont call out other people though

ItsAHazardLife 24-Sep-20 07:16 AM

which she shouldn't, she should recognize it and tell her this is a reason sailing with this person wont work.

Sparbucks 24-Sep-20 07:16 AM

buku is decent at pvp
but like
he is kinda like kie
but kie is actually OP as fuck when not drunk at pvp

ItsAHazardLife 24-Sep-20 07:17 AM

But she is to nice of a person to push people away

Sparbucks 24-Sep-20 07:17 AM

but Buku is extremely emotional

ItsAHazardLife 24-Sep-20 07:18 AM

Yea kie not drunk vs drunk with pvp is very noticeable

Sparbucks 24-Sep-20 07:18 AM

yeah lol

but atleast kie just likes to have fun

buku and zemp though (more zemp) they are like the dr phil of the seas

ItsAHazardLife 24-Sep-20 07:20 AM

Lol they like to stir trouble is what im hearing.

Sparbucks 24-Sep-20 07:20 AM

ya

like we sank earlier

it dont mean i go behind your back or you go behind mine (edited)

and take shit personally

ItsAHazardLife 24-Sep-20 07:21 AM

To me its a game, after we sank.... im just more upset with the state of the game than anything

Sparbucks 24-Sep-20 07:21 AM

ya

but saika should know right away with rob/zemp

the fact zemp went into his chat

ItsAHazardLife 24-Sep-20 07:22 AM

There was nothing me or you could have done

Sparbucks 24-Sep-20 07:22 AM

that should be enough for saika

ItsAHazardLife 24-Sep-20 07:22 AM

I agree zemp being in Robs chat is not good and should be a red flag.

Sparbucks 24-Sep-20 07:22 AM

but just this weird fucking void where she like no matter what sympathizes whatever he does

ItsAHazardLife 24-Sep-20 07:23 AM

I dont get it and will never get it.

She should have to tolerate or sympathize with his actions.

Sparbucks 24-Sep-20 07:24 AM

just needs to seriously tell him CHILL

no one else does the shit he does

and the thing that sucks about the rob shit

is saika was like afk/not ready

and i couldnt tell buku to leave

i would've loved NOTHING MORE

than to shit on rob with saika and myself

but i cant tell him to leave in that situation

ItsAHazardLife 24-Sep-20 07:26 AM

He is old enough to know better but instead of her pushing him away.... he is just being a constant interference. And the only outcome with with everything he is doing is bound to separate you two.

Which to me is not a good thing at all

Sparbucks 24-Sep-20 07:26 AM

yeah

ItsAHazardLife 24-Sep-20 07:26 AM

She just has to see it somehow

Sparbucks 24-Sep-20 07:26 AM

keep this between us and i will have to go to sleep soon

buku said some WEIRD shit about me

he said im 'insecure about zemp' and "spar has control issues"

and he also said he thinks you joining our voice about servers is "cringey" and agrees with zemp

and i also dont think he knows what cringey means

ItsAHazardLife 24-Sep-20 07:27 AM

Which i dont get why.

Sparbucks 24-Sep-20 07:28 AM

saika said she doesnt as well

its fucking weird

buku is incredibly emotional and unstable about not having growth with his stream/channel analytics

ItsAHazardLife 24-Sep-20 07:28 AM

Like Saika is happy when im in vc and has told me in the past i better stay in vc

Sparbucks 24-Sep-20 07:28 AM

he is definitely a really good dude
but i dont want him part of my content if that makes sense
my content = just trying to have a good time with everyone

ItsAHazardLife 24-Sep-20 07:29 AM

A good dude but he definitely needs to not focus on numbers and just enjoy his streams.
Enjoy the content being created.

Sparbucks 24-Sep-20 07:30 AM

but he has strong weird opinions about stuff that even for me rubbed the wrong way
saika and myself are at our best on a sloop and its not even close
also with kie
or having like universerob/grams/happy
even with you i am absolutely not talking down to you

ItsAHazardLife 24-Sep-20 07:30 AM

I agree

Sparbucks 24-Sep-20 07:31 AM

otherwise i wouldnt be talking to you lol
but i feel like you the only one that i can really vent to
this sucks man
its the dumbest thing in the world

ItsAHazardLife 24-Sep-20 07:31 AM

It does suck in my opinion.

Sparbucks 24-Sep-20 07:32 AM

and its so easy to solve.
like im getting a ton of growth and saika is getting even more

ItsAHazardLife 24-Sep-20 07:32 AM

I actually agree and its simple. She needs to tell him to chill and if he doesnt there is no room for him in her life.

Sparbucks 24-Sep-20 07:33 AM

and the fact you have 2-3 people out of the 100/1000 we have met causing a rift
and yeah i agree [@ItsAHazardLife](#)

ItsAHazardLife 24-Sep-20 07:33 AM

Its just sad and pathetic

Sparbucks 24-Sep-20 07:33 AM

but i dont know what the fuck it is about zemp

ItsAHazardLife 24-Sep-20 07:34 AM

Like i know she is struggling and i can tell.

Ill never get why she wants Zemp around.

The only thing i can think of is sometimes abused people feel safer in that state. Zemp manipulating her is a form of an abusr.

So there is a chance after what rob did that zemp is using whst happen to get in. Now that he is in, she is having a hard time wanting to push him away.

Cause of things that happened in the past.

It will take Saika saying enough is enough to push Zemp away.

Sparbucks 24-Sep-20 08:45 AM

we had a big convo

things are okay for now ill let you know tomorrow

thanks for always being there i know this shit is stupid

ItsAHazardLife 24-Sep-20 08:47 AM

I know yall got this. Get some rest

ItsAHazardLife 25-Sep-20 01:24 AM

red at shipwreck is slightly moving

Sparbucks 25-Sep-20 01:56 AM

saika has now discovered zemp followed riskyrob a month ago and zahfer about the same time and realizing stuff fyi

ItsAHazardLife 25-Sep-20 02:03 AM

Yikes so hes been following him for a hot minute

Sparbucks 25-Sep-20 09:54 AM

he followed riskyrob and so did zahfer AFTER saika told them about his abuse towards her
so yeah

and zemp unfollowed me because i 'stole content' from saika

she def realizing shit which is good but a process

she also told him off and she said she is done btw

ItsAHazardLife 25-Sep-20 01:00 PM

Zempel: 1 month, 1 day

Zahfer: 5 months, 1 week

Buku: Not Following

Kiendis: 1 year, 4 weeks

Those are when each of them followed RiskyRob

It's definitely going to be a process and there will probably be some backlash

Sparbucks 29-Sep-20 05:24 AM

thanks for joining btw

ItsAHazardLife 29-Sep-20 05:38 AM

Its no problem. It was fun

Thanks for having me

Sparbucks 29-Sep-20 05:39 AM

it was hard to get organic solo battles, it kinda sucked

but still was fun

ItsAHazardLife 29-Sep-20 05:39 AM

Yea its crazy hard and today being slow on top of it didnt help

Sparbucks 29-Sep-20 05:39 AM

nearly everyone ran

except the sloop once but then they ran

ItsAHazardLife 29-Sep-20 05:40 AM

Is like even to do solo you need to grab a semi spicy server from someone

yea that sloop made no sense to me

Sparbucks 29-Sep-20 05:40 AM

i was hoping to get a better battle

just didnt happen

ItsAHazardLife 29-Sep-20 05:41 AM

Yea its how you get better

ItsAHazardLife 29-Sep-20 12:13 PM

kaidawrath - Should've been caught

Watch kaidawrath's clip titled "Should've been caught"

ItsAHazardLife 30-Sep-20 07:36 PM

"she also told him off and she said she is done" - first stream she comes back he is in her chat. Doesn't her saying she is done typically he should be unmodded and he wouldn't come around?

Sparbucks 30-Sep-20 09:18 PM

i havent talked about zemp in a while with her tbh
avoiding it but
i know he is still trying to talk to her

ItsAHazardLife 30-Sep-20 09:19 PM

smh is all I can say.

Sparbucks 30-Sep-20 09:23 PM

i mean its expected come on lol

ItsAHazardLife 30-Sep-20 09:23 PM

I know it's expected. It's just sad, kind of pathetic in my opinion

ItsAHazardLife 01-Oct-20 04:10 AM

Welp that was interesting

Sparbucks 01-Oct-20 04:11 AM

honestly that was awesome server
just some stuff
that triggered me but i need to be better

ItsAHazardLife 01-Oct-20 04:13 AM

Was a shit show. Then i found a another shit show. Stole it with bruno. Bruno finds your server all while i found another shit show server lol.

Sparbucks 01-Oct-20 04:13 AM

lol
it was amazing tbh
just a lil disapointed with saika saying she was gonna raid zemp but

ItsAHazardLife 01-Oct-20 04:13 AM

We all get triggered at things with this game.

Me too

Sparbucks 01-Oct-20 04:13 AM

i need to let that shit go

ItsAHazardLife 01-Oct-20 04:14 AM

I just have no words for it.

Sparbucks 01-Oct-20 04:14 AM

i dont think tonight was as bad

but like

i predicted

ItsAHazardLife 01-Oct-20 04:14 AM

If she told him off why is she turning around and giving him attention

Ill just never get it.

Sparbucks 01-Oct-20 04:15 AM

even though zemp was like "i am taking a break from your stream" and saying this shit to saika
hes all talk and a creep and a weirdo

i predicted all that

ItsAHazardLife 01-Oct-20 04:15 AM

Yep

Sparbucks 01-Oct-20 04:15 AM

its not saikas fault

this is her first stream in a week

ItsAHazardLife 01-Oct-20 04:16 AM

Its not her fault at all

Sparbucks 01-Oct-20 04:16 AM

im proud of her but its dumbass dude who she and myself dont know trying to take advantage of her being a nice person
but i predicted ALL of this

but we both had great streams

i dont want arguments tonight

ItsAHazardLife 01-Oct-20 04:16 AM

Yea i 100% agree and it hurts me that she is going to allow it
100% it was awesome streams on both sides

Sparbucks 01-Oct-20 04:17 AM

if you notice zemp is streaming more now
and when saika dont raid him or give him attention
he always makes sure to make a scene
i actually think saika didnt give him much attentiion tonight and she did great
but i got triggered a bit when she said she was gonna raid him

ItsAHazardLife 01-Oct-20 04:18 AM

Yea and its funny hes on coops and cjs stream team
I was shaking my head when she said that.

Sparbucks 01-Oct-20 04:18 AM

yeah
i know what we have to do
and i know majority of us streaming needs to be and saika
along with community/friend nights
she knows it too

ItsAHazardLife 01-Oct-20 04:19 AM

100%

Sparbucks 01-Oct-20 04:19 AM

its more of breaking friends hearts
but this is something that will make us be better in game, also it will help the content
and if we get that legit schedule
we can also play with our friends
but the fact i cant play with just saika on a sloop for 2+ weeks

ItsAHazardLife 01-Oct-20 04:20 AM

Yall have to focus on yourselves first then incorporate people sometimes

Sparbucks 01-Oct-20 04:20 AM

its a big issue
i mean we do really well as a team and content wise no matter what we play

ItsAHazardLife 01-Oct-20 04:21 AM

Yea i know she gets tired of sloops too so you have to keep that in mind

Sparbucks 01-Oct-20 04:21 AM

i wouldnt say that
i know what she is tired of
with a sloop situatiion i can helm more
but that is beside the point
every aspect
even on switch/among us and etc

ItsAHazardLife 01-Oct-20 04:22 AM

She told me that she was missing the bigger ships. Which was one of the reasons i told you to think about going bigger for 2x weekend

Sparbucks 01-Oct-20 04:23 AM

but she also says she doesnt like bigger ships
biggest thing is she doesnt wanna helm

ItsAHazardLife 01-Oct-20 04:24 AM

Yea its like finding that perfect balance

Sparbucks 01-Oct-20 04:24 AM

and i know it
get a bigger ship you get less people who will even bother with it
and keep this on the dl she wants to sail with buku more but buku rarely wants to even bother with helm
our best time is hard mode with us on a sloop

ItsAHazardLife 01-Oct-20 04:25 AM

Yea only the right people will be able to take helm and be consistent with it. Some just hate helming.

Sparbucks 01-Oct-20 04:25 AM

vs people who NEVER will be on the helm

ItsAHazardLife 01-Oct-20 04:25 AM

Yea i agree.

Sparbucks 01-Oct-20 04:25 AM

id rather people be on our crew who try vs people who just are universally like "oh they never will take helm"
and its a big thing why i actually love you poppin in when we need it
but buku and kie
and prior zemp who always bitched
they dont give us flexibility

ItsAHazardLife 01-Oct-20 04:27 AM

I agree. I even told bruno i was like i got the ship and cannons to get over there.

Sparbucks 01-Oct-20 04:27 AM

that was just fun lo

lol

she ending but

her and zemp still a thing

ItsAHazardLife 01-Oct-20 04:27 AM

It was weird how things happened.

Sparbucks 01-Oct-20 04:27 AM

it aint over

ItsAHazardLife 01-Oct-20 04:27 AM

Yep and its weird.

Sparbucks 01-Oct-20 04:28 AM

but i know you and saika been sailing more

and tbh i love it and i know you all having a blast

ItsAHazardLife 01-Oct-20 04:28 AM

Yea its always a blast when i sail with her or you or both of you

Sparbucks 01-Oct-20 04:29 AM

ALWAYS

and i do love how you try to take helm and say

go off yall

even though it doesnt always work out

but NO ONE ELSE SAYS THAT

ItsAHazardLife 01-Oct-20 04:30 AM

Lol literally i remember maybe 2 instances one not of hitting the fofd and ramming a sloop that boarded cause of a storm lol

Sparbucks 01-Oct-20 04:31 AM

i love buku

but he is a problem a bit right now

with his opinions and his mental unstableness if that is a word

he also scared saika 2 days ago

ItsAHazardLife 01-Oct-20 04:32 AM

Oof thats not good.

I feel like he is easily brainwashable and just wants to fit in.
I've been seeing him with kie and zempel a lot lately

Sparbucks 01-Oct-20 04:36 AM

yeah
kie is still not dumb about stuff
but i do believe 100%
if saika and myself
almost always streamed together no matter what game
people would love the content
the positivity
and expectation

ItsAHazardLife 01-Oct-20 04:37 AM

100% you guys bicker at times but you guys kill it every single time.

Sparbucks 01-Oct-20 04:38 AM

we do but everyone does
but its our best content
we usually move on from any bickering
but when you have a zempel or someone with bad intentions

ItsAHazardLife 01-Oct-20 04:38 AM

Yea all relationships bicker about things
Zempel to me is a snake and i told saika this. Which makes him untrustworthy. Im from Chicago ive seen snakes way to much

Sparbucks 01-Oct-20 04:42 AM

i dont know what is going on with them but i know zemp
wont stop messaging her
even though he even said he was stepping down from participating from her chat
but i know weirdos like that, he will not (edited)

ItsAHazardLife 01-Oct-20 04:45 AM

I agree i dont know what is going on, but its messed up. Like i honestly wouldve blocked him ages ago if he wasnt mod. And is something i feel
Saika needs to consider if he non stops dm's her
We all know he won't stop at the end of the day no matter what

Sparbucks 01-Oct-20 05:03 AM

just want saika to understand
we can stream anytime
and she can always stream with me

ItsAHazardLife 01-Oct-20 09:39 PM

Sotus and crew ran reapers, sank a lvl 4 reaper. Got lvl 5. Sold the lvl 5 flag for 62k.

Sparbucks 02-Oct-20 02:58 PM

cringe

ItsAHazardLife 02-Oct-20 04:29 PM

agree, then he tried to say he wasn't accusing of us stream sniping XD

Sparbucks 02-Oct-20 10:07 PM

saika is panicing bad rn

ItsAHazardLife 02-Oct-20 10:12 PM

Trust me I know you both are. I could tell after popping in.

Sparbucks 02-Oct-20 10:12 PM

when she panics she wants to change roles every 5 minutes

ItsAHazardLife 02-Oct-20 10:13 PM

I apologize for popping in. There was a lot of loot, they wanted to pause completely and both ships pick up loot then fight over it. I'll tell you there was a shit ton of loot.

Sparbucks 02-Oct-20 10:15 PM

you are fine
she just is very stressed

ItsAHazardLife 02-Oct-20 11:56 PM

Just a heads up Saika is talking about giving Zempel attention and giving him an auto shoutout in her chat.

Sparbucks 03-Oct-20 12:10 AM

and here we go
again
panic from her
this is when she wont think right

ItsAHazardLife 03-Oct-20 12:14 AM

i don't know why she panics so much.

Sparbucks 03-Oct-20 12:14 AM

she wont be comfortable with her or me going off
and she just wants me on helm with her on cannons
but we have 2 brigs

ItsAHazardLife 03-Oct-20 12:15 AM

Which is weird, cause she was nowhere like this with me the other day when we had sooo many ships on us.

Sparbucks 03-Oct-20 12:18 AM

when she panics she just tries to switch roles over and over and over

ItsAHazardLife 03-Oct-20 12:19 AM

yea and I'm not sure why she is even panicing.

Sparbucks 03-Oct-20 12:19 AM

same
no reason to be

Sparbucks 03-Oct-20 12:29 AM

like i said we always had it lol

ItsAHazardLife 03-Oct-20 12:29 AM

I know you guys did

Sparbucks 03-Oct-20 12:33 AM

but she gets super super defensive if we have 2 ships on us also is so worried about being called a 'runner'

Sparbucks 03-Oct-20 01:09 AM

=/

ItsAHazardLife 03-Oct-20 01:09 AM

?

Sparbucks 03-Oct-20 01:21 AM

talked with her about being on the edge a bit
also i need to not snap

ItsAHazardLife 03-Oct-20 01:22 AM

How did that go?

Sparbucks 03-Oct-20 01:24 AM

went well but she was like
pissed

ItsAHazardLife 03-Oct-20 01:25 AM

Yea that makes 2 people tonight that are pissed.

Sparbucks 03-Oct-20 01:31 AM

2?

Sparbucks 03-Oct-20 01:44 AM

oh about zemp stuff?

ItsAHazardLife 03-Oct-20 01:44 AM

Nah

Sparbucks 03-Oct-20 01:45 AM

ohhhhhhhhhh

i see what you saying

ItsAHazardLife 03-Oct-20 01:56 AM

Yea we shall see what happens.

I just shake my head at the Zempel stuff.

Sparbucks 03-Oct-20 03:18 AM

im assuming you and meg had an argument?

just lemme know

ItsAHazardLife 03-Oct-20 10:52 PM

So I have 2 sets of double reapers this one between me and reapers. Then another set far far NE in a shipwreck

ItsAHazardLife 05-Oct-20 09:59 PM

Just a heads up she has zempel as a dog out

Sparbucks 05-Oct-20 10:00 PM

o

ItsAHazardLife 05-Oct-20 10:00 PM

yep

wanted you to have the heads up

Sparbucks 05-Oct-20 10:00 PM

she still giving him attention its whatever

ItsAHazardLife 05-Oct-20 10:01 PM

yep

Sparbucks 05-Oct-20 10:01 PM

i dont know why

but ugh

ItsAHazardLife 05-Oct-20 10:02 PM

She's never going to learn

Sparbucks 05-Oct-20 10:06 PM

my mind is kinda blown that she just is like meh

ItsAHazardLife 05-Oct-20 10:08 PM

Even after me telling her this the other day, she knows exactly why I don't think he is good to be around "I love you, but this is why I will never respect you keeping and allowing Zempel in your chat and in your life."

Twitter

Sparbucks 05-Oct-20 10:08 PM

she doesnt need to have the animal out in front of me when its caused a lot of issues

ItsAHazardLife 05-Oct-20 10:08 PM

100% agree

Sparbucks 06-Oct-20 04:52 AM

she didnt give him that much attention
so it ended up not being a big deal

ItsAHazardLife 06-Oct-20 11:29 AM

It probably would have been worse if he wasn't at work, when he's at work it's like a split bit of attention then he disappears.

Sparbucks 10-Oct-20 10:33 PM

honestly tired of luna giving me shit about not being able to play when she has bailed on me

ItsAHazardLife 10-Oct-20 10:35 PM

Yea i don't get why she is doing it especially in chat. We don't even say anything. I know you guys are trying to figure things out to have a schedule for yourself and with people.

Sparbucks 10-Oct-20 10:36 PM

its getting old
like i got her in last night
she played one round of phasmo
then bailed

ItsAHazardLife 10-Oct-20 10:38 PM

I passed out last before you guys finished the first one.
But it's weird how she wants to make plans or has plans and makes plans on top of what was already planned.

Sparbucks 10-Oct-20 10:40 PM

also not understanding we are trying our best to change our schedule to make things work better
had a couple people take stuff personally last night cuz they couldnt get in
getting tired of it

ItsAHazardLife 10-Oct-20 10:41 PM

I was begged to join last night by Saika and Bri. I put my work aside to play thats why you heard me say a couple times while we wait for her
I'm going to do some work. XD
People shouldn't take offense to it cause there will be other nights and a scheduled community night will be awesome all around. (edited)

ItsAHazardLife 11-Oct-20 02:50 AM

XD I know you will watch their vod so you'll hear what they were saying. I won't say sorry until I'm proven I was wrong

Sparbucks 13-Oct-20 02:48 AM

i know but just better
not to be in their chat
it doesnt do much
let them do their thing and be toxic

Sparbucks 13-Oct-20 06:50 AM

watching their view btw
im sure you are right but like
just how gamers work if that makes sense

Sparbucks 13-Oct-20 09:00 AM

i watched the vod

hazard please dont go in another streamers/opponent in their chat until like after the battle is over

if you know who we are going against

yeah they did basic "they are running" and that dude was drunk

but please just stay out of their chat atleast until its over

it hurts the experience even if they are being salty and etc

but let them do them but just STAY OUT of their chat

dm us/keep it in our chat i dont care

ItsAHazardLife 13-Oct-20 10:31 AM

I was legit silent throughout the entire battle until they ran their mouth. "It hurts the experience" can be used for the viewers side as well. To me they crossed lines with what they were saying. Next time I'll just close out their stream if they start talking like they were.

ItsAHazardLife 17-Oct-20 05:44 AM

Yea she is busy traveling to AZ this weekend. She drove 5 hours yesterday and will be traveling 7 hours tomorrow. So long days for her.

Sparbucks 17-Oct-20 05:52 AM

i figured she was busy yeah

Sparbucks 18-Oct-20 10:58 PM

btw this month ill be switchin to your adobe cloud account if thats aight

ItsAHazardLife 18-Oct-20 10:58 PM

Yea of course

ItsAHazardLife 20-Oct-20 09:09 PM

I am hoping things are good with you too. Things didn't sound good when I talked to Saika. I care about y'all

Sparbucks 20-Oct-20 10:03 PM

yeah we are good

ItsAHazardLife 20-Oct-20 10:03 PM

I'm glad to hear that.

ItsAHazardLife 21-Oct-20 03:18 AM

Making it a permanent ban on him, these are who he follows. I will send a couple messages to a few of the mods for a couple of who he follows to check if he's been timed out or banned in their chats or if he's been an active chatter. Better safe than sorry situation.

<https://twitchfollowing.com/?xshadowdragon232x>

I knew I had seen him around in other chats.

He basically did the ascii art copypasta and left.

ItsAHazardLife 21-Oct-20 03:28 AM

Mixel looked him up in his chat and he is an active viewer in his so we shall see what comes of him.

ItsAHazardLife 24-Oct-20 06:25 AM

We had a "random" encounter with a crew that I first encounter last Sunday with Saika, Bri and Xilky's husband. Something is sus about this crew and I think they are up to no good like "Super Edgy Princess" and his crew. Talked to pillow and he knows of their crew. Part of their crew was known for cheating.

Potential for sniping servers

Xilky's husband and maybe Brianna was streaming - West Coast Adventure Server (i think)

ZachN Cheese - Arena Server, BUT the kicker we left a game away from them and we found them in the same lobby next matching.

MythicalFoods - Midwest Adventure Server

We ended up sinking tonight to them cause of getting rare'd and they were using the double tap exploit and possible quick reload.

Sparbucks 24-Oct-20 06:28 AM

alt accounts?

ItsAHazardLife 24-Oct-20 06:29 AM

yea 100%

Sparbucks 24-Oct-20 06:29 AM

not surprised at all

ItsAHazardLife 24-Oct-20 06:29 AM

I'm not either

It's just weird running into them 3 times in 1 week except if they were sniping

Sparbucks 24-Oct-20 06:32 AM

most likely they are

Sparbucks 24-Oct-20 12:05 PM

soc is fucking hilarious right now

ItsAHazardLife 24-Oct-20 12:46 PM

I've had it on. Just woke up first thing i hear is a triggered al3x saying why ish by this last ship standing

I was looking over the teams and some are so imbalanced its funny and some I've never heard of

Sparbucks 24-Oct-20 12:57 PM

alex's excuses
make me laugh

ItsAHazardLife 24-Oct-20 12:59 PM

Lol i haven't been listening to his side but knowing him i can only imagine

Sparbucks 24-Oct-20 12:59 PM

saika and myself been laughing all morning

ItsAHazardLife 24-Oct-20 01:01 PM

I bet. I crashed after i stopped sailing with mythical last night. Woke up and tossed azuki on since mixel wasn't on yet. Its been a battle

Sparbucks 24-Oct-20 01:16 PM

Imfaoooo

ItsAHazardLife 24-Oct-20 01:17 PM

Imfao AI3x is triggered

Sparbucks 24-Oct-20 01:17 PM

they are TRASH lol

they have never went against good crews

and when they do they quit the server

just like they did prior to soc

ItsAHazardLife 24-Oct-20 01:19 PM

I honestly thought Mixel was going to take 1st, but idk who has been taking 1st place.

Ive never heard of IAPK, Hupy Hupy, Green Bean or Apex so they were a ? mark to me

Sparbucks 24-Oct-20 01:38 PM

its an nal team

they are significantly better

nal champions

ItsAHazardLife 24-Oct-20 01:38 PM

ooooo that makes sense then.

I don't follow NAL a whole lot anymore

Sparbucks 24-Oct-20 01:40 PM

alex keeps trying to board and it makes me fucking laugh lol

he literally does nothing

ItsAHazardLife 24-Oct-20 01:41 PM

this is more about cannons that anything. It makes no sense to try and board

Sparbucks 24-Oct-20 01:41 PM

mixel team been pretty inconsistent tbh

ItsAHazardLife 24-Oct-20 01:42 PM

yea I'd say they could have used more practive. I'm hearing broken communication a little bit

Sparbucks 24-Oct-20 01:42 PM

ya
oh my lord
they whine so fucking much

ItsAHazardLife 24-Oct-20 01:48 PM

yea he's never ranted this bad, but this is bad.

Sparbucks 24-Oct-20 01:49 PM

hahahahahahhaha
this dude
just suck it up and say you went against good crews who fucked you up

ItsAHazardLife 24-Oct-20 01:50 PM

or just say you're not as good as the other crews

Sparbucks 24-Oct-20 02:12 PM

be careful replying to rocco man
she went on a really weird rant about beers girlfriend

ItsAHazardLife 24-Oct-20 03:56 PM

Sounds good ill be careful

I redid the !drops command. Let me know what you think of it.

Sparbucks 31-Oct-20 01:23 AM

oooo thanks

ItsAHazardLife 31-Oct-20 01:24 AM

yea I figured since last night you were getting asked a lot it might be good to have.

ItsAHazardLife 31-Oct-20 07:48 PM

Sparbucks 31-Oct-20 10:27 PM

i cant take it rn
saika freaking out

ItsAHazardLife 31-Oct-20 10:28 PM

its all good solo'd it

Sparbucks 31-Oct-20 10:28 PM

if we dont get something she will freak out about stuff
and she has been on edge about that stuff lately

ItsAHazardLife 31-Oct-20 10:29 PM

i dont get why

Sparbucks 31-Oct-20 10:30 PM

she is getting really bad
like really bad anytime we dont get the w

ItsAHazardLife 31-Oct-20 10:36 PM

I know she is tired of half the bugs. I know I get tired when it's a getting rare'd situation that costs the W

Sparbucks 31-Oct-20 10:39 PM

its not that
if we dont get the steal
she keeps blaming herself
its been really bad

ItsAHazardLife 31-Oct-20 10:40 PM

which it's never her fault ever

Sparbucks 31-Oct-20 10:40 PM

but like she wont even let me talk to her about it
and now im afraid if we sink or dont get the steal
she just freaks out now

ItsAHazardLife 31-Oct-20 10:41 PM

which is crazy

Sparbucks 31-Oct-20 10:41 PM

she just left the house when i said i was ending

ItsAHazardLife 31-Oct-20 10:41 PM

I know she gets the feeling she is letting people down but i dont know why

Sparbucks 31-Oct-20 10:41 PM

i dont even know what to do recently
ive told her to try not to take it overly serious
but she wont and its only gotten worse

ItsAHazardLife 31-Oct-20 10:42 PM

I have no clue why

Sparbucks 31-Oct-20 10:42 PM

its been the worst this month
she wont even listen to me anymore
i dont even know where she is or why she left the house

ItsAHazardLife 31-Oct-20 10:45 PM

I know after all the Zempel stuff she got tired of that stuff.
Then probably after all she is dealing with right now....

Sparbucks 31-Oct-20 10:45 PM

dont worry she is playing with kie/zemp tomorrow lol

ItsAHazardLife 31-Oct-20 10:45 PM

it's a lot on her mind recently

Sparbucks 31-Oct-20 10:45 PM

but at this point if we dont succeed as a sloop she overreacts now
she doesnt have fun with sot anymore
she takes it way to serious

ItsAHazardLife 31-Oct-20 10:46 PM

I know she doesn't

Sparbucks 31-Oct-20 10:47 PM

=\

I do think she needs to take a break from sot but she going through the stage of not streaming again

ItsAHazardLife 31-Oct-20 10:51 PM

when she uninstalled I think that was her breaking point

Sparbucks 31-Oct-20 10:53 PM

she just has forgotten to have fun with the game but i also understand because the issues with the game so i dont really know what to do anymore

ItsAHazardLife 31-Oct-20 11:02 PM

I think she needs a break plus just random sails with people.
I know she's told me she doesn't like to always sloop it up

Sparbucks 31-Oct-20 11:03 PM

i love when she sails with other people
i encourage it
but she wont stream without me
but she also has many conditions on who she will play with

ItsAHazardLife 31-Oct-20 11:03 PM

which i dont get when she has other people to stream with

Sparbucks 31-Oct-20 11:03 PM

and she is so worried about sinking
i have tried to tell her to just relax a bit and have fun in the moment but gradually its gotten worse
like she tries to treat sot like an esports when it is anything but that
i try to get her involved with 'content' so to say
but she just is wayyyy to afraid of sinking and not getting the steal
and if we dont get the steal she takes it incredibly personal
and that is bad for her but also for me im so afraid if we dont pull it off in a sloop/hard mode scenario because if we dont i know she will be upset
like she was blaming herself when i was the one who died with the athena and also got sworded on plunder
i never once said anything was her fault, i was the one who literally lost the athena
she is just not having fun in a sloop scenario
but i also cant just get a galleon going with anyone, there are many conditions
but she also wont stream now
i dont think tonight i was upset with anything, if anything i was tired but i honestly have no idea how saika thought she was to blame

she went off and said it was her fault and i said i was gonna end stream because i know where that is going to go
WHEN she can press the go live button, she has way more fun because of her chat and she tends to be more relaxed and go with the flow
but she wont listen to me anymore
and it honestly still is a thing from zemp shit
she never used to be like this

ItsAHazardLife 31-Oct-20 11:10 PM

I know I hate sinking as well. We all do, but some situations can't control.

Sparbucks 31-Oct-20 11:10 PM

we all do

ItsAHazardLife 31-Oct-20 11:10 PM

it has gotten worse and even I have noticed it.

Sparbucks 31-Oct-20 11:10 PM

but we didnt sink we just had people running
sloop = hard mode
she is too afraid of 'losing'

ItsAHazardLife 31-Oct-20 11:11 PM

yea 100% sloop is hard mode.

Sparbucks 31-Oct-20 11:11 PM

and i have asked her what she wants her content to be
but she def was not like this before
not even close

ItsAHazardLife 31-Oct-20 11:11 PM

I just solo stole a fofd from a 2 person sloop with another sloop that came at me after.

Sparbucks 31-Oct-20 11:11 PM

and i think its because of people who would criticize her like zemp and even falco
she feels a certain pressure
because they back seat game

ItsAHazardLife 31-Oct-20 11:12 PM

I am nervous as hell cause I'm not a solo person

Sparbucks 31-Oct-20 11:12 PM

but recently its really really bad

ItsAHazardLife 31-Oct-20 11:12 PM

I hate when people back seat game and that why I will only do it very little.

Sparbucks 31-Oct-20 11:12 PM

if somehow she can get over this persona of trying to be like a pace where they are known to never sink and she could relax again about basic stuff and have fun with the game for what it is the game is not an esports game

but like i am like deathly afraid if we dont get the steal or if we sink

because if we do

she will be upset

ItsAHazardLife 31-Oct-20 11:13 PM

at this rate it will never be esport reasy if they continue catering to noobs she's not used to sinking.

Sparbucks 31-Oct-20 11:14 PM

we would sink here and there

but tonight we didnt sink

ItsAHazardLife 31-Oct-20 11:14 PM

it's going to happen

Sparbucks 31-Oct-20 11:14 PM

it was just crews running

but she got VERY mad

ItsAHazardLife 31-Oct-20 11:15 PM

the only time you sank was due to pve while trying to island fight

Sparbucks 31-Oct-20 11:15 PM

and when i said we should change our plan

it became obvious she was just over the breaking point

if somehow she can just relax and have fun and try risky stuff

even recently when im like we gotta go for fotd and get the boat going asap

she been more less aggressive and trying risky moves

and by the time we get supplies... its finished

and look at way before

like we would just ram fucking ships at fotd and get steals

ItsAHazardLife 31-Oct-20 11:17 PM

we always just do dumb stuff and have fun

Sparbucks 31-Oct-20 11:17 PM

yeah but she is so afraid of that now
and like when she does take those risks and it doesnt pay off
she gets really upset

ItsAHazardLife 31-Oct-20 11:18 PM

with a capable crew you don't ever have to worry and I think thats what she wants.

Sparbucks 31-Oct-20 11:18 PM

but she doesnt wanna do gally
she is tired of being on helm of a gally
and it has to be specific people on bigger ships
and dont get me wrong i know the people i dont really wanna be in positions too

ItsAHazardLife 31-Oct-20 11:19 PM

Like I'm surprised Happy sails with you guys as much as he does with all the dumb things he likes to do or the mega's, like he plays completely different than you guys.

Sparbucks 31-Oct-20 11:19 PM

but even though i rage and get pissed at dying from blundy/sword
im pretty open on who i sail with
yeah i agree lol
but thats why i kinda like happy
he takes dumb risks
we have done everything to do in the game

ItsAHazardLife 31-Oct-20 11:21 PM

we have until they add something real for us to do.
right now it feels like we sink a lot of noobs

Sparbucks 31-Oct-20 11:21 PM

saika just needs to like
not feel like she has to keep the boat afloat all the time
ive told her just to have fun and take risks
and she definitely panics a lot now but she also gets triggered when i say that to her

ItsAHazardLife 31-Oct-20 11:22 PM

Im having fun getting chased by a sloop thats been tailing me

Sparbucks 31-Oct-20 11:23 PM

haha
game still is a lot of fun
tons of bugs and etc
but chillin and sailing still so fun

ItsAHazardLife 31-Oct-20 11:24 PM

It's fun until you essentially get rare'd

Sparbucks 31-Oct-20 11:24 PM

oh i rage a lot lol
but i dont take it irl
but saika stuff if we arent successful she is taking everything personally
but before she used to have more fun

ItsAHazardLife 31-Oct-20 11:27 PM

she's always done that and I dont think she will ever not do it

Sparbucks 31-Oct-20 11:37 PM

not the way she is reacting lately
its very different
and i truly believe its back seat gamers who have gotten on her good side and she feels she needs to be perfect on everything and if she is not they criticize her
people like zemp and falco

ItsAHazardLife 31-Oct-20 11:40 PM

like I know they want to see her do better than what her limits are but sometimes its to hard on her

Sparbucks 31-Oct-20 11:40 PM

so she like has this SUPER high bar

ItsAHazardLife 31-Oct-20 11:41 PM

Yea which is unrealistic and unfair for her

Sparbucks 31-Oct-20 11:41 PM

like most of the time with fofd
getting basic supplies and going right away
increases your chances of getting the steal
how many fofds have we actually have where a boat actually fights

ItsAHazardLife 31-Oct-20 11:42 PM

Very little.

Sparbucks 31-Oct-20 11:42 PM
its very rare

ItsAHazardLife 31-Oct-20 11:42 PM
The one i stole from was like you can have the loot just let us alliance

Sparbucks 31-Oct-20 11:42 PM
most of the time you need people there to get intel and try to get the yonk
and she used to do that
but now its like she has to stay at an outpost a lot to get a ton of supplies when we will never use them
yeah

ItsAHazardLife 31-Oct-20 11:43 PM
Yea tonight. I was on kbm. Grabbed 2 pockets and was going to drop sails the second i got back. They literally had just finished it.

Sparbucks 31-Oct-20 11:43 PM
thats how fofd 90% works
its how we have stolen like 90% of them

ItsAHazardLife 31-Oct-20 11:43 PM
I always try to get 2-3 then shoot off. Theres no need to take the whole island unless you see it go up

Sparbucks 31-Oct-20 11:43 PM
there is realistically no reason to stay at on outpost when an fofd is up

ItsAHazardLife 31-Oct-20 11:43 PM
The one i stole solo i left with base

Sparbucks 31-Oct-20 11:44 PM
i think even the one with the key i told her to come over
but she wont do that
she wont live on the edge in the game anymore

ItsAHazardLife 31-Oct-20 11:45 PM
Yea i think she wanted to get more supplies cause it was 2 ships which is understandable but at the same time you couldve tried for the key
with pressure on them

Sparbucks 31-Oct-20 11:45 PM

but we know what will happen
its a brig
they always run
you arent going to get a naval battle
we would rarely even get supplies in og fotd days
you kinda just gotta get there and yolo it
if its a bigger ship, they will run

ItsAHazardLife 31-Oct-20 11:46 PM

yea you have to get positioned perfect and take mast down sadly

Sparbucks 31-Oct-20 11:47 PM

we been less aggressive/risky which has = less success on steals
getting supplies like wont do much
cuz they will run

ItsAHazardLife 31-Oct-20 11:48 PM

I know last night Zach lost a few athena's cause he wasnt aggressive as much as he should've been

Sparbucks 31-Oct-20 11:48 PM

yeah
you have to be aggressive as a sloop and take risks
and we always used to do it

ItsAHazardLife 31-Oct-20 11:48 PM

we just have to figure out how to get back to doing that with her.

Sparbucks 31-Oct-20 11:49 PM

her fear of sinking and failing is consuming her
and now its effecting her streaming
shes also got very specific on who she will sail with

ItsAHazardLife 31-Oct-20 11:52 PM

I used to see fotd's like get the Athena cause thats the prize and everything else is just a bonus. Now I'm like the Athena is basically underwhelming I want the most gold from it.

Sparbucks 31-Oct-20 11:52 PM

like every other thurs mitch was suppose to sail with us/me
same with luna/todd
she wont even do that

ItsAHazardLife 31-Oct-20 11:53 PM

I can believe it cause some of the randoms youve played with have been stressful.
I'm not sure why she wont sail with Mitch, but if I remember right there was a reason behind Luna

Sparbucks 31-Oct-20 11:53 PM

but like the people she sails with
like rage/aj
are significantly worse
but im okay with that
i like that challenge tbh

ItsAHazardLife 31-Oct-20 11:54 PM

I can agree Rage is not the best

Sparbucks 31-Oct-20 11:54 PM

rage is really bad

ItsAHazardLife 31-Oct-20 11:54 PM

it's a challenge for her to work with.

Sparbucks 31-Oct-20 11:54 PM

but such a good dude

ItsAHazardLife 31-Oct-20 11:54 PM

AJ never seen him play tbh

Sparbucks 31-Oct-20 11:54 PM

but like mitch has gotten really good
luna/todd dont get me wrong they have their moments

ItsAHazardLife 31-Oct-20 11:55 PM

I agree he's solo'd a lot

Sparbucks 31-Oct-20 11:55 PM

but they are better than those both

ItsAHazardLife 31-Oct-20 11:55 PM

I agree Luna is hit or miss. Todd is actually pretty good.

Sparbucks 31-Oct-20 11:55 PM

but like im down for whatever
and i would love to have more sessions with kharites
and i agree todd actually will listen and do what is told

ItsAHazardLife 31-Oct-20 11:56 PM

I wont lie I miss playing with them and I even miss sailing with you guys. It comes down to cohesiveness
of the crew

Sparbucks 31-Oct-20 11:57 PM

same

ItsAHazardLife 31-Oct-20 11:57 PM

Carrots is a wild card, she plays to have fun and doesn't care about winning or losing. She gives most of her loot away anyways.

Sparbucks 31-Oct-20 11:57 PM

carrots stresses me out

ItsAHazardLife 31-Oct-20 11:57 PM

I've seen her do good and I also have seen her do bad.

Sparbucks 31-Oct-20 11:57 PM

when sailing not gonna lie lol

ItsAHazardLife 31-Oct-20 11:57 PM

I can see why

Sparbucks 31-Oct-20 11:57 PM

but like
ill sail with whoever
saika will not.
but she used to

ItsAHazardLife 31-Oct-20 11:59 PM

Part of me could understand why, but it depends on the people.

Sparbucks 31-Oct-20 11:59 PM

im telling you
before zemp backseat
she was not like this

ItsAHazardLife 01-Nov-20 12:00 AM

yikes. so many issues just from that issue.

Sparbucks 01-Nov-20 12:00 AM

she was more open, more about fun less about being "super serious and never sinking"
and i look at all these streamers like carrots,coop and etc
just relaxing and having fun
this is how she used to be

ItsAHazardLife 01-Nov-20 12:01 AM

whereas from watching Zempel he is more serious

Sparbucks 01-Nov-20 12:01 AM

he would critique her in her channel
its just a complete turn around with saika
i just want to find a way to make her have fun with it again
i basically begged her to stream tonight and said she needs to get back to it

ItsAHazardLife 01-Nov-20 12:03 AM

It's going to come down to the people.

Sparbucks 01-Nov-20 12:03 AM

she wont listen to me anymore
even though when she goes live she has fun everytime

ItsAHazardLife 01-Nov-20 12:03 AM

I don't think begging will get her to stream. Her mind is on a bunch of things. She has to do it without you saying anything.

Sparbucks 01-Nov-20 12:04 AM

she wont
she is consumed to thinking anytime we dont get a steal or we sink is her fault
its totally consumed her judgement

ItsAHazardLife 01-Nov-20 12:04 AM

she did the other night.

Sparbucks 01-Nov-20 12:04 AM

to just stream and have fun
i did say stuff that night
but i have to keep my schedule

ItsAHazardLife 01-Nov-20 12:05 AM

ahhhhh

Sparbucks 01-Nov-20 12:05 AM

like i cant not
because it pays the bills (edited)

ItsAHazardLife 01-Nov-20 12:05 AM

100% being consistent is key to streaming.

Sparbucks 01-Nov-20 12:05 AM

ive talked to her about that
im more disciplined in that
she is not

ItsAHazardLife 01-Nov-20 12:06 AM

it's just rough cause I know she isn't fully motivated, but we all know she can do well with it

Sparbucks 01-Nov-20 12:07 AM

but i also at this point in covid... i dont have a choice
i agree

ItsAHazardLife 01-Nov-20 12:07 AM

I don't even want to think about covid. This year has been a mess tbh
my doc is making go get covid tested since I've been sick for 2 weeks now (edited)

Sparbucks 01-Nov-20 12:08 AM

you should for sure

ItsAHazardLife 01-Nov-20 12:09 AM

plan is to go tomorrow and talking to my friend who's had it... it's sounded like it's a good possibility so I'm honestly worried

Sparbucks 01-Nov-20 12:13 AM

hopefully you dont have it
really hoping
sorry another argument
im prob going to pass out here shortly

ItsAHazardLife 01-Nov-20 12:17 AM

Sounds good hopefully it wont be so bad.

Sparbucks 01-Nov-20 12:17 AM

it was bad again
she wont talk
shit wasnt like this before zemp/falco shit
she wont even listen or talk anymore
takes the game overly serious

ItsAHazardLife 01-Nov-20 12:19 AM

I wonder if she is just tired of arguing in general cause there was a lot of it with the Zemp situation

Sparbucks 01-Nov-20 12:19 AM

we havent had an argument about that in a long time
its now because they critique and back seat game on her chat so much
she no longer can have fun
she literally wants to be like qrf/tart tee

ItsAHazardLife 01-Nov-20 12:20 AM

Yea but i know she got really tired of it at one point
Why does she want to be like them? Always having to practice, never having fun, etc
They learn to exploit the game
Its a whole different mindset
And tbh that side of the community doesnt get the same love as the people out there just having fun and pvp'n

Sparbucks 01-Nov-20 12:38 AM

i dont know
when im streaming and she is not
its a bad combination
when we both stream things are okay

ItsAHazardLife 01-Nov-20 12:39 AM

Yea people loke seeing both perspectives. She has a chat chill and interact with.
Its going to be a tough hurdle for her to get back

Sparbucks 01-Nov-20 07:13 AM

sorry we went to bed

but yeah its going to be tough to get her back on track because she is def not listening to advice and etc anymore

ItsAHazardLife 01-Nov-20 09:20 AM

Nah youre good. Im just getting going
I know she's got a few things going with family which isnt helping her

ItsAHazardLife 02-Nov-20 04:21 PM

results on test came back neg
so not covid, but something messed me up bad

Sparbucks 02-Nov-20 04:22 PM

well thats atleast some good news
but ya youve been sick for a long time

ItsAHazardLife 02-Nov-20 04:24 PM

couldn't agree more. ldk if it's the flu or from my work, the week before I got sick I handled extremely old books and sheet music from like 1910-1950's.

ItsAHazardLife 02-Nov-20 06:55 PM

ItsAHazardLife 02-Nov-20 07:37 PM

So essentially I'll be around briefly on Wednesday but right now I'm just steering clear of ZachNCheese for awhile. I don't want to go into details, but it's bad enough that I unmodded myself from his channel for the time being.

Sparbucks 02-Nov-20 07:37 PM

wat
explain in small detail

ItsAHazardLife 02-Nov-20 07:40 PM

things got way out of hand is his chat the other night and he didn't try to stop it nor none of his mods. It essentially came back and effected me. At least a few people should have been timed out and a couple should have been banned, but Zach choose to keep them around. So I chose to distance myself for the time being.

Sparbucks 02-Nov-20 07:42 PM

interesting

ItsAHazardLife 02-Nov-20 08:01 PM

Yea it was bad enough he made an announcement post saying things went way to far and ended up taking the day off from streaming

Sparbucks 02-Nov-20 11:08 PM

twitch/gamertag
carlsjburgz = CarlsJrBurgz
ndru_t = ndrut
aresbeast123 = Ares215584
dont get them clout

Sparbucks 03-Nov-20 01:54 AM

im doing a full comprehensive report about those people

ItsAHazardLife 03-Nov-20 01:55 AM

Sounds good its kind of dumb

Sparbucks 03-Nov-20 01:55 AM

but i have to do it tomorrow i couldnt get a minute to do it tonight
and i have plenty of evidence

ItsAHazardLife 03-Nov-20 01:56 AM

Like they literally went incognito to continue with the sniping

Sparbucks 03-Nov-20 01:56 AM

yeah

ItsAHazardLife 03-Nov-20 01:56 AM

I can believe it.

Sparbucks 03-Nov-20 01:56 AM

they scuttled when i pointed out they were going north
i also recorded everything while saika had to hide view

ItsAHazardLife 03-Nov-20 01:56 AM

I could only imagine what they were saying after she went blacked out

Sparbucks 03-Nov-20 01:56 AM

we were fricking them up and some bad calls were made

ItsAHazardLife 03-Nov-20 01:57 AM

I knew you would sink them. The situation just sucks

Sparbucks 03-Nov-20 01:57 AM

we didnt in that situation
we were about to
they peeled off
the decision that was made was to hide in a storm
but it is a brig and if a brig has wind
they will catch
i made a bad choice of trying to board and the guy got a deck shot
rest was history
but we didnt want to give them any clout

ItsAHazardLife 03-Nov-20 01:58 AM

Oof that sucks. So lost everything?

Sparbucks 03-Nov-20 01:59 AM

we sold the athena
but she got really upset
she panicked a lot tonight
i just kinda went with it
but she like cried over it and etc and i dont blame her

ItsAHazardLife 03-Nov-20 02:00 AM

I know with chat i mentioned to not talk about the situation much too not give them attention

Sparbucks 03-Nov-20 02:00 AM

yeah
i told her to just go back and get on a new server and just say she was dealing with stream snipers
but if she sinks or she dies she takes it very very hard
glad she came back

ItsAHazardLife 03-Nov-20 02:00 AM

That's all you can really do

Sparbucks 03-Nov-20 02:00 AM

but man she was in full panic tonight on a lot of situations

ItsAHazardLife 03-Nov-20 02:01 AM

I think she needs brigs or galleons more than sloops

Sparbucks 03-Nov-20 02:01 AM

yeah

but even vs the laggy brig
she was all over the place but i know what the deal is
she wants to not be on the helm
but kinda same deal with kie
happy cant be on helm
but happy tries to be primary boarder

ItsAHazardLife 03-Nov-20 02:02 AM

Its a shame

Sparbucks 03-Nov-20 02:02 AM

its a combo that needs tweaking

ItsAHazardLife 03-Nov-20 02:02 AM

Yea its been interesting seeing you guys sail with him so much

Sparbucks 03-Nov-20 02:02 AM

yeah and him as primary boarder
ive been running around repairing keeping boat afloat as much as possible

ItsAHazardLife 03-Nov-20 02:04 AM

I think Wednesday with zach will be interesting.

Sparbucks 03-Nov-20 02:04 AM

yeah
i dont know how it will work
like lately been also that way
like im more if we get the win then cool, if we lose then cool

ItsAHazardLife 03-Nov-20 02:05 AM

Me either but like i said i probably won't be around much for it
You have to lose sometimes

Sparbucks 03-Nov-20 02:05 AM

there is a big flaw with how we havebeen doing stuff though
like the brig earlier that eventually sank us
we would demand everyone on sails and we wouldnt have people watching for boarders
and they kept being able to board every time
so like ill be repairing or doing sails same with rest of crew
they can just get on easily

ItsAHazardLife 03-Nov-20 02:07 AM

Yea and double boards with failed reg doesn't help either

Sparbucks 03-Nov-20 02:07 AM

yeah for sure
but like we dont need everyone doing sails/repairs
one person can do sails tbh
esp on a brig

ItsAHazardLife 03-Nov-20 02:07 AM

They ran cause they were low on supplies but not as low as you guys were

Sparbucks 03-Nov-20 02:07 AM

i dont even know how many times while i was repairing/doing sails we got boarded
like you cant expect crew members to do 2-3 things all at once
yeah
we did make mistakes on the mast planks though
but that is on everyone, not one person

ItsAHazardLife 03-Nov-20 02:08 AM

Idk it was a hot mess. I told river i was surprised they didn't naval more but with him on open crew it made sense

Sparbucks 03-Nov-20 02:08 AM

we really need to get back to being more relaxed and focused vs in full panic mode when we dont need to be
yeah
like editing the fight vs me saika vs clay and zach
even though we got the W
we are like just not relaxed at all
while they are cracking jokes, relaxed and doing pretty good
i think the pressure of a decent crew is making it a bit too stressful/serious lately

ItsAHazardLife 03-Nov-20 02:10 AM

Yea part of me hates that video is coming out tbh.

Sparbucks 03-Nov-20 02:10 AM

where that should be more fun
the video is good but i get ot
it*
but you see the more relaxed crew
and I had to edit some parts
like there def were parts of saika and I kinda going back and forth on who is doing cannons or boarding
so most of the video is me on helm
which im fine with
but we could've sank them at the beginning with more aggressive approach
like zach legit almost sank around 5 times and we were never close to sinking once

ItsAHazardLife 03-Nov-20 02:12 AM

Its not that it's just what ive had to deal with the past couple days with stuff from Zachs streams and what happened while streaming

Sparbucks 03-Nov-20 02:12 AM

what topic btw got out of control

political?

im excited for wednesday but im also scared

it has a recipe for saika and myself to butt heads

there will be big conflict on her on cannons/me on helm

then zach/happy will be able to board whenever they want

but at the same time im gonna be running around repairing and doing the best i can

ItsAHazardLife 03-Nov-20 02:14 AM

Basically 2 people were drunk or tipsy and turned horny in his chat. So it got out of hand and others joined in. No one stopped it or tried to.

Sparbucks 03-Nov-20 02:15 AM

wtf lol

ItsAHazardLife 03-Nov-20 02:16 AM

Basically meagan was one of them that joined in. I barely can get a straight answer out of her.

Sparbucks 03-Nov-20 02:16 AM

ohhhh

ItsAHazardLife 03-Nov-20 02:16 AM

Yea its a crappy situation

Sparbucks 03-Nov-20 02:16 AM

interesting

i havent even seen meagan last couple days but i know my hours are crazy

i mean ill keep an eye out

i dunno if zach meant harm though but its also hard to keep chat in order

ItsAHazardLife 03-Nov-20 02:17 AM

Meagan was lurking in saikas chat

Sparbucks 03-Nov-20 02:17 AM

ya

like i just dont want to take sides and etc but yeah that is complicated

got to much going on w/saika lately and just trying to get her to focus and stream

ItsAHazardLife 03-Nov-20 02:18 AM

I feel you on that.

Sparbucks 03-Nov-20 02:18 AM

like right now she sailing with happy and i can tell she is having more fun
she is just more relaxed

ItsAHazardLife 03-Nov-20 02:18 AM

Yea its weird

For what im dealing with i feel like she isnt 100% honest with me or is hiding something from me.

Sparbucks 03-Nov-20 02:20 AM

saika?

ItsAHazardLife 03-Nov-20 02:20 AM

Meagan

Sparbucks 03-Nov-20 02:20 AM

or meagan?

im not sure

she doesnt come across to me as someone who would hide something

and you guys have been together for a bit but i know 100% its harder when you havent met irl yet

ItsAHazardLife 03-Nov-20 02:21 AM

She got mad at me for me telling her she crossed the line and tried to bring up how luna talks in chat but ive never heard luna say stuff meagan did.

Overall it just is crazy and i hope wednesday goes well for you guys

Sparbucks 03-Nov-20 02:22 AM

well

what i can tell from meagan is

she definitely is a very vocal/honest person and says what is on her mind

does not have a filter

which tbh is a good thing

i had a gf who tried to control everything on me, everything i said, how i interacted or talked to anyone especially if it was a female
and that fucking sucked major balls

so like with meagan

im pretty sure she isnt the type to be overly jealous and allows you to be more open

but not having met irl is tough and im not sure if you guys are pushing that yet

ItsAHazardLife 03-Nov-20 02:25 AM

Yea and im trying to give her room to say what she wants in chat even if its something sexual like what luna would say
We were suppose to in september but with the move or job change it got pushed back

Sparbucks 03-Nov-20 02:26 AM

yeah
but like
hard to explain but allowing that freedom/trust on both sides

ItsAHazardLife 03-Nov-20 02:27 AM

Yea it takes a lot of trust that it wouldnt go far.

Sparbucks 03-Nov-20 02:28 AM

but esp when you are just getting to know eachother

ItsAHazardLife 03-Nov-20 02:28 AM

100%

Sparbucks 03-Nov-20 02:28 AM

even w/saika she gets jealous about certain things
but like after my ex
and how she treated me
i would never ever want to remotely treat anyone that way
like it was even hard to approach saika about zempel

ItsAHazardLife 03-Nov-20 02:30 AM

Part of me trusts her but at the same time when i ask questions and she ignores them about the situation. Its kind of hard.

Sparbucks 03-Nov-20 02:31 AM

yeah
but sometimes you just have to trust
like w/saika i trust her with zemp stuff. Since day 1 i know she wouldnt do shit even though she blindly would let him be an actual simp
and there is definitely things still to this day we disagree about that
but i told her if she wants to play a game with him or talk i wont hold her back
i just dont wanna be around to hear him

ItsAHazardLife 03-Nov-20 02:34 AM

Yea with what I've been told and shown its like what all is to be believed.

Sparbucks 03-Nov-20 02:34 AM

what i would do in your situation
and i cant speak for you

just try to hang with her, have fun watch a movie and etc and dont hold on to it

ItsAHazardLife 03-Nov-20 02:36 AM

Yea ill try

Sparbucks 03-Nov-20 02:37 AM

like right now i could tell saika was on edge a bit and i kinda just shut up, im not gonna have another argument with her about that stuff and i just wanna hang and have as much fun as possible
but with meagan just try to spend more time with eachother

ItsAHazardLife 03-Nov-20 02:38 AM

Yea and its been a struggle for a bit to even talk to her. So we shall see what happens

Sparbucks 03-Nov-20 02:38 AM

i know its dumb advice
ive noticed certain things
but i stay out of it
you know my issues lol
but ive noticed some disagreements with you 2

ItsAHazardLife 03-Nov-20 02:41 AM

The only two disagreements we had was one about a month ago with something to do with her feeling like i was trying to control her. Then the other was with what she said the other day
Otherwise we were always fine

Sparbucks 03-Nov-20 02:41 AM

well i mean other stuff like when you accused someone of stream sniping and i said calm down and i think she said something like he wont stop
that is between you guys but
you just need to enjoy eachothers company
but also respect eachothers space if that makes sense

ItsAHazardLife 03-Nov-20 02:43 AM

Is possible but she never talked to me about that
Im trying to spend more time with her but before and after work she would just rather spend time in twitch chats lately

Sparbucks 03-Nov-20 02:44 AM

im sure you guys have tried like being in call while watching twitch and etc

ItsAHazardLife 03-Nov-20 02:45 AM

Yea we haven't in awhile. Its been a weird past month.

Sparbucks 03-Nov-20 02:46 AM

i could tell a bit
but i dont poke at peoples personal life

ItsAHazardLife 03-Nov-20 02:46 AM

Im going to try to get some sleep. I'll let you know how things go. I know things will get better but brig is definitely best option

Sparbucks 03-Nov-20 02:47 AM

brig ?

ItsAHazardLife 03-Nov-20 02:47 AM

Yea for saika

Sparbucks 03-Nov-20 02:47 AM

oh i know that trust me
i know exactly in regards of sot is going on with her

ItsAHazardLife 03-Nov-20 02:48 AM

You guys have it under control i know she will do well with things

Sparbucks 03-Nov-20 02:48 AM

like she cried hard when the stream snipers eventually sank us
and i told her its not a big deal and we fricked them up as a sloop as much as we could
but i have been trying my hardest
to push her to just relax have a laugh
if things dont work then who cares

ItsAHazardLife 03-Nov-20 02:50 AM

Yea it just sucks cause of the situation

Sparbucks 03-Nov-20 02:50 AM

but i do predict wednesday
happy/zach will just prob shoot off

ItsAHazardLife 03-Nov-20 02:50 AM

But she just has to remember its fake currensy at the end of the day

Sparbucks 03-Nov-20 02:50 AM

with no repercussions
and they will prob fail a bit

ItsAHazardLife 03-Nov-20 02:50 AM

Probably

Sparbucks 03-Nov-20 02:50 AM

but she will be frustrated but she wont call them out
like w/happy right now she just expects him to always shoot off and not do much on boat
kinda similiar to kie

ItsAHazardLife 03-Nov-20 02:51 AM

It will be interesting to see

Sparbucks 03-Nov-20 02:51 AM

but with me on sloop now she wants me to always be on helm while she is on cannons
but we arent aggressive and 1 cannon shots only goes so far

ItsAHazardLife 03-Nov-20 02:52 AM

Sadly i know i was excited for it before until this past weekend.

Sparbucks 03-Nov-20 02:52 AM

yeah

ItsAHazardLife 03-Nov-20 02:52 AM

I agree 100%
Boarding only goes so far.

Sparbucks 03-Nov-20 02:52 AM

board does too
but just being on boat and shooting cannon
with bigger ships wont do much
they have speed and more numbers to resupply

ItsAHazardLife 03-Nov-20 02:53 AM

Very true

Sparbucks 03-Nov-20 02:53 AM

many times vs zach where

they shoulda been done
ended up being epic but still shoulda been done
ima sleep here though, you get sleep too
catch ya potentially tomorrow or wednesday (tomorrow depends on elections)

Sparbucks 03-Nov-20 01:19 PM

btw
100% they were stream sniping
2 of them were streaming like dumbasses
dont say anything yet but i am putting together a complilation
also dont clip
cuz im dling the vods
<https://www.twitch.tv/videos/789341886>

Sea of Thieves - Get Rich or Die Tryin'...FOTD STEALS - carlsjrburg...

carlsjrburgz went live on Twitch. Catch up on their Sea of Thieves VOD now.

<https://www.twitch.tv/videos/790193372>

Adventure Hopping // Arena Hopping // PvP - ndr_u_t on Twitch

ndru_t went live on Twitch. Catch up on their Sea of Thieves VOD now.

ItsAHazardLife 03-Nov-20 01:19 PM

nahhhhh streamers don't stream snipe. wtf what morons

Sparbucks 03-Nov-20 01:19 PM

and they all end at the end because they were sniping
nah this is like legit cringe

ItsAHazardLife 03-Nov-20 01:22 PM

it's sad in all honesty.
lmfao..... you can hear your vod as they watch it

Sparbucks 03-Nov-20 01:24 PM

what you can do if you have time or anything (not now lol)
just give me timestamps
but dont clip they will notice

ItsAHazardLife 03-Nov-20 01:25 PM

yea I can do that. jeeze they are sooo cringe

Sparbucks 03-Nov-20 01:25 PM

so fucking cringe
worse than i thought

ItsAHazardLife 03-Nov-20 01:26 PM

4:16 - They are going around the shores of gold

Sparbucks 03-Nov-20 01:27 PM

also which srtream

cuz there are 2

ItsAHazardLife 03-Nov-20 01:27 PM

4:17:10 they are sailing out.

NDRU_T

4:19-4:20 Talks about keeping the server

Sparbucks 03-Nov-20 01:30 PM

they also called me burning a pineapple as despawning loot lol

not knowing it was channel points

i am downloading all the vods btw like i said

ItsAHazardLife 03-Nov-20 01:31 PM

thats not even despawning loot lol

Sparbucks 03-Nov-20 01:31 PM

they are just fucking dumb

ItsAHazardLife 03-Nov-20 01:32 PM

dumb is an underestimate

04:22:40 talks about your supplies and wanting to sell.

04:25:45 They are talking about you guys going to ashen winds

04:26 they are talking about what is and what is not stream sniping.

Sparbucks 03-Nov-20 01:37 PM

they were watching us the entire time its almost ridiculous

they even admit they are harassing

ItsAHazardLife 03-Nov-20 01:38 PM

yea they were

literally said right before ending "Let's do it"

and you hear the invite

Sparbucks 03-Nov-20 01:39 PM

yup
blatant

ItsAHazardLife 03-Nov-20 01:40 PM

and they cut stream to hide what they were doing
what they don't realize. This will get them banned on not just microsoft/steam, but they can also get banned on twitch

Sparbucks 03-Nov-20 02:02 PM

Yup
Tried to have another strat convo with saika about how we can do better as a crew
And again ended badly
Like she cried when we sank last night
But i cant talk strats with her anymore

ItsAHazardLife 03-Nov-20 02:05 PM

honestly there really is only one thing to do in this scenario of last night. Instead of trying to sell at reapers, things should have just been sold at galleons and you should have left the server.

Sparbucks 03-Nov-20 02:06 PM

Yup agreed
I also told her we need a zero stream sniping policy
If we know we sniped we leave

ItsAHazardLife 03-Nov-20 02:06 PM

It's ridiculous, but you have to have it

Sparbucks 03-Nov-20 02:06 PM

Like pace cobbobkes and even mason
Ive also now made an alt
But just talking about how we can do better as like a brig and with callouts
We are in such bad panic now
Even in easy fights

ItsAHazardLife 03-Nov-20 02:08 PM

send me the alt account or add me on it

Sparbucks 03-Nov-20 02:08 PM

But i cant talk about that stuff now because sot is so sensitive to her
I will when i get home

ItsAHazardLife 03-Nov-20 02:09 PM

She loves SoT, but I've had talks with her and she absolutely hates the state of this game.

She legit is borderline on quitting

Sparbucks 03-Nov-20 02:09 PM

Yeah but she has a serious fear of sinking
Ya ive talked to her

ItsAHazardLife 03-Nov-20 02:10 PM

The only times I've sunk recently have been times where I got rare'd hard. like shots not reg'n

Sparbucks 03-Nov-20 02:10 PM

But like i said less call outs have 1 person dedicated to sails and another person focusing ladders more

ItsAHazardLife 03-Nov-20 02:10 PM

or pve getting involved.

Sparbucks 03-Nov-20 02:11 PM

But anytime she just says its her fault when its not

ItsAHazardLife 03-Nov-20 02:12 PM

yea I almost say chill with sloops for a bit and stay on brigs at minimum for the time being. I know you love sloops for the challenge but for Saika that extra body whether it's me, bri, happy or whoever will be easier on her.

Sparbucks 03-Nov-20 02:12 PM

Her fear and pride of sinking/not sinking is effecting her

ItsAHazardLife 03-Nov-20 02:13 PM

she's said that before and I'm like it's not your fault. It's something you couldn't control

Sparbucks 03-Nov-20 02:13 PM

I say that everyday
And im just trying to try something diff

ItsAHazardLife 03-Nov-20 02:14 PM

I get annoyed when sinking.

Sparbucks 03-Nov-20 02:14 PM

Like i cant repair, bail, cannon, do sails, watch ladders then randomly get on the wheel at the same time
Neither can she or happy

I hate sinking too

ItsAHazardLife 03-Nov-20 02:15 PM

I've only rage quit this game once and that was with Timmy and Moe

Sparbucks 03-Nov-20 02:15 PM

Yeah

ItsAHazardLife 03-Nov-20 02:15 PM

it might've been sskooks actually

Sparbucks 03-Nov-20 02:15 PM

Saika is having issues on what she wants to be in the game

I think i remember you telling me about that

ItsAHazardLife 03-Nov-20 02:16 PM

especially while streaming. I hate when a battle or fight is coming up and all you see is the streamer standing there talking to chat.

Sparbucks 03-Nov-20 02:16 PM

Yeah

We all do it tbh

So does saika

It happens here and there for me

But im always on point when its serious

But we have a trend now

ItsAHazardLife 03-Nov-20 02:17 PM

the second a ships incoming is when pvp mode should be main focus and chat is the last thing to worry about.

Sparbucks 03-Nov-20 02:17 PM

She doesnt wanna helm, she wants to switch off more and i agree

But cannons only do so much

If we arent aggressive then its just the opponent repairing and then we run out of supplies

Yup

ItsAHazardLife 03-Nov-20 02:18 PM

yea I agree she shouldn't be stuck on helm. She stays on the ship too much.

Sparbucks 03-Nov-20 02:19 PM

But we always have another person who wont helm

But even when someone else is on the helm saika cant let go

ItsAHazardLife 03-Nov-20 02:19 PM

Thats the one thing I know when I'm with you two. I'll tell her to go.
like she will go then

Sparbucks 03-Nov-20 02:20 PM

The problem is when im helm for a while we arent aggressive
And i like taking more chances
But if she dies when boarding or not hitting her shots
She panics bad now
Like you die you die, try again

ItsAHazardLife 03-Nov-20 02:21 PM

it sucks how easy it is to die or get reg'd but she shouldn't blame her since she knows it is bad.

Sparbucks 03-Nov-20 02:22 PM

Even if she does die
Its not a big deal
But she puts herself on an unrealistic pedestal that she has to be perfect because of back seat gamers like falco and zempel

ItsAHazardLife 03-Nov-20 02:23 PM

it definitely isn't a big deal. If they are watching boards and 3 failed attempts then switch to naval then send boarders when panicing

Sparbucks 03-Nov-20 02:24 PM

And with that getting in her head it weighs her down where she gets complacent and goes panic mode

ItsAHazardLife 03-Nov-20 02:24 PM

which she doesn't deserve that treatment I know both of them arent perfect

Sparbucks 03-Nov-20 02:24 PM

Yeah they arent at all
One thing i learned with like peasoup when i panic and blame stuff on others it makes the entire crew worse
And i still panic

ItsAHazardLife 03-Nov-20 02:25 PM

we all panic.

Sparbucks 03-Nov-20 02:26 PM

But lately its been bad with whatever crew

ItsAHazardLife 03-Nov-20 02:27 PM

yea its crazy.

Sparbucks 03-Nov-20 02:28 PM

Like it just needs to be simplified

She needs to say what she wants to do

ItsAHazardLife 03-Nov-20 02:29 PM

100% agree

Sparbucks 03-Nov-20 02:29 PM

But her being on the helm you can tell (atleast with me) she is not happy

Like when i left she instantly laughing with happy and more vocal

ItsAHazardLife 03-Nov-20 02:30 PM

helms not always enjoy-able thats why you need people who are willing to switch off

Sparbucks 03-Nov-20 02:30 PM

Helm is a multitask position too

ItsAHazardLife 03-Nov-20 02:31 PM

100%

Sparbucks 03-Nov-20 02:31 PM

Like what i was saying last night

Most if zachncheese was me on helm

Because saika was already kinda on edge

ItsAHazardLife 03-Nov-20 02:31 PM

watching boarders and cannons and some repairing.

Sparbucks 03-Nov-20 02:31 PM

So i just did it

But we just not as aggressive anymore, tbh i blame chainshots

ItsAHazardLife 03-Nov-20 02:32 PM

it's hard to be aggressive when there are factors out of your control now.

Sparbucks 03-Nov-20 02:33 PM

Yeah

But i need to find a way again to talk strat with her instead of it becoming her getting upset

ItsAHazardLife 03-Nov-20 02:35 PM

thats going to be the hardest thing to do

Sparbucks 03-Nov-20 02:35 PM

Ya

ItsAHazardLife 03-Nov-20 02:35 PM

at least until the game improves

Sparbucks 03-Nov-20 02:35 PM

She used to talk to me about strats all the time it was fun

But since zemp and falco that def changed

ItsAHazardLife 03-Nov-20 02:36 PM

I guarantee the biggest is how bad the game is falling apart and mixing those 2 in.... it's not a good thing

Sparbucks 03-Nov-20 02:37 PM

Yeah

Zemp always being a dick and causing internal arguments was biggest

Then falco basically insulting saika saying she isnt as good and has gone as far on controller

ItsAHazardLife 03-Nov-20 02:40 PM

Zemp 100% caused issues. Falco shouldnt have ever said that. It's dumb
there are sooo many controller players that are good. Her being one of them

As much as I love Happy, I'll be honest I don't think he's a player that should be with daily. Literally like Saika told me you literally have to yell at him to get your attention and I've noticed that. It's not right for you or her.

Sparbucks 03-Nov-20 03:11 PM

yeah sometimes but he is a good player

but also saika needs to figure out the content she wants

i think almost every person we have sailed with outside of us

there have been issues

ItsAHazardLife 03-Nov-20 03:12 PM

Good players don't always make a good crewmate unfortunately

Sparbucks 03-Nov-20 03:13 PM

im just saying it might not be the other people
it might be our approach

ItsAHazardLife 03-Nov-20 03:13 PM

it 100% could be

Sparbucks 03-Nov-20 03:13 PM

watching tart,pace crew and just above average crews
they are way more calm
like pace crew has rob who is like afk most the time lol

ItsAHazardLife 03-Nov-20 03:14 PM

honestly the one day she was with me mitch bri and xilky's husband. She seemed to love that we were stacking loot.

Sparbucks 03-Nov-20 03:14 PM

we barely have roles
other people we have usually dont even try to learn helm
like kie is kinda like happy tbh

ItsAHazardLife 03-Nov-20 03:14 PM

I would agree

Sparbucks 03-Nov-20 03:15 PM

but having to bounce between each role every like 5 minutes or less
it clouds our judgement and makes every situation way more panic than it should be

ItsAHazardLife 03-Nov-20 03:16 PM

It all comes down to your crew and who is with you.

Sparbucks 03-Nov-20 03:16 PM

but also the call outs and how we approach is just as important
lack of trust = saika and myself running around going crazy
but even on sloop right now
we arent aggressive, we are trying to naval bigger ships a lot of time
my alt account btw is
"SpotNachoWifi"

ItsAHazardLife 03-Nov-20 03:18 PM

call outs are super important.

Sparbucks 03-Nov-20 03:18 PM

but there is such thing as too many callouts
usually now we get boarded because we have entire crew on sails or people are doing sails and repairing
and on board and successful anchor on us undoes everything on our sail management

ItsAHazardLife 03-Nov-20 03:20 PM

yea I remember when we if we knew a board was coming on brig or galleon. We would have 2 people on ladders. I've seen lately where only 1 person has been watching ladders.

Sparbucks 03-Nov-20 03:21 PM

we can usually have someone on bow doing call outs, one person (unless big change in direction or pivot) on sail, helm can balance back sail
and then last person can help with sails and basic boat management (even watching ladders
but having everyone on sails constantly i dont think is necessary in most situations

ItsAHazardLife 03-Nov-20 03:22 PM

definitely not needed.
I almost feel like the whole trying to play with other people for months on end almost killed the structure you guys had.

Sparbucks 03-Nov-20 03:24 PM

agreed
tbh it changed when like i said we brought zemp in to be that good combo who can help with helm
but then he just bitched about it
like i know saika wants to be on cannons more
but like on a sloop a lot of times i just dont need to sit on helm while she is on cannons

ItsAHazardLife 03-Nov-20 03:25 PM

Part of me almost wishes I never took my break in all honesty

Sparbucks 03-Nov-20 03:25 PM

whys that

ItsAHazardLife 03-Nov-20 03:25 PM

cause Zemp was brought in when I walked away

Sparbucks 03-Nov-20 03:26 PM

yeahhh wasnt just cuz that
zemp kinda
fixed his way into that situation
and i thought maybe it would work but then he kept going at me and bitching about ever being on helm
like this is the thing that always blows my mind

and i see it happening again
we always have like 1-2 people who are against helming
like they just dont do it
and like

ItsAHazardLife 03-Nov-20 03:27 PM

Which is dumb

Sparbucks 03-Nov-20 03:27 PM

saika and etc are just fine with that
but like any time i dont take helm its like
i can tell she gets frustrated

ItsAHazardLife 03-Nov-20 03:27 PM

I also know sometimes you struggle to get Saika off of helm

Sparbucks 03-Nov-20 03:27 PM

like zemp would have to say anytime he was on helm that i was not
but NO one would ever say Kie never takes it
its such a double standard
yeah
tbh i wish she was comfortable solo so she could do it once in a while (pvp)
because i think it would slow her down

ItsAHazardLife 03-Nov-20 03:28 PM

what bothers me with that kie and happy both Solo so they know how to helm

Sparbucks 03-Nov-20 03:28 PM

yeah
well even w/bigger ships they just wont bother
that was the biggest thing with zemp, like i actually take helm here and there
is it more than saika? no obviously
but when i dont i would have to hear about it
but there is also a fine line on what she wants her content to be
i know mine and its definitely more repeatable and calm

ItsAHazardLife 03-Nov-20 03:30 PM

which they should but then again kie and happy also have more of a focus on their chat which is why they don't want to helm most likely

Sparbucks 03-Nov-20 03:30 PM

yeah
but collectively as a crew we need to slow down with our decision making
like im actually very comfortable when i have a kie/happy with a sloop i dunno if you have noticed
im usually on helm but also do a bit of everything

but im very used to solo so im a bit more on the calm side

ItsAHazardLife 03-Nov-20 03:31 PM

yea I do notice that
but mix then in on a brig it's not always good.

Sparbucks 03-Nov-20 03:32 PM

yeah

ItsAHazardLife 03-Nov-20 03:32 PM

they'd make people good for a sloop or galleon crew.

Sparbucks 03-Nov-20 03:33 PM

there was one battle
think it was that one dude who hops for boxy?
but that was a mess

ItsAHazardLife 03-Nov-20 03:33 PM

River

Sparbucks 03-Nov-20 03:33 PM

i was running around repairing, doing sails, getting supplies
so many panic call outs where i just couldnt get a minute to calm down and while running around we were getting boarded over and over

ItsAHazardLife 03-Nov-20 03:34 PM

that one was a hot mess between hit reg and ladders not being watched even knowing they were double boarding.

Sparbucks 03-Nov-20 03:36 PM

and saika was saying we werent listening or something but like i was all over the place lol

ItsAHazardLife 03-Nov-20 03:37 PM

yea if it wasn't for that Galleon and even River knew it, you guys would have had more of a chance to hit the fort.

Sparbucks 03-Nov-20 03:37 PM

yeah

ItsAHazardLife 03-Nov-20 03:37 PM

But they used the galleon to their advantage to escape quicker

Sparbucks 03-Nov-20 03:38 PM

yup exactly

ItsAHazardLife 03-Nov-20 03:40 PM

So it was a lose lose situation especially with the boarding not getting locked down soon enough

Sparbucks 03-Nov-20 03:43 PM

yeah

ItsAHazardLife 03-Nov-20 03:45 PM

The one thing I wish I did was continue to snake instead of turning to sink the galleon as we were saying we should do.

ItsAHazardLife 04-Nov-20 07:17 PM

I won't lie, part of me hates that you guys are sailing with ZachNCheese tonight

Sparbucks 04-Nov-20 10:48 PM

whys that?

btw bbxh's husband might be reaching out to you

ItsAHazardLife 04-Nov-20 10:49 PM

uh oh sounds good

Just cause of the mess he allowed the other night.

ItsAHazardLife 05-Nov-20 01:14 AM

I know bam578 is/was talking about no nut November in your chat. He brought it over to Saika's chat asking "why did you make Spar fail no nut November" Even as a joke i don't know how you feel but it's almost inappropriate. I timed him out to delete him asking it multiple times. Bri brought it up to me and I made a quick decision, but also wanted your opinion on how to handle it further than initial timeout.

Sparbucks 05-Nov-20 01:22 AM

hes going through a lot and yeah it was weird

hes been on the edge lately

ItsAHazardLife 05-Nov-20 01:23 AM

I know he has.

ItsAHazardLife 05-Nov-20 02:25 PM

I don't know if this is a coincidence or if they were watching last night still

Sparbucks 06-Nov-20 08:33 PM

yeah just its clear
rob always like links up with people we have recently met
he has done it to everyone
cuz he still estalks saika

ItsAHazardLife 06-Nov-20 08:34 PM

I tried banning someone from his chat and he reversed it... "cause he talked to him" but what this guy did was inappropriate. Would've been banned in any other chat for his actions. (edited)
thats interesting. cause Zach said he met him awhile ago. Sandro has been in Carrots a lot lately.

Sparbucks 06-Nov-20 08:37 PM

yup
its what rob does

ItsAHazardLife 06-Nov-20 08:37 PM

crazy
I enjoy his content but I dropped modding him cause of his decision on this ban.

Sparbucks 06-Nov-20 10:35 PM

fml

ItsAHazardLife 06-Nov-20 10:38 PM

uh oh
its going to be a rough night?

Sparbucks 06-Nov-20 10:39 PM

they are very very bad

ItsAHazardLife 06-Nov-20 10:40 PM

and if im right they wanted to run reapers too

Sparbucks 06-Nov-20 10:40 PM

yup./..

ItsAHazardLife 06-Nov-20 10:41 PM

well uhhh you might need to step up from your A game to your A+++ game XD

Sparbucks 06-Nov-20 10:41 PM

i dont know this girl
and she is low key pissing me off

ItsAHazardLife 06-Nov-20 10:42 PM

i barely know skull and have no idea who the other one

Sparbucks 06-Nov-20 10:43 PM

i dont like when i am forced to play with someone i dont know

ItsAHazardLife 06-Nov-20 10:45 PM

it's always rough since you don't know them. You don't know their play style. You don't know much.
just remember tonight's for the charity.

Sparbucks 06-Nov-20 10:46 PM

i was kinda just forced into it lol
i know

ItsAHazardLife 06-Nov-20 10:46 PM

I do find it funny though Saika didn't want spice but you guys are running reapers and trying to start the fold
Yea every once in awhile you have to do some things you don't like or want to do.

Sparbucks 06-Nov-20 10:47 PM

shes trying to correct me on basic stuff already and she has been wrong about it all

ItsAHazardLife 06-Nov-20 10:47 PM

oof yea that'd get annoying

ItsAHazardLife 06-Nov-20 10:59 PM

He seems to want to be timed out if he continues I will probably end up banning him. As well he promoted some youtube video. I dont think he is here wiht good intentions

Sparbucks 06-Nov-20 11:03 PM

yeah sounds about right

ItsAHazardLife 07-Nov-20 01:31 AM

IF you shoot out of a cannon, take a mermaid instant look around, you will be able to see a mermaid

Sparbucks 07-Nov-20 01:32 AM

this crew is terrible

ItsAHazardLife 07-Nov-20 01:32 AM

100% agree. they arent listening at all

ItsAHazardLife 07-Nov-20 11:58 PM

go to sound settings

Advanced Sounds Options (App Volumes)

you can force input/out for apps in there

ItsAHazardLife 08-Nov-20 07:23 PM

Have you read the event stuff for this Fate of the Damned stuff?

the ones that start the 18th?

Sparbucks 08-Nov-20 09:34 PM

yeah a bit

lol

Sparbucks 09-Nov-20 11:04 PM

so weird

ItsAHazardLife 09-Nov-20 11:04 PM

?

Sparbucks 09-Nov-20 11:04 PM

mitch is legit mad at me

because he didnt get the sails

when i double/triple made sure he was okay with that

and he always told me he doesnt care

if i woulda known he cared i woulda gave my sails to him

but hes super pissed when him and mythical werent even suppose to be part of it from the beginning

ItsAHazardLife 09-Nov-20 11:05 PM

You told him that it was a limit of 4 and he was ok with being the 5th

Sparbucks 09-Nov-20 11:05 PM

yeah same

i made sure many times

ItsAHazardLife 09-Nov-20 11:07 PM

I don't get it. I know I would've loved to be apart of making a dope screenshot and I talked to Saika about it before, but I would never be mad about it.

Sparbucks 09-Nov-20 11:07 PM

yeah
stuff he said tbh
upsets me a lot
keep it between us
but a lot of it is kind of bs but he did talk to me a bit more and he is going through stuff irl

i just cant please everyone
but im attempting to talk to him, he usually calms down after a day or 2
but this was just very surprising
like i cant read peoples minds

ItsAHazardLife 09-Nov-20 11:08 PM

He shouldn't be upset with you at all. It's a cosmetic that we can always try to get a screenshot in there.

Sparbucks 09-Nov-20 11:08 PM

i dont even care about the sails, i just wanted to win
yeah
then he brought up the money things too
its just so fucking confusing because i legit offered my sails to him
way before when we were submitting
and he said no
i also included his name in the DM to rare

ItsAHazardLife 09-Nov-20 11:09 PM

Hell I'm dealing with shit and I don't even think about taking my frustration out on people.

Sparbucks 09-Nov-20 11:09 PM

yeah
like he also tweeted something weird

ItsAHazardLife 09-Nov-20 11:10 PM

I'm thankful the one night I was able to join you to get my mind off things until someone said something in your chat.

Sparbucks 09-Nov-20 11:10 PM

thats about me and apparently i also lied
i just dont get it
evan technically helped too

but he had to go

ItsAHazardLife 09-Nov-20 11:11 PM

I saw that and was wondering what that was about.

Sparbucks 09-Nov-20 11:11 PM

and he took his spot
after mythical and evan got us the boat and did the tall tale

ItsAHazardLife 09-Nov-20 11:13 PM

from the other screenshot he donated, did bits, subs, etc to "make friends" like you don't do that to make friends. You do that to support the creators dreams so they can continue making the content you enjoy.

Sparbucks 09-Nov-20 11:14 PM

when i say "you dont have to do that" yeah its kinda a meme but its the truth

ItsAHazardLife 09-Nov-20 11:14 PM

100%

Sparbucks 09-Nov-20 11:14 PM

but its a grey area and people try to hold it as some card and that stuff sucks

ItsAHazardLife 09-Nov-20 11:15 PM

Everytime I've broken Saika with bits it was always because I wanted to, I want to push her to continue, I want to cheer her up, etc.

Sparbucks 09-Nov-20 11:16 PM

same when i support my friends and people
i never bring up money or what ive given because its what I WANTED to do

ItsAHazardLife 09-Nov-20 11:17 PM

true I didn't think of that Evan started with yall so really he would've been before Mitch,

Sparbucks 09-Nov-20 11:17 PM

im just a bit disappointed in Mitch bringing money into something regarding sails
yeah Evan had to leave
he was the one who got us the boat and helped a lot
but like
if Mitch gave ANY indication

ItsAHazardLife 09-Nov-20 11:17 PM

it is hoesntly disappointing tbh.

Sparbucks 09-Nov-20 11:17 PM

that he cared about the sails

I woulda gave him mine

I even offered to begin with

like I dont take cosmetics serious anymore, obviously saika and happy do but

my whole thing is to have fun and chill

its why im so careful these days on who i play with

because i cant please everyone, I even asked Mitch prior about stuff

like i dont make the rules

he is going through irl stuff though like his dad was diagnosed with cancer this week and etc

ItsAHazardLife 09-Nov-20 11:19 PM

Cosmetics are dope to have especially when they are hard to get ones

Sparbucks 09-Nov-20 11:19 PM

just im surprised out of everything this is the one thing he gets upset with

they are but I just like winning tbh

i dont need the cosmetics

ItsAHazardLife 09-Nov-20 11:19 PM

true everyone likes the winning aspect of it.

Sparbucks 09-Nov-20 11:20 PM

but he legit didnt give any indication of caring about the sails

ItsAHazardLife 09-Nov-20 11:20 PM

My bet is he was having some type of rough day and was hoping he would get them.

Sparbucks 09-Nov-20 11:20 PM

if i woulda known he cared i woulda told rare his account and left mine out as a surprise

ItsAHazardLife 09-Nov-20 11:21 PM

Yea but without you knowing how he truly felt it becomes your fault for not knowing.

Sparbucks 09-Nov-20 11:21 PM

i had no idea at all

ItsAHazardLife 09-Nov-20 11:22 PM

I hate that with people. Talk it out, work it out, don't get mad, etc

Sparbucks 09-Nov-20 11:22 PM

like if he said something like "those sails are dope but you guys def should get them"
but all he said was "nope im fine dont care at all!"
anyway i have to go live but yeah
quite disapointed in him

ItsAHazardLife 09-Nov-20 11:22 PM

he wanted you to read his mind and it's unfair for you

Sparbucks 09-Nov-20 11:23 PM

yeah and i had no idea

ItsAHazardLife 09-Nov-20 11:23 PM

ps tier 2 emote is sillllllllly lol

Sparbucks 09-Nov-20 11:23 PM

lol its a temp one

ItsAHazardLife 09-Nov-20 11:23 PM

makes sense go live. Hopefully saika will too

Sparbucks 09-Nov-20 11:24 PM

ive been begging her lol

ItsAHazardLife 09-Nov-20 11:24 PM

I know but I also know she's struggling with the seas.

Sparbucks 09-Nov-20 11:25 PM

struggling with the unbalance tbh
game is different now, sloop is just SUPER hard mode
its just not balanced

ItsAHazardLife 09-Nov-20 11:25 PM

ahhhh yea that makes sense

Sparbucks 09-Nov-20 11:25 PM

well i mean she says she is not performing
but she is not performing because the game just is not balanced
i die many times and sink now
nothing you can really do

ItsAHazardLife 09-Nov-20 11:26 PM

the game lacks big time in combat.

Sparbucks 09-Nov-20 11:26 PM

sloop needs a buff
hands down

ItsAHazardLife 09-Nov-20 11:26 PM

100%
she can't blame stuff on her performance when the game has broken features

Sparbucks 09-Nov-20 11:27 PM

yeah
its just the truth

ItsAHazardLife 09-Nov-20 11:28 PM

Everyone knows I still love this game, it's just a struggle to play it for me even though I still love playing it.

Sparbucks 12-Nov-20 02:05 AM

this is a battle i know they are watching the stream

ItsAHazardLife 12-Nov-20 02:06 AM

yea I've been watching the list

Sparbucks 12-Nov-20 02:06 AM

and saika wants to go at them

ItsAHazardLife 12-Nov-20 02:06 AM

they would have to be anno or ingocnito

Sparbucks 12-Nov-20 02:06 AM

yup.
this is when she falls for this
and hesitates to listen to me

ItsAHazardLife 12-Nov-20 02:07 AM

It's weird they ended up on same server

Sparbucks 12-Nov-20 02:07 AM

they know its us

ItsAHazardLife 12-Nov-20 02:07 AM

It's definitely a tough call cause if they are hurting would be good to sink them, but you know they will just come back

Sparbucks 12-Nov-20 02:07 AM

yup

ItsAHazardLife 12-Nov-20 02:08 AM

they went right at you which is weird, but only time will tell.

Sparbucks 12-Nov-20 02:08 AM

with a fotd
and also peeled off me in water

ItsAHazardLife 12-Nov-20 02:09 AM

the fotd they could've seen nobody there and went for the closest ship but the dots just don't connect in the right way

Sparbucks 12-Nov-20 02:09 AM

i would rather leave this server but saika wont

ItsAHazardLife 12-Nov-20 02:10 AM

I've told her any suspicions she just has to sell up and move on.

Sparbucks 12-Nov-20 02:10 AM

she wont do it

ItsAHazardLife 12-Nov-20 02:10 AM

we both know irk will come when you least expect it
is his partner dinu?

Sparbucks 12-Nov-20 02:12 AM

deno
we are gonna sell and leave server
she knows

ItsAHazardLife 12-Nov-20 02:13 AM

idk who this dinu is in your chat, but they've never said anything.

Sparbucks 12-Nov-20 02:13 AM

why would you go after a sloop when fotd is up

ItsAHazardLife 12-Nov-20 02:13 AM

and it's to close of a name

Sparbucks 12-Nov-20 02:13 AM

they have no emmisary
they never checked the fort

ItsAHazardLife 12-Nov-20 02:13 AM

I thought they went past the fort.

Sparbucks 12-Nov-20 02:16 AM

not really
trust me if we sank in this situation she would not take it well

ItsAHazardLife 12-Nov-20 02:20 AM

I know it's just better off
I'm surprised they arent back yet tbh

Sparbucks 12-Nov-20 02:28 AM

they both left

ItsAHazardLife 12-Nov-20 02:28 AM

probably cause you guys talked about leaving

Sparbucks 12-Nov-20 02:28 AM

yup

ItsAHazardLife 12-Nov-20 02:30 AM

smh it kind of surprises me, but also doesn't

Sparbucks 12-Nov-20 02:44 AM

so we sold and they left they also put up a gold hoarder
to try to steal it

ItsAHazardLife 12-Nov-20 02:45 AM

thats weird

Sparbucks 12-Nov-20 02:45 AM

they knew they got in our server

ItsAHazardLife 12-Nov-20 04:11 AM

ItsAHazardLife 12-Nov-20 04:31 AM

It's nothing she could've done. Rare PVEd yall (edited)

Sparbucks 12-Nov-20 04:31 AM

yeah and she will be upset now

ItsAHazardLife 12-Nov-20 04:31 AM

which is silly but I know its true

it's just dumb situations

Sparbucks 12-Nov-20 04:47 AM

she sinks once and she will be like
in an absolute bad mood

ItsAHazardLife 12-Nov-20 04:55 AM

I hate that she is so hard on herself. There is literally nothing she could've done.

Sparbucks 12-Nov-20 04:56 AM

yeah
and her voice is so soft now
and we have to end cuz she is uopset

ItsAHazardLife 12-Nov-20 04:56 AM

yea I hear. I was going to suggest just calling it and relaxing for the sake of her.

Sparbucks 12-Nov-20 04:56 AM

yup

ItsAHazardLife 12-Nov-20 04:56 AM

later is a new day

Sparbucks 12-Nov-20 04:57 AM

not communicating and just not there anymore

ItsAHazardLife 12-Nov-20 04:59 AM

yea I can tell, I know sailing more could cheer her up on a brig, BUT I know it would take a lot

Sparbucks 12-Nov-20 05:12 AM

okay well i will brb
and hopefully she is okay again...

Sparbucks 12-Nov-20 05:29 AM

and here we go

ItsAHazardLife 12-Nov-20 05:29 AM

Oh no

Sparbucks 12-Nov-20 05:29 AM

yeah its bad
again
i dont know why she cares about sinking
she has a completely unrealistic thing because of other people
about if we ever sink as a sloop
or her
then she is just done
she wont talk
she wont strategize with me anymore

ItsAHazardLife 12-Nov-20 05:31 AM

Its hard for her i can tell you that much.

Sparbucks 12-Nov-20 05:31 AM

i watched coop and cj sink to sal's crew yesterday
and THEY WERE SHIT
and they got so triggered CJ deleted the vod
she has this just unrealistic image
because of how the game used to be

ItsAHazardLife 12-Nov-20 05:32 AM

Strategy almost makes things worse. We have been doing the same thing for a long time

Sparbucks 12-Nov-20 05:32 AM

like how do i go about it though
i told her it was not her fault
she says it is
she always goes by "IF I DID THIS"
everyone does that

ItsAHazardLife 12-Nov-20 05:33 AM

She is just hard on herself

Sparbucks 12-Nov-20 05:33 AM

i dont know why she thinks everytime we sink its her fault
and i do need to go comfort her
but during the game
her fear of sinking is overtaking her
and i do think now when i sail with her it has to be a brig or bigger now
sloop is becoming a no go
and we didnt even lose tonight

ItsAHazardLife 12-Nov-20 05:34 AM

I dont know either. Me and her talked about the whole sinking thing. I told her that yea i get frustrated but ar the same time wht we have doesnt ever really matter

Sparbucks 12-Nov-20 05:34 AM

i hate sinking too but
her level is significantly different

ItsAHazardLife 12-Nov-20 05:34 AM

Her response was i wish i could feel that way

Sparbucks 12-Nov-20 05:35 AM

if we sink once now she barely talks
her attitude changes

ItsAHazardLife 12-Nov-20 05:35 AM

She just plainly hates sinking no matter what
There is no way she could take on the skellion and a sloop at the same time

Sparbucks 12-Nov-20 05:36 AM

and i offered to come back
and she told me no
i was ready to come back

ItsAHazardLife 12-Nov-20 05:36 AM

She thought she could handle it.

Sparbucks 12-Nov-20 05:36 AM

i knew where my row boat was
yeah
but i also knew if she sank in that position
it would end up this way
and even if it did
who cares

ItsAHazardLife 12-Nov-20 05:37 AM

I know you always care about the athena, i almost say know where the athena is and secure the sink instead
Thats the only way i couldve seen it different

Sparbucks 12-Nov-20 05:38 AM

yeah but it woulda been our only chance but if we lost the athenas
it woulda been even worse
she got upset about sinking, i came back we got the sloops loot
but she got mad about the galleon getting away with scraps

ItsAHazardLife 12-Nov-20 05:38 AM

Its a risk either way

Sparbucks 12-Nov-20 05:39 AM

but we didnt lose, yes we sank
but we did not lose

ItsAHazardLife 12-Nov-20 05:39 AM

The galleon ran when they couldnt sink yall. Its funny

Sparbucks 12-Nov-20 05:39 AM

yeah
so i dont know why she is upset
like SINKING is just sinking
we still got the loot

ItsAHazardLife 12-Nov-20 05:39 AM

Yea could you of had more loot of course

Sparbucks 12-Nov-20 05:39 AM

got in a position to fight the galleon
and they ran
we cant do anything about that
but the moment we sank she just

ItsAHazardLife 12-Nov-20 05:40 AM

Not at all.

Sparbucks 12-Nov-20 05:40 AM

got very upset
and i will talk to her and comfort her

ItsAHazardLife 12-Nov-20 05:40 AM

She got upet and completely shut down

Sparbucks 12-Nov-20 05:40 AM

but this is becoming a big problem
she has even watched other streamers
and has talked about

when they lose or sink or whatever
how chill and positive they are
and she has said she wants to do that
but her other crews which never pushed into stressful pvp scenarios like we do
they had an unrealistic expectation that they never sink
primarily because the game was different and they would never go against good crews
but she needs to just realize it happens to everyone

ItsAHazardLife 12-Nov-20 05:41 AM

Sinking just happens and theres nothing you can do about it these days

Sparbucks 12-Nov-20 05:42 AM

like i said cj and coop got shit on by a TERRIBLE galleon crew

ItsAHazardLife 12-Nov-20 05:42 AM

The galleon shouldve sank multiplentimes

Sparbucks 12-Nov-20 05:42 AM

the one we went vs? yeah

ItsAHazardLife 12-Nov-20 05:42 AM

Its bound to happen

Sparbucks 12-Nov-20 05:42 AM

and when they were in trouble they ran
i even called it

ItsAHazardLife 12-Nov-20 05:43 AM

Me mythical and i think grim sunk to tdm sweats that i think sniped mythical we lost the haul

Sparbucks 12-Nov-20 05:43 AM

that was another thing tonight
vs irk
she kept wanting to go at them
but i knew what was happening

ItsAHazardLife 12-Nov-20 05:44 AM

Were we bothered by it? Yes but we got rared multiple times

Sparbucks 12-Nov-20 05:44 AM

yeah
but like it just happens and you move on
but saika wont let it go
she now saying we dont work together because she got upset about sinking
but we NEVER lost

ItsAHazardLife 12-Nov-20 05:44 AM

Id love to hear irks side but i doubt we will ever know

Sparbucks 12-Nov-20 05:45 AM

i wont even press
i know what that was about
they left, put gold hoarders up to sink us but when we turned stuff in
they left

ItsAHazardLife 12-Nov-20 05:46 AM

Yea its interesting
I know she enjoys sailing with happy but she hates that it's super hard to get his attention
You two work together well but sometimes you're just not on the same page

Sparbucks 12-Nov-20 06:01 AM

agreed
but her fear of sinking
like is overtaking her
she cant just chill/vibe like other people
not really how we operated before

ItsAHazardLife 12-Nov-20 01:30 PM

I've got this super dumb idea, but it's literally something to break her mindset on sinking. It's something for off stream. Minimal pockets grabbed to start, no shooting off supplies. Go for the reapers or forts with minimal to lose. Potentially even allow the ship to sink. Doing this multiple times will show her it's really ok to sink. It's just a ship you can get back at the end of the day.

Sparbucks 12-Nov-20 10:56 PM

hmmm
just the thing is she gets more upset when she is streaming
but i do agree it would help, its what i do half the time lol

ItsAHazardLife 12-Nov-20 11:00 PM

yea thats why I'm thinking it should be an off stream thing to do

ItsAHazardLife 14-Nov-20 02:19 AM

Coop and a bunch of his friends

Sparbucks 14-Nov-20 02:25 AM
confirmed?

ItsAHazardLife 14-Nov-20 02:29 AM
100% confirmed
they are selling and bouncing, at least most of them

Sparbucks 14-Nov-20 03:25 PM

Sparbucks 15-Nov-20 12:27 AM
it was fun shitting on them lol

ItsAHazardLife 15-Nov-20 12:28 AM
They aren't that great of a crew at all.

Sparbucks 15-Nov-20 12:28 AM
little bit different when you dont have one dude on a controller lol

ItsAHazardLife 15-Nov-20 12:28 AM
I know we could've took them the one day, but the handicap of controller screwed us 100%

Sparbucks 15-Nov-20 12:28 AM
yup

ItsAHazardLife 15-Nov-20 12:29 AM
weirdly he unblocked me on twitter too XD

Sparbucks 15-Nov-20 12:29 AM
lmao

ItsAHazardLife 15-Nov-20 12:29 AM
what yall up to tonight?

Sparbucks 15-Nov-20 12:29 AM

i couldnt really sleep
saika gonna go back to sleep
ima stream for a bit here

ItsAHazardLife 15-Nov-20 12:29 AM

sounds good.
yea I saw Saika on SoT for a few hours after the event was done

Sparbucks 15-Nov-20 12:30 AM

kharites kinda annoyed our whole crew
nah i think she left her pc on maybe
we were watching vods

ItsAHazardLife 15-Nov-20 12:30 AM

ahhh
what was carrots doing?

Sparbucks 15-Nov-20 12:30 AM

kharites came in and said we were running

ItsAHazardLife 15-Nov-20 12:30 AM

oooooo

Sparbucks 15-Nov-20 12:30 AM

and we never ran

ItsAHazardLife 15-Nov-20 12:30 AM

yea I saw that

Sparbucks 15-Nov-20 12:31 AM

we went at them like 4-5 times and made them peel off like 3 times
then next match we made their entire team rage

ItsAHazardLife 15-Nov-20 12:31 AM

I know she was joking around, the round was about over too

Sparbucks 15-Nov-20 12:31 AM

well i know her well lol
she nicest person but like she doesnt like to lose at all and kinda can snap
shes a handful to sail with lol

ItsAHazardLife 15-Nov-20 12:32 AM

yea thats understandable. When she is on stream she doesn't really care a whole lot

Sparbucks 15-Nov-20 12:34 AM

ya
but like happy/zach dont know her well so they didnt exactly like her saying that lol
fox like had a melt down
which made me laugh a bit lol

ItsAHazardLife 15-Nov-20 12:35 AM

Those events are always interesting.
I watched bits and pieces, but didn't really know who all was in it

Sparbucks 15-Nov-20 12:36 AM

ill show you the part to watch lol
<https://www.twitch.tv/videos/803197072?t=1h40m36s>

   **CURSE OF LEGEND**    **!HOGF !foxshop -**
Foxdle on Twitch

Foxdle went live on Twitch. Catch up on their Sea of Thieves VOD now.

2nd round had JUST started too lol

ItsAHazardLife 15-Nov-20 12:39 AM

yea I would've been triggered by that too

Sparbucks 15-Nov-20 12:40 AM

lol ya
fox has some good points

ItsAHazardLife 15-Nov-20 12:40 AM

unless he was muted..... absolutely nobody was listening to his call outs

Sparbucks 15-Nov-20 12:40 AM

yeah
kharites got too focused on potential boarder
kitty im not sure what he was doing
fox called 2nd deck

ItsAHazardLife 15-Nov-20 12:41 AM

he was trying to cannon mostly

Sparbucks 15-Nov-20 12:41 AM

should have people bucketing and one repairing if possible
but they were done
from the beginning
by going through the archway

ItsAHazardLife 15-Nov-20 12:41 AM

1-2 on buckets/repair

Sparbucks 15-Nov-20 12:41 AM

they were anched, all sails down

ItsAHazardLife 15-Nov-20 12:41 AM

the other 2 on borders/cannons

Sparbucks 15-Nov-20 12:41 AM

and we had broadside non-stop

ItsAHazardLife 15-Nov-20 12:42 AM

yea and the broad of chains cause of their mistake of going through the arch.

Sparbucks 15-Nov-20 12:42 AM

yeah
lack of awareness

ItsAHazardLife 15-Nov-20 12:42 AM

Whoever made that call.....

Sparbucks 15-Nov-20 12:42 AM

their entire crew was unaware
they did really bad
last time i did this with kharites she kept making bad call after bad call
i remember one match she told der to board with her when we are pirates
they both died

ItsAHazardLife 15-Nov-20 12:43 AM

I know 3rd ship was tobi's crew. Who was the 4th?

Sparbucks 15-Nov-20 12:43 AM

and the match was saika and myself 2 manning a gally
rare crew

next match with kharites she decided to "anchor turn" us in a storm when she wasnt on the helm randomly broad with reaper in a storm
she just dropped the anchor then jumped off the boat lol
and she died

ItsAHazardLife 15-Nov-20 12:44 AM

yea I remember all of that.

Sparbucks 15-Nov-20 12:44 AM

they just had terrible awareness

kharites even in this tourney

is on the island

snake and tried to keg a ship lol

they blew her up and she never really said she died

ItsAHazardLife 15-Nov-20 12:44 AM

they focus too much with not being aware of anything else.

Sparbucks 15-Nov-20 12:44 AM

yeah

kharites is a handful with stuff these days

ItsAHazardLife 15-Nov-20 12:45 AM

Knowing each crew, I'd rank them

1. Your Crew

2. Tobi's

3. Kharite's

4. Rare

it's sad but true

Sparbucks 15-Nov-20 12:45 AM

love playing games/hanging with her but seas can be dreadful with her these days

yeah

tobi's crew was meh

last match i died from PVE cuz we got skelly shipped

so we only had 3 entire match, it sucked

ItsAHazardLife 15-Nov-20 12:46 AM

yea I saw the tweets 3 skelly ships and 1 kraken

Sparbucks 15-Nov-20 12:46 AM

4 skelly ships lol

ItsAHazardLife 15-Nov-20 12:46 AM

yikes thats crazy

They hold interesting events that is for sure

Sparbucks 15-Nov-20 12:47 AM

yeah

ItsAHazardLife 15-Nov-20 12:49 AM

I'm trying to get used to Happy's all over the place and not always focused playstyle.

Zach is just a pvp border for the most part.

Sparbucks 15-Nov-20 12:50 AM

yeah

i am just a deckhand essentially with that crew

ItsAHazardLife 15-Nov-20 12:52 AM

I'm just being civil with Zach for the most part. I'm still dealing with the aftermath of the mess he allowed in his chat the one night.

It's why I'm sooo hesitant on him and why I get bothered lately.

Sparbucks 15-Nov-20 12:53 AM

i gotcha

ItsAHazardLife 15-Nov-20 12:54 AM

I'm just hoping the worst doesn't come from it.

Sparbucks 15-Nov-20 04:45 AM

this person doesnt follow me

offering

ItsAHazardLife 15-Nov-20 04:50 AM

Sparbucks 15-Nov-20 04:50 AM

i think its a setup

ItsAHazardLife 15-Nov-20 04:51 AM

I don't see this flex often so I'm curious who's on it

Sparbucks 15-Nov-20 04:51 AM

you could rowboat over look at recents
if all alts or some shit
then its no
this is like a big setup i feel

ItsAHazardLife 15-Nov-20 04:55 AM

all of a sudden all reapers are now stacked

Sparbucks 15-Nov-20 04:55 AM

weird
i t hink its a setup
get over there and get some names

ItsAHazardLife 15-Nov-20 04:57 AM

It's feeling sus, why would they flex just to pile them in the end

Sparbucks 15-Nov-20 04:57 AM

yup

ItsAHazardLife 15-Nov-20 04:58 AM

parked at CJ's rock going to swim now
cannon fire
my guess is I'll be there right as they are finished from this swim
Austin Giela and Zyphon (edited)
and Mythical

Sparbucks 15-Nov-20 05:07 AM

stay on

ItsAHazardLife 15-Nov-20 05:07 AM

you sure?

Sparbucks 15-Nov-20 05:08 AM

saika and i want on it

ItsAHazardLife 15-Nov-20 05:08 AM

lol alright

Sparbucks 15-Nov-20 05:21 AM

tiddles42069

ItsAHazardLife 15-Nov-20 06:35 AM

As much fun as it sounds to go against them. I personally dont think its smart to go against them with knowing it was them. If i couldve tossed it to like LD or any of the morning people i hop for it wouldve been a better idea.

ldk why the second i got on that server i had a feeling it was them and i was right.

Sparbucks 15-Nov-20 06:37 AM

nah i didnt want to

i already got upset that i went afk and came back to our boat sinking and apparently we were going against lux with like 4 people boarding us and i didnt really wanna just sink my friends even though mythical been a lil weird about him being so good lately but at the same time its not the right move

it would be doing what we dislike in other people

and i still think its weird that dude who never followed me gave us the server

also said stuff like "they are pretty good"

i still think it was a set up

ItsAHazardLife 15-Nov-20 06:50 AM

Yea it partially felt like one.

The dude had the boat pretty stockdd when i got on there.

Sparbucks 15-Nov-20 06:50 AM

yeah

i didnt trust it

ItsAHazardLife 15-Nov-20 06:51 AM

When i figured out who it was mh first thought was let them do their thing see if they want the supplies

Sparbucks 15-Nov-20 06:51 AM

yeah

if it wad right scenario

was*

then we would

but i didnt have more than a sloop

saika was on fence

bad combo

didnt even wanna be spicy

ItsAHazardLife 15-Nov-20 06:52 AM

Yea saika was more in chill mode. You were in the middle.

Sparbucks 15-Nov-20 06:52 AM

yeah
going afk and coming back tho
to boat almost sank, 3 people boarding
and i wasnt helping

ItsAHazardLife 15-Nov-20 06:53 AM

That server wouldve went on for hours

Sparbucks 15-Nov-20 06:53 AM

i felt like shit for doing that to mitch

ItsAHazardLife 15-Nov-20 06:53 AM

Yea its always a risk to go afk.
Just know i think we made the best call with it and enjoy the rest of the night.

Sparbucks 17-Nov-20 12:57 AM

btw im pretty sure you said something
but deleted it
something about soc?

ItsAHazardLife 17-Nov-20 12:59 AM

I did..... Zach mentioned it. So it was something about SoC and doing it with him. I'm just struggling after what happened in his chat the one night to the point I just tolerate him.
I just got super bothered by hearing it.

Sparbucks 17-Nov-20 01:08 AM

ah i wouldnt let it bother ya

ItsAHazardLife 17-Nov-20 01:09 AM

it does though..... what happened would've bothered anyone in a relationship. It damn near cost me mine.
Thats how severe things were.

Sparbucks 17-Nov-20 01:33 AM

i mean like this is big time saika's choice for soc she has wanted to do this for a long time

ItsAHazardLife 17-Nov-20 01:36 AM

I know she has been wanting to do this and has been waiting for galleon to come back up. I think Zach is the wrong person for it.

Sparbucks 17-Nov-20 01:36 AM

yeah but like people have indifferences on these kind of things
im gonna trust her judgement on this one but we dont even know if we are even competing
because we havent signed up lol

ItsAHazardLife 17-Nov-20 01:44 AM

I know they have indifferences. I just wish you two would stay clear of Zach just like I wish Meagan would stay clear of Zach and Clay but it's the hardest thing.

Things have been rough honestly and thats why I hate all of this.
You know I don't usually have issues with people.

Sparbucks 17-Nov-20 01:49 AM

but i would say this is a bit different than a case like zemp
i dont see for instance clay/zach going behind your back and saying how big of a shithead you are and trying to get with your girlfriend
then try to manipulate her
this is honestly something you and zach could easily patch up, im not sure about clay i dont really know him

ItsAHazardLife 17-Nov-20 01:51 AM

She didn't get manipulated

Sparbucks 17-Nov-20 01:51 AM

yeah i know
but zach and clay havent tried to do that
they made a bad judgement call for sure

ItsAHazardLife 17-Nov-20 01:51 AM

!LAST NIGHT!

I think we can agree things got a little out of hand. (Horny gang went too hard)

It's my job as the streamer to control those situations and not let things go too far. It was all in good drunken fun, but I think we can agree it went too far.

I want to present myself well while the stream is growing so much, and especially if I'm applying for partnerships one day. I want this community to feel welcoming to ANYONE that stops by, and we all didn't do a great job of promoting that yesterday. Let's move on and keep kicking ass.

Last night I could've done a lot more to control the situation, but I'm hoping we can all move on. Going to highlight the video and delete the vod.

If there are any DM's involved, that's on you to handle personal matters. Love you all and I'm going to take today off and chill and edit  

this will give you an idea of the night that cause arguments

Sparbucks 17-Nov-20 01:52 AM

i mean it sounds honest but down the line time will tell if he changes his approach
like he even acknowledges it went too far

ItsAHazardLife 17-Nov-20 01:53 AM

yea it was bad, worse than anything you've ever seen in your chat.

Sparbucks 17-Nov-20 01:54 AM

oh ive had some bad moments
but yeah it neever gets too far out of hand
but he acknowledged it did

ItsAHazardLife 17-Nov-20 01:54 AM

nothing like what I saw in his chat that night

Sparbucks 17-Nov-20 01:54 AM

thats already something zemp never would do

ItsAHazardLife 17-Nov-20 01:55 AM

nobody tried stopping it. Things were said in chat and dm's that went to far. Some people should have been banned, but he unbanned them.

Sparbucks 17-Nov-20 01:55 AM

like ive seen people have a bad night
for instance
one time kharites/ashli and amanda pretended in sot to make out while jp stood in the corner masturbating
and they did that for hours lol

ItsAHazardLife 17-Nov-20 01:56 AM

yea thats bad.

Sparbucks 17-Nov-20 01:56 AM

thats actually what the bananaman command is
but you cant tell the details

ItsAHazardLife 17-Nov-20 01:56 AM

jeeze I never knew what that one meant.

Sparbucks 17-Nov-20 01:56 AM

but like people learn and etc

ItsAHazardLife 17-Nov-20 01:57 AM

yea I don't think Zach fully does though

Sparbucks 17-Nov-20 01:57 AM

im assuming he is younger

ItsAHazardLife 17-Nov-20 01:58 AM

He still allows some borderline comments even from Clay

Sparbucks 17-Nov-20 01:58 AM

ive heard some pretty bad stuff in stream
like really bad
and if it breaks TOS then twitch will get involved

ItsAHazardLife 17-Nov-20 01:59 AM

Zach is young yea
After what I saw said that night in his chat. It was basically porn and he made no attempt to stop it. Some of the things said blew my mind.

Sparbucks 17-Nov-20 02:01 AM

i mean i hate to say it if thats his content then its kinda his direction, its not like we sail with him all the time and etc. But if it breaks TOS then he would be banned on twitch already
like the convos between like luna and saika before
is borderline

ItsAHazardLife 17-Nov-20 02:02 AM

Yea I get it, it's just rough for me cause that night and stuff said hurt me and cause days of arguments. It sucked.

Sparbucks 17-Nov-20 02:03 AM

yeah i feel you on that and i know those arguments suck big time
ive had plenty over zemp
and that still lingers to this day somewhat
like finding out saika dropped 1000 bits on him this month
but im just moving pastg it

ItsAHazardLife 17-Nov-20 02:06 AM

Like I know things will take time and I know she has this weird friend ordeal with them. I just hope one day it won't bother me.

Sparbucks 18-Nov-20 09:32 PM

new insider patch notes is promising btw

ItsAHazardLife 18-Nov-20 09:33 PM

Cobbobles just said the emotes are still broken so they said that was fixed. The patchnotes are underwelming. I'll look at insiders right now

Sparbucks 18-Nov-20 09:33 PM

oh i mean

insiders

but ya emotes of course are bugged lol

ItsAHazardLife 18-Nov-20 09:33 PM

yea they said it was fixed, but it's not.

They messed with keg sfx, LD sunk a sloop earlier, no sound but damage.

Sparbucks 18-Nov-20 09:34 PM

not surprised

ItsAHazardLife 18-Nov-20 09:34 PM

soooo many fofd's though today

I dont get the seasonal progression tbh

Sparbucks 18-Nov-20 09:36 PM

its atleast different

ItsAHazardLife 18-Nov-20 09:38 PM

It sounds like another event styled thing.

They are starting to sound like they are further ripping off other games cause they are out of ideas. Thats how it feels to me.

Sparbucks 18-Nov-20 09:40 PM

i dunno how

they can be out of ideas, i think its money related/head count

ItsAHazardLife 18-Nov-20 09:41 PM

The events was an idea from like Destiny. This season thing feels like something I've seen from like Apex or even destiny.

The money is definitely probably an issue which is why you are seeing them discount the game so often, why everything is in emporium, etc.

Sparbucks 18-Nov-20 11:37 PM

there is potential that someone got my IP and was doing mini ddosing
so i changed my ip

ItsAHazardLife 18-Nov-20 11:37 PM

ahhhh that sucks

ItsAHazardLife 20-Nov-20 02:56 AM

Dimethyltryptamineeeee how do you want us to handle this guy?

Sparbucks 20-Nov-20 08:18 AM

i have told saika about 10 times
to just go to the fofd
and not once has she done it

ItsAHazardLife 20-Nov-20 08:21 AM

It's hit or miss. She was already on a rowboat there and you thought she was on the boat. So bad comms is what I would call it.

Sparbucks 20-Nov-20 08:21 AM

it was before i got caught on the galleon
they just needed to get intel
galleon was never a threat and they went to devils
which is even further

ItsAHazardLife 20-Nov-20 08:23 AM

yea she might be distracted from chat

Sparbucks 20-Nov-20 08:24 AM

she just doesnt really listen to my call outs in these situations
but we are good now

ItsAHazardLife 20-Nov-20 08:25 AM

yea call outs are rough. Thats why I call Happy a wildcard cause he doesn't listen when he pays attention to chat more.

Sparbucks 20-Nov-20 08:25 AM

i get it but when i say just go to fofd over and over

ItsAHazardLife 20-Nov-20 08:26 AM

yea she was just at a stream chat speed.

Sparbucks 20-Nov-20 08:26 AM

i know that

ItsAHazardLife 20-Nov-20 08:29 AM

It's all good in the end y'all got this as long as you have good comms like last night

Sparbucks 20-Nov-20 08:30 AM

she wont have good comms

ItsAHazardLife 20-Nov-20 08:33 AM

At least she will be good when it matters

ItsAHazardLife 21-Nov-20 02:51 AM

ItsAHazardLife 21-Nov-20 06:40 AM

RoH Archangel

Sparbucks 21-Nov-20 07:17 AM

saika being very picky on who she will sail with

ItsAHazardLife 21-Nov-20 07:18 AM

I knew the second you said Mitch instead of Vegah that was the issue

Sparbucks 21-Nov-20 07:18 AM

yeah
she didnt give an answer
for over an hour
and i just have to go with stuff

ItsAHazardLife 21-Nov-20 07:19 AM

I know she was taking her time which is crazy

Sparbucks 21-Nov-20 07:20 AM

hours
not just an hour
i cant sit there for hours
doing nothing

ItsAHazardLife 21-Nov-20 07:20 AM

I agree

Sparbucks 21-Nov-20 07:20 AM

ive been asking her for definitely 2-3 hours

ItsAHazardLife 21-Nov-20 07:21 AM

and now that Jordan is ready she is being Picky. It seems like Vegah is kind of tired, but down to continue. Mitch can always sail tomorrow or Sunday, but I know his time is super limited.

It honestly sucks that she is super picky but I understand it.

Sparbucks 21-Nov-20 07:23 AM

yeah

we got a stack

and she just has her conditions

ItsAHazardLife 21-Nov-20 07:23 AM

100% and I'm not pushing to sail cause tbh I'm actually exhausted.

Sparbucks 21-Nov-20 07:23 AM

she coulda just like

you know

ItsAHazardLife 21-Nov-20 07:23 AM

I would love Saika to be apart of this server but she is picky

Sparbucks 21-Nov-20 07:24 AM

joined over vegah

and had fun

instead of being picky

and now she wont join

so

ItsAHazardLife 21-Nov-20 07:24 AM

100% but if I'm right she's not huge on sailing with Mitch.

Sparbucks 21-Nov-20 07:25 AM

she has only sailed with mitch once
she has no excuse

ItsAHazardLife 21-Nov-20 07:25 AM

Which not everyone will enjoy sailing with everyone so I get it.

Sparbucks 21-Nov-20 07:26 AM

she doesnt sail with him
she has no excuse
waiting 2-3 hours
no response
jordan waiting
i have to keep going

ItsAHazardLife 21-Nov-20 07:27 AM

I know. I dont get why she doesnt like sailing with him.

Sparbucks 21-Nov-20 07:27 AM

its not just mitch
she has many variables now
it has nothing to do with mitch
ive been asking her for over 2 hours

ItsAHazardLife 21-Nov-20 07:27 AM

thats weird
I hate that she is pushing off a server cause of Mitch. I know she wants to sail with Jordan. It's crazy

Sparbucks 21-Nov-20 07:28 AM

she has no reason to do it

ItsAHazardLife 21-Nov-20 07:28 AM

I agree
but she has her own reasons.
I think she wanted to sail with Vegah too

Sparbucks 21-Nov-20 07:35 AM

yeah but her conditions
after waiting hours

ItsAHazardLife 21-Nov-20 07:42 AM

other tuckers is AI3x
YOU NEED SAIKA IN

Sparbucks 21-Nov-20 07:43 AM

ic ant
this is why it sucks

Sparbucks 21-Nov-20 08:10 AM

this aint gonna work
she just doesnt wanna have fun

ItsAHazardLife 21-Nov-20 08:11 AM

idk what else to do, I can say wrong crew for this.
comms went hella south
people said watch borders and didn't

Sparbucks 21-Nov-20 08:15 AM

she cant have fun
and i have to end myh styream

ItsAHazardLife 21-Nov-20 08:16 AM

Jeeze that sucks

Sparbucks 21-Nov-20 08:16 AM

she cant anymore
she has to have a specific crew that i dont know what she ants
and if its not that

ItsAHazardLife 21-Nov-20 08:17 AM

I don't get it

Sparbucks 21-Nov-20 08:19 AM

this is bad
and i have to end

ItsAHazardLife 21-Nov-20 08:19 AM

I feel like it's got to be a solid crew that constantly communicates and not no half put together crew. I don't know what else to say.

Sparbucks 21-Nov-20 08:20 AM

she just cant have fun with the game anymore
her fear of sinking or doing bad has taken over

ItsAHazardLife 21-Nov-20 08:20 AM

which is insane.

Sparbucks 21-Nov-20 08:20 AM

she cant just have fun with friends anymore
she woke up at 1am
i asked her for 2-3 hours when she is ready and i made sure to have patience
she is ready
then she says she doesnt wanna sail with mitch
so she bails
i cant fullfil her satisfactions on a crew
because its very unrealistic on what she is asking

ItsAHazardLife 21-Nov-20 08:22 AM

I know I let our boat sink in the one server but Mitch and Vegah both jumped off and we were leaving so I said F it

Sparbucks 21-Nov-20 08:22 AM

and i cant be put in a position to just tell someone "no fuck you, you are out"

ItsAHazardLife 21-Nov-20 08:22 AM

which makes sense.

Sparbucks 21-Nov-20 08:22 AM

she cant have fun in sot anymore
i have to attend to her atm because she is crying here
i dont know why she didnt join
but give me a minute

ItsAHazardLife 21-Nov-20 08:23 AM

sounds good

Sparbucks 21-Nov-20 08:23 AM

i cant plan stuff with her because of this thing atleast with sot

ItsAHazardLife 21-Nov-20 08:25 AM

It's just got to be a solid crew which is crazy

Sparbucks 21-Nov-20 08:33 AM

okay
finally after like
an hour
hop brig
me siaka and jordan
she is still down

ItsAHazardLife 21-Nov-20 08:33 AM

will do
I think I have a r2 about to start a fofd

Sparbucks 21-Nov-20 08:39 AM

i cant do anything
this is bad

ItsAHazardLife 21-Nov-20 08:39 AM

oh jeeze

Sparbucks 21-Nov-20 08:39 AM

i think best position might be just
going to bed
she wont get of taking stuff too serious

ItsAHazardLife 21-Nov-20 08:41 AM

We've been doing spicy servers for so long it might have taken a toll for her being so serious.
Though she still has fun but with certain crews.
It's crazy how specific she has to be with it

Sparbucks 21-Nov-20 08:49 AM

she cant have fun
she just cant

ItsAHazardLife 21-Nov-20 08:51 AM

It's insane she can roll solo and enjoy it. She can sail with me and enjoy it. Sail with a bunch of different people and have fun. But I think the stress of being serious for the spice doesn't help
I'll be around if you guys need me.

Sparbucks 21-Nov-20 09:03 AM

big argument

there is more to your original comment
how she wants to sail changes by day

ItsAHazardLife 21-Nov-20 09:04 AM

i get it

Sparbucks 21-Nov-20 09:08 AM

i just cant with her just be like
"oh ya this session we sailing with this and this"
but ive sailed with people
that have no idea what they are doing
and i wont lie i dont know what the fuck is with her and mitch with sot
her excuse was "he is quiet" but like
saika doesnt say anything while she is streaming and THAT IS OKAY lol

ItsAHazardLife 21-Nov-20 09:10 AM

Mitch did randomly go quiet tonight at the wrong time.

Sparbucks 21-Nov-20 09:11 AM

i know he did
but she has conditions everyday
its someone different everyday dude
i just wanted jordan, saika and myself to go be goofy
but she just had a condition on crewmembers that i was not aware of

ItsAHazardLife 21-Nov-20 09:11 AM

and I don't get it, if the crew is solid try to sail with them more often.
Saika does get quiet at times and doesn't make small callouts like the sails yesterday or day before.

Sparbucks 21-Nov-20 09:17 AM

yeah
but no one yells at her because
its not a big deal

ItsAHazardLife 21-Nov-20 09:18 AM

The one night I did. I told her to say something and her response was "I'm used to doing it myself"

Sparbucks 21-Nov-20 09:18 AM

trust me on this everyday she has a different attitude on who she wants to sail with

ItsAHazardLife 21-Nov-20 09:22 AM

I don't get it, I don't get her conditions for who she sails with, but I know it's not easy either

Sparbucks 21-Nov-20 09:22 AM

ya
if she was on that last server we woulda sank alex

ItsAHazardLife 21-Nov-20 09:23 AM

100% agree, I believe the crew should have been You, Saika, Jordan and Me or Vegah. That crew would of had the comms for it.

Sparbucks 21-Nov-20 09:37 AM

wanna help us hop

ItsAHazardLife 21-Nov-20 09:38 AM

can in a few
holding a server atm

Sparbucks 21-Nov-20 10:12 AM

gotcha

ItsAHazardLife 21-Nov-20 10:13 AM

yea I was holding it for al3x but they didnt have a 4th and it's going to be a battle.

Sparbucks 21-Nov-20 10:16 AM

you can join voice anytime hazard

Sparbucks 21-Nov-20 10:30 AM

would love to find one spicy server
i aint finding anything
but saika and jordan doing arena lol

ItsAHazardLife 22-Nov-20 02:02 AM

<https://hazardslife.com/>

ItsAHazardLife 22-Nov-20 04:25 AM

ItsAHazardLife 22-Nov-20 05:05 AM

I know you're suppose to do a brig with Mythical. Happy was asking to join. Should I hop gallies or brigs?

Sparbucks 23-Nov-20 06:47 PM

lmao
went to cancel adobe suite
and ALL OF A SUDDEN CHECK OUT THESE DISCOUNTS!!!
2 free months, like why the fuck didnt they give that to me before?

ItsAHazardLife 23-Nov-20 06:48 PM

Lol they just want to keep you around as a customer.

Sparbucks 23-Nov-20 06:49 PM

yeah just funny
they had like
3 other offers
one like 6 months for \$30 or some shit
hate when companies do that

ItsAHazardLife 23-Nov-20 06:49 PM

Especially if youve been around awhile

Sparbucks 23-Nov-20 06:49 PM

yeah
its what comcast basically does

ItsAHazardLife 23-Nov-20 06:49 PM

Yea its a shame that some companies do this but it must work
Sadly most companies do this now-a-days

Sparbucks 23-Nov-20 06:50 PM

yup very true
i think tbh if its an individual for adobe
they should offer cheaper packages for the suite after like a year
cuz those people will stay

ItsAHazardLife 23-Nov-20 06:52 PM

Yea they should but they will never cause they like money in their pockets

Sparbucks 24-Nov-20 05:05 AM

um

ItsAHazardLife 24-Nov-20 06:42 AM

?

ItsAHazardLife 24-Nov-20 11:01 PM

You know the night we got handed the Mythical server..... here is the answer

<https://gyazo.com/582a5bbc5ae5d3e29beb74b477fa1da2>

?

Sparbucks 24-Nov-20 11:03 PM

which streamer

ItsAHazardLife 24-Nov-20 11:03 PM

Tiddles is the one that gave us that server. Which is..... austingiola's alt account

?

Sparbucks 24-Nov-20 11:03 PM

yup i was right

ItsAHazardLife 24-Nov-20 11:04 PM

so there was our answer

?

Sparbucks 24-Nov-20 11:16 PM

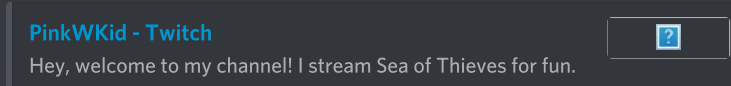

which streamer btw

ItsAHazardLife 24-Nov-20 11:16 PM

I got asked in the other guys stream why I banned the Austin's alt. Nobody but mods would be able to see that. Mythical was also in the guys chat..... so 2 and 2 Mythical told Austin I was the one that banned his alt.

<https://www.twitch.tv/PinkWkid>

?

Sparbucks 24-Nov-20 11:16 PM

oh it is him

ya

hes a nub

met him in arena

ItsAHazardLife 24-Nov-20 11:17 PM

and also <https://www.twitch.tv/laggedx>

Laggedx - Twitch

I play way too much Sea of Thieves..

both were streaming

ItsAHazardLife 25-Nov-20 02:08 AM

Sparbucks 25-Nov-20 09:00 AM

thanks about austin btw

ItsAHazardLife 25-Nov-20 09:01 AM

No problem.

Sparbucks 25-Nov-20 09:02 AM

i am glad we sniffed out that server with myth and also glad we knew he was being a sniping pos
we made the right call with myth/zyphon and not going with it

ItsAHazardLife 25-Nov-20 09:03 AM

I knew that was a call you would agree with. I figured i would let you make a call on austin's main and talking to mythical.
Mythical seemed eager to want it unbanned

Sparbucks 25-Nov-20 09:03 AM

nah we have to talk
i mentioned everything to him
not about conspiracy theories
but i low key knew mythical knew
about that other server
and its kinda what i said and why we didnt take it

ItsAHazardLife 25-Nov-20 09:04 AM

Sounds good. I know we made the right call. It just had weird feelings from the get fo
Go

Sparbucks 25-Nov-20 09:05 AM

yup
and now we know
and pinkwkd
is someone who would stream snipe even when i was with the peas
but holy shit he is just bad

ItsAHazardLife 25-Nov-20 09:06 AM

Cause the second we got handed it the reapers got put on top of one another. That made things even more sus

Sparbucks 25-Nov-20 09:07 AM

yup
i remember you saying that
and his comment

ItsAHazardLife 25-Nov-20 09:07 AM

That whole server today with pink and lagged was like wow i cant believe they arent trying harder to fight

Sparbucks 25-Nov-20 09:07 AM

"its not hazard im worried about"
yeah
they were garbage
hollywood also was disapointed
no reason they couldnt tank
he was watching their pov and told me after everything they did
they had no excuse to go at us
not to*

ItsAHazardLife 25-Nov-20 09:09 AM

I was watching too and thats how i found out that account was austins alt cause he told pink it was

Sparbucks 25-Nov-20 09:09 AM

pink did terrible
just shows like old pea crew and how bad he was
when he goes against people who are good
and we were a sloop
even lag came into the chat and said they ran
i dont know who that is, im assuming the girl?
i know pink is a big time sniper and a shit talker but also terrible at the game

ItsAHazardLife 25-Nov-20 09:11 AM

Yea they made a comment saying if they were on a bigger ship this would be a different story after they spawn camped you.

Sparbucks 25-Nov-20 09:11 AM

we only got spawned cam cuz of res
literally the only reason

ItsAHazardLife 25-Nov-20 09:11 AM

I agree
I only know about lagged. I feel like we ran into him before and sank them.
I agree pink didn't do the best as a player.

Sparbucks 25-Nov-20 09:13 AM

they werent a problem
i dont remember last time or ever we got quad borded lol
says everything

ItsAHazardLife 25-Nov-20 09:16 AM

I was afk and came back to the spawn camp. I didnt know it was a quad board until it was mentioned. Thats not a board even us experienced players would do.

Sparbucks 25-Nov-20 09:16 AM

it was a ghetto spawn camp
saika and i would kill 1-2 people
but res
that is the only reason
they were actually pretty bad

ItsAHazardLife 25-Nov-20 09:17 AM

Yea of the 4 of them only 1 was really good

Sparbucks 25-Nov-20 09:17 AM

ya true

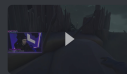

ItsAHazardLife 26-Nov-20 09:03 PM

<https://clips.twitch.tv/SpoopyJoyousEyeballPJSugar>

iamnxera - Hazard's Dumbest Server Passed

Watch iamnxera's clip titled "Hazard's Dumbest Server Passed"

ItsAHazardLife 27-Nov-20 03:07 AM

When you can tomorrow can you send me the link I sent you to get rid of follow bots. I need it for iamnxera

Sparbucks 27-Nov-20 07:15 AM

yoyo
yeah i will

Sparbucks 28-Nov-20 08:28 AM

bad night tonight

ItsAHazardLife 28-Nov-20 08:28 AM

How come?

Sparbucks 28-Nov-20 08:29 AM

saika just cutting herself off from everyone
including her mom

her mom using my stream as a way to get to her and now her mom is blaming me for her cutting people off

ItsAHazardLife 28-Nov-20 08:30 AM

Thats definitely not good but part of me gets why Saika is

Sparbucks 28-Nov-20 08:30 AM

saika not streaming apparently its my fault
saika not talking to all her friends its my fault
saika not talking to her mom its my fault

ItsAHazardLife 28-Nov-20 08:31 AM

Is that coming from Saika or her mom?

Sparbucks 28-Nov-20 08:31 AM

she barely talks to me about this stuff anymore
saikas mom has said some things that are very weird
but saika last 1.5 months has completely disassociated herself from basically everything

ItsAHazardLife 28-Nov-20 08:32 AM

Yea she has had a rough 1.5 month tbh

Sparbucks 28-Nov-20 08:33 AM

i know but she wont talk to me

ItsAHazardLife 28-Nov-20 08:33 AM

I know her mom feels bad about what Saikas aunt did

Sparbucks 28-Nov-20 08:33 AM

when i try
she says "dont worry you wont have to anymore"
she stopped talking to me about anything
its just half answers
i had luna come in for one fotd
and her mom asked who luna was to saika

im so tired of it
tired of just drama about anything i fucking do in a game

ItsAHazardLife 28-Nov-20 08:34 AM

I know what she is feeling and what she is meaning.

Sparbucks 28-Nov-20 08:34 AM

i know she is but
its not just her
her mom uses my stream to get ahold of her

ItsAHazardLife 28-Nov-20 08:35 AM

We were talking the day we were working on the roar event stuff.

Sparbucks 28-Nov-20 08:35 AM

i love her to death but there is honestly no reason for her not to answer atleast 10% of her DMs

ItsAHazardLife 28-Nov-20 08:35 AM

Its not saika but i think a lot of what is going through her head is past stuff ahe hasnt been able to shake
Her mom shouldnt use any stream to get ahold of her

Sparbucks 28-Nov-20 08:36 AM

and what i have noticed is people start to go to me to get ahold of her
and a weird thing is happening where people think im the reason for her not responding
and now her not streaming is even worse

ItsAHazardLife 28-Nov-20 08:37 AM

If its super important ill text her, but even texts she doesnt answer so i just talk to her whenever the chance

Sparbucks 28-Nov-20 08:37 AM

yeah
she doesnt answer anyone now
its really bad

ItsAHazardLife 28-Nov-20 08:37 AM

I know she isnt doing well between everything

Sparbucks 28-Nov-20 08:37 AM

but she also wont talk to me
like we had a great thanksgiving

but she has isolated herself to just us
but even with us she wont talk
i told her "your mom is again telling me to tell you to contact you"

ItsAHazardLife 28-Nov-20 08:38 AM

Shes shut down mentally and physically pretty much

Sparbucks 28-Nov-20 08:38 AM

then her mom is in my chat asking about luna and also told saika that

ItsAHazardLife 28-Nov-20 08:39 AM

Thats crazy. Anything game or sailing with is nothing personal so she shouldnt be asking much about that

Sparbucks 28-Nov-20 08:39 AM

yeah
but its because she ignoring her mom
and her mom thinks something is really wrong
and my stream is only thing she can see/get to her
and another female comes on
so you can see the assumption there

ItsAHazardLife 28-Nov-20 08:40 AM

Yea i can see whats going through her moms head

Sparbucks 28-Nov-20 08:40 AM

saika needs to stop not answering people
its bad
used to be we both would stream

ItsAHazardLife 28-Nov-20 08:40 AM

Its all going to come in stages in my opinion

Sparbucks 28-Nov-20 08:41 AM

now she wont stream unless its certain circumstances
it keeps adding
and now she wont even answer people
and just weird shit like she wont sail with Mitch when she has sailed with him like twice?
its just different everyday now

ItsAHazardLife 28-Nov-20 08:42 AM

I know things are not going good for her and its messing with her head.

Sparbucks 28-Nov-20 08:42 AM

i know that
but she has been always bad about just answering people

ItsAHazardLife 28-Nov-20 08:42 AM

I dont know the deal with the Mitch stuff

Sparbucks 28-Nov-20 08:42 AM

Mitch stuff honestly is VERY weird
she has barely even sailed with him
just came out of left field
but like if she doesnt wanna sail while im streaming or not feeling in the mood
and i sail with a specific person
im tired of being judged on who it is

ItsAHazardLife 28-Nov-20 08:43 AM

She has been bad about answering people since the day i met her so it doesnt surprise me but its gotten worse

Sparbucks 28-Nov-20 08:44 AM

yeah
she just isolating herself playing some silly mobile game
and doing insiders here and there
and more focused on cosmetics in sot and insiders than having fun
but there are people

ItsAHazardLife 28-Nov-20 08:44 AM

You shouldnt be judged by who you sail with. You shouldnt have to sail solo

Sparbucks 28-Nov-20 08:45 AM

with how she is going think this is a result of me
i shouldnt have to worry about anything in game
my stream literally is how we pay bills
ive told her this, if i dont stream and take a big break then it will be bad

ItsAHazardLife 28-Nov-20 08:45 AM

Im not sure what its a result of but i know she is tired of basically everything surrounding sot

Sparbucks 28-Nov-20 08:46 AM

ive told her
to stream other games
and i can be in discord w/her
but i cant not stream sot atm

ItsAHazardLife 28-Nov-20 08:46 AM

Yea she should stream something else and enjoy herself

Sparbucks 28-Nov-20 08:46 AM

she even yelled at me a bit tonight because apparently when i said "everything is fine" it made me sound like she was in panic but she was in panic

ItsAHazardLife 28-Nov-20 08:47 AM

I know people would watch and support her. Even play other games with her.

Sparbucks 28-Nov-20 08:47 AM

easily they would
but blaming it on just sot
is just not true

ItsAHazardLife 28-Nov-20 08:48 AM

Its not just the seas. It all the irl she has dealt with lately

Sparbucks 28-Nov-20 08:48 AM

its more than that too

ItsAHazardLife 28-Nov-20 08:48 AM

I can believe that (edited)
I dont get all of it

Sparbucks 28-Nov-20 08:49 AM

i dont think she is used to having like freedom to do whatever
and she was doing well with it
but now she is regressing big time in everything
even with just talking to me

ItsAHazardLife 28-Nov-20 08:49 AM

I hate seeing Saika this way

Sparbucks 28-Nov-20 08:49 AM

but there is a BIG fundamental problem
when she is giving a dude who is the only person we have argued about money
her priorities are in a different place
my priorities are on the big picture and the work to get there (a house and etc)

and most people who are set align with that
and please dont tell her this but i dont think her priorities are with me

ItsAHazardLife 28-Nov-20 08:52 AM

Which is crazy

Sparbucks 28-Nov-20 08:52 AM

whenever i work/stream/try my hardest its for us

ItsAHazardLife 28-Nov-20 08:52 AM

I still dont get the Zempel stuff cause i see him as a snake.

Sparbucks 28-Nov-20 08:52 AM

also ive been applying for jobs to double work
but like everything i do is for us
that is what is rough for me right now

ItsAHazardLife 28-Nov-20 08:53 AM

Im the same way. Im trying everything and trying to do more now. Trying to find my motivation again.

Sparbucks 28-Nov-20 08:53 AM

yeah exactly
my drive is for saika and myself and i believe in it

ItsAHazardLife 28-Nov-20 08:54 AM

I think Saika is struggling and have conflictions in her life which is making her question a lot of things including life in itself

Sparbucks 28-Nov-20 08:55 AM

but at the same time
her conflictions can also rub off to me as if she is unsure about me
she has never told me that but her last 1.5-2 months
a lot of stuff like
who i sail with/who i play with/who raid and etc
even sometimes she thinks i give laika more attention than her

ItsAHazardLife 28-Nov-20 08:56 AM

100% can be taken that way.
I know sometimes she could have more of a say in things

Sparbucks 28-Nov-20 08:57 AM

on seas or irl?

ItsAHazardLife 28-Nov-20 08:57 AM

Like the night you wanted Mitch over Vegah

Sparbucks 28-Nov-20 08:57 AM

it wasnt just me no one would make a decision
vegah told me he was tired
and that was the first time ever saika apparently doesnt like sailing with mitch
and mitch aint the first one
its becoming a list

ItsAHazardLife 28-Nov-20 08:58 AM

I dont know the list but i can believe its not a short list

Sparbucks 28-Nov-20 08:58 AM

its def becoming long
and its not lining up with my content
and streaming is literally my job

ItsAHazardLife 28-Nov-20 09:00 AM

You both have to do whatever you have to with streaming

Sparbucks 28-Nov-20 09:00 AM

the goal was saika and myself streaming
other people got in between that (edited)
and since then its never been the same
i loved doing a brig with like kie and you and etc
but when zemp obviously happened

ItsAHazardLife 28-Nov-20 09:01 AM

100% and i dont get why other people have to get inbetween

Sparbucks 28-Nov-20 09:01 AM

shes made is clear about that
ever since then she doesnt stream as much
its always gotta be a perfect scenario

ItsAHazardLife 28-Nov-20 09:02 AM

Zemp was a big change in that.

Sparbucks 28-Nov-20 09:02 AM

i always just wanna sloop with her but her fear of sinking
has made it not fun for her
people like zemp also have made it seem like she has to be perfect when zemp is garbage

ItsAHazardLife 28-Nov-20 09:03 AM

Me and Mythical were talking my helming on sloop got rusty biiiiiig time.
I know the one night yall sank and she handled it well.

Sparbucks 28-Nov-20 09:03 AM

and now she doesnt stream, doesnt respond to people and now people think its my fault
she has her moments of handling it well
but if she gets boarded and that is end game she takes that hard

ItsAHazardLife 28-Nov-20 09:04 AM

I dont know why people blame you when honestly she is rough with dm's

Sparbucks 28-Nov-20 09:04 AM

started with zemp
but also zemp told someone else that saika told me
she can only talk to zemp because she is afraid i will yell at her talking to zemp
there are layers here
and she was not happy that got out from zemp
meanwhile i play sot with LUNA once and her mom literally is texting saika and in my chat asking about Luna

ItsAHazardLife 28-Nov-20 09:06 AM

Cause she knows you wouldnt be happy with her talking to Zemp
Mythical was telling me he has screenshots of a bunch of shit he says in chats or dm's about luna and even you two

Sparbucks 28-Nov-20 09:07 AM

you two?
me and luna?

ItsAHazardLife 28-Nov-20 09:07 AM

Ive given up on the Zempel stuff cause i know he is a snake i see it, but saika will never see it
Luna then you and saika

Sparbucks 28-Nov-20 09:08 AM

im not sure what that means tbh

ItsAHazardLife 28-Nov-20 09:08 AM

It doesnt surprise me
Zemp was bad mouthing luna while playing a game with her.

Sparbucks 28-Nov-20 09:08 AM

ohh zemp ya

ItsAHazardLife 28-Nov-20 09:09 AM

Zemp also said stuff about you and saika

Sparbucks 28-Nov-20 09:09 AM

ive talked to myth about zemp
yeah
tbh my theory is zemp gets really drunk a lot
and thats when he says really stupid shit

ItsAHazardLife 28-Nov-20 09:09 AM

He is someone that just uses people

Sparbucks 28-Nov-20 09:09 AM

yeah
i suspected he was drunk a lot when we used to sail with him
his personality would become weirdly bipolar
then he would go into some weird details about weirdest shit
but either way I dont understand zemp and saika

ItsAHazardLife 28-Nov-20 09:10 AM

I dont either

Sparbucks 28-Nov-20 09:10 AM

but its def when things changed
but she will never admit it
i have always had a separation of like games and irl
but like streaming and irl too

ItsAHazardLife 28-Nov-20 09:11 AM

A lot of arguments happened because of Zemp

Sparbucks 28-Nov-20 09:11 AM

i dont take games personally and i also know the content i want on stream
and saika and i had that
yeah he got between it
and tbh saika believed him
and it also made her paranoid about sinking
but through that
zemp talked to other people

ItsAHazardLife 28-Nov-20 09:13 AM

I try to have that seperation as well. Though Twitch to me is an addiction sometimes

Sparbucks 28-Nov-20 09:13 AM

caused a lot of rifts between saika/myself and other people
like zahfer
but like saika is like not twitch/game to me
its irl
also buku
also irk if im correct
and 'z-squad'

ItsAHazardLife 28-Nov-20 09:14 AM

I dont even talk to Zahfer and Emmy anymore. I used to talk to them before everything with Zemp

Sparbucks 28-Nov-20 09:14 AM

yup
i know it was zemp because zemp admitted to it
saying "i had to tell them about it because people would invite us to games"

ItsAHazardLife 28-Nov-20 09:15 AM

I can believe it

Sparbucks 28-Nov-20 09:15 AM

like no you fucking dont, because i never had to lol
then he tried to advertise his channel and subs and all this shit
ever since it
its never been the same

ItsAHazardLife 28-Nov-20 09:15 AM

If i have issues with someone people wont really know

Sparbucks 28-Nov-20 09:16 AM

like for instance
you have an issue with zach
WHY THE FUCK do i have to tell everyone about that

LIKE WHY

its so fucking stupid

im pretty sure you and zach arent going around to MANY people talking about it

ItsAHazardLife 28-Nov-20 09:16 AM

The only people that know i have an issue with Zach is me you and meagan

Sparbucks 28-Nov-20 09:17 AM

yeah

and i know saika has a bit of an idea

but like you dont have to tell everyone lol

i barely knew zemp and i knew he was trying to siphon off our community for his benefit

that is the honest take for me

ItsAHazardLife 28-Nov-20 09:18 AM

100% like im only being civil with Zach or Clay for Meagans sake

Sparbucks 28-Nov-20 09:18 AM

i dont know one person who would brag about their amount of subs for instance ever lol

ItsAHazardLife 28-Nov-20 09:18 AM

She sees both of them as friends

Sparbucks 28-Nov-20 09:18 AM

yeah

ItsAHazardLife 28-Nov-20 09:18 AM

Even i saw that with Zemp

Sparbucks 28-Nov-20 09:19 AM

no saika has noticed it

she has talked to me about it

ItsAHazardLife 28-Nov-20 09:19 AM

I would never care about subs or anything merch sold. If people wsnt to support me its appreciated

Sparbucks 28-Nov-20 09:19 AM

i dont talk to anyone but maybe saika

about my subs

no reason to do that

ive had people even ask me
and i wont answer the
them

ItsAHazardLife 28-Nov-20 09:20 AM

100% agree they dont need to know.

Sparbucks 28-Nov-20 09:20 AM

it's none of their business

ItsAHazardLife 28-Nov-20 09:20 AM

There is Brandon's life which he essentially uses his brand of Sparbucks to live his life.

Sparbucks 28-Nov-20 09:21 AM

but at the same time ive also met some amazing people who mean the world to me with my 'sparbucks' twitch life

ItsAHazardLife 28-Nov-20 09:21 AM

Ive kept quiet about a lot of things that happened over the last year. Ill probably be quiet for a long time.

Sparbucks 28-Nov-20 09:22 AM

and all those people are supportive of me and happy for me and saika and wouldnt do anything to cause a rift between us

ItsAHazardLife 28-Nov-20 09:22 AM

Im the same way ive met amazing people. Some i see as family, some i see as friends, etc

Sparbucks 28-Nov-20 09:22 AM

people who try to come between it, i cut them off no questions asked
exactly (edited)

ItsAHazardLife 28-Nov-20 09:23 AM

Thats how it should be.

Ive done the same thing

I dont want issues i just want my life to be good again

Sparbucks 28-Nov-20 09:24 AM

i just want to get saika back to that aspect
but i dont know if she will ever get to it

ItsAHazardLife 28-Nov-20 09:24 AM

I think ita going to take some time in my opinion

Sparbucks 28-Nov-20 09:24 AM

ya
but her not streaming i have to tell her to not order out anymore for a bit until she is ready
she was doing really well
better than me

ItsAHazardLife 28-Nov-20 09:25 AM

I dont know how long but things hit her this year and especially the last couple of months

Sparbucks 28-Nov-20 09:25 AM

before family stuff though
it started before it

ItsAHazardLife 28-Nov-20 09:26 AM

100% agree
People support the people they care about

Sparbucks 28-Nov-20 09:26 AM

it started 2 months ago w/zemp which wasnt her fam stuff
fam stuff definitely is added to it

ItsAHazardLife 28-Nov-20 09:27 AM

I agree

Sparbucks 28-Nov-20 09:28 AM

but now its to the point where i tell her to just call her mother
she gets mad at that too

ItsAHazardLife 28-Nov-20 09:29 AM

All you can do really right now is try to give her just a bit of space and let her find herself again.

Sparbucks 28-Nov-20 09:29 AM

i know
and ive tried
but now the pressure is some people are thinking its my fault
like i said saika saying to zemp she can only talk to him when im on walks so i dont yell

stuff like that does not help

ItsAHazardLife 28-Nov-20 09:30 AM

With her mom, love her to death but saika just needs a bit of space from her as well.

Sparbucks 28-Nov-20 09:30 AM

i agree
and her mom needs to stop using my chat as some way to get ahold of her

ItsAHazardLife 28-Nov-20 09:30 AM

I agree
Its not good for you or for your chat.
It kind of puts a pressure on Saika that she doesnt need.

Sparbucks 28-Nov-20 09:31 AM

but saika should also respond more.

ItsAHazardLife 28-Nov-20 09:32 AM

Yea but at the same time it shouldnt be an every day thing though.

Sparbucks 28-Nov-20 09:33 AM

but w/sot
the whole thing of like
she doesnt wanna sail with certain people and etc
and if i sail with people
i should not be getting any shit on who i sail with

ItsAHazardLife 28-Nov-20 09:34 AM

The best symbolism that i can give for Saika. I think she has walls caving in on herself whether its pressure, family, relationship, stream, etc. She is trying to figure out how to not get them to cave in especially with how dark her past life was.

Sparbucks 28-Nov-20 09:35 AM

agreed
but her influences on people who are causing a rift
like zemp
she needs to let that go
on a personal level and also sot wise

ItsAHazardLife 28-Nov-20 09:35 AM

100% agree but she wont

Sparbucks 28-Nov-20 09:35 AM

yeah
like i said w/me if anyone opposite sex (not to be sexist) specifically tried to tell me saika was mean/bad for me
i would NEVER talk to them ever again
and tell them to literally fuck off

ItsAHazardLife 28-Nov-20 09:36 AM

So im not really sure how to handle it except let it burn her in some way.

Sparbucks 28-Nov-20 09:37 AM

very hard when you live together

ItsAHazardLife 28-Nov-20 09:37 AM

100% agree

Sparbucks 28-Nov-20 09:37 AM

like ive told her
last 3 days to check on the code jordan gave her
to see if its good
he gave her a 2nd code
because she failed to do her first giveaway

ItsAHazardLife 28-Nov-20 09:38 AM

The backlash of just telling her to do what she wants could ruin a lot of things including relationships and streams

Sparbucks 28-Nov-20 09:38 AM

she finds more time to play this mobile game
and just like ignore people now

ItsAHazardLife 28-Nov-20 09:38 AM

Which i dont fault her tbh.

Sparbucks 28-Nov-20 09:38 AM

checking the code takes 1 minute
and i talked to jordan to get her another obsidian code for her giveaway

ItsAHazardLife 28-Nov-20 09:39 AM

I agree it takes less than a minute

Sparbucks 28-Nov-20 09:39 AM

which she was suppose to do over a month ago

ItsAHazardLife 28-Nov-20 09:39 AM

But at the same time she has a billion other things weighing her down.

Sparbucks 28-Nov-20 09:40 AM

it only adds up because she doesnt reply/address and prioritize it

ItsAHazardLife 28-Nov-20 09:40 AM

She lost all motivation for the seas. She literally wants to uninstall it again

Sparbucks 28-Nov-20 09:40 AM

its not just seas, she cares a lot about seas

she wont play seas without me, she wont stream without me

but she doesnt want to ever sink and puts herself to an unrealistic high standard that no one can have

and some people have tried to convince her of this high standard (zemp who isnt even very good)

which has caused her to just not have fun anymore

ItsAHazardLife 28-Nov-20 09:41 AM

I know she does but she feels everything piled on top what comes with the seas is what is causing issues

Sparbucks 28-Nov-20 09:41 AM

sot has significant issues

she is making sot become personal

and it should never become personal

ItsAHazardLife 28-Nov-20 09:42 AM

Not at all

Its just pixels

Sparbucks 28-Nov-20 09:42 AM

people like falco and zemp make her feel like shit about it

because like zemp is just a simp

ItsAHazardLife 28-Nov-20 09:42 AM

I dont even see Falco come around much

Sparbucks 28-Nov-20 09:43 AM

he only comes around to criticize saika

ItsAHazardLife 28-Nov-20 09:43 AM

Zemp is just a snake.

Sparbucks 28-Nov-20 09:43 AM

just another player who doesnt put themselves in significant spice constantly like zemp
that is the difference between those people
can say the same about myth
we are ALWAYS putting ourself in spice

ItsAHazardLife 28-Nov-20 09:43 AM

I told Zemp if he wasnt mod... i would have banned him for half the stuff he has said in her chat

Sparbucks 28-Nov-20 09:43 AM

non stop
watch zemps streams when he does sot
he rarely will do hops
meanwhile most of our streams are us being outnumbered on a sloop
zemp is rarely in those situations
saika wants to do soc, so do i

ItsAHazardLife 28-Nov-20 09:45 AM

100% and tbh 90% of the servers we get are super spicy

Sparbucks 28-Nov-20 09:45 AM

but her fear of losing prevents her from literally going super hard
if im gonna go hard and get serious
i lose or win i keep going
and i keep going

ItsAHazardLife 28-Nov-20 09:45 AM

Sea of Champs would be a fun competition but you cant take it serious if you lose.

Sparbucks 28-Nov-20 09:46 AM

but you also cant get mad if practicing and you lose here and there

ItsAHazardLife 28-Nov-20 09:46 AM

You can easily get rared or lose to something you cant control

Sparbucks 28-Nov-20 09:46 AM

you just say gg, try again and keep working on it
its how you get better

ItsAHazardLife 28-Nov-20 09:46 AM

100%
I know i make bad decisions but sometimes im like why is it this way.
This morning i was with mythical i noticed the splash damage on cannons is bad for sloops tbh
Or really yesterday

Sparbucks 28-Nov-20 09:48 AM

yeah it is

ItsAHazardLife 28-Nov-20 09:48 AM

Stuff like that you cant control and can easily get knocked off the boat.

Sparbucks 28-Nov-20 09:48 AM

kie also another person saika kinda hesitant to play with
because he drinks
and kie wanted to sail tomorrow
not exactly happy with kie tho cuz he kinda half asses on sailing

ItsAHazardLife 28-Nov-20 09:49 AM

We struggled for multiple minutes to break a spawn camp on a sloop. Soemthing we cant control.

Sparbucks 28-Nov-20 09:49 AM

spawn camp is broken in general

ItsAHazardLife 28-Nov-20 09:50 AM

Kie is an amazing player but is a wild card cause of his drinking

Sparbucks 28-Nov-20 09:50 AM

but you can see he is more relaxed

ItsAHazardLife 28-Nov-20 09:50 AM

I can see why Saika would be hesitant

Sparbucks 28-Nov-20 09:50 AM

and tbh we need to be more relaxed
us being panic-based hurts us significantly

ItsAHazardLife 28-Nov-20 09:50 AM

Relaxed until he drinks too much
Ive see that too

Sparbucks 28-Nov-20 09:51 AM

i agree w/drinking too much
but you have to look at what you want your content to be

ItsAHazardLife 28-Nov-20 09:51 AM

He sometimes can be like happy where he pays more attention to chat than his the seas even when prepping.

Sparbucks 28-Nov-20 09:52 AM

i dont think ill ever be ultimate sweat lord taking things serious in sot unless they fix things
we all can be like that too
same with me, same with saika
we all are streamers and we need to respect that
play with bigger streamers, they are worse
Mason is also like that
and Saika as well

ItsAHazardLife 28-Nov-20 09:53 AM

100% agree

Sparbucks 28-Nov-20 09:53 AM

and like ive said
there is nothing wrong with that
when she getting love
let her get love and we will pick up slack
same with all my friends

ItsAHazardLife 28-Nov-20 09:54 AM

I agree with that but when its something like just getting them to sit in a rowboat instead of letting them swim later on to me is just something small.
I know Saika hates having to yell at Happy to do stuff on the boat.

Sparbucks 28-Nov-20 09:55 AM

yelling at people sucks
but again it comes down to the content and what you want it to be

ItsAHazardLife 28-Nov-20 09:56 AM

100%

Sparbucks 28-Nov-20 09:56 AM

its why solo works for me right now because i dont have to overly take everything seriously and ya i will sink

ItsAHazardLife 28-Nov-20 09:56 AM

Yea you give it your all and sometimes try again a second time.

Sparbucks 28-Nov-20 09:57 AM

but i dont get down about it, its just how it is
but also chat has a fun experience

ItsAHazardLife 28-Nov-20 09:57 AM

I know if i sink i dont take it serious anymore to many things can effect it
Chats there for the story

Sparbucks 28-Nov-20 09:58 AM

yeah

ItsAHazardLife 28-Nov-20 09:58 AM

They just want to see you have fun and enjoying yourself

Sparbucks 28-Nov-20 09:58 AM

but i also know
being stuck with helm when your crew of streamers dont do anything and just shoot out for content sucks
but saika hasnt even been streaming

ItsAHazardLife 28-Nov-20 09:58 AM

Yea i agree.
It sucks for Saika to always be on helm

Sparbucks 28-Nov-20 09:59 AM

but like if i get an alliance fotd
saika not gonna play
im solo
i usually ask someone
fact i got to play with luna which is the first time in months

and i got shit for it
that is not okay

ItsAHazardLife 28-Nov-20 09:59 AM

Yea its going to be tough

Sparbucks 28-Nov-20 09:59 AM

and saika doesnt need to be on helm
ive told her this non stop
she is on helm because she takes the end result way to serious

ItsAHazardLife 28-Nov-20 10:00 AM

Saika shouldnt have a problem who you sail with

Sparbucks 28-Nov-20 10:00 AM

no one actually tells her to helm

ItsAHazardLife 28-Nov-20 10:00 AM

She always take it.

Sparbucks 28-Nov-20 10:00 AM

she wants to sail with like zemp who forces her on helm
ive tried to convince her to just shoot off
and not worry about the boat too much
but again

ItsAHazardLife 28-Nov-20 10:01 AM

When i brig with yall i force her off the helm and to pvp.

Sparbucks 28-Nov-20 10:01 AM

we take significantly more spice than most people on stream
but when the helm goes wrong
she kinda does get mad and even i say stuff lol
i wont lie

ItsAHazardLife 28-Nov-20 10:01 AM

I see so many playstyles when passing servers
100%
And when saying something i know o listen or trying to do better.

Sparbucks 28-Nov-20 10:03 AM

ill brush it off
its harder for her
100%
but her and making a list on who she prefers

ItsAHazardLife 28-Nov-20 10:04 AM

Yea i know the one night i shot off. I didnt hear her say she was back. Thrn you said you two shoot off. I thought you were talking about me and jordan. Since i didnt even know saika was back.

Sparbucks 28-Nov-20 10:04 AM

over little things
like mitch
its become not sustainable for me
because a lot of people are my friends and i like to have a good mix

ItsAHazardLife 28-Nov-20 10:06 AM

Its tough to meet all of her demands but thats when she sails with who she wants and you sail with who you want
Sometimes you cant rely on her and she cant rely on you.
She can sail with anyone.
I know she has fun but i wonder if the spice got to much tbh

Sparbucks 28-Nov-20 10:08 AM

for her for sure
we put ourself in very vulnerable situations
ive told her just make an alt for the pvp
but she also is so worried about stream sniping and so am i
its why i do an alt

ItsAHazardLife 28-Nov-20 10:09 AM

And she should. Its just sad becoming pl isnt a challenge anymore

Sparbucks 28-Nov-20 10:09 AM

tbh i almost told you to make an alt too

ItsAHazardLife 28-Nov-20 10:09 AM

Ive got alts i can change to
I wouldnt hesitate tbh

Sparbucks 28-Nov-20 10:10 AM

but like
since i got nacho

i havent got sniped once
except i think first day

ItsAHazardLife 28-Nov-20 10:10 AM

Ive even thought about telling people if you see me in chat watch dms cause people know me. Its that simple

Sparbucks 28-Nov-20 10:11 AM

yeah

ItsAHazardLife 28-Nov-20 10:11 AM

Its also easy to get sniped by who youre with or how high up in the directory you are.

Sparbucks 28-Nov-20 10:12 AM

but also cant make it break you

ItsAHazardLife 28-Nov-20 10:12 AM

100% cause its another variable you cant control

Sparbucks 28-Nov-20 10:13 AM

yup

aight time for me to get some sleep

we will see tomorrow

ItsAHazardLife 28-Nov-20 10:13 AM

Get some sleep

Sparbucks 28-Nov-20 10:13 AM

just sucks i cant not not stream

and i dont have my partner really now for most things

ItsAHazardLife 28-Nov-20 10:13 AM

Hopefully my internet is back up tonight

Sparbucks 28-Nov-20 10:13 AM

hopefully

ItsAHazardLife 28-Nov-20 10:14 AM

Youve got us though

Sparbucks 28-Nov-20 10:14 AM

i know for sure

ItsAHazardLife 28-Nov-20 10:14 AM

And ill try to talk to Saika but at the same time i know she just needs space and less pressure
We all have to give her that

Sparbucks 28-Nov-20 10:14 AM

ill try too

ItsAHazardLife 28-Nov-20 10:15 AM

But definitely get some sleep

Sparbucks 28-Nov-20 10:15 AM

but i havent been getting anywhere with it
you too
nighto

Not sure if you're up but LD/Boxy are going up against Pace and crew

Sparbucks 30-Nov-20 01:11 AM

howd it go

ItsAHazardLife 30-Nov-20 01:38 AM

LD and Boxy sunk cause LD misheard what ladder Pace came up on.

Sparbucks 03-Dec-20 10:11 AM

hopin kinda fun tbh

ItsAHazardLife 03-Dec-20 10:11 AM

Imfao you never know what you find.

Sparbucks 03-Dec-20 10:11 AM

ya

ItsAHazardLife 03-Dec-20 10:11 AM

it's also kind of relaxing

I was helping LD load up the last one and for laughs I cannon'd a random in the face

Sparbucks 03-Dec-20 10:17 AM

lmao

uses my tool

ItsAHazardLife 07-Dec-20 02:34 PM

yea I saw the globalstat and wasnt sure what that was but thats the all time one.

we just have to make sure mods don't double up on them.

Sparbucks 07-Dec-20 02:34 PM

ItsAHazardLife 10-Dec-20 03:08 PM

After last night, I'm just going to take a little break from yours and Saika's stream. Last night I felt you like were calling me a liar and you kept on saying "you don't know what you're talking about" or "you don't have their financials." Here's the thing..... I don't need them it's obvious plain as day. Here's what I do know they have... they have interns, game devs and higher ups. Interns typically work for experience with no pay. Game Devs can make 40k+ salary. The higher up easily 80k+. With 200 employees you can estimate numbers pretty easily. Emporium side.... yes that is a hard number to figure out but I know it's not enough to make up their salaries. Why? Cause they have also released 2-3 times the merch products than the prior year which shows they are trying to come up with other ways to bring money in. Let alone the new Plunder Pass which is something to be paid for. I'm not just some dumb business owner that can't read numbers, crunch numbers or make educated guesses based off information even Joe Neate has said in videos. I give Rare/SoT props for trying to figure things out and am hopeful one day they will figure out what they are doing wrong. I know if they just listen to the community which they haven't done since before rez was added, that alone would make a huge difference.

About the same time Zempel replaced me was the same time I started criticizing Rare's judgement on new additions. I feel like this also played a factor in being replaced.

I'm super proud of you and Saika for making SoT partner. I hope it does wonders for you two.

Sparbucks 11-Dec-20 12:55 AM

you need to also realize you are live on my stream and also saika's stream and those statements arent even factual and that can hurt us. I have my opinions but there is a difference between opinion/rumor vs someone claiming they know. Rare makes a ton of money off their old IPs so as a company they are doing better than ever. What they are trying to aim for is sustainability which will be more tweaks in terms of whats working and whats not working and we don't have that data. If they were doing bad then they would've shut the door as a service a long time ago. Our POV is just conjecture but again when you are live saying that stuff that is a problem man. We can disagree all we want but that can't happen

and zemp never replaced you, we have always had a flux crew between saika, myself and kie

we tried zemp as a crew to sail with consistently every saturday to grow and compete in soc but it didn't work out because zemp never tried to relieve any helm duties from saika

so i dont know why you think we 'replaced' you

we sail with a lot of people and we cant sail everynight with everyone and thats a fact

ItsAHazardLife 13-Dec-20 01:08 PM

After a few days I'm finally going to respond to you and what you've said. Being in a business for just about 10 years I can read a business just off data and by the choices they make. So my claims are probably more accurate than you think or want to believe. "Rare makes a ton of money off their old IPs so as a company they are doing better than ever." This statement is not possible they aren't activate enough in re-releasing old games unless it's in Rare Replay or in merchandise on their website. Sea of Thieves has been a huge blow to them for at least 4-5 months prior to November's fofd update. The events are weirdly working but the question is how long are people going to want to do the same old shit especially when they are going to have it in season form come 2021. It's going to become even more repetitive. They are going to

continue to try to figure out how to not have a high turnover rate of players and well as make it where they aren't losing money. Hence the new Plunder Pass. Sea of Thieves is the main source of any income for Rare right now.

ItsAHazardLife 13-Dec-20 01:37 PM

At the end of the day, how you treated me the one night/morning on stream was not cool or ok with me which is why I left. You were in a sense degrading me by both actions and words. Then after I messaged you it continued. You basically called me a liar and I know I'm not lying. Rare will never tell it's player base how they are physically doing not even it's Partnered streamers. Main people who will know this is Joe Neate and some higher ups. Which in a video Joe Neate peronally stated "In hopes to bring some of our veteran members back." They know they are hurting on players cause it's a constant revolving door of new players that they are catering to. 25 million players made with about maybe 100k active players. The new players won't always buy things from the emporium, it will be the vets and long term casuals. Both of those numbers aren't doing the best with those players constantly leaving.

All I know is that I am not lying when I am taking things from what is said in videos and steam numbers. These are hard facts.

As far as the replacing thing even when Vegah sailed the first time with us you kept on saying that word like you wanted me out there. All I know is Vegah was even lucky I just went with the flow cause he's the one that made the comment in your chat about the Zach situation. So I just go the civil route with him.

ItsAHazardLife 18-Dec-20 06:58 PM

All I can say is I can't believe y'all playing with Zach. I'm lowkey disappointed

Sparbucks 18-Dec-20 07:11 PM

hazard we love you but please stop this with saika and myself that is ridiculous.

ItsAHazardLife 18-Dec-20 07:13 PM

Y'all told me to stay away from Rob and I avoid Zemp plus a few more cause of that situation..... but there is no doing the same for me?

Sparbucks 18-Dec-20 07:14 PM

this is COMPLETELY different

ItsAHazardLife 18-Dec-20 07:14 PM

nah
no it's not.

Sparbucks 18-Dec-20 07:14 PM

st op
stop
stop this hazard
seriously

ItsAHazardLife 18-Dec-20 07:15 PM

You almost lost your relationship with Nikki cause of Zemp

Sparbucks 18-Dec-20 07:15 PM

STOP

we are streaming

we will talk to you after

ItsAHazardLife 19-Dec-20 07:57 AM

At the end of the day i thought you guys of all people would actually care to stay away from him. I stay away from Rob and Zempel. I thought you both would have respected me to stay away from Zach. Literally lost my relationship cause of everything that he allowed to happen in his chat on day earlier last month. He never apologized to me like Nikki told me he did. It was legit like a porno in his chat and he didnt stop it. Even in his dm's to me he had no real respect for me. He thought it was funny from my first dm to him. Everyone just wanted it swept under the rug but it had a huge effect on our relationship and led to the down fall of it. To see you guys sailing with him last night killed me. (edited)

ItsAHazardLife 19-Dec-20 08:04 AM

You cant even tell me its completely different than the Zemp thing..... you almost lost your relationship with nikki cause of it. I lost my relationship cause of that night because even with me being uncomfortable with Meagan in his chat cause of Zach and Clay. Clay especially since she made a comment directly at him about wanting his semen to have a baby as cute as his.

That being sad plus Meagan saying "100000% im going to be in trouble tomorrow, hazards going to hate me" broke my heart the most.

Im already going to have a hard time being in yours or Saikas chat cause of Meagan. If i have to dodge her and your guys sailing with Zach i might as well just completely leave.

Sparbucks 19-Dec-20 02:07 PM

i think it will be best to get you me and saika in a call to talk about this stuff

i dont know when she will be up but its better than DMs

ItsAHazardLife 19-Dec-20 02:07 PM

ok you tell me when. I'm around doing my thing.

ItsAHazardLife 20-Dec-20 08:23 PM

I'm sorry for everything. I know I've been an ass to you lately when it came to SoT.

As far as other things I know they will all fall into place slowly. The next week will be interesting as things are figured out how to handle/deal with Meagan in chats. I'm trying my best to not get you two involved into that. Meagan made the mistakes she did and there's nothing I can do about it. I did my best to work through things with her, but couldn't.

Sparbucks 21-Dec-20 06:19 AM

I hear ya and we just have been so busy and hope you know that

i will have a couple days off to really talk to you all same w/saika

just been an insane last 2 weeks for me

ItsAHazardLife 21-Dec-20 01:23 PM

I know you both have things going on especially with how busy SoT made it with drops.

At the end of the day, I'm not expecting to get back together with her nor do I have the intentions to. I'm more hoping she distances herself from the community cause of what she knows she did. So in due time things will fall into place. (edited)

Sparbucks 22-Dec-20 02:56 AM

You need to stop Hazard.

Im serious

this is out of control

Now saika is involved

You either need to just move on or try to take a couple days off to calm down

but this is now on an incredibly out of control level, i will talk to you after drops personally

thats what I will say for now but there are now many people who are concerned for you

ItsAHazardLife 22-Dec-20 02:58 AM

I don't know what I've done to cause concern.....

See I'm good just bothered by her being here like nothing happened and her playing the victim card.

Sparbucks 22-Dec-20 02:59 AM

Take a couple days off

calm your head

ItsAHazardLife 22-Dec-20 02:59 AM

We talked about what would happen if we broke up..... twitch streams was brought up and she disregarding that conversation.

Sparbucks 22-Dec-20 02:59 AM

just take a couple days off

im serious

ItsAHazardLife 22-Dec-20 02:59 AM

My head is calm

Sparbucks 22-Dec-20 03:00 AM

no it is not

I am worried about your mental state

ItsAHazardLife 22-Dec-20 03:00 AM

1000% it is

Sparbucks 22-Dec-20 03:00 AM

and so is Saika

and now other people are too.

This is not how you deal with this

ItsAHazardLife 22-Dec-20 03:00 AM

deal with what?

Sparbucks 22-Dec-20 03:00 AM

I will talk to you later

ItsAHazardLife 22-Dec-20 03:00 AM

whatever

Sparbucks 22-Dec-20 03:00 AM

Either you take my advice or not
but Saika also agrees

ItsAHazardLife 22-Dec-20 03:03 AM

It's just funny yall are seeming to side with her. WHEN SHE DID ALL OF THIS basically cheating on me.

Sparbucks 22-Dec-20 03:03 AM

its not about sides dude
you are not listening
this isnt with you or not

ItsAHazardLife 22-Dec-20 03:04 AM

that made no sense

Sparbucks 22-Dec-20 03:04 AM

and tweeting shit also is stupid
OKAY HAZARD NEVERMIND
anything i say you are being impossible to talk to

ItsAHazardLife 22-Dec-20 03:04 AM

I'll just leave

ItsAHazardLife 22-Dec-20 03:31 AM

READ LATER

All I can say is I have no idea who is worried about my mental state. My mental state is honestly good. I am happier than ever and getting more work done than ever. Why I'm not hurting is cause I know I'm not at fault and I am better off without her.

As far as the one tweet..... It was cause she was playing victim in her tweet saying I was trying to control her which is far from the truth. I am not making any more tweets and thats the honest truth.

I'm not trying to be impossible to talk to, but at the same time I don't like being told that I'm not calm or not in a good mental state. I was in a worse mental state last month when everything happened. The reason I am open about what she did is cause I feel like I can actually talk about it without having to worry about anything.

But for now I'm gone until you message me after drops. I'm sorry

ItsAHazardLife 23-Dec-20 01:00 PM

The only reason I'm sending this is cause out of all people I'm surprised you two are defending her actions. Out of about 10 people that know what has fully happened or what was fully said by Meagan, You and Spar are the only 2 that don't see what Meagan did as being wrong even as joking around. Sexually joking around while talking towards someone or about someone while being in a relationship should not be defended.. It is downright wrong. Especially if "it was just for fun and jokes" as the reason being to defend it. I'm in a lot better spirits, I am happier and I am better off in all honesty. The only thing that has me down is that I knew this was going to happen cause she grew super close to you and Spar because of her relationship with me.....

Sparbucks 24-Dec-20 01:51 AM

STOP
causing shit
atleast in saikas chat
just knock it off hazard

ItsAHazardLife 24-Dec-20 01:52 AM

I aint in there

ItsAHazardLife 24-Dec-20 01:52 AM

I did nothing

Sparbucks 24-Dec-20 01:52 AM

take your time off the internet for a couple days
you arent even being a friend right now
you are causing drama on us and we did nothing

stop this fucking high school drama crap

ItsAHazardLife 24-Dec-20 01:53 AM

WHY because I expect MORE from you

Sparbucks 24-Dec-20 01:53 AM

WE EXPECT WAY MORE FROM YOU

ItsAHazardLife 24-Dec-20 01:53 AM

I expect MORE from her.

Sparbucks 24-Dec-20 01:53 AM

thanks again for ruining the vibes
no
you are fucking up

ItsAHazardLife 24-Dec-20 01:53 AM

ROB ABUSED SAIKA
ZEMP IS NOT ZACH
STOP
STOP
we are done with you making this a thing
also people who are using as an example dont even support you
just stop dude
and talk to us as a friend again

ItsAHazardLife 24-Dec-20 01:54 AM

I've ASKED multiple times to stay away from ZnC after the shit that now broke me and Meagan up. You two constantly sail with him

Sparbucks 24-Dec-20 01:54 AM

you are on a full revenge tour to make everyone hate meagan
just stop
serious stop
you are out of line
and now you have EVEN more people worried about you
take your time off
clear your mind
we all love you to death
but this right now hazard
is very bad
and you need to rethink your approach
stop posting drama on twitter, saikas chat, my chat
and get back to being our friend/family
you are not doing that at all

ItsAHazardLife 24-Dec-20 01:56 AM

At least if you told me to stay clear of people I would in a heartbeat

Sparbucks 24-Dec-20 01:56 AM

i didnt say you couldnt talk to people
I NEVER SAID THAT
i told you and enlightened you about some BS

but quit putting words into the mouth of people
i never once told you to not talk to zemp first of all
that is a complete lie
i told you he was a peice of shit because he is
but i never also told saika to not talk to zemp
i never told her she couldnt be his friend
hence why she sailed/played with them last sunday
ive told you so many times the shit between saika/me/zemp was different but you still find a weird way to convince yourself it is the same
and its not
just stop
we are here to talk to you as a friend
but stop the revenge tour vs meagan

ItsAHazardLife 24-Dec-20 01:57 AM

Are you?

Sparbucks 24-Dec-20 01:57 AM

it needs to stop now
you stopped talking to us

ItsAHazardLife 24-Dec-20 01:58 AM

I'm not even on a revenge tour

Sparbucks 24-Dec-20 01:58 AM

yes you are
and now i have multiple people asking me about it
and people concerned.

ItsAHazardLife 24-Dec-20 01:58 AM

I've been asking you since the day I found out of the incident in Zach's chat to stay clear and you didn't care

Sparbucks 24-Dec-20 01:58 AM

IM NOT STAYING CLEAR OF ZACH
AND SAIKA IS NOT AS WELL
and meagan will continue to be our friend
im sorry
i knew meagan before you even knew her first of all
and so did saika
you lied about that
you absolutely lied about that

ItsAHazardLife 24-Dec-20 01:59 AM

and I've known yall 1.5-ish years.

Sparbucks 24-Dec-20 01:59 AM

you said we met meagan because of you
that is a lie hazard
you actually met Meagan because of us
stop twisting facts

ItsAHazardLife 24-Dec-20 02:00 AM

nooooooooo thats not what I said

Sparbucks 24-Dec-20 02:00 AM

you said it to saika
so now saika is a liar?

ItsAHazardLife 24-Dec-20 02:00 AM

I said you two became closer to Meagan because of me
Not that you two became friends because of me

Sparbucks 24-Dec-20 02:00 AM

its time for a voice call
im ditching saika
lets do it
no
you are wrong
we got close to meagan before you even knew her
that is just not true hazard

ItsAHazardLife 24-Dec-20 02:01 AM

No when I met her you had just met her in game not that long beforehand

Sparbucks 24-Dec-20 02:01 AM

you met meagan because saika, myself and happy met her on the seas
and she was in my chat and we talked literally since day 1
second of all

ItsAHazardLife 24-Dec-20 02:01 AM

I've never fucking denied that

Sparbucks 24-Dec-20 02:01 AM

did you know
bbxh husband
tomato/josh/someonexh

ItsAHazardLife 24-Dec-20 02:02 AM

what about him?

Sparbucks 24-Dec-20 02:02 AM

did you know the beef he had with you?
you were the REASON he stopped coming around
and he had a rant about you in his stream

ItsAHazardLife 24-Dec-20 02:02 AM

no I had no idea he even had beef with me.

Sparbucks 24-Dec-20 02:02 AM

and how you was completely disrespectful to him
yeah

ItsAHazardLife 24-Dec-20 02:02 AM

I don't know why

Sparbucks 24-Dec-20 02:03 AM

because he was trolling saika with UU RR and you were a complete ass to him
i have many people who can vouch for the rant and what you did
because you dont let these little fucking things go

ItsAHazardLife 24-Dec-20 02:04 AM

because I said no or how annoying repetition troll meme things are.

Sparbucks 24-Dec-20 02:04 AM

also remember you caused a full on war in saika's fucking chat about you
dude
you arent getting it
we love you to fucking death
you have no idea
we talk about it all the time
but there is a line where
we know you can be even more stubborn than me and
you will never let shit go
that is the truth hazard

ItsAHazardLife 24-Dec-20 02:05 AM

I havent felt that love since I talked to you about what happened in Zach's chat.....

Sparbucks 24-Dec-20 02:05 AM

because you arent understanding the reality of what actually happened
and i have asked about ALL OF IT
but you have lied about a bunch of shit
you lied to saika
you lied to me
you also lied about people who apparently who are on your side

ItsAHazardLife 24-Dec-20 02:06 AM

how the fuck did I lie?

Sparbucks 24-Dec-20 02:06 AM

First lie regarding me

ItsAHazardLife 24-Dec-20 02:06 AM

ItsAHazardLife 24-Dec-20 02:06 AM

Specifically that night what am I lying about

Sparbucks 24-Dec-20 02:06 AM

you have messaged many people who have went to me
asking about the situation
INCLUDING PEOPLE LIKE MDW WTF
you are trying to get a full revenge tour on meagan
another lie
you said
dont make sexual jokes as a couple or whatever
have you ever watched josh/tomato/someonexh?
or other couples
OR LIKE FUCKING SAIKA AND LUNA ON MY STREAM
luna and saika talked about swallowing and bdsm on my stream

ItsAHazardLife 24-Dec-20 02:08 AM

Doggette, Rag, Stacy, Brianna, Mrs480, Slothy Megan, Nyx. Thats 8 people.

Sparbucks 24-Dec-20 02:09 AM

3 of those people
dont agree with you
and 3 other you contacted also dont
you are going to so many people about this
also Megan doesnt count because apparently the person who STARTED THE FUCKING SEMEN JOKE counts
im done talking about this, the rest will be in voice, if you are ready for that then go ahead
but at this point im afraid you are going to do a rocco and put it on twitter
the fact you went to twitter about this
i cant believe you did that
so im sure i will be next

ItsAHazardLife 24-Dec-20 02:11 AM

I can't believe Meagan that she would talk about wanting another guys' semen or her being horny and wet.

Sparbucks 24-Dec-20 02:11 AM

WRONG
the MEGAN you brought up
started it
jesus fucking christ

ItsAHazardLife 24-Dec-20 02:11 AM

WAKE UP

ItsAHazardLife 24-Dec-20 02:12 AM

she brought up Clay's kid

Sparbucks 24-Dec-20 02:12 AM

and it being a CUTE KID
DUDE THATS NOT CHEATING HAZARD
cheating is literallty
DMing the person
sending nudes

ItsAHazardLife 24-Dec-20 02:12 AM

ITS STILL FUCK JUST AS BAD

Sparbucks 24-Dec-20 02:12 AM

going around your back
NO IT IS NOT
dude how many relationships have you had?
real talk how many
you cant make that connection
cheating is cheating

ItsAHazardLife 24-Dec-20 02:13 AM

enough to know what the fuck cheating is.

Sparbucks 24-Dec-20 02:13 AM

i have absolutely heard worse from tomato/luna

ItsAHazardLife 24-Dec-20 02:13 AM

I've been cheated on in the past by 2 gf's

Sparbucks 24-Dec-20 02:13 AM

ive been cheated on 3 times
i have had 8 relationships
this is not cheating
its not

ItsAHazardLife 24-Dec-20 02:13 AM

one of the things mentioned was something about sending nudes.

Sparbucks 24-Dec-20 02:13 AM

did she send nudes?
or was it some stupid simp
trying to get nudes
because saika gets weirdos all the time asking

ItsAHazardLife 24-Dec-20 02:14 AM

she barely ever wanted to talk to me about anything with the situation so I never could ask

Sparbucks 24-Dec-20 02:14 AM

dude
its your lack of trust
it is

ItsAHazardLife 24-Dec-20 02:14 AM

It may not be cheating but at the same time it's dumb inappropriate

Sparbucks 24-Dec-20 02:14 AM

and this is what pissed me off the most
when you tried to make a connection on your situation with zemp situation
i NEVER once did not trust saika
i never once said she was cheating or thought she was
inappropriate? maybe
but does that mean go on twitter
and try to make everyone who is her friends hate her?
i have heard WAY WORSE

ItsAHazardLife 24-Dec-20 02:15 AM

If she can accuse me on her twitter about trying to control her I'm sorry i don't care.

Sparbucks 24-Dec-20 02:15 AM

and tomato/josh is literally MARRIED
you should've NEVER went to twitter
BIGGEST MISTAKE EVER

ItsAHazardLife 24-Dec-20 02:16 AM

not really..... I don't care I plan on never getting back with her.

Sparbucks 24-Dec-20 02:16 AM

that is equivalent to making a facebook status
so thats how you deal with a break up?
so first of all more real talk
YALL NEVER MET IRL
IRL= WAY DIFF hazard

ItsAHazardLife 24-Dec-20 02:17 AM

Tried to multiple times, but cause of her move never got the chance

Sparbucks 24-Dec-20 02:17 AM

there is a reason long distance relationships are hard
but for you to go to public about your differences

ItsAHazardLife 24-Dec-20 02:17 AM

100% and we both knew that from the start

Sparbucks 24-Dec-20 02:17 AM

I can speak for Saika and myself
we were extremely disapointed
but then
you tried to tell us not to talk to meagan
THEN YOU tried to tell us not to talk to Zach
that is not how shit works dude
It's not about "you with me or not"

ItsAHazardLife 24-Dec-20 02:18 AM

ZACH was the first person ever I wanted you to stay away from

Sparbucks 24-Dec-20 02:18 AM

we love you just as much as we always have
but STOP telling us who we can be friends with
that is controlling
that is like what riskyrob would do to Saika
DO NOT BECOME THAT
no Zach is our friend
you may not agree with it
just like how I dont like Zemp
but Saika can choose if she wants to hang/talk with him

ItsAHazardLife 24-Dec-20 02:19 AM

Zach is a piece of shit that essentially allowed porn in his chat and should've been banned for it.

Sparbucks 24-Dec-20 02:19 AM

we had arguments and we talked a ton
and our relationship has never been better right now Hazard
no it wasnt porn and you are hyper exaggerating the situation

ItsAHazardLife 24-Dec-20 02:20 AM

no I'm not I SAW THE VOD

Sparbucks 24-Dec-20 02:20 AM

COOL I SAW THE VOD TOO
ive had way worse moments
doesnt mean those people are shit heads and they should be cancelled forever
you cant control people like that dude
you need to stop that
that will NEVER work
and since then
you stopped talking to SAIKA and MYSELF
as a friend
we both agree on it
its why i even told you just take some time off from this shit

clear your head
we will love you no matter what
but we need you to TRY to listen to us here
we are here for you, and at this point we think you are going at this the wrong way
BUT I KNOW
you are stubborn (so am I about stuff)
but please for the love of everything atleast listen to Saika

ItsAHazardLife 24-Dec-20 02:23 AM

listen to Saika about what?
How Meagan did absolutely nothing wrong that night???

Sparbucks 24-Dec-20 02:23 AM

you ignored everything i said
and that is exactly what Saika said to me

ItsAHazardLife 24-Dec-20 02:23 AM

How just because someone says it's a joke makes it right

Sparbucks 24-Dec-20 02:24 AM

you arent even talking to us at this point
and that sucks
this is not a situation of being with you or meagan
and you arent understanding that core part
we are on both of your sides, you are both of our friends

ItsAHazardLife 24-Dec-20 02:25 AM

No I understand that part

Sparbucks 24-Dec-20 02:25 AM

nothing changes between us
but STOP the hate shit here
we bring up Zach and how we sailing Tuesday
and you say this shit

This is out of line
I can tell you with everything
convo with Meagan

ItsAHazardLife 24-Dec-20 02:26 AM

I don't feel it's out of line. I dislike the guy for that night. I dislike his best friend Clay

Sparbucks 24-Dec-20 02:26 AM

she is not in anyway telling us to not trust you/hate you blah blah blah
you are out of line
you are her fucking mod
and my mod
and our friend
zemp is also saika's mod
dude you cant make everyone get along
i have learned this esp w/twitch
you dont have to watch when we play with zach or whoever you dont like

ItsAHazardLife 24-Dec-20 02:27 AM

Zemps thing.... If the arguments between you and Saika didn't stop she was prepared to walk out the door..... she told me that. Just saying

Sparbucks 24-Dec-20 02:27 AM

and maybe some people dont wanna watch us when we play with you
DUDE
zemp stuff was not like that
it was arguments
there are LAYERS on that
that you dont even know
with her ex husband and rob WHO ABUSED HER AS WELL

ItsAHazardLife 24-Dec-20 02:28 AM

trust me I know what you told me and what she told me

Sparbucks 24-Dec-20 02:28 AM

no she told me
she shows me everything she says to you Hazard

ItsAHazardLife 24-Dec-20 02:29 AM

unfortunately it does change things. because as long as she is in chat and you both saying her name it's not good.

Sparbucks 24-Dec-20 02:29 AM

and I show her everything in this as well
then block her dude

ItsAHazardLife 24-Dec-20 02:29 AM

She's told me about her ex husband and rob

Sparbucks 24-Dec-20 02:29 AM

no
you dont know
IRL is different
we had arguments

but we kept talking
but you know what i didnt do
go to twitter
only person i talked about zemp was w/you
but i never ever
said anything bad about Saika, i did think she was wrong at times
but zemp situation is in no way remotely close to your situation so please for the love of god stop comparing it to that
because that also pisses her off
but talking
and figuring shit out can help
Saika and myself are closer than ever now

ItsAHazardLife 24-Dec-20 02:33 AM

I saw Meagan claim I was controlling her..... So I did my post about what she did to prove I wasn't controlling her.

Sparbucks 24-Dec-20 02:33 AM

let me put it this way
your opinions/irl feelings whatever
social media should always be LAST RESORT
like if someone actually did something terrible
and Hazard
i will be honest
you have a rep these days
about rants on twitter

ItsAHazardLife 24-Dec-20 02:34 AM

yea well we don't have to worry about SoT rants anymore.

Sparbucks 24-Dec-20 02:35 AM

im trying to be completely transparent with you and this is not just me

ItsAHazardLife 24-Dec-20 02:35 AM

I'm full done with SoT, full uninstall.

Sparbucks 24-Dec-20 02:35 AM

but on a relationship standpoint and what not
you are never going to have a perfect relationship

ItsAHazardLife 24-Dec-20 02:35 AM

and I know that.

Sparbucks 24-Dec-20 02:36 AM

imagine if i went to twitter about zemp shit
if i did that... saika and i wouldnt be together

ItsAHazardLife 24-Dec-20 02:36 AM

no relationship is 100% perfect

Sparbucks 24-Dec-20 02:36 AM

and now

i am being serious

we are better than ever

ItsAHazardLife 24-Dec-20 02:37 AM

I know that cause you two havent been arguing over Zemp

Sparbucks 24-Dec-20 02:37 AM

its because we finally got to a point where we both understood

but i never once told her she couldnt talk to zemp

or be friends

you cant do that Hazard im serious

unless literally its clear cheating

and you are definitely

exaggerating "cheating"

you aint gonna like that

ItsAHazardLife 24-Dec-20 02:38 AM

The reason I told Meagan I didn't want her to be there was so I could heal from what she said that night.

Sparbucks 24-Dec-20 02:38 AM

dude

Meagan loved you to my knowledge

ItsAHazardLife 24-Dec-20 02:38 AM

it may not have been cheating..... but it was highly inappropriate

Sparbucks 24-Dec-20 02:39 AM

like

SHE REALLY CARED for you

maybe her thing didnt land

or joke whatever

but as a dude

ItsAHazardLife 24-Dec-20 02:39 AM

Did she care when she said she wanted someone else's kid or was wet and horny for another dude.

Sparbucks 24-Dec-20 02:39 AM

you dont wanna let that go and you wanna try to talk as much as possible

ItsAHazardLife 24-Dec-20 02:39 AM

there is no excuse for that.

Sparbucks 24-Dec-20 02:40 AM

dude

she cared for you so much

ItsAHazardLife 24-Dec-20 02:40 AM

claiming it was a joke is just sad in my opinion

Sparbucks 24-Dec-20 02:40 AM

i even told you saika has said some weird jokes
but she didnt fucking cheat on you
quit saying that
she never cheated on you
it is more you didnt like that
tell her not to do it again
and you guys havent been together for a while
you gotta remember you legit are getting to know eachother
that is a big thing
like what is okay and whats not on BOTH SIDES
but also compromises
but it comes down to trust

ItsAHazardLife 24-Dec-20 02:41 AM

yep and she was unwilling to make a compromise.

Sparbucks 24-Dec-20 02:41 AM

no
i think honestly hazard
you dont trust her
that is the biggest diff and also i got fucking pissed at you
saying zemp situation was the same
i always trusted saika

ItsAHazardLife 24-Dec-20 02:42 AM

I've always said I trust her I don't trust them

Sparbucks 24-Dec-20 02:43 AM

you saying that vs you believing that
BIG DIFF brother

ItsAHazardLife 24-Dec-20 02:43 AM

I don't trust that Zach wouldnt allow the same situation.

Sparbucks 24-Dec-20 02:43 AM

Again i will say this
Zach is my friend and also Saika's

ItsAHazardLife 24-Dec-20 02:43 AM

I don't trust to not say anything sexual. why? cause he does it on a daily basis.

Sparbucks 24-Dec-20 02:43 AM

quit trying to tell us not to be friends with him okay?
i think this is more of a thing on what you want
I know Meagan trusts you
but you dont trust Meagan
be real
but making her not talk to certain people
will never make you trust her
thats not a relationship dude
sometimes you just have to make the jump and try to trust

ItsAHazardLife 24-Dec-20 02:45 AM

I don't get why you would want to be friends with someone that would put people's relationships in jeopardy, but thats just me

Sparbucks 24-Dec-20 02:45 AM

but you are over exaggerating things again
Zach never intended on that dude
just be real here

ItsAHazardLife 24-Dec-20 02:46 AM

no I'm not that night ZACH even acknowledged to me he should've done more to stop it that night

Sparbucks 24-Dec-20 02:46 AM

Zach been doing youtube/twitch prob longer than all of us
but did he say sorry?
Did Zach actually apologize [@ItsAHazardLife](#)

ItsAHazardLife 24-Dec-20 02:47 AM

looking over the messages not until a few days later.

Sparbucks 24-Dec-20 02:47 AM

SO HE DID
GIVE HIM A CHANCE
you cant hold on grudges like that
you have Zach who maybe shoulda done more but also
he has had a lot of growth and doesnt know how to handle it fully
you cant fucking hold that against the dude forever
and then
you have Meagan who actually cares for you
zemp did significantly more shit to me than zach did hands down

ItsAHazardLife 24-Dec-20 02:49 AM

The reason and I'll repeat this why I didn't want her in his chat around him and especially clay was to heal and start moving on but all she cared about was their friendship

Sparbucks 24-Dec-20 02:49 AM

zemp tried to cause a rift on my gf

ItsAHazardLife 24-Dec-20 02:49 AM

she didn't allow me any of that just wanted things her way

Sparbucks 24-Dec-20 02:49 AM

zach never actually tried to do that to you
zach and clay were never going to do anything to you and meagan

ItsAHazardLife 24-Dec-20 02:50 AM

No he didn't but he full on knew it should've been stopped

Sparbucks 24-Dec-20 02:50 AM

i just think they were unaware of the situation and as a streamer
sometimes you dont really know wtf is going on

ItsAHazardLife 24-Dec-20 02:50 AM

unaware..... yet reacting. ok

Sparbucks 24-Dec-20 02:50 AM

BUT HE APOLOGIZED HAZARD
it means something
you cant be one of those people who doesnt give people another shot
but you also need to understand other peoples POV

but you also cant do the riskyrob approach
and prevent people from talking to other people
that is not a real relationship
a real relationship is when you can talk through things (and yes it can be heated and crazy)
and same for friendships
saika and myself are very very worried we are about to lose you as a friend
we aint perfect people too

ItsAHazardLife 24-Dec-20 02:54 AM

Spar literally if she took a couple months away from his stream and reapproached me about going back in there. I would've told her let's see how it goes with her being in there.

Sparbucks 24-Dec-20 02:55 AM

but a lot of this relies on you Hazard

ItsAHazardLife 24-Dec-20 02:55 AM

but she couldn't even let me heal from the hurt. she just wanted it swept under the rug

Sparbucks 24-Dec-20 02:55 AM

cuz you also giving Saika and myself the cold shoulder of stubbornism (not a word)

ItsAHazardLife 24-Dec-20 02:55 AM

last time that happened. it caused me and my brother to not talk for going on 10+ years

Sparbucks 24-Dec-20 02:55 AM

ive told this to Saika
and i have my shit too
quit projecting on previous incidents/relationships
my last ex controlled everything i would do
who i talked to
even got mad at me for talking to a starbucks employee
you dont want a relationship like that
and you know saika, she been through way worse than me.

ItsAHazardLife 24-Dec-20 02:57 AM

yea I know most of what she's been through

Sparbucks 24-Dec-20 02:57 AM

you got to focus on what makes you happy and enjoy the relationship
the other stuff is just noise
and i will say my 2 cents here
quit trying to tell people to not trust meagan
stop the twitter bs that is just dumb
stop worrying about zach/clay or whatever the frick

your main focus should be having fun with your gf/so/whatever
and sometimes that doesnt work out and that shit sucks
and also

ItsAHazardLife 24-Dec-20 03:00 AM

Trust me I'm no longer going to be concerned with them. No longer concerning myself with SoT. The only things I'm keeping from the SoT community to watch is a few people.

Sparbucks 24-Dec-20 03:00 AM

start talking to us as friends again
we miss it.
Saika is having fun again
and you have to accept
Zach is our friend and so is Meagan
but we love you just as much as always
that wont change so let us decide our friendships because we would never do that to you
but when you send tweets like you seeing who your real friends are and etc
that shit has a big impact on us and we have never had a different opinion about you even through hard times

ItsAHazardLife 24-Dec-20 03:03 AM

Like I said I haven't felt the love since the night of Meagan's incident. Literally I've been feeling like it's a slap in the face every time you sail with Zach.

Sparbucks 24-Dec-20 03:03 AM

but its not
you cant have everyone get along with eachother
ive told you about some deep shit
esp with my old situation
and trust me when saika sails/plays with zemp
im like f that guy (even though ITS DIFFERENT)
end of the day, if my gf/friend/whoever is having fun
it's their choice
we cant control that
and reality like i said is
you, meagan and zach
will remain my friend

ItsAHazardLife 24-Dec-20 03:05 AM

to me it is a slap in the face. it has been ever since the night things happened.

Sparbucks 24-Dec-20 03:05 AM

what do you mean
you also said we replaced you and that also triggered me because that wasnt true (edited)
i told you all about that
so i was a bit confused
because i didnt feel like that was truthful

ItsAHazardLife 24-Dec-20 03:06 AM

no it's not it sounds like people didn't like hearing me and that was something you didn't tell me until today

Sparbucks 24-Dec-20 03:07 AM

oh you mean the rare argument?

ItsAHazardLife 24-Dec-20 03:07 AM

you're saying sailing with Zach is not a slap in the face, but to me it is. It has been ever since that night.

Sparbucks 24-Dec-20 03:07 AM

we also got upset with that because

ItsAHazardLife 24-Dec-20 03:07 AM

no

Sparbucks 24-Dec-20 03:07 AM

got it

ItsAHazardLife 24-Dec-20 03:07 AM

before that

Sparbucks 24-Dec-20 03:07 AM

dude

us sailing with zach and being friends with him is not a slap in your face

you dont like him

but he is our friend

its not like we are sailing with him because you dont like him

thats just not the case

ItsAHazardLife 24-Dec-20 03:09 AM

"friends" don't put friends relationships in trouble. He had ample opportunity to stop it and even acknowledged he should of.

thats how I feel thats why I don't trust the guy

thats why I don't like the guy

thats why I hate seeing you sail with him.

But nothing I will say will matter.

It didn't even matter to Meagan

Sparbucks 24-Dec-20 03:14 AM

no matter what you think

you cant just force people
to not talk to people
not how it works
it will never work
ive used many examples tonight

ItsAHazardLife 24-Dec-20 03:17 AM

yea I guess it's just a respect thing.....

Sparbucks 24-Dec-20 03:17 AM

no
trust thing
you dont trust meagan
no trust = no relationship
and forcing people to not talk to people = fake trust

ItsAHazardLife 24-Dec-20 03:19 AM

you absolutely can't go to someone after you hurt them and be like I want to move on from this, everyone else has and not work through it or give time for that person to heal from whatever was done.

I 1000000% trusted Meagan that night and thats part of what hurt me. Besides all of the different things she said

After that night I felt absolutely uncomfortable with her being around clay.

ANYONE SHOULD'VE

as far as you and saika being friends with Meagan..... it surprises me cause of what she did that led to the break-up.

Sparbucks 24-Dec-20 03:23 AM

you gotta come to an understanding
quit saying surprise
we have been friends with meagan before you even knew her
quit selling that hazard
and quit with the thing you are acting surprised about petty stuff
we are all friends
and you have to deal with that
we are ready to make it work
but you are not

ItsAHazardLife 24-Dec-20 03:24 AM

We've been friends longer. Yes I started talking to Meagan within the 1st month she started coming to your chat. So it's not much long

Sparbucks 24-Dec-20 03:25 AM

we knew her before you

ItsAHazardLife 24-Dec-20 03:25 AM

how?
not even possible

Sparbucks 24-Dec-20 03:25 AM

i didnt like the statement of we only got to know her because you got to know her
wtf you talking about

ItsAHazardLife 24-Dec-20 03:25 AM

wording of the last thing.

Sparbucks 24-Dec-20 03:25 AM

dude

ItsAHazardLife 24-Dec-20 03:26 AM

Yes you knew Meagan before I did. 10000%

Sparbucks 24-Dec-20 03:26 AM

we knew meagan before you even knew her
and i got to know her before you even talked to her
that is a fucking fact

ItsAHazardLife 24-Dec-20 03:26 AM

I thought you were saying you knew Meagan before you ever knew me

Sparbucks 24-Dec-20 03:26 AM

no

ItsAHazardLife 24-Dec-20 03:29 AM

I guess I'm just built different if a friend was dating someone and I was friends with both of them. One of them did something to hurt the relationship leading to the break up. I personally wouldn't want anything to do with the person doing the hurting.

Sparbucks 24-Dec-20 03:30 AM

you might be built diff
but you dont wanna take riskyrob approach
he tried to pull shit similiar im sorry
but its the truth
either way we are friends with zach, friends with meagan and also friends with you

ItsAHazardLife 24-Dec-20 03:34 AM

Welp as long as Meagan is there I won't be, If she comes there..... I'm just leaving
if you sail with Zach again I wont be there.
It's plan as simple. I get you're not taking sides.

Sparbucks 24-Dec-20 03:35 AM

that is your decision
even though we disagree with it

ItsAHazardLife 24-Dec-20 03:36 AM

Although to me it feels like Saika is taking Meagan's side from what she told me. That she disagree with it all.

Sparbucks 24-Dec-20 03:37 AM

you are wrong
quit going by what you feel in this regard
because a lot of it is wrong
but also if you dont want to fix stuff with meagan
you will have to face the reality of moving on
and moving on does not equal posting shit on twitter
and DMing random people
it sucks you and meagan never met irl
but its the reality

ItsAHazardLife 24-Dec-20 03:39 AM

I havent posted anything on Twitter except for me in a few days.

Sparbucks 24-Dec-20 03:39 AM

fact you even did
im sorry
should've never happened

ItsAHazardLife 24-Dec-20 03:39 AM

Me telling people is me saying hey I respect you enough to tell you this

Sparbucks 24-Dec-20 03:39 AM

you should've never said a word on twitter
unless you literally caught her fucking a dude maybe
but you never actually met irl dude
irl is way diff

ItsAHazardLife 24-Dec-20 03:40 AM

I don't know who the 6 people of the 8 i've talked to who don't agree with me are.

Sparbucks 24-Dec-20 03:41 AM

there are many people worried about you

ItsAHazardLife 24-Dec-20 03:41 AM

I keep hearing that..... but guess what NO ONE MESSAGES ME.

Sparbucks 24-Dec-20 03:41 AM

when you make comments like you did tonight people are observant
but some of the people you have messaged too

ItsAHazardLife 24-Dec-20 03:42 AM

I know Rag and Doggette are cause they've told me

Sparbucks 24-Dec-20 03:42 AM

you cant go around just like
yelling about your potential break up

ItsAHazardLife 24-Dec-20 03:43 AM

potential break up? it's 1000% a breakup

Sparbucks 24-Dec-20 03:43 AM

it should've always been between you and meagan and maybe a couple you are close to
it wasnt at first dude
this shit been going on for a bit

ItsAHazardLife 24-Dec-20 03:44 AM

Yea it's been going on for a month or over a month

Sparbucks 24-Dec-20 03:44 AM

yes
many people know

ItsAHazardLife 24-Dec-20 03:44 AM

ever since she did what she did

Sparbucks 24-Dec-20 03:44 AM

and you also arent making things work
this was a very easy situation imo

ItsAHazardLife 24-Dec-20 03:44 AM

The only people I told about that night was you and saika

Sparbucks 24-Dec-20 03:44 AM

for you to work out
but you also have your stuff
i brought up josh/tomato and saika chat stuff
you get pretty stubborn about stuff
where you wont let it go
i said that on purpose

ItsAHazardLife 24-Dec-20 03:45 AM

I've never even had an issue with Josh/Tomato. Not one ounce of me.

Sparbucks 24-Dec-20 03:45 AM

no
but you were a complete dick to him
without realizing it
because of your stubborn stuff with weird stuff
UU RR
butt emote
daddy/mom/dad comments
and josh was just supporting us
the fact he had a rant about you should say a lot because he is one of the most positive nice people

ItsAHazardLife 24-Dec-20 03:47 AM

yes to me there was an easy solution to fix the relationship and there was no compromising to it.
I never even knew he had a rant about me.

Sparbucks 24-Dec-20 03:47 AM

no
there was a clear compromise

ItsAHazardLife 24-Dec-20 03:48 AM

Hearing that to me is crazy cause I never even knew he had an issue with me in the first place
The clear compromise was just sweeping everything under a rug

Sparbucks 24-Dec-20 03:48 AM

and my opinion is here
love you both
meagan was ready to compromise
you were not
no
you did not want to make it work
you are just wrong here

ItsAHazardLife 24-Dec-20 03:48 AM

Meagan's compromise was everything in meagan's favor, there was no real compromise.

Sparbucks 24-Dec-20 03:48 AM

no
you didnt wanna compromise

ItsAHazardLife 24-Dec-20 03:49 AM

I 1000% did

Sparbucks 24-Dec-20 03:49 AM

you let other stuff get in the way
when it shoulda just been about you 2
you did not
same way how you are treating me and saika

ItsAHazardLife 24-Dec-20 03:49 AM

yes I did

Sparbucks 24-Dec-20 03:49 AM

no
saika and myself have tried to talk to you
you have ignored everything we have said
and then you just say stupid bullshit
"i cant believe you are defending her!!!"

ItsAHazardLife 24-Dec-20 03:50 AM

literally was the one saying I want to figure out a compromise that works for the both of us, that leaves neither one hating the other due to the compromise

Sparbucks 24-Dec-20 03:50 AM

its like you dont want to even listen to us as well
compromise is you fucking trust her
she takes a more backseat approach in zach/clay chat or whatever the fuck
which she was ready to do, this issue happened over a month ago
you never met irl
she never fucking cheated on you as well quit selling that
you dont even know if you are compatible irl
telling her OR SAIKA AND MYSELF to not talk to someone
is riskyrob level
she never went off to ditch you to hang w/them
she never sent nudes or text or whaever the F
but seeing how you have treated and saika and myself
last 1-2 weeks

its almost like you have treated us like we are just dumb people
and i know saika is also pissed
and she if a very hard person to piss off hazard

ItsAHazardLife 24-Dec-20 03:55 AM

so wanting to heal from that night which means her staying away from them even for a bit to me should have been an understandable thing.

Sparbucks 24-Dec-20 03:55 AM

DUDE

it was a NIGHT

she didnt fucking cheat on you

seriously just

GET REAL about the situation and what you are preaching

she NEVER cheated on you dude

ItsAHazardLife 24-Dec-20 03:57 AM

I've only said she cheated one time to Saika

Sparbucks 24-Dec-20 03:57 AM

SHE NEVER CHEATED

QUIT SAYING IT

THAT NEVER HAPPENED

cheating is cheating

ItsAHazardLife 24-Dec-20 03:57 AM

Do I personally feel it was close.... yes? It crossed waaaaaay to many lines in my opinion

Sparbucks 24-Dec-20 03:58 AM

you have convinced yourself as if she cheated

no

she didnt not cheat

quit even making it seem like she did

fucking stop that dude

yes you didnt like what she said

NOT CHEATING

stop saying that shit

i fucking hate the progression of this

"it was kinda like cheating"

"it was basically cheating"

"pretty much cheating"

"SHE IS CHEATING"

IT WAS NEVER CHEATING

ItsAHazardLife 24-Dec-20 04:00 AM

Cheating Behaviors

Some think it's cheating if their partners engage in any of the following activities with people outside of their relationship:

Flirting
Discussing things of a sexual nature
Gift-giving (unless to a relative)
Clandestine online chatting (whether sexual or platonic)
Sharing private, personal information
Providing emotional support or admiration
Texting continually (in private or otherwise)
Sexting
Sexual contact

Sparbucks 24-Dec-20 04:00 AM

and yet another thing that pissed me off you saying this was basically zemp situation

ItsAHazardLife 24-Dec-20 04:00 AM

I'll toss logic in there

Sparbucks 24-Dec-20 04:00 AM

so any flirtation/joking is cheating
dude get fucking real

ItsAHazardLife 24-Dec-20 04:00 AM

there are multiple different types of cheating

Sparbucks 24-Dec-20 04:00 AM

turn off google
understand your relationship
she never cheated hazard
if she did cheat i would def call it out
she never did
but can we talk about you for a secondf
asking for DMs
WTF
why would you do that
WHY
dude
riskyrob did that to saika
that is NOT okay

ItsAHazardLife 24-Dec-20 04:01 AM

WHY? because I felt Meagan was lying to me.

Sparbucks 24-Dec-20 04:01 AM

DUDE
that is fucking bullshit
you dont EVER do that

Sparbucks 24-Dec-20 04:05 AM

dont ask them for their fucking DMs lol
no you are making excuses
she didnt do shit
she made a stupid joke that didnt land
and you didnt like it

ItsAHazardLife 24-Dec-20 04:06 AM

As far as talking to Megan we were talking as friends

Sparbucks 24-Dec-20 04:06 AM

then you said she cheated
then you apparently talked to "Megan"
then you asked for DMs
you need to take accountability for your fuck ups too

ItsAHazardLife 24-Dec-20 04:06 AM

I never said to Meagan that she cheated

Sparbucks 24-Dec-20 04:06 AM

you fucked up asking for her DMs
that is just fucking dumb
and a 101 handbook from riskyrob
you dont do that dude
you cant defend yourself for that

ItsAHazardLife 24-Dec-20 04:07 AM

you're right I should've just broke up with her the second I found out that she wanted Clay's semen and was horny/wet for her.

Sparbucks 24-Dec-20 04:07 AM

yeah that would be a better option tbh if that is how you took it
instead of asking for her DMs
EXCEPT SHE DIDNT START THAT BTW
your facts are crazy dude

ItsAHazardLife 24-Dec-20 04:08 AM

My facts aren't crazy

Sparbucks 24-Dec-20 04:08 AM

you listened to some other girl
over your own girlfriend

you watched a TWITCH vod lol
and basically didnt trust your own girlfriend
i love you to death and so does saika

ItsAHazardLife 24-Dec-20 04:09 AM

No everything I am saying is from the twitch vod and from Meagan's dm's to Meagan.

Sparbucks 24-Dec-20 04:09 AM

but its time to wake up Hazard

ItsAHazardLife 24-Dec-20 04:09 AM

I never asked for those Dm's

Sparbucks 24-Dec-20 04:09 AM

and now you dont want saika/myself to talk to meagan and Zach (and we dont know why)

I have told you

all night

i have heard 10000000000000000X worse

from saika/luna/tomato/bb

gak/marlon as well

did you see what marlon said from gaks account

"oh spar you make my panties drop"

on her OWN account

and they are a couple

and they laughed about it

ItsAHazardLife 24-Dec-20 04:10 AM

I haven't wanted you to not talk to Zach ever since the night in question.

Meagan cause it's obvious

Sparbucks 24-Dec-20 04:10 AM

dude

just stop

i have heard way worse jokes from couples even my own gf

ItsAHazardLife 24-Dec-20 04:11 AM

you're saying you don't get why and I'm literally telling you why

Sparbucks 24-Dec-20 04:11 AM

you are losing someone who literally loves and cares for you over something so fucking stupid

you need to just get this

again as a man

you are fucking up

ItsAHazardLife 24-Dec-20 04:12 AM

Am I? or am I saving myself from fucking up? (edited)

Sparbucks 24-Dec-20 04:12 AM

that is a very deep comment

but no you are fucking up

she cares for you a lot, i dont know if you can repair it

but you have been fucking up

and how you have also been treating saika and myself

sometimes when i think im in the right or persistent about something

i will think i am right for a while

ItsAHazardLife 24-Dec-20 04:14 AM

IF Meagan really cared then she would've understood where I'm coming from with not wanting her around them just so I could heal from that night.

Sparbucks 24-Dec-20 04:14 AM

but i get a dose of reality and realize I am actually wrong

she knows she went too far that ONE night dude

you cant hold one fucking stupid night against someone

if its someone you potentially want to spend the rest of your life with

BIGGER PICTURE

people make mistakes

its literally part of being a human

you also make mistakes

and you are making a BIG one right now

quit over analyzing what she did and exaggerating it

if you cared for her you would talk to her and she would talk to her

ItsAHazardLife 24-Dec-20 04:16 AM

how am I overexaggerating it?

Sparbucks 24-Dec-20 04:16 AM

but your compromising is literally BS

yes you are

you never met irl

you dont even know if you are compatible irl

you have exaggerated that night big time not just to me but other people

people make mistakes

ItsAHazardLife 24-Dec-20 04:17 AM

What am I overexaggerating with it?

please tell me

Sparbucks 24-Dec-20 04:17 AM

everything

100%

you are fucking up

ItsAHazardLife 24-Dec-20 04:17 AM

cause the hurt was all fucking real to me.

like big time hurting

Sparbucks 24-Dec-20 04:17 AM

with your logic right now how can you even possibly have a relationship

I know hurt too

i was hurt with zemp stuff

didnt mean i go to fucking twitter lol

saika and myself talked it out

why the fuck would you go to twitter as well

ItsAHazardLife 24-Dec-20 04:18 AM

I don't want one and like I've said I have no plans to go back to Meagan

Sparbucks 24-Dec-20 04:18 AM

so many mistakes

when literally it shoulda just been about you and meagan

ItsAHazardLife 24-Dec-20 04:18 AM

cause there was no talking things out

Sparbucks 24-Dec-20 04:19 AM

and i think this is the thing

you never met irl

ItsAHazardLife 24-Dec-20 04:19 AM

so again I'm better 1000%

Sparbucks 24-Dec-20 04:19 AM

with you reactions

not just with meagan

with us

twitter

how can you not see how people arent concerned for you

ItsAHazardLife 24-Dec-20 04:20 AM

How? only a couple people have messaged me.....

Sparbucks 24-Dec-20 04:20 AM

DUDE

you have made a scene everywhere

ItsAHazardLife 24-Dec-20 04:21 AM

with the Meagan break up?

Sparbucks 24-Dec-20 04:21 AM

YES and zach

jesus fucking christ

ItsAHazardLife 24-Dec-20 04:21 AM

O

Sparbucks 24-Dec-20 04:21 AM

you cant help but make it obvious

ItsAHazardLife 24-Dec-20 04:21 AM

I've only said the thing on twitter and havent said anything else.

Sparbucks 24-Dec-20 04:21 AM

DUDE

ItsAHazardLife 24-Dec-20 04:22 AM

you said it yourself.... last resort

Sparbucks 24-Dec-20 04:22 AM

you have DMd people

"dont trust meagan"

ItsAHazardLife 24-Dec-20 04:22 AM

It was my last resort

they shouldn't

Sparbucks 24-Dec-20 04:22 AM

last resort??!
what fucking last resort
you are in the wrong
and i really think you need to just disconnect for a bit
if you were right i would tell you
but im not gonna fucking lie to you

ItsAHazardLife 24-Dec-20 04:23 AM

With that night did you tell Meagan she was right or wrong for what she said?

Sparbucks 24-Dec-20 04:23 AM

i have told you

ItsAHazardLife 24-Dec-20 04:23 AM

I've disconnected more than you know

Sparbucks 24-Dec-20 04:23 AM

for the last fucking time
SHE NEVER CHEATED FIRST OF ALL
we good on that?
anyway

ItsAHazardLife 24-Dec-20 04:24 AM

you are the one continously stating that. not me

Sparbucks 24-Dec-20 04:24 AM

MEGAN (not your meagan)
said the first comment
about Clay's kid
and your Meagan agreed
have you ever heard the fucking saying of
"oh wow you have good genes"
but holy shit
for you to take the jump over that
and say she was cheating to saika and other people
MEGAN the person who apparently went to you which is fucking weird
was the person who started that convo
or are you going to deny that?

ItsAHazardLife 24-Dec-20 04:26 AM

yes Megan asked Meagan if she saw Clay's kid. Meagan said she didn't so Megan showed her. Meagan's initial reaction was wanting Clay's

semen to have a baby as cute as his

Sparbucks 24-Dec-20 04:26 AM

and regarding Zach

even more dumb

yeah he def should be more adamant about modding

but i also understand where he is coming from

its hard to tell everything going on in chat

ITS A THING

ItsAHazardLife 24-Dec-20 04:27 AM

HE KNEW EVERYTHING GOING ON AND DID NOTHING

Sparbucks 24-Dec-20 04:27 AM

Show me proof

that it didnt start with Megan

right now

show me the fucking proof

HAZARD

I HAVE HAD WAY WORSE IN MY CHAT

ItsAHazardLife 24-Dec-20 04:27 AM

reread what I said

Sparbucks 24-Dec-20 04:28 AM

where is the proof

it started with megan

the person who you also apparently exchange phone numbers with

ItsAHazardLife 24-Dec-20 04:28 AM

I didn't save the vod or the screenshots of DM's

Sparbucks 24-Dec-20 04:28 AM

WEIRD BUT OKAY WE IGNORE THAT

but she started it

ItsAHazardLife 24-Dec-20 04:28 AM

I'm not going to deny it. We were friends and nothing more than that.

Sparbucks 24-Dec-20 04:29 AM

lol meagan would have WAYYYYYY more to be jealous

than a fucking dumb twitch chat

ItsAHazardLife 24-Dec-20 04:29 AM

Megan legit asked Meagan if she saw Clay's kid. Meagan said she didn't so Megan showed her. Meagan's initial reaction was wanting Clay's semen to have a baby as cute as his

Sparbucks 24-Dec-20 04:29 AM

wait
is the key word for you that breaks things semen? lol

ItsAHazardLife 24-Dec-20 04:29 AM

that is what I said
YES

Sparbucks 24-Dec-20 04:30 AM

LOLLLLLLLLLLLLL
DUDE
holy shit
so its like
butt emoter
or
saying daddy

ItsAHazardLife 24-Dec-20 04:30 AM

saying she wanted to have his semen to make his baby

Sparbucks 24-Dec-20 04:30 AM

its a trigger thing for you
NO
you just exaggerated it again
for fucks sakes

ItsAHazardLife 24-Dec-20 04:30 AM

no I didn't

Sparbucks 24-Dec-20 04:30 AM

its the same regard of "you have good genes"
dude wtf

ItsAHazardLife 24-Dec-20 04:30 AM

I'm saying exactly what it is

Sparbucks 24-Dec-20 04:31 AM

how would you equate that to fucking cheating
like what the fuck
first
you have your shit wrong
the other megan made the first comment about semen

ItsAHazardLife 24-Dec-20 04:31 AM

between that and all the shit out Clay "asking for nudes" saying she was horny and wet for him. Plus other things.

Sparbucks 24-Dec-20 04:31 AM

so get your fucking shit correct

ItsAHazardLife 24-Dec-20 04:32 AM

NO she didn't

Sparbucks 24-Dec-20 04:32 AM

NO
SHE DID
BUT YOUR MEAGAN AGREED

ItsAHazardLife 24-Dec-20 04:32 AM

you have a pic?

Sparbucks 24-Dec-20 04:32 AM

DO YOU?

ItsAHazardLife 24-Dec-20 04:32 AM

exactly you don't

Sparbucks 24-Dec-20 04:32 AM

3 people told me this
vs you and some other person

ItsAHazardLife 24-Dec-20 04:33 AM

were those 3 people there that night?

Sparbucks 24-Dec-20 04:33 AM

yup
so megan said the semen comment
about how cute the kid was
then your meagan agreed

ItsAHazardLife 24-Dec-20 04:33 AM

but my Meagan made the exact comment I'm saying

Sparbucks 24-Dec-20 04:33 AM

jesus fucking christ
wake up
the person who started it
was the one who contacted you
and you exchanged PHONE numbers

ItsAHazardLife 24-Dec-20 04:34 AM

regardless if the other Megan said something about Semen she wasn't in a relationship

Sparbucks 24-Dec-20 04:34 AM

jesus

ItsAHazardLife 24-Dec-20 04:34 AM

Slothy started the entire night

Sparbucks 24-Dec-20 04:34 AM

dude
3 girls
so wait
your whole fucking crying thing here
is from 3 girls
and somehow zach/clay are devils as well
I HAVE HAD WAY WORSE

ItsAHazardLife 24-Dec-20 04:35 AM

clay was involved as well

Sparbucks 24-Dec-20 04:35 AM

IVE HAD WAY WORSE HAZARD
but this was all in joking tense
but because MEGAN contacted you
you took it serious
WHEN SHE WAS INVOLVED TOO

ItsAHazardLife 24-Dec-20 04:35 AM

Even if Megan started the Semen convo it doesn't make it right for Meagan to say

Sparbucks 24-Dec-20 04:36 AM

dude
you are fucking up
10000%
to hold this against someone you apparently love
also comparing this to zemp situation
and all this shit
dude this is chop liver
take a good week off the internet

ItsAHazardLife 24-Dec-20 04:36 AM

To me watching the vod legit broke my heart seeing all of the things she said that night.
but none of that fucking matters

Sparbucks 24-Dec-20 04:36 AM

no
she said sorry
your own gf literally did
then you demanded her
to not talk to zach and them
YOU CANT DO THAT DUDE
then
you DEMANDED DMs

ItsAHazardLife 24-Dec-20 04:37 AM

Saying sorry and not allowing me to heal.

Sparbucks 24-Dec-20 04:37 AM

its not just about you
you fucked up big time dude

ItsAHazardLife 24-Dec-20 04:37 AM

I don't see it as a fuck up

Sparbucks 24-Dec-20 04:37 AM

you need to realize
you fucked up
if you dont
then that is on you
no you fucked up 100%

ItsAHazardLife 24-Dec-20 04:38 AM

please I beg you to tell me how.

Sparbucks 24-Dec-20 04:38 AM

her joking didnt land
that was not okay with you
you talk about it
she never cheated
not remotely close
but you asking for DMs
100%
you fucked up
ask saika
you fucked up
like big fuck up

ItsAHazardLife 24-Dec-20 04:39 AM

She fucked up that night

Sparbucks 24-Dec-20 04:39 AM

no
you fucked up

ItsAHazardLife 24-Dec-20 04:39 AM

she said sorry, but didn't allow me to heal

Sparbucks 24-Dec-20 04:39 AM

the moment you started doing weird shit like that, it was over
allow to heal is broad and subjective dude
but you asking for DMs
100% you fucked up even more
like not even comparable
and dont make excuses
i want you to go to saika
and explain why you asked for DMs
and she will tell you everything why that is wrong
DM her right now

ItsAHazardLife 24-Dec-20 04:42 AM

I admit probably shouldnt have done the DM part but seeing her mention shit in the VOD about talking to clay then seeing her mentioning talking to Clay in DM's directly from Megan. Those Dm's I didn't ask for.

Sparbucks 24-Dec-20 04:42 AM

its not probably

you fucked up with that
that is worse than what she apparently did to you

ItsAHazardLife 24-Dec-20 04:43 AM

in your eyes yes

Sparbucks 24-Dec-20 04:43 AM

then on top of that how you treated us
no you are wrong
i wont back off on this
that is the shit riskyrob would do to saika

ItsAHazardLife 24-Dec-20 04:43 AM

Cause I don't see any of that night in Zach's chat as a joke

Sparbucks 24-Dec-20 04:43 AM

so if you go by that logic then dm him
this isnt even about how you have been treating us

we will always love you but you just need to take a step back, take a couple days off and really just asses what you are doing and saying
we will always be here though
but as your friend/family
i can say it and i know saika will say it
you are in the wrong here Adam.

ItsAHazardLife 24-Dec-20 04:47 AM

so I am in the wrong for every aspect of that night? She did nothing wrong?

Sparbucks 24-Dec-20 04:47 AM

I will leave it at that, we can talk in a day or so
but when you are ready to talk to saika and myself in a reasonable matter and as a friend again

ItsAHazardLife 24-Dec-20 04:47 AM

cause I know you legit really didn't answer my question
With that night did you tell Meagan she was right or wrong for what she said?

Sparbucks 24-Dec-20 04:47 AM

i need to go hang with Saika
I got the facts
from 3 people
i have repeated myself

ItsAHazardLife 24-Dec-20 04:48 AM

Who are the 3 people?

Sparbucks 24-Dec-20 04:48 AM

and im done doing that

ItsAHazardLife 24-Dec-20 04:48 AM

if Zach was one of them, guess what he was also drunk

Sparbucks 24-Dec-20 04:49 AM

just remember

ItsAHazardLife 24-Dec-20 04:49 AM

If one of them was Vegah.... he knows how bad that night got cause he made the comment in your stream

Sparbucks 24-Dec-20 04:49 AM

we are not happy with you Hazard and how you have treated us.

ItsAHazardLife 24-Dec-20 04:49 AM

You legit are dodging my question

Sparbucks 24-Dec-20 04:49 AM

Vegah? wtf no lol

no

im done with this convo

i said everything that needed to be said

ItsAHazardLife 24-Dec-20 04:50 AM

and I havent been happy with you guys Especially since that night

Sparbucks 24-Dec-20 04:50 AM

well we have been 100x more upset with you

ItsAHazardLife 24-Dec-20 04:51 AM

literally you're still dodging my question.

Sparbucks 24-Dec-20 04:51 AM

i have to go
i will dodge your question because ive literally answered it all night
brb

ItsAHazardLife 24-Dec-20 04:52 AM

So then your answer is I am in the wrong for getting hurt by what Meagan was saying that night.

Sparbucks 24-Dec-20 04:52 AM

you said enough tonight
get some sleep

ItsAHazardLife 24-Dec-20 04:53 AM

Just because it was all a joke to Meagan..... I am in the wrong for getting hurt

Sparbucks 24-Dec-20 04:53 AM

get some sleep

ItsAHazardLife 24-Dec-20 04:54 AM

exactly I've got my answer
you literally believed everything Meagan said.

Sparbucks 24-Dec-20 04:54 AM

dude what in the fuck
are you even talking about

ItsAHazardLife 24-Dec-20 04:54 AM

you feel like she did nothing wrong and all my wrongs were a billion times worse than Meagans

Sparbucks 24-Dec-20 04:54 AM

quit with your HAZARD VS MEGAN BATTLE OF 2020 fucking stupid bullshit
just stop
fucking stop it
you keep missing the point
because you are not thinking straight

ItsAHazardLife 24-Dec-20 04:55 AM

I am thinking more straight than you actually know

Sparbucks 24-Dec-20 04:55 AM

no
you are not
we are worried about you

ItsAHazardLife 24-Dec-20 04:55 AM

I'll call BS 1000%

Sparbucks 24-Dec-20 04:55 AM

okay
keep being a dickhole but hopefully in a couple days you will realize we still here waiting for you to come around
we would never treat you like this
btw next tuesday we will be playing with happy and zach

ItsAHazardLife 24-Dec-20 04:57 AM

yea and I wouldn't ever treat you or Saika with disrespect by talking to Rob or dealing with Zemp. Literally lost friends cause of the Zemp stuff.....

Sparbucks 24-Dec-20 04:57 AM

hopefully you dont send more passive aggressive messages
as if we are doing it to piss you off which is not true

ItsAHazardLife 24-Dec-20 04:58 AM

to me it's just a slap in the face

Sparbucks 24-Dec-20 04:58 AM

okay so you just mentioned a dude who abused saika and a dude who tried to ruin saika and my relationship
like how can you even mention a dude who abused saika here
she would rip you a new asshole right now

ItsAHazardLife 24-Dec-20 04:58 AM

and My relationship was ruined in Zach's chat..... so no room to talk

Sparbucks 24-Dec-20 04:58 AM

and you even saying its remotely close to the zach situation
DUDE
WTF
GO TO BED
now you are pissing me off too
no
im done

fuck this

ItsAHazardLife 24-Dec-20 04:59 AM

you said "a dude who tried to ruin saika and my relationship"

Sparbucks 24-Dec-20 04:59 AM

STOP
STOP YOUR WORDS
NOT SAME SITUATION
SERIOUSLY STOP NOW HAZARD
i am going to saika now

ItsAHazardLife 24-Dec-20 05:00 AM

well in Zach's chat..... he allowed everything to transpire including interactions with Clay who he was sailing with to keep chat going. Never once tried to stop it.

That night was what ruined my relationship with Meagan

Sparbucks 24-Dec-20 05:01 AM

she now knows what you said
you compared rob to her 7 month abusive relationship
grats
have a good one

ItsAHazardLife 24-Dec-20 05:02 AM

where did the comparison of that relationship to mine with Meagan come from?

Sparbucks 24-Dec-20 05:02 AM

i dont think
you literally get it

ItsAHazardLife 24-Dec-20 05:02 AM

legit just saying I wouldn't be disrespectful and talk to those people

Sparbucks 24-Dec-20 05:02 AM

i dont think you actually understand even when i talked to you
what rob did to saika

ItsAHazardLife 24-Dec-20 05:03 AM

I know what rob did to saika trust me I know

Sparbucks 24-Dec-20 05:03 AM

zemp is irrelevant

i do need to head out

have a good one

ItsAHazardLife 24-Dec-20 05:04 AM

I'm just saying if you two told me to not talk or interact with someone. I wouldn't disrespect you and go talk to them

Sparbucks 24-Dec-20 05:04 AM

and im serious i wont be responding for rest of the night

ItsAHazardLife 24-Dec-20 05:04 AM

plain and simple

Sparbucks 24-Dec-20 05:04 AM

DUDE I NEVER TOLD YOU NOT TO TALK TO ZEMP

BUT WE DID TELL YOU NOT TO FUCKING TALK TO ROB BECAUSE ITS TRAUMA FOR SAIKA

FUCKING HELL IM SO DONE WITH THIS CONVO

ItsAHazardLife 24-Dec-20 05:05 AM

AND THE WHOLE FUCKING THING WITH ZACH/CLAY FROM THAT NIGHT WAS TRAUMA FOR ME.

Sparbucks 24-Dec-20 05:05 AM

IM DONE WITH YOU

ItsAHazardLife 24-Dec-20 05:05 AM

I WAS LITERALLY HURTING AND NOBODY WAS THERE. NOT EVEN MY GF

Sparbucks 24-Dec-20 05:05 AM

YOU FUCKING COMPARING SHIT TO ROB

IM DONE

GOOD LUCK WITH SAIKA

Sparbucks 11-Jan-21 07:34 PM

Quit messaging saika about the meaghan stuff and quit threatening her she will lose you as a friend. Knock it off

Sparbucks 11-Jan-21 08:39 PM

I told you

stop messaging her about it

Sparbucks 14-Jan-21 07:03 PM

You need to move on Hazard and that healing will be on you. We will be waiting but the arguments about this are done, Saika and myself are not involved. We have told you this over and over and over. We are your friends. We will be here but we also can disagree about stuff. Also its Saikas bday, bad timing.

ItsAHazardLife 19-Jan-21 05:03 PM

1000% not sure how you two got involved, but you two were brought into it which has made you involved, so was Dogette. I fully understand people are sick of hearing about it, but I needed the people I called friends to be there for me and in all honesty I felt like the only person truly was there was Dogette and Saika was somewhat there. I know you weren't there at all for me. The one night, you literally just yelled at me, you basically told me none of that night happened and that I was the one that screwed up. My biggest regret was not having proof. When talking to Saika her biggest thing was she didn't want to lose anyone as friends or family and she just didn't want to believe Meagan could say those things.

I know what Dogette said was that I was being an abusive friend for telling Saika I want to walk away. The fact of the matter is, that is literally the hardest decision I would ever have to make to save myself from being reminded that the people I consider friends are perfectly fine with being friends with someone that cheated. It's like you openly support it. I don't support cheaters at all. I've always been a person who is constantly loyal in relationships and even friendships. Hence why I was always there for you. If friends weren't fond of other people I stay clear because I am loyal. You tell me I need to move on, right? But from what? Meagan? Friendships? Both? The crazy thing is you're telling me this without knowing exactly how I'm feeling or what's going through my head, cause you would understand my pain is coming from the friendships.... not Meagan. (edited)

At the end of the day, I just hope you and Saika understand that right now the only hurt I am feeling is from the people I call friends.... Trust me I am not hurting from Meagan, I had a month of knowing it could end at any time cause she wasn't happy with herself, she did what she did, she screwed things up, she cheated and couldn't see how much I was hurting from that night. Which was obvious by her wanting to be around them

Right now, I am stuck between a rock and a hard place. Why do I say this? The options in front of me are simple, be friends with my friends while knowing Meagan will always be around and knowing y'all support her cheating. The other option is just plan and simple walking away. Both options honestly suck for me.

I shouldn't be stuck with feeling like these are my only options nor should my friends want these being the options for me.

ItsAHazardLife 19-Jan-21 07:53 PM

At this point it's not an argument for me, it's just me hoping y'all can actually see and understand how things are making me feel and how I view things from a friendship standpoint. How I see things as a friend is truly screwed up. I look at things and feel like I'm questioning if we were ever friends, family cause of how y'all treated it from day 1. It always felt like you stood by her, believed what she said. You can't tell me didn't cause you were yelling at me telling me I screwed up. So even if you're trying to say you're neutral, are you truly in the neutral? I don't think so, cause of how you reacted the one night and how you were defending of Meagan.

So how does it look to me? It looks and feels like you and Saika believe whatever story Meagan told you over what I've told you. Hence making it look like you side fully with her. Even if there is residual proof that things went way out of hand that night.

I'm not even trying to make anyone take sides (even though to me it feels like sides were taken), but trying to show you how fucked up your reaction was, how you treated me like shit, how you basically said it was my fault, etc. Literally thats how I left that night. That night you made the decision I was at fault for the break up and you can't tell me you didn't.

This is how you made me feel, how Saika made me feel. It's just plain and simple how I feel.

I hope you were to actually be able to read all of this as a friend and not just instantly say "I'm tired of this" (edited)

Sparbucks 19-Jan-21 11:31 PM

my reaction wasnt fucked up, you treated saika and I like garbage as if we arent mature enough to think for ourselves. We disagreed with you and you didn't like that then you kept also twisting stories and how things went. You even twisted my own words then you tried to mirror how apparently what happened with you and meagan is similiar to Saika going through a year of actual abuse. I told you the truth and I yelled at you because of what you were doing. I simplified the whole issue and said we will still be your friend, meagans friend and zachs but you still tried to push your narrative on us and act like you control who we can talk to and play with which is insanely immature and disrespectful. You also in your message kept saying "guys support meagan cheating" and that BS, that is manipulation. We don't support cheating at all and you fail to understand in my opinion what Meagan did to you was not cheating. You will argue this, send google articles and screenshots of your fb post you made (which in all honesty was ridiculous you even did that) as validation but it's not, that is just incredibly immature.

We expected better of you but to see you treat us like shit that one day when you complained about Rare's numbers while Saika was live then SOMEHOW twisted that saying I degraded you without realizing you CAME INTO HER STREAM and said that. Then you treated Saika like shit and started abusive threats and somehow it's our fault. I am sorry but you are completely in the wrong here and as I said we (more so you) need to move on from this. This issue was done a long time ago and it's lingering and it's a quick fix but your stubbornness is making it impossible for you to get passed it. Quit blaming people and start being an actual friend again. We understand this situation is hard for you and you are hurting but that gives you no right to treat us like crap and try to force us not to talk to people. We have repeated this stuff for over a month and it is just done with (edited)

ItsAHazardLife 20-Jan-21 12:23 AM

Your reaction was honestly fucked up you were literally yelling at me in dm's, spamming the same shit. Why would I have to twist stories when my story was consistent? I've never lied about what happened that night in Zach's channel... I have zero need to. I know what was said that night, saw what she said on my way home from getting covid tested, watched the vod when I got home so I understood how what she said came into play then I talked to Meagan then I found out what she said to Megan in dm's. That night was so bad Zach deleted the vod and made an announcement on discord. In Zach's words "it was a horny mess." The crazy thing is if this same stuff happened to you, I wouldn't want to see you hurting, I wouldn't want to interact with someone that brought you pain hence I didn't want to deal with Zempel. You didn't have the same respect for me cause you saw it as it wasn't to that bad, when you weren't there nor did you see the vod cause he deleted it. The only way to know what was said is by Meagan pulling her chat history which she wouldn't do to save her face.

Saying you "guys support meagan cheating" is manipulation? How so because I'm saying what she did was cheating? Which in all honestly it was 100% emotionally cheating. Physically cheating is not the only form of cheating. I've constantly said to Saika and Dogette, you guys don't believe it's cheating. I've understood that since day 1, but you've never took a second to think of the other possibilities of cheating. Here's the thing you say everything I do is ridiculous in your opinion. You're saying things I've done is immature. Yet I wouldn't have made that facebook post if you thought emotionally cheating was a thing. 100+ people responded, every line was "yes she cheated", "yes it's cheating", "it's not physically cheating, but it's definitely emotionally cheating" etc etc etc. It's not immature when your friends are like "what she did was not cheating"

Here's the thing I could have on numerous occasions said some of the things you've said or done was immature but I'm going to. I'm not that type of person.

Sparbucks 20-Jan-21 12:29 AM

Everytime I talked to you or you talked to Saika you changed the story, embellished it and etc. You also twisted my words saying I said you can't talk to Zemp. My reaction wasn't fucked up because what you don't see is everytime Saika and I wake up how visibly upset Saika would be at your messaged everyday. You don't see that and you don't know how many times we have had to talk about this and how many times I've had to calm her down. I can only take so many of those days until I literally have to say something.

And yes "guys support meagan cheating" is a sleazy way to try to sell a fake POV as if we happily are okay with people cheating while completely disregarding everything else. It is point blank manipulation and playing the blame game/high school reaction. We don't do the "you are with me or not" crap, I have talked to you about this. The big focal point we have been trying to point out is how you have handled things. You can be hurt, upset and we will be there for you but how you went about things and attempted to get controlling (telling us who we can talk to, play with, asking for DMs, threatening to quit being friends with saika and guilt tripping her, blatantly lying saying we took sides when we never have but still to this day you still are pushing this).

Saika and I don't think it's cheating because it wasn't. Is it worth an argument/talk between you and Meagan? Yes of course. But you also aren't looking at the whole picture. Not to mention you talking to the other Megan and actually exchanging numbers.

ItsAHazardLife 20-Jan-21 12:30 AM

You expected better of me? I also expected better from you both. I truly did especially with the hurt that was done to me by Meagan that night. Y'all can call it "Abusive threats" but I touched on those earlier and obviously what I said didn't go far. It's not abusive when I'm full willing to walk away from people I've called friends or family.

Sparbucks 20-Jan-21 12:30 AM

And yes I can also change how I react to things, I am not a perfect person and I have never claimed to be. But you also don't see the reactions from Saika and myself. There is a reason people disagree with your approach on things.

If you would've just went with the approach of talking to Saika/Dogette or even Me about how to best get through this instead of instantly pushing and trying to control who we can talk to/play with and pushing things like saying we support cheating this would've been much different.

Friends and family also disagree and sometimes you should honestly consider some of the advice they are giving you instead of assuming they are choosing a side and selling false shit like "you support cheating!"

We all wanted you and Meagan to make it work, and sometimes it doesn't work. That doesn't mean as friends we are going to choose a side. Choosing a side is a very high school approach to stuff and again on the real side you and Meagan never met IRL. You can view her as a terrible person but you need to stop trying to convince people She is a terrible person, Zach is a terrible person and Clay. You can think how you want but you making comments publicly when Zach is brought up says a lot.

ItsAHazardLife 20-Jan-21 12:36 AM

I've never twisted my story, I literally have no reason to. I've never lied about her wanting clay's sperm to make a child as cute as him, how she was wet, how clay asked for nudes, how she was talking to clay in dm's, how she said she was horny. All things that led her to emotional cheat. I didn't say any of this, nor would I ever. I'm to loyal in relationships.

Sparbucks 20-Jan-21 12:36 AM

Also this will be the last time I will talk about this in chat with you because I have also become aware you have been screenshots stuff your viewpoint changed each time to make it seem worse and worse

ItsAHazardLife 20-Jan-21 12:37 AM

You really think I want to tell people everything she fucking said?

Sparbucks 20-Jan-21 12:37 AM

you said what was said you didnt like, then you claimed it to be basically porn (which it was not), then you claimed she kind of cheated, then she definitely cheated and now you have convinced yourself it's most definitely cheating and that was based on another girl you exchanged numbers with I already know the other Megan has lied about shit btw but I don't even want to get into that because this whole thing is just done with

ItsAHazardLife 20-Jan-21 12:38 AM

No it was because I watched the vod and I saw what she said it the dm's to Megan as what Meagan claimed was to be a "wing-woman" the biggest thing I still laugh about.

Sparbucks 20-Jan-21 12:39 AM

No the other Megan has lied about a lot of shit believe what you want anyway i need to get ready if you want to talk about this stuff with either of us it wont be in text/discord anymore it has to be in voice because of you sending screenshots of conversations

ItsAHazardLife 20-Jan-21 12:40 AM

I don't know what she supposedly lied about, but I'm only going on what I saw in Zach's vod and the screenshots from that day. plain and simple.

Sparbucks 20-Jan-21 12:41 AM

Quit focusing on thinking your friends are against you, focus on maybe what they are trying to say and consider some of their advice. People arent against you, they are against your approach and reaction to this whole thing. Anyway brb

ItsAHazardLife 20-Jan-21 12:46 AM

Honestly it has 100% felt like you especially were against me since the first day I told you stuff. You don't like my approach? Well maybe learn that there was more was to cheat than just physical stuff there is a lot of ways. My reaction is I just feel mind blown. You don't like that I'm saying things like the "you guys support cheaters" or whatever else. Well guess what at the end of the day thats how you both make me feel. It may not be the truth, but trust me it's how you make me feel.

Sparbucks 20-Jan-21 12:47 AM

Well remember you kept making Saika scream in the morning and being upset. So if you really think it's us then I am sorry I can't really help you. I know many people have tried but you definitely are very stubborn about this.

and no, my opinion on cheating is pretty educated and I still don't think it was cheating. Was it wrong? maybe, it's something that made you uncomfortable and a simple talk should've fixed things

ItsAHazardLife 20-Jan-21 12:48 AM

You want me to take the approach of asking for help, but I'm not the type of person to ask for help. Plus why would I ask for help from someone that doesn't seem to believe me.

Sparbucks 20-Jan-21 12:48 AM

no I am saying take advice from people surrounding you, I know many people have tried to talk to you you have convinced people arent there for you and not on your side. I have explained over and over it's your approach to everything. and trust me when Saika has talked to you she has tried everything

ItsAHazardLife 20-Jan-21 12:49 AM

your opinion on cheating is pretty educated? enlighten me

Sparbucks 20-Jan-21 12:50 AM

Yes it is
yours is very very very jaded and definitely search engine inspired
Meagan didn't do anything to warrant you to publicly bash her on the internet

ItsAHazardLife 20-Jan-21 12:50 AM

I'm waiting on your opinion of cheating

Sparbucks 20-Jan-21 12:51 AM

Cheating would be if she was sending nudes, insisntently flirting in DMs/text, lying on purpose to you
Some people can joke about sexual stuff

ItsAHazardLife 20-Jan-21 12:51 AM

nor did I deserve her to make a post that said stuff about me.

Sparbucks 20-Jan-21 12:51 AM

for instance timmy was with us the other night
and saika said im sleeping on the couch
and timmy said "so saika... spar is sleeping on the couch ayyy?"
and Saika joked back

if that was you, you would not be cool with that
with me, it's funny and a joke
no one deserves to be publicly bashed on the internet unless they have literally done something terrible
not because your relationship didn't work out
Again you guys never even met IRL or got to that point

ItsAHazardLife 20-Jan-21 12:54 AM

so your version of cheating is essentially what I saw in dm's, do I know if she dm'ing Clay 100% no, but I also know how dm's can disappear like magic.

Sparbucks 20-Jan-21 12:54 AM

she didnt cheat
you got your source from megan
who lied about a bunch of stuff
only thing you know is from the vod
Meagan didnt cheat
she did something you didn't agree with, you guys talked
she apologized

ItsAHazardLife 20-Jan-21 12:55 AM

I've seen ZERO facts that she lied.

Sparbucks 20-Jan-21 12:55 AM

but you didn't trust
she did lie 100%

ItsAHazardLife 20-Jan-21 12:56 AM

without knowing what she lied about all I can go off of is the dm's she showed me, which has been acknowledged even by Meagan.

Sparbucks 20-Jan-21 12:56 AM

saika and I have seen everything
but legit I have to go, only way we can continue this convo will be voice from now on
that goes for Saika as well

ItsAHazardLife 20-Jan-21 12:58 AM

All I can say is why should I trust someone that says they want someone elses kid? It's like saying I am not good enough.

Sparbucks 20-Jan-21 12:58 AM

it's called jokes
same thing as saika saying timmy can sleep with her
it's a joke

ItsAHazardLife 20-Jan-21 01:00 AM

It's funny if you've both seen it all, thats more said to you than she ever said to me. Didn't even want to talk to me about stuff, she was instantly mad and wanted it swept under a rug.

you guys find that funny or as a joke, but it's also disrespectful to your relationship.

Sparbucks 20-Jan-21 01:01 AM

i dont think it is at all because I trust Saika

thats part of my duty in a relationship is to have trust in my s/o

if there is something I disagree with, then I talk to them

they say sorry and apologize, maybe a couple convos happen

ItsAHazardLife 20-Jan-21 01:01 AM

Yea just like I trusted Meagan up until that night when she said all of what she did

Sparbucks 20-Jan-21 01:02 AM

but a lot of the stuff you think she said came from another girl you exchanged numbers with

you arent exactly innocent in this too

and I'm pretty sure Meagan did apologize

but you couldnt trust her again hence you asking for DMs and etc

like I said some people just don't mesh together

every relationship is different

ItsAHazardLife 20-Jan-21 01:03 AM

I exchanged numbers like I did Saika, Vamp, etc it was done as friends only.

Sparbucks 20-Jan-21 01:03 AM

the timing

you exchanged numbers during an argument

ItsAHazardLife 20-Jan-21 01:04 AM

no

Sparbucks 20-Jan-21 01:04 AM

oh so you guys had eachothers numbers before the zach thing?

ItsAHazardLife 20-Jan-21 01:05 AM

me and meagan were on good terms when Megan gave me her number to also give Meagan. which I instantly sent it to her. cause she wanted us both to have it

Sparbucks 20-Jan-21 01:05 AM

was it before or after zach incident?

ItsAHazardLife 20-Jan-21 01:05 AM

yes before the Zach thing.

Sparbucks 20-Jan-21 01:05 AM

then after you guys started talking more?
I would be pretty upset for instance
when Saika and I had arguments about zemp

ItsAHazardLife 20-Jan-21 01:06 AM

I never even talked much to her even after it happened.

Sparbucks 20-Jan-21 01:06 AM

if Saika was talking to Zemp about me and Saika believing all the things zemp would say during our arguments
and you also don't even have direct proof of what meagan said
it's all statements from megan
and how megans phone magically broke too

ItsAHazardLife 20-Jan-21 01:07 AM

Hell when Meagan said she didn't like that Megan would text me. I told her I have zero issues of blocking her for the sake of our relationship
I had the screenshots of what Meagan said to Megan up until I blocked her. Deleted the messages as well.

Sparbucks 20-Jan-21 01:09 AM

and to what ive seen Meagan didn't cheat.

ItsAHazardLife 20-Jan-21 01:09 AM

If I had screenshots of everything.... which I wish I did.

Sparbucks 20-Jan-21 01:09 AM

how could you just lose everything
like that doesnt make sense
how do you lose everything and Megan's phone breaks at the same time and she loses everything?
just a coincidence?
most texts are also stored on a cloud/account somewhere
how can you lose that

ItsAHazardLife 20-Jan-21 01:11 AM

I deleted the messages so there was no question where my loyalty lied while also blocking Megan

Sparbucks 20-Jan-21 01:11 AM

again to what ive seen
it's not cheating but again just my opinion

ItsAHazardLife 20-Jan-21 01:11 AM

no lie I spent a weekend trying to retrieve deleted messages ect... sadly I don't use an iphone

Sparbucks 20-Jan-21 01:12 AM

my texts i can access from my google phone

ItsAHazardLife 20-Jan-21 01:12 AM

not after deleting them you can't and even if you can it's typically 30 days.

Sparbucks 20-Jan-21 01:12 AM

and what about megan?

does she use an iphone?

just a weird coincidence

ItsAHazardLife 20-Jan-21 01:13 AM

no idea

it's not weird on my end when I wanted to show my loyalty. Why would I want to store texts from someone the gf didn't like?

Sparbucks 20-Jan-21 01:14 AM

Im saying the whole picture

just like many people involved

no evidence

ItsAHazardLife 20-Jan-21 01:15 AM

The only evidence that I know left over is hidden behind Zach and Meagan, locked behind a mod wall.

As far as I'm aware Meagan blocked Megan which potentially deleted her messages or Meagan deleted her side of things is what I've hear so of course even now that evidence is gone from multiple angles.

I feel dumb as hell for not saving the screenshots and dumb as hell for not saving the part of the vod with chat.

If I did have everything things I said would be more believe-able.

ItsAHazardLife 20-Jan-21 12:40 PM

In regards to you saying "it's all statements from megan
and how megans phone magically broke too"

No it wasn't just statements, I literally had physical proof of the discord dm's between the two.

Everything I've always had and saw was from physical elements. From Zack's vod and from the screenshots that Megan texted me. I deleted the texts to show I was loyal to Meagan. Hence I even blocked Megan.

I've even deleted my messages with Meagan which would have shown her asking me how I got these screenshots showing what she said. I honestly responded "Megan". And in all honesty Meagan wasn't happy that I was given them.

Hell if I was not loyal to my relationship I wouldn't be happy that my partner was given screenshots of me not being loyal.

These screenshots were real and were acknowledged by Meagan to I think Saika cause Meagan claimed she was just trying to be a wing-woman to Megan which is not the truth. No wing-woman would say what Meagan did. If I had my text messages with Meagan still they would show how I questioned Meagan with the things she said in the dm's to Megan. With her not really having a response to why she said those things.

At the end of the day I've been friends with you and Saika for almost 2 years. I haven't ever lied to you in those 2 years. Why would I start now over stuff with Meagan?

As far as the screenshot I grabbed from our conversation, it was literally sent to you and just dogette, it was about me telling you "that Meagan got mad at me for telling her she crossed the line and she tried tried to say it was just like stuff Luna would say, but I've never heard Luna say stuff Meagan did" This alone shows you that what Meagan said that night was bad. (edited)

ItsAHazardLife 20-Jan-21 12:54 PM

You told me yourself Meagan is a very vocal/honest person with no filter which could also mean she doesn't always think before she says stuff which is why after a 2nd person brought my name up to Meagan in Zach's chat that her response was "I'm going to be 100000000% in trouble tomorrow, Hazard is going to hate me" which honestly tells you that Meagan knew what she was saying was not right and that what was said would be hurtful to me. At this point she had a guilty conscious.

You claim you have seen everything, I don't know what Meagan has shown you, but it's obviously not everything. It's not what was said in Zack's chat and it's not what was said in dm's to Megan.

ItsAHazardLife 20-Jan-21 01:03 PM

I even remember one night we talked after Saika stayed up til almost noon sailing with Zempel. I remember telling you how awkward it felt cause it felt like at times she was flirting with him. Do you realize that just flirting even briefly is technically cheating even if it's not physical? Yes and the best couples can work through it like You and Saika did.

ItsAHazardLife 20-Jan-21 01:11 PM

If Meagan truly loved me and wanted to make things work she would of seen how much that what she said that night hurt me then she would would have seen how much I was bothered by what she said towards Clay and about Clay. She would have tried hard to not be around Clay, but she didn't and constantly would interact with him. This itself showed me she didn't care much for the relationship just like that night in Zach's chat. Hell even after that night she didn't even what either of us to say "I love you." This alone says a lot, but I still continued to try to make things work even with everything that happened.

ItsAHazardLife 21-Jan-21 09:48 AM

At the end of the day, I strongly feel like none of my friends have empathy for me over what I felt that night or what I have been feeling lately even with me telling you. You'd rather call me immature, abusive, manipulative, etc. You'd rather tell me that I'm wrong, that what I watched/read never happened, that she didn't cheat and that I'm not innocent in any of this even though I had nothing to do with it until after that night happened. You are believing everything Meagan has said or shown you and you're not believing what I said because I don't have the screenshots. Literally how I feel is if I had any of these screenshots you still wouldn't believe anything I had to say. You know I was a mod for Zach, right? After what happened that night I gave up my mod cause of what happened and how things were handled. I don't typically just give up my mod powers unless something happens.

As far as you guys being friends with Zach, I only asked you to stay clear of him cause of what happened. I blame 5 people for that night... Slothy for starting it, Zach for not stopping Slothy and allowing the night to happen to the point he had to delete the vod, Megan for joining in, Meagan for joining in to not feel left out and Clay for obviously being apart of it while being named directly by Meagan. All five had a part in that night, not just one person is to blame. So do I personally care for Zach? Hell no.. why? cause when I messaged him after I found out it felt like he thought it was funny. Yes he said sorry, but sorry's don't always make things right when it affects things like a relationship. I'm not the type of person who believes in sorry's, I believe in the actions that follow the sorry's to know if they truly meant it or not.

As far as Meagan cheating, it may not have been physically but it definitely was emotionally cheating. Ever since we had found Zach's stream and prior to the night everything happened. Meagan became weirdly distant and wouldn't talk to me as much as we typically would, but would always be in streams talking and saying things that she never even told me. She would even say something in someones chat before even texting me which was something she always did after getting off work and home. I started to feel like something was up, that I wasn't a priority and how she was talking towards Clay in Zach's chat felt off to me. Like there was something more going on than I knew. Then this night happened and she pretty much wanted to break up over it after the I wanted the break.

Literally to me saying I'm using abusive tactics to have Saika, Dogette and you to not be friends with Meagan after she cheated. I truly am not, I literally have my morals that at the end of the day I have to live with. Do I want to lose friendships of almost 2 years? No, but at the same time I know our friendship would never be the same cause you want to be friends with Meagan knowing the hurt I went through that night. So

to me yes, I can forgive Saika, Dogette and you for choosing to stay friends with someone who cheated on me, but I'll never be able to forget it. So it's just easier for me to walk away even though I don't really want to and it's something I am serious about. It's a decision I don't want to make. Which is why I want you to have some empathy so you can understand how I am feeling. Just the simple fact you can't see there is multiple ways someone can cheat which includes saying stuff like Meagan did that night. Makes me want to walk far away cause it's so narrow-minded.

ItsAHazardLife 22-Jan-21 09:37 AM

One day things may be better between us, but between stuff you're saying and not responding I don't know how long.

Sparbucks 22-Jan-21 09:38 AM

schedule a call

i kinda told you like 5 times

stuff has to be said in voice now

ItsAHazardLife 22-Jan-21 09:40 AM

last time you said "voice" it never happened.

over 1 screenshot that was only put back into our chat and show dogette. Kind of sad

yet you can spam in here something you screenshot from twitch chat..... while yelling at me telling me I'm wrong.

Your no responding cause you want it in voice only is just as immature as anything I've done. Real friends would respond..... like I did when you messaged me about Zemp.

Sparbucks 22-Jan-21 09:51 AM

stop

schedule call

ItsAHazardLife 22-Jan-21 09:51 AM

and if you want to schedule then tonight. 7pm your time. I'll be in GA. Me you Saika.

Sparbucks 22-Jan-21 09:52 AM

i might be able to tonight but saika will be streaming 7pm

ItsAHazardLife 22-Jan-21 09:52 AM

all 3 of us only.

Sparbucks 22-Jan-21 09:52 AM

we will see how early

ItsAHazardLife 22-Jan-21 09:53 AM

I'll be around.

Sparbucks 22-Jan-21 11:58 PM

Saika still sleeping fyi and not feeling good

ItsAHazardLife 22-Jan-21 11:58 PM

Ok

Sparbucks 23-Jan-21 04:12 AM

some crap happened today so i can try tomorrow or sunday

ItsAHazardLife 23-Jan-21 10:32 AM

I definitely know how that goes.

ItsAHazardLife 24-Jan-21 12:47 PM

If Saika and you want to talk let me know.

ItsAHazardLife 25-Jan-21 08:02 PM

Just let me know whenever you and Saika want to talk. Ill make time.

ItsAHazardLife 25-Jan-21 09:52 PM

All I ask at the end of the day, you're saying let's voice chat, friday didn't work out which I understand Saika wasn't feeling good, but not sure what happened to Saturday or Sunday. The last time you wanted us to talk ended up never happening even though you said you would after drops ended. So all I ask is for no repeats of that. So let me know when yall want to and we will sit down to talk.

Sparbucks 25-Jan-21 10:28 PM

Because we are busy and Saika going through stuff
And i still have to stream
Will see about tomorrow im trying to get her back on track

ItsAHazardLife 25-Jan-21 10:31 PM

I understand the Saika going through stuff. Busy stuff im iffy on cause the one day i saw yall on rust for like 8-12 hours.
You guys want the voice chat instead of messages so we just have to sit down and do it.

Sparbucks 25-Jan-21 10:34 PM

So itll be when she feels ready
And yes we prefer voice

ItsAHazardLife 25-Jan-21 10:37 PM

So when she feels ready could be awhile so would land in could never happen like last time.

Sparbucks 25-Jan-21 10:38 PM

Just depends on other stuff atm

ItsAHazardLife 25-Jan-21 10:38 PM

You prefer voice cause you dont trust me for taking a screenshot and literally sending it to you and dogette. I dont get it. Its literally a screenshot of me telling you briefly what happen and your response. But its whatever.

Sparbucks 25-Jan-21 10:39 PM

I want to voice because we have had the same conversation over and over for the last month or more
And saika needs a bit so

ItsAHazardLife 25-Jan-21 10:40 PM

Me and you havent had the same conversation. We havent really even talked except the night you were yelling at me. (edited)
So just let me know when yall want to do it.

Sparbucks 25-Jan-21 10:43 PM

Hazard its just not the right time/night
im trying to get Saika's mind in the right place
and prob after the next couple weeks we will be taking a discord break because just too much drama recently

ItsAHazardLife 25-Jan-21 10:44 PM

I fully understand that saikas mind needs to get back to the right place.
I fully understand the drama bs. I got sick and tired of it. I still am sick and tired of it, but this is the talk that needs to happen. Who knows which way it will go.
I can bet most of the drama is my fault too, but nothing i can do about that.

Sparbucks 25-Jan-21 10:52 PM

nah this stuff is related to saikas mom and her surgery and riskyrob crap
and ya drama w/you hasnt been easy
just too much for us and i know that

ItsAHazardLife 25-Jan-21 10:53 PM

Ive heard briefly about that pos trying to get some type of partnership.

Sparbucks 25-Jan-21 10:53 PM

well other close friends of saika sympathizing for him
it even surprised me.

ItsAHazardLife 25-Jan-21 10:56 PM

Id probably laugh at which ones cause my guess is they are streamers too. So it wouldnt surprise me and i can guess which ones.

Sparbucks 25-Jan-21 10:56 PM

but that might be being resolved as they are coming back down to earth

ItsAHazardLife 25-Jan-21 10:57 PM

Yea anything is possible. Some of those friends may say that they want to neutral between yall and rob. Regardless of what happened. (edited)
A lot of the stuff between me and you two it blows my mind. I dont understand a lot of it.

Sparbucks 25-Jan-21 11:02 PM

I mean this particular person is super close to Saika and said he would never talk to that sob
but then he got raided by riskyrob and yeah
the other one is no surprise to me though
and it destroyed Saika.

ItsAHazardLife 25-Jan-21 11:03 PM

I remember a day I had to send Saika a message cause Zach was sailing with that sob.

Sparbucks 25-Jan-21 11:04 PM

wasnt zach
there is a diff w/people being neutral and not really knowing the situation vs
someone who has been a friend for a long time, listened to saika, saika trusted and they had hours and hour long convos about shit
only to be more 'bought' by raids/bits
then say "he did those things because he was also hurting which I understand" which is literally the most bullshit ever
that's sympathizing for an abuser, and not the abuser taking responsibility for what they did

ItsAHazardLife 25-Jan-21 11:06 PM

Yea but at that point its got to be separated by friends and business. They cant help who raids them at the end of the day.
Not to make excuses for the guy. Even if he gets raided doesnt mean he is going to be friends with him at the end of the day.

Sparbucks 25-Jan-21 11:07 PM

well
the person then played w/him next day then the next day
you are right about you cant control who raids but you can control who you associate with
but when you say certain things to saika and know the full situation
but you get hiddy giddy and sympathize because you got a raid

ItsAHazardLife 25-Jan-21 11:08 PM

Zach i know didnt know the situation between Saika and rob. Not sure if he does now or not, but to me with what ive seen he wouldnt want to be involved.

Sparbucks 25-Jan-21 11:09 PM

yeah zach doesnt know much

and we just recently met him

also the person got mad at me because they wanted to join our tdm for coops tourney (when we tried to practice at last second) and I said I cant kick people

they got mad, unfollowed me then follow riskyrob

and a big problem again becomes how people get mad because we can't always play games w/them

have had so many people get mad at us because of this exact reason

but getting mad then sympathizing a known abuser of someone you are suppose to be best friends with pretty messed up.

ItsAHazardLife 25-Jan-21 11:11 PM

Yep and thats part of what bothers me with zach. We all recently met him. Especially with how he handled things after the fact but that ill show yall when we talk.

100% and yall are still trying to figure things out. You have been experimenting crews.

Sparbucks 25-Jan-21 11:11 PM

yeah but still significant differences w/zach issue

well we dont really wanna experiment w/crews

mostly we wanna focus on our content with just us because no matter what we do

we can never satisfy people w/how much we play

but there are many people who understand

but then others who take it to a weird personal level

friendships arent defined by how often you play video games together

ItsAHazardLife 25-Jan-21 11:13 PM

Eh there is differences but still 5 people to blame for that night in my opinion.

Sparbucks 25-Jan-21 11:14 PM

like people like brianna/mdw/todd/rag and them

they all wanna play games w/us

but they dont sit there and get mad

they come in/dm us and ask how our day is

ItsAHazardLife 25-Jan-21 11:14 PM

Sadly you wont be able to satisfy people with time to play especially on stream.

Sparbucks 25-Jan-21 11:15 PM

but its getting to the point where that is going to be more of a rarity (playing with other people)

ItsAHazardLife 25-Jan-21 11:16 PM

Ive been saying find who you want to sail with each day. Stick to it. Dont swap people out. Not worth the headache. Have a command in chat.

Sparbucks 25-Jan-21 11:16 PM

usually that is the case

but its just certain people

push it hard
and this person I have always felt like
its more about they wanna play w/us while we stream

ItsAHazardLife 25-Jan-21 11:17 PM

Thats a handful of people that i could guess and one day they will realize why you couldnt

Sparbucks 25-Jan-21 11:19 PM

i just wanna do my thing and have fun doing it
hate this whole thing
and then you have like zemp who still has fits and im hyper-scrutinized for shit that I am powerless over
then that kinda corner where they just heavily expect more esports/dope double tapping crap
when that shit isnt even fun
anyway i do need to get the stream going
will see if Saika streams

ItsAHazardLife 25-Jan-21 11:21 PM

I sent carrots a link the other day to pass to the devs.
Esp being sold on ebay with sales.

Sparbucks 25-Jan-21 11:21 PM

oh ya its still widely available
they have patched a couple things tho

ItsAHazardLife 25-Jan-21 11:22 PM

Way to much for the 3 year old game
I have no idea. Im so far from the game. Been even selling off my sot collection.

Sparbucks 25-Jan-21 11:22 PM

i mean even like csgo and big fps games have esp
its stupid
one day devs will figure out a full proof to prevent shit like that
we been doing rust on the side on hdoxx server

ItsAHazardLife 25-Jan-21 11:23 PM

But definitely at the end of the day you have to do what you want to when sailing with people.

Sparbucks 25-Jan-21 11:23 PM

first day a dude is just flying and shooting people from across the map
yeah
i just dont like taking the game overly serious

ItsAHazardLife 25-Jan-21 11:23 PM

Zemp is still a pos. The tdm for sot is probably the dumbest thing ive seen.

Sparbucks 25-Jan-21 11:23 PM

and i know the people who watch also dont like me taking it overly serious
kie and I had an epic battle, entire server was fighting
we sank everyone, last ship we sank and kie was in the water and I was solo on our sloop in a storm
having to bail and fix holes
and zemp of course goes "what the hell is spar doing?"
"he is going in circles"
like im in a storm lol
hes just a grudge inducing douche

ItsAHazardLife 25-Jan-21 11:25 PM

Sounds about right. Dealing with a storm and repairs isnt easy its a nightmare

Sparbucks 25-Jan-21 11:25 PM

always has a narrative/bad intentions for people he doesnt like
his newest person now is gavanator
always has some fucking drama with people

ItsAHazardLife 25-Jan-21 11:26 PM

Ill be honest im not even a huge fan of gav. His ego took over a bit since the 1st day i met him.

Sparbucks 25-Jan-21 11:26 PM

but dont worry a guy who is a known abuser of saika (who he claimed to be realllly good friends with) he is okay though
yeah but gav is literally a kid

ItsAHazardLife 25-Jan-21 11:26 PM

I know he just got out of high school or something

Sparbucks 25-Jan-21 11:26 PM

I give people who are super young some leniency
i dont exactly think going at a kid who I dont even think is 20 as a 30 year old is exactly worth your time

ItsAHazardLife 25-Jan-21 11:27 PM

Nope its really not.

Sparbucks 25-Jan-21 11:28 PM

but i know people like zemp, if you get on his bad side there is no right you can do
you can do 10000 things right and not be complimented, but if you have one mistake then its over emphasized

ItsAHazardLife 25-Jan-21 11:28 PM

But zemp and rob. Who knows that will never make sense especially if he considers himself a friend of saikas but then again he is a snake soooo

Sparbucks 25-Jan-21 11:29 PM

and they will go out of there way to sell their opinion to anyone they can

ItsAHazardLife 25-Jan-21 11:29 PM

I know zemp hates me and it doesnt bother me.

Sparbucks 25-Jan-21 11:29 PM

zemp isnt the dude btw
like i said im not surprised zemp sympathizes for Rob
it just makes sense
zemp unfollowed me cuz of something on saikas stream he disagreed with
then he followed rob

ItsAHazardLife 25-Jan-21 11:29 PM

It does make sense

Sparbucks 25-Jan-21 11:29 PM

the other person is buku ill just say it

ItsAHazardLife 25-Jan-21 11:30 PM

Zemp latched on to them like a snake. Fell into the hands of coop, cj, rob, etc.
Buku doesnt surprise me

Sparbucks 25-Jan-21 11:31 PM

i mean
Buku and Saika were really close
i actually did trust Buku although he was always a bit weird to me
always was weirded out a bit cuz one day a while back he sent me a message saying he was worried about my mental health because I got mad at sot or some shit

ItsAHazardLife 25-Jan-21 11:31 PM

Ive heard things about how buku would defend others. So it doesnt surprised me that he latched on.

Sparbucks 25-Jan-21 11:32 PM

yeah he has some mental illness issues
and he gets very emotional about his stats/if his content isnt doing good and etc
kinda the perfect example of people who are focusing on the wrong thing in terms of content and engagement

ItsAHazardLife 25-Jan-21 11:32 PM

Lmfao i dont think there is one person that doesnt get triggered by something in sot.

Sparbucks 25-Jan-21 11:33 PM

I mean thats kinda how the internet is in general which is sad
if I am super tired
and I look tired on cam
you have people who will come up with weird theories
and again hyper-scrutinize everything
when its like... im just fucking tired

ItsAHazardLife 25-Jan-21 11:34 PM

Yea i can see that happening.

Sparbucks 25-Jan-21 11:34 PM

Saika said it perfect to me today
If she had a cam people would prob go crazy how many times she rolls her eyes

ItsAHazardLife 25-Jan-21 11:35 PM

I know i just realized how unhappy i was with the game, the direction, everything. It just became unhealthy cause i wanted to see it do so well
and its a game that has been struggling for to long.
They would probably want a counter for how many times she rolls her eyes lol

Sparbucks 25-Jan-21 11:36 PM

I just like to play the game casually and have fun w/like saika and chat
it still is a perfect middle ground for twitch for me
i cant take the combat serious
its why i just cant do tdm serious/arena and all that

ItsAHazardLife 25-Jan-21 11:37 PM

Yea and even casually it has its issues

Sparbucks 25-Jan-21 11:38 PM

rust does have some potential
was talking to coop about the server he wants to make
it sounds perfect
but then you have riskyrob crap
and he will follow saika
she is loving rust a lot though

ItsAHazardLife 25-Jan-21 11:38 PM

It definitely has a balance between interaction and spice
Rust is an alright game, its super grindy.
Ive been seeing some of the people ive been watching play it.

Sparbucks 25-Jan-21 11:39 PM

i love it
but i need the balance
of rp/crew banter
and raid days
not everyday is raid day
cuz you will just get offline raided

ItsAHazardLife 25-Jan-21 11:39 PM

If i had to guess the hype of it will die down again.

Sparbucks 25-Jan-21 11:40 PM

okay for real brb here gotta start

ItsAHazardLife 25-Jan-21 11:40 PM

Yea go stream

ItsAHazardLife 31-Jan-21 11:30 PM

Just do me a favor and let me know when yall want to talk cause im just waiting on you and saika like when things first happened. I understand we all can be busy or things can happen.

ItsAHazardLife 02-Feb-21 11:33 AM

I'm hoping that we can squeeze this talk in soon. You say to schedule it and I try to with you, but I can bring it up to and it just gets pushed back sometimes going nowhere. I bring it up to Saika asking if you've said much to her and she's like not really, he might've and I could've forgot. At the end of the day I want to get a better understanding.

I sent this to Saika last night "How i feel about everything is that i get that we dont see eye to eye about everything. I get that you nor spar saw exactly what was said in Zach's chat or in Meagans dms to Megan or what was said between me and meagan after. I just wish i had the screenshots at the end of the day cause then there would be no questioning if she did or not. But what ive noticed is basically the timelines almost line up until the dms which meagan had with meagan. Especially since she told you she was trying to be a wing woman which is something she even told me and i questioned her about it cause with seeing the dms it didnt make sense at all to me. At the end of the day, i blame 5 people for that night and nothing will change that, they all had their part in it. I just strongly just hate how not being able to prove what she said has put a wedge between my friendships and she can just hop in channels like nothing happened." (edited)

ItsAHazardLife 04-Feb-21 01:31 PM

At this point it just seems like this talk is never going to happen. Saika is down for it, but it doesn't seem like you want to at all. I literally have removed my mod powers from yours and her stream cause I saw this morning that she is not dating Bruno and even went to visit him.

Sparbucks 04-Feb-21 02:12 PM

hazard the talk will happen
be patient lol

ItsAHazardLife 04-Feb-21 02:13 PM

Be patient.... really? Ive been patient its been almost 2 weeks. Now drops is about to start so ill have to wait another week.

Sparbucks 04-Feb-21 02:13 PM

HAZARD
fucking just listen
we both have shit going on
and i dont know if you know about my health issues
just stop
there is no time limit on stuff on when we will talk but im having big health issues that I need to pay attention too
so 2 weeks is nothing vs me potentially having heart issues

ItsAHazardLife 04-Feb-21 02:15 PM

I don't know much about yours, but I've been dealing with my own shit too, but I'd still have the talk.

Sparbucks 04-Feb-21 02:16 PM

i would too but im having big issues atm.

ItsAHazardLife 04-Feb-21 02:17 PM

Same.... I'm potentially going to the doctors in the next hour and with knowing my doctor..... I'll probably end up in the e.r.

Sparbucks 04-Feb-21 02:17 PM

saika has irl stuff going on, a lot. And my stuff is no joke
hazard
ive been having issues for weeks
i dont take days off.
there is a reason for it

ItsAHazardLife 04-Feb-21 02:18 PM

I don't take days off either.

Sparbucks 04-Feb-21 02:18 PM

so then you should understand

ItsAHazardLife 04-Feb-21 02:18 PM

Hell I grind from 7am to 11pm

Sparbucks 04-Feb-21 02:18 PM

so lay off for a bit
while things stabilize
i dont want to die

ItsAHazardLife 04-Feb-21 02:26 PM

I'm tired of waiting. Tired of hearing the same shit. Tired of seeing Meagan in chat. Tired of this pain that I have from losing people around me. Hell lost another one today. All for shit that Meagan actually said and did, but nobody wants to believe any of it happened cause of what she has said. I'm tired of hearing Meagan this or meagan that or Zach this or Zach that..... We wouldn't be anywhere in this situation if Meagan respected our relationship and didn't want to feel left out which cause her to say everything she did in chat and in dm's to Megan that even to me she claimed she was trying to be a "wing woman". I find out today that she started talking to Bruno in the last few weeks and even now traveled to see him. Thats proves she didn't love me if she moved on that quick. IM TIRED LITERALLY TIRED

Sparbucks 04-Feb-21 02:28 PM

just stop
i told you

ItsAHazardLife 04-Feb-21 02:28 PM

stop telling me to stop

Sparbucks 04-Feb-21 02:28 PM

we are over this convo
no

ItsAHazardLife 04-Feb-21 02:28 PM

I dont fucking care what you say

Sparbucks 04-Feb-21 02:28 PM

well then fuck you
you are wrong
you need to move on

ItsAHazardLife 04-Feb-21 02:28 PM

You can't be like this is the end of anything..... We are still waiting for a talk that you don't want to have

Sparbucks 04-Feb-21 02:28 PM

you are lucky it wasnt even a irl/serious relationship
quit talking to me about it

ItsAHazardLife 04-Feb-21 02:29 PM

You're just as wrong as me

Sparbucks 04-Feb-21 02:29 PM

also why did you message bruno?
that is again... weird
move on

ItsAHazardLife 04-Feb-21 02:29 PM

you can't tell me what to say or not say

Sparbucks 04-Feb-21 02:29 PM

okay
so just stop talking to me about it
talk to me about other stuff
same with saika

ItsAHazardLife 04-Feb-21 02:30 PM

I won't stop

Sparbucks 04-Feb-21 02:30 PM

same convo for like 3 months
i know you wont
and that is your problem
you are wrong but i know it will be a while for you to clear your mind
also stop pretending as if you are not hurting
you are hurting more than anyone in this situation
as always
as i repeat
we are here as friends
we will be your friend
but you need to move on

ItsAHazardLife 04-Feb-21 02:31 PM

LITERALLY I'm not hurting from Meagan. I am hurting from the people I called friends or family seeming fake

Sparbucks 04-Feb-21 02:31 PM

dude
you are in denial
you are hurting so bad

ItsAHazardLife 04-Feb-21 02:31 PM

no I'm not

Sparbucks 04-Feb-21 02:31 PM

okay
done with this convo

ItsAHazardLife 04-Feb-21 02:32 PM

Literally I'm telling you the truth and again you don't fucking believe me

Sparbucks 04-Feb-21 02:32 PM

going to bed
no
you are hurting
everyone has moved on except you
just stop

ItsAHazardLife 04-Feb-21 02:32 PM

YES HURTING FROM MY FRIENDS WHO SEEM FAKE
who haven't been there.
who haven't wanted to be there for me
who haven't this or that

Sparbucks 04-Feb-21 02:33 PM

meanwhile im gonna make sure my heart isnt failing while you get over your situation from someone you never met irl
weve been through this
thought you were getting to the point where you were moving on
but i was wrong
we will be here hazard when you finally grow up

ItsAHazardLife 04-Feb-21 02:34 PM

No matter what I say you won't believe me
you won't believe me with anything she said that night.

Sparbucks 04-Feb-21 02:34 PM

dude i really dont think you have had a gf ever
like have you ever been through a breakup?

ItsAHazardLife 04-Feb-21 02:34 PM

you wont believe me about those messages being cheating.
Multiple relationship and one ended with her cheating
another ended out of nowhere.
etc etc etc

Sparbucks 04-Feb-21 02:35 PM

so you have trust issues like we have established many times

ItsAHazardLife 04-Feb-21 02:35 PM

I can go on and on

Sparbucks 04-Feb-21 02:35 PM

you need to move on

as everyone has told you

your friends have nothing to do with you moving on btw but you are bringing them into it because I DONT FUCKING KNOW

your friends are there for you

ItsAHazardLife 04-Feb-21 02:36 PM

move on.... move on.....

Sparbucks 04-Feb-21 02:36 PM

move on, your friends are there

ItsAHazardLife 04-Feb-21 02:36 PM

no my friends are obviously not here for me.

Sparbucks 04-Feb-21 02:36 PM

im ending this convo because its the same shit over and over

no because you dragging them in again

ItsAHazardLife 04-Feb-21 02:36 PM

you're ending it because you like to control things and I'm not letting you anymore

Sparbucks 04-Feb-21 02:36 PM

have a goodnight, thought you were actually to the point of getting over it

lol

hazard

you literally threatened saika with your friendship

literally fuck you for being a piece of shit

im done

never expected it from you

ItsAHazardLife 04-Feb-21 02:38 PM

XDDDD the funny thing is and I've told people I have talked to.

Sparbucks 04-Feb-21 02:38 PM

'controlling'
dude i stay out of shit
you never even met your gf irl

ItsAHazardLife 04-Feb-21 02:38 PM

that it came down to walking away l 100%

Sparbucks 04-Feb-21 02:38 PM

and you are trying your hardest to hurt her
who the fuck does that... people from high school
im sure you posted on facebook and you got likes on it
im more worried about irl

ItsAHazardLife 04-Feb-21 02:39 PM

SHE FUCKING CHEATED. wtf

Sparbucks 04-Feb-21 02:39 PM

no she didnt
you are fucking delusional

ItsAHazardLife 04-Feb-21 02:39 PM

YES SHE DID
